To repeal section 99.845, RSMo, and to enact in lieu thereof two new sections relating to the St. Louis City school lead abatement and removal fund.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 99.845, RSMo, is repealed and two new sections enacted
2 in lieu thereof, to be known as sections 99.845 and 162.635, to read as follows:

99.845. 1. A municipality, either at the time a redevelopment project is
2 approved or, in the event a municipality has undertaken acts establishing a
3 redevelopment plan and redevelopment project and has designated a
4 redevelopment area after the passage and approval of sections 99.800 to 99.865
5 but prior to August 13, 1982, which acts are in conformance with the procedures
6 of sections 99.800 to 99.865, may adopt tax increment allocation financing by
7 passing an ordinance providing that after the total equalized assessed valuation
8 of the taxable real property in a redevelopment project exceeds the certified total
9 initial equalized assessed valuation of the taxable real property in the
10 redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if
11 any, arising from the levies upon taxable real property in such redevelopment
12 project by taxing districts and tax rates determined in the manner provided in
13 subsection 2 of section 99.855 each year after the effective date of the ordinance
14 until redevelopment costs have been paid shall be divided as follows:

15 (1) That portion of taxes, penalties and interest levied upon each taxable
16 lot, block, tract, or parcel of real property which is attributable to the initial
17 equalized assessed value of each such taxable lot, block, tract, or parcel of real

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

18 property in the area selected for the redevelopment project shall be allocated to
19 and, when collected, shall be paid by the county collector to the respective
20 affected taxing districts in the manner required by law in the absence of the
21 adoption of tax increment allocation financing;

22 (2) (a) Payments in lieu of taxes attributable to the increase in the
23 current equalized assessed valuation of each taxable lot, block, tract, or parcel of
24 real property in the area selected for the redevelopment project and any
25 applicable penalty and interest over and above the initial equalized assessed
26 value of each such unit of property in the area selected for the redevelopment
27 project shall be allocated to and, when collected, shall be paid to the municipal
28 treasurer who shall deposit such payment in lieu of taxes into a special fund
29 called the "Special Allocation Fund" of the municipality for the purpose of paying
30 redevelopment costs and obligations incurred in the payment thereof. Payments
31 in lieu of taxes which are due and owing shall constitute a lien against the real
32 estate of the redevelopment project from which they are derived and shall be
33 collected in the same manner as the real property tax, including the assessment
34 of penalties and interest where applicable. The municipality may, in the
35 ordinance, pledge the funds in the special allocation fund for the payment of such
36 costs and obligations and provide for the collection of payments in lieu of taxes,
37 the lien of which may be foreclosed in the same manner as a special assessment
38 lien as provided in section 88.861, RSMo. No part of the current equalized
39 assessed valuation of each lot, block, tract, or parcel of property in the area
40 selected for the redevelopment project attributable to any increase above the total
41 initial equalized assessed value of such properties shall be used in calculating the
42 general state school aid formula provided for in section 163.031, RSMo, until such
43 time as all redevelopment costs have been paid as provided for in this section and
44 section 99.850;

45 (b) **For redevelopment plans and projects adopted or**
46 **redevelopment projects approved by ordinance after August 31, 2006, in**
47 **a city not within a county, ninety percent of payments in lieu of taxes**
48 **attributable to the increase in the current equalized assessed valuation**
49 **of each taxable lot, block, tract, or parcel of real property in the area**
50 **selected for the redevelopment project and any applicable penalty and**
51 **interest over and above the initial equalized assessed value of each such**
52 **unit of property in the area selected for the redevelopment project shall**
53 **be allocated to and, when collected, shall be paid to the municipal**
54 **treasurer who shall deposit such payment in lieu of taxes into a special**

55 fund called the "Special Allocation Fund" of the municipality for the
56 purpose of paying redevelopment costs and obligations incurred in the
57 payment thereof. Payments in lieu of taxes that are due and owing shall
58 constitute a lien against the real estate of the redevelopment project
59 from which they are derived and shall be collected in the same manner
60 as the real property tax, including the assessment of penalties and
61 interest where applicable. The municipality may, in the ordinance,
62 pledge the funds in the special allocation fund for the payment of such
63 costs and obligations and provide for the collection of payments in lieu
64 of taxes, the lien of which may be foreclosed in the same manner as a
65 special assessment lien as provided in section 88.861, RSMo. No part of
66 the current equalized assessed valuation of each lot, block, tract, or
67 parcel of property in the area selected for the redevelopment project
68 attributable to any increase above the total initial equalized assessed
69 value of such properties shall be used in calculating the general state
70 school aid formula provided for in section 163.031, RSMo, until such time
71 as all redevelopment costs have been paid as provided for in this section
72 and section 99.850. The remaining ten percent of payments in lieu of
73 taxes shall be allocated to the fund created under section 162.635;

74 (c) Notwithstanding any provisions of this section to the contrary, for
75 purposes of determining the limitation on indebtedness of local government
76 pursuant to article VI, section 26(b) of the Missouri Constitution, the current
77 equalized assessed value of the property in an area selected for redevelopment
78 attributable to the increase above the total initial equalized assessed valuation
79 shall be included in the value of taxable tangible property as shown on the last
80 completed assessment for state or county purposes;

