## AN ACT

To amend chapter 301, RSMo, by adding thereto one new section relating to special license plates.

---

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Chapter 301, RSMo, is amended by adding thereto one new section, to be known as section 301.3132, to read as follows:

**301.3132. 1. Any member designated by the Missouri Society of Professional Engineers may receive special license plates as prescribed by this section, for any motor vehicle such person owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight, after an annual payment of an emblem-use authorization fee to the Missouri Society of Professional Engineers Education Foundation. The Missouri Society of Professional Engineers hereby authorizes the use of its official emblem to be affixed on multi-year personalized license plates provided in this section. Any contribution to the Missouri Society of Professional Engineers Education Foundation derived from this section, except reasonable administrative costs, shall be used solely for the purposes of the Missouri Society of Professional Engineers Education Foundation and shall be deposited into the society's educational fund. Any person designated by the Missouri Society of Professional Engineers may annually apply for the use of the emblem.**

**2. Upon annual application and payment of a twenty-five dollar emblem-use contribution to the Missouri Society of Professional Engineers Education Foundation, the organization shall issue to the vehicle owner, without further charge, an emblem-**

use authorization statement, which shall be presented by the owner to the department of revenue at the time of registration of a motor vehicle. Upon presentation of the annual statement, payment of a fifteen dollar fee in addition to the registration fee and documents which may be required by law, the department of revenue shall issue to the vehicle owner a personalized license plate which shall bear the emblem of the Missouri Society of Professional Engineers. Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130.

3. A vehicle owner, who was previously issued a plate with the Missouri Society of Professional Engineers' emblem authorized by this section but who does not provide an emblem-use authorization statement at the subsequent time of registration, shall be issued a new plate which does not bear the Missouri Society of Professional Engineers' emblem, as otherwise provided by law.

4. The director of the department of revenue shall make necessary rules and regulations for the administration of this section, and shall design all necessary forms required by this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2003, shall be invalid and void.
