3. On and after the effective date of any tax authorized in this section, the city may adopt one of the two following provisions for the collection and administration of the tax:

(1) The city may adopt rules and regulations for the internal collection of such tax by the city officers usually responsible for collection and administration of city taxes; or

(2) The city may enter into an agreement with the director of revenue of the state of Missouri for the purpose of collecting the tax authorized in this section. In the event any city enters into an agreement with the director of revenue of the state of Missouri for the collection of the tax authorized in this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of such tax, and the director of revenue shall collect the additional tax authorized in this section. Any funds which are not needed for current expenditures may be invested by the governing authority in accordance with applicable laws relating to the investment of other city funds.

(3) The governing authority of a city repealing a tax pursuant to this section shall notify the director of revenue of the action at least forty-five days before the effective date of the repeal and the director of revenue may order retention in any trust fund created in the state treasury associated with the tax, for a period of one year, of two percent of the amount collected after receipt of such notice to cover refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts.
