**185.200. The general assembly, giving due consideration to the  
2 historical and continuing interest of the people of the state of Missouri  
3 in encouraging the educational and cultural enrichment of its  
4 residents, finds that public television stations, especially with local  
5 programming, contribute significantly to such enrichment, are a  
6 valuable state resource, and consequently that support of public  
7 television is an important public purpose.**

2 television station" means a television broadcasting station operating as  
3 of January 1, 1980, under authority of section 73.621 of the Federal

6 political subdivision of this state, an educational institution of this  
7 state, or by a not-for-profit corporation, accepting or broadcasting no  
8 commercial messages, and receiving all or part of its operating  
9 revenues from public funds, federal funds, donations or grants, or**

10 **public subscriptions.**

8 percent of the state funds received under sections 185.200 to 185.230 by

12 public television station shall be used for local programming related to  
13 the needs and problems of the community served by the broadcast  
14 licensee. The grants shall be divided into two categories, an annual  
15 basic service grant and an operating grant. The basic service grant  
16 shall be equal to thirty-five percent of the total amount appropriated  
17 and shall be divided equally among the public television stations  
18 receiving grants. The remaining amount of the appropriation shall be  
19 distributed as an operating grant to the stations on the basis of the  
20 proportion that the total operating expenses of the individual station  
21 in the prior fiscal year bears to the aggregate total of operating  
22 expenses for the same fiscal year for all Missouri public television  
23 stations receiving state grants. State funds received by a public  
24 television station under sections 185.200 to 185.230 and not expended  
25 shall be returned to the state of Missouri.

185.215. The amount of any state funding provided by sections  
2 185.200 to 185.230 shall not exceed thirty percent of the operating  
3 expenditures for the previous year of the public television station  
4 receiving said grant.

185.220. Eligible public television stations desiring to receive  
2 grants under the provisions of sections 185.200 to 185.230 shall make an  
3 annual application to the state council on the arts and submit a  
4 certification of its actual operating and programming expenses for the  
5 previous fiscal year.

185.225. Each public television station receiving grants under the  
2 provisions of sections 185.200 to 185.230 shall furnish the state council

3 on the arts and the oversight division of the committee on legislative  
4 research within sixty days after the end of each fiscal year with an  
5 annual report and accounting of the funds received and expended by  
6 such stations during the just ended fiscal year and may furnish  
7 recommendations and suggestions for improvement in programs and  
8 services under the provisions of sections 185.200 to 185.230.

185.230. The amount appropriated as grants under the provisions  
2 of sections 185.200 to 185.230 shall not be more than the sum of fifty  
3 cents multiplied by the total number of residents of the state as  
4 determined by the most recent federal decennial census.

5 same bill, or part thereof, for payment; provided, that if the clerk shall, by  
6 oversight or mistake, fail to include any costs properly chargeable against the  
7 state or county in any fee bill, he may make out and present, as herein provided  
8 for making out bills of costs, a supplemental bill for the costs so omitted;  
9 provided, that the clerk shall in no case charge or receive any fee or fees  
10 whatsoever for the issuance of such supplemental fee bill.

550.260. 1. All criminal court cost bills shall be certified for payment as

2           the historical and continuing interest of the people of the state of  
3           Missouri in encouraging the educational and cultural enrichment  
4           of its residents, finds that public television stations, especially with  
5           local programming, contribute significantly to such enrichment, are  
6           a valuable state resource, and consequently that support of public  
7           television is an important public purpose.]

          [37.205. As used in sections 37.200 to 37.230, the term  
2           "public television station" means a television broadcasting station

2           commissioner of administration for use as grants to public  
3           television stations. Such grants shall be distributed to each of the  
4           public television stations in this state after receipt of the station's

14          needs and problems of the community served by the broadcast  
15          licensee. The grants shall be divided into two categories, an

16 annual basic service grant and an operating grant. The basic  
17 service grant shall be equal to thirty-five percent of the total  
18 amount appropriated and shall be divided equally among the public  
19 television stations receiving grants. The remaining amount of the  
20 appropriation shall be distributed as an operating grant to the

22 expenses of the individual station in the prior fiscal year bears to  
23 the aggregate total of operating expenses for the same fiscal year  
24 for all Missouri public television stations receiving state  
25 grants. State funds received by a public television station under  
26 sections 37.200 to 37.230 and not expended shall be returned to the  
27 state of Missouri.]

3 commissioner of administration and the oversight division of the  
4 committee on legislative research within sixty days after the end  
5 of each fiscal year with an annual report and accounting of the  
6 funds received and expended by such stations during the just ended  
7 fiscal year and may furnish recommendations and suggestions for  
8 improvement in programs and services under the provisions of  
9 sections 37.200 to 37.230.]

[37.230. The amount appropriated as grants under the  
2 provisions of section 37.200 to 37.230 shall not be more than the  
3 sum of fifty cents multiplied by the total number of residents of the  
4 state as determined by the most recent federal decennial census.]

Section B. Because immediate action is necessary to ensure the effective  
2 transfer of state services, section A of this act is deemed necessary for the
