

Journal of the Senate

SECOND REGULAR SESSION

SIXTY-SEVENTH DAY—FRIDAY, MAY 5, 2006

The Senate met pursuant to adjournment.

Senator Koster in the Chair.

Reverend Carl Gauck offered the following prayer:

C.I. Sholfield wrote: "I like to be able to think of people who deeply interest me in their homes. Downtown we are all alike, but at home we are just ourselves...At home we are at ease: we throw off care: we are understood, and loved and welcome."

Loving Father, we desire to wrap up the work of this long week knowing there is much yet to be accomplished but we want to go home and be at ease with those we love and share some time just being ourselves as we are truly known there and loved for who we truly are. Help us be mindful of how our absence is experienced by those left behind and help us make an extra effort to be truly with them and listen to them. And may we be found in Your house Holy Father hearing Your Word and abiding in Your presence. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

With respect to exempt sales at retail of tangible personal property and materials for the purpose of constructing, repairing or remodeling facilities for: (1) a county, other political subdivision or instrumentality thereof exempt from taxation under subdivision (10) of section 39 of article III of the Constitution of Missouri; or (2) an organization sales to which are exempt from taxation under the provisions of subdivision (19) of subsection 2 of section 144.030; or (3) any institution of higher education supported by public funds or any private not-for-profit institution of higher education, exempt from taxation under subdivision (20) of subsection 2 of section 144.030; or (4) any private not-for-profit elementary or secondary school exempt from taxation under subdivision (22) of subsection 2 of section 144.030; **or (5) after June 30, 2007: (a) the department of transportation; or (b) the state highways and transportation commission**, hereinafter collectively referred to as exempt entities, such exemptions shall be allowed for such purchases if the purchases are related to the entities' exempt functions and activities. In addition, the sales shall not be rendered nonexempt nor shall any material supplier or contractor be obligated to pay, collect or remit sales tax with respect to such purchases made by or on behalf of an exempt entity due to such purchases being billed to or paid for by a contractor or the exempt entity contracting with any entity to render any services in relation to such purchases, including but not limited to selection of materials, ordering, pickup, delivery, approval on delivery, taking of delivery, transportation, storage, assumption of risk of loss to materials or providing warranties on materials as specified by contract, use of materials or other purchases for construction of the building or other facility, providing labor, management services, administrative services, design or technical services or advice to the exempt entity,

whether or not the contractor or other entity exercises dominion or control in any other manner over the materials in conjunction with services or labor provided to the exempt entity.

2. When any exempt entity contracts for the purpose of constructing, repairing or remodeling facilities, and purchases of tangible personal property and materials to be incorporated into or consumed in the construction of the project are to be made on a tax-exempt basis, such entity shall furnish to the contractor an exemption certificate authorizing such purchases for the construction, repair or remodeling project. The form and content of such project exemption certificate shall be approved by the director of revenue. The project exemption certificate shall include but not be limited to:

- (1) The exempt entity's name, address, Missouri tax identification number and signature of authorized representative;
- (2) The project location, description, and unique identification number;
- (3) The date the contract is entered into, which is the earliest date materials may be purchased for the project on a tax-exempt basis;
- (4) The estimated project completion date; and
- (5) The certificate expiration date.

Such certificate is renewable for a given project at the option of the exempt entity, only for the purpose of revising the certificate expiration date as necessary to complete the project.

3. The contractor shall furnish the certificate prescribed in subsection 2 of this section to all subcontractors, and any contractor purchasing materials shall present such certificate to all material suppliers as authorization to purchase, on behalf of the exempt entity, all tangible personal property and materials to be incorporated into or consumed in the construction of that project and no other on a tax-exempt basis. Such suppliers shall execute to the purchasing contractor invoices

bearing the name of the exempt entity and the project identification number. Nothing in this section shall be deemed to exempt the purchase of any construction machinery, equipment or tools used in constructing, repairing or remodeling facilities for the exempt entity. All invoices for all personal property and materials purchased under a project exemption certificate shall be retained by the purchasing contractor for a period of five years and shall be subject to audit by the director of revenue.