81 [(c)] (d) The county assessor shall include the current assessed value of
82 all property within the taxing district in the aggregate valuation of assessed
83 property entered upon the assessor's book and verified pursuant to section
84 137.245, RSMo, and such value shall be utilized for the purpose of the debt
85 limitation on local government pursuant to article VI, section 26(b) of the
86 Missouri Constitution;

87 (3) For purposes of this section, "levies upon taxable real property in such
88 redevelopment project by taxing districts" shall not include the blind pension fund
89 tax levied under the authority of article III, section 38(b) of the Missouri
90 Constitution, or the merchants' and manufacturers' inventory replacement tax
91 levied under the authority of subsection 2 of section 6 of article X of the Missouri

92 Constitution, except in redevelopment project areas in which tax increment
93 financing has been adopted by ordinance pursuant to a plan approved by vote of
94 the governing body of the municipality taken after August 13, 1982, and before
95 January 1, 1998.

96 2. In addition to the payments in lieu of taxes described in subdivision (2)
97 of subsection 1 of this section, for redevelopment plans and projects adopted or
98 redevelopment projects approved by ordinance after July 12, 1990, and prior to
99 August 31, 1991, fifty percent of the total additional revenue from taxes, penalties
100 and interest imposed by the municipality, or other taxing districts, which are
101 generated by economic activities within the area of the redevelopment project over
102 the amount of such taxes generated by economic activities within the area of the
103 redevelopment project in the calendar year prior to the adoption of the
104 redevelopment project by ordinance, while tax increment financing remains in
105 effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by
106 transient guests of hotels and motels, taxes levied pursuant to section 70.500,
107 RSMo, licenses, fees or special assessments other than payments in lieu of taxes
108 and any penalty and interest thereon, or, effective January 1, 1998, taxes levied
109 pursuant to section 94.660, RSMo, for the purpose of public transportation, shall
110 be allocated to, and paid by the local political subdivision collecting officer to the
111 treasurer or other designated financial officer of the municipality, who shall
112 deposit such funds in a separate segregated account within the special allocation
113 fund. Any provision of an agreement, contract or covenant entered into prior to
114 July 12, 1990, between a municipality and any other political subdivision which
115 provides for an appropriation of other municipal revenues to the special allocation
116 fund shall be and remain enforceable.

117 3. In addition to the payments in lieu of taxes described in subdivision (2)
118 of subsection 1 of this section, for redevelopment plans and projects adopted or
119 redevelopment projects approved by ordinance after August 31, 1991, fifty percent
120 of the total additional revenue from taxes, penalties and interest which are
121 imposed by the municipality or other taxing districts, and which are generated
122 by economic activities within the area of the redevelopment project over the
123 amount of such taxes generated by economic activities within the area of the
124 redevelopment project in the calendar year prior to the adoption of the
125 redevelopment project by ordinance, while tax increment financing remains in
126 effect, but excluding personal property taxes, taxes imposed on sales or charges
127 for sleeping rooms paid by transient guests of hotels and motels, taxes levied
128 pursuant to section 70.500, RSMo, or effective January 1, 1998, taxes levied for

129 the purpose of public transportation pursuant to section 94.660, RSMo, licenses,
130 fees or special assessments other than payments in lieu of taxes and penalties
131 and interest thereon, shall be allocated to, and paid by the local political
132 subdivision collecting officer to the treasurer or other designated financial officer
133 of the municipality, who shall deposit such funds in a separate segregated account
134 within the special allocation fund.

135 4. Beginning January 1, 1998, for redevelopment plans and projects
136 adopted or redevelopment projects approved by ordinance and which have
137 complied with subsections 4 to 12 of this section, in addition to the payments in
138 lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of
139 this section, up to fifty percent of the new state revenues, as defined in subsection
140 8 of this section, estimated for the businesses within the project area and
141 identified by the municipality in the application required by subsection 10 of this
142 section, over and above the amount of such taxes reported by businesses within
143 the project area as identified by the municipality in their application prior to the
144 approval of the redevelopment project by ordinance, while tax increment financing
145 remains in effect, may be available for appropriation by the general assembly as
146 provided in subsection 10 of this section to the department of economic
147 development supplemental tax increment financing fund, from the general
148 revenue fund, for distribution to the treasurer or other designated financial officer
149 of the municipality with approved plans or projects.

150 5. The treasurer or other designated financial officer of the municipality
151 with approved plans or projects shall deposit such funds in a separate segregated
152 account within the special allocation fund established pursuant to section 99.805.

