#### SENATE CONCURRENT RESOLUTION NO. 18

To establish a Joint Interim Committee on Community Health.

WHEREAS, growing concerns and complexities of health issues in this state have lead to higher

costs of administration and implementation of health care; and

WHEREAS, the manner in which health care is currently administered at the state level is fragmented and often unresponsive to health care issues; and

WHEREAS, the responsibility for health care policy, purchasing, planning, and regulation is spread among many different agencies and departments; and

WHEREAS, there is a need to have a central agency serve as the lead planning state entity for all health insurance and pharmacy benefit issues in the state to remedy the current situation; and

WHEREAS, the state could benefit from maximizing its purchasing power inasmuch as the state now has none of its health care purchasing coordinated; and

WHEREAS, minimizing the duplication and maximizing the administrative efficiency in the state's health care systems by removing overlapping functions and streamlining uncoordinated programs would lead to increased cost savings to the state in a time of fiscal uncertainty; and

WHEREAS, the state has a need to develop a better health care infrastructure that is more responsive to the consumers it serves while improving access to and coverage for health care:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-Second General Assembly, First Regular Session, the House of Representatives concurring therein, hereby create a joint interim committee to be composed of seven members of the Senate, to be

appointed by the President Pro Tem of the Senate and seven members of the House of Representatives, to be appointed by the Speaker of the House of Representatives, whereof at least three members from each house shall be from the minority party to conduct a study to determine the feasibility of achieving the objectives of decreasing health insurance costs to all state employees and streamlining state medicaid programs to achieve cost savings, as well as the other objectives expressed herein; and

BE IT FURTHER RESOLVED THAT THE JOINT COMMITTEE AND ITS MEMBERS SHALL HAVE NO CONTACT, WRITTEN OR ORAL, WITH THE UNIVERSITY OF MISSOURI OR ANY EMPLOYEES THEREOF; AND

BE IT FURTHER RESOLVED THAT THE JOINT COMMITTEE SHALL BE PROHIBITED FROM REQUESTING ANY RESEARCH OR INFORMATION FROM THE UNIVERSITY OF MISSOURI OR ANY EMPLOYEE THEREOF; AND

BE IT FURTHER RESOLVED that the joint committee shall call its first meeting within fifteen days of the signing by the Governor of this concurrent resolution; and

BE IT FURTHER RESOLVED that House Research, the Committee on Legislative Research, and Senate Research shall provide such legal, research, clerical, technical, and bill drafting services as the committee may require in the performance of its duties; and

BE IT FURTHER RESOLVED that the joint committee shall perform a study of the feasibility and economic impact of achieving the objectives provided herein for submission to the General

Assembly prior to the commencement of the Second Regular Session of the Ninety-second General Assembly; the study analysis shall include, but not be limited to, the following:

(2) The financial feasibility and programming implications of integrating benefit plans, or portions thereof, to achieve financial economies to the state and state retirees and their dependents and state beneficiaries and their dependents;

(3) A prioritized analysis of infrastructure and appropriations necessary to adequately implement any joint committee recommendation; and

(4) If, by a majority vote of the members of the joint committee, a determination is made that one of the existing health or pharmacy benefit plans of one of the member agencies, or any part thereof, would be better served by being excluded from the Division of Community Health, such determination and a detailed analysis thereof shall be included; and

BE IT FURTHER RESOLVED that the joint committee shall be authorized to contract for consulting services, subject to appropriation, to assist with the requirements of the study; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare a properly inscribed copy of this resolution for the Governor of Missouri.
