 23 commission's and"; and

24 Further amend said bill and section, page 6, line 172,  
 25 by inserting after all of said line the following:

26           "15. Whenever a state of emergency is declared for the  
27 state or any part of the state, the department of natural  
28 resources may reevaluate any existing water exportation  
29 permit using the criteria under subsection 3 and 5 of this  
30 section. After reevaluation of the permit is complete, the  
31 department shall have the authority to impose additional  
32 conditions or revoke the permit if necessary for the  
33 continued exportation of water outside the state if the  
34 director determines that the existing permit negatively  
35 impacts beneficial use of water resources. The director's  
36 decision to modify or revoke the permit shall be subject to  
37 the clean water commission and Missouri soil and water  
38 districts commission review and approval or denial pursuant  
39 to subsection 4 of this section."