153 6. No transfer from the general revenue fund to the Missouri
154 supplemental tax increment financing fund shall be made unless an appropriation
155 is made from the general revenue fund for that purpose. No municipality shall
156 commit any state revenues prior to an appropriation being made for that
157 project. For all redevelopment plans or projects adopted or approved after
158 December 23, 1997, appropriations from the new state revenues shall not be
159 distributed from the Missouri supplemental tax increment financing fund into the
160 special allocation fund unless the municipality's redevelopment plan ensures that
161 one hundred percent of payments in lieu of taxes and fifty percent of economic
162 activity taxes generated by the project shall be used for eligible redevelopment
163 project costs while tax increment financing remains in effect. This account shall
164 be separate from the account into which payments in lieu of taxes are deposited,
165 and separate from the account into which economic activity taxes are deposited.

166 7. In order for the redevelopment plan or project to be eligible to receive
167 the revenue described in subsection 4 of this section, the municipality shall
168 comply with the requirements of subsection 10 of this section prior to the time the
169 project or plan is adopted or approved by ordinance. The director of the
170 department of economic development and the commissioner of the office of
171 administration may waive the requirement that the municipality's application be
172 submitted prior to the redevelopment plan's or project's adoption or the
173 redevelopment plan's or project's approval by ordinance.

174 8. For purposes of this section, "new state revenues" means:

175 (1) The incremental increase in the general revenue portion of state sales
176 tax revenues received pursuant to section 144.020, RSMo, excluding sales taxes
177 that are constitutionally dedicated, taxes deposited to the school district trust
178 fund in accordance with section 144.701, RSMo, sales and use taxes on motor
179 vehicles, trailers, boats and outboard motors and future sales taxes earmarked
180 by law. In no event shall the incremental increase include any amounts
181 attributable to retail sales unless the municipality or authority has proven to the
182 Missouri development finance board and the department of economic development
183 and such entities have made a finding that the sales tax increment attributable
184 to retail sales is from new sources which did not exist in the state during the
185 baseline year. The incremental increase in the general revenue portion of state
186 sales tax revenues for an existing or relocated facility shall be the amount that
187 current state sales tax revenue exceeds the state sales tax revenue in the base
188 year as stated in the redevelopment plan as provided in subsection 10 of this
189 section; or

190 (2) The state income tax withheld on behalf of new employees by the
191 employer pursuant to section 143.221, RSMo, at the business located within the
192 project as identified by the municipality. The state income tax withholding
193 allowed by this section shall be the municipality's estimate of the amount of state
194 income tax withheld by the employer within the redevelopment area for new
195 employees who fill new jobs directly created by the tax increment financing
196 project.

197 9. Subsection 4 of this section shall apply only to blighted areas located
198 in enterprise zones, pursuant to sections 135.200 to 135.256, RSMo, blighted
199 areas located in federal empowerment zones, or to blighted areas located in
200 central business districts or urban core areas of cities which districts or urban
201 core areas at the time of approval of the project by ordinance, provided that the
202 enterprise zones, federal empowerment zones or blighted areas contained one or

203 more buildings at least fifty years old; and

204 (1) Suffered from generally declining population or property taxes over the
205 twenty-year period immediately preceding the area's designation as a project area
206 by ordinance; or

208 without a charter form of government with a population according to the most
209 recent federal decennial census in excess of one hundred fifty thousand and

211 federal decennial census in excess of three hundred fifty thousand.

212 10. The initial appropriation of up to fifty percent of the new state
213 revenues authorized pursuant to subsections 4 and 5 of this section shall not be
214 made to or distributed by the department of economic development to a
215 municipality until all of the following conditions have been satisfied:

216 (1) The director of the department of economic development or his or her
217 designee and the commissioner of the office of administration or his or her
218 designee have approved a tax increment financing application made by the
219 municipality for the appropriation of the new state revenues. The municipality
220 shall include in the application the following items in addition to the items in

308 redevelopment area shall be approved by the director of the department of
309 economic development or his or her designee and the commissioner of the office

335 fifty thousand and one hundred thousand inhabitants which contains all or part
336 of a city with a population in excess of four hundred thousand or more
337 inhabitants.

338 12. There is hereby established within the state treasury a special fund
339 to be known as the "Missouri Supplemental Tax Increment Financing Fund", to
340 be administered by the department of economic development. The department
341 shall annually distribute from the Missouri supplemental tax increment financing
342 fund the amount of the new state revenues as appropriated as provided in the
343 provisions of subsections 4 and 5 of this section if and only if the conditions of

359 state tax revenues shall not be based on a calculation of the incremental increase
360 in taxes as compared to the base year or prior calendar year for such
361 redevelopment project, rather the incremental increase shall be the amount of
362 total taxes generated from the net new jobs brought in by the national
363 headquarters from another state. In no event shall this subsection be construed
364 to allow a redevelopment project to receive an appropriation in excess of up to
365 fifty percent of the new state revenues.

162.635. There is hereby created in the state treasury the "St.
2 Louis City School Lead Abatement and Removal Fund", which shall
3 consist of moneys transferred under section 99.845, RSMo. The state

9 contrary, any moneys remaining in the fund at the end of the biennium
10 shall not revert to the credit of the general revenue fund. The state
11 treasurer shall invest moneys in the fund in the same manner as other
12 funds are invested. Any interest and moneys earned on such
13 investments shall be credited to the fund.