4. Any excess resalable tangible personal property or materials which were purchased for the project by a contractor under a project exemption certificate but which were not incorporated into or consumed in the construction of the project shall either be returned to the supplier for credit or the appropriate sales or use tax on such excess property or materials shall be reported on a return and paid by such contractor not later than the due date of the contractor's Missouri sales or use tax return following the month in which it was determined that the materials were not to be used in the project.

5. No contractor or material supplier shall, upon audit, be required to pay tax on tangible personal property and materials incorporated into or consumed in the construction of the project, due to the failure of the exempt entity to revise the certificate expiration date as necessary to complete any work required by the contract. If it is determined that tax is owed on such property and materials due to the failure of the exempt entity to revise such certificate expiration date, the exempt entity shall be liable for the tax owed.

6. If an entity issues exemption certificates for the purchase of tangible personal property and materials which are incorporated into or consumed in the construction of its project and such entity is found not to have had the authority granted by this section to issue such exemption certificates, then such entity shall be liable for the tax owed on such personal property and materials. In addition, if an

entity which does have the authority granted by this section to issue exemption certificates issues such certificates for the purchase of tangible personal property and materials which are incorporated into or consumed in the construction of a project, or part of a project, which is found not to be related to such entity's exempt functions and activities, then such entity shall be liable for the tax owed on such personal property and materials.

SENATE COMMITTEE SUBSTITUTE FOR
HOUSE CONCURRENT RESOLUTION NO. 41

Relating to the designation of Missouri walk and bicycle to school month and day.

WHEREAS, the health and safety of our children is of highest concern to the citizens of Missouri; and

WHEREAS, promoting safe and healthful walking and bicycling to school is of importance to Missouri parents and teachers, and has been shown to improve student's health and academic performance; and

WHEREAS, a lack of physical activity plays a leading role in rising rates of obesity, diabetes, and other health problems among children. Being able to walk or bicycle to school offers an opportunity to build healthful physical activity into a child's daily routine; and

WHEREAS, an important role for parents and caregivers is to teach children about pedestrian safety and become aware of the difficulties and dangers that children face on their trip to school each day and the health and environmental risks related to physical inactivity and air pollution; and

WHEREAS, the number of children walking and bicycling to school has decreased dramatically in recent years, with less than 10% walking or bicycling to school now compared with 50% just 30 years ago; and

WHEREAS, serious injury and death of hundreds of children nationwide could be saved each year if communities take steps to make bicycle and pedestrian safety a priority; and

WHEREAS, the Safe Routes to Schools program is recognized nationally and internationally as being effective in solving these problems and has been successfully piloted in several Missouri communities; and

WHEREAS, local Safe Routes to Schools efforts combining engineering, enforcement, encouragement, and education have been shown to improve school children's health, mobility, safety, and academic performance; and

WHEREAS, "International Walk to School Month" in October and "International Walk to School Day" the first Wednesday in October have proven to be helpful in creating and promoting local Safe Route to Schools programs across the United States and throughout the world:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-third General Assembly, Second Regular Session, the Senate concurring therein, hereby commends and encourages the Safe Routes to Schools program overseen at the state level by the Missouri Department of Transportation and on the local level by many individuals, agencies, and schools; and

BE IT FURTHER RESOLVED that the creation of and participation in the local Safe Routes to Schools programs in communities throughout Missouri be encouraged; and

BE IT FURTHER RESOLVED that the needed cooperation and partnership among students, parents, teachers, parent-teacher groups, community leaders, community groups, public works departments, law enforcement agencies, school districts, the Missouri Department of Transportation, and other departments and agencies of state and local government to create successful Safe Routes to Schools programs be commended and encouraged; and

BE IT FURTHER RESOLVED that October 2006 is hereby declared to be "Missouri Walk and Bicycle to School Month" and October 4, 2006, is hereby declared to be "Missouri Walk and Bicycle to School Day" in Missouri; and

BE IT FURTHER RESOLVED that this resolution be sent to the Governor for his approval or rejection pursuant to the Missouri Constitution.
