36 agreement in place as of August 28, 2003, shall require no further approval from
37 the coordinating board for higher education. Any costs incurred with respect to

59 the state **and shall ensure that as of the 2008-2009 academic year, in**
60 **order to receive increases in state appropriations, all approved public**
61 **two- and four-year public institutions shall work with the commissioner**
62 **of higher education to establish agreed-upon competencies for all**
63 **entry-level collegiate courses in English, mathematics, foreign**
64 **language, sciences, and social sciences associated with an institution's**
65 **general education core and that the coordinating board shall establish**
66 **policies and procedures to ensure such courses are accepted in transfer**

67 **among public institutions and treated as equivalent to similar courses**
68 **at the receiving institutions;**

69 (8) The coordinating board shall collect the necessary information and
70 develop comparable data for all institutions of higher education in the state. The
71 coordinating board shall use this information to delineate the areas of competence
72 of each of these institutions and for any other purposes deemed appropriate by

80 established or prescribed by the coordinating board, or knowingly deviates from
81 any such guideline, or knowingly acts without coordinating board approval where
82 such approval is required, or willfully fails to comply with any other lawful order
83 of the coordinating board, the coordinating board may, after a public hearing,
84 withhold or direct to be withheld from that institution any funds the
85 disbursement of which is subject to the control of the coordinating board, or may
86 remove the approval of the institution as an "approved institution" within the
87 meaning of section [173.205, but] **173.1102. If any such public institution**
88 **willfully disregards board policy, the commissioner of higher education**
89 **may order such institution to remit a fine in an amount not to exceed**
90 **one percent of the institution's current fiscal year state operating**
91 **appropriation to the board. The board shall hold such funds until such**
92 **time that the institution, as determined by the commissioner of higher**
93 **education, corrects the violation, at which time the board shall refund**
94 **such amount to the institution. If the commissioner determines that**
95 **the institution has not redressed the violation within one year, the fine**
96 **amount shall be deposited into the general revenue fund, unless the**
97 **institution appeals such decision to the full coordinating board, which**
98 **shall have the authority to make a binding and final decision, by means**
99 **of a majority vote, regarding the matter. However, nothing in this section**
100 shall prevent any institution of higher education in this state from presenting
101 additional budget requests or from explaining or further clarifying its budget
102 requests to the governor or the general assembly[.]; and

103 (11) (a) As used in this subdivision, the term "out-of-state public
104 institution of higher education" shall mean an education institution

110 c. Provides a postsecondary course of instruction at least six
111 months in length leading to or directly creditable toward a degree or
112 certificate;

113 d. Meets the standards for accreditation by an accrediting body
114 recognized by the United States Department of Education or any
115 successor agency; and

116 e. Permits faculty members to select textbooks without influence
117 or pressure by any religious or sectarian source.

118 (b) No later than July 1, 2008, the coordinating board shall
119 promulgate rules regarding:

120 a. The board's approval process of proposed new degree
121 programs and course offerings by any out-of-state public institution of
122 higher education seeking to offer degree programs or course work
123 within the state of Missouri; and

124 b. The board's approval process of degree programs and courses
125 offered by any out-of-state public institutions of higher education that,
126 prior to July 1, 2008, were approved by the board to operate a school
127 in compliance with the provisions of sections 173.600 to 173.618.

128 The rules shall ensure that, as of July 1, 2008, all out-of-state public
129 institutions seeking to offer degrees and courses within the state of
130 Missouri are evaluated in a manner similar to Missouri public higher
131 education institutions. Such out-of-state public institutions shall be
132 held to standards no lower than the standards established by the
133 coordinating board for program approval and the policy guidelines of
134 the coordinating board for data collection, cooperation, and resolution
135 of disputes between Missouri institutions of higher education under
136 this section. Any such out-of-state public institutions of higher
137 education wishing to continue operating within this state must be
138 approved by the board under the rules promulgated under this
139 subdivision. Any rule or portion of a rule, as that term is defined in

140 **section 536.010, RSMo, that is created under the authority delegated in**
141 **this section shall become effective only if it complies with and is**
142 **subject to all of the provisions of chapter 536, RSMo, and, if applicable,**
143 **section 536.028, RSMo. This section and chapter 536, RSMo, are**
144 **nonseverable and if any of the powers vested with the general assembly**
145 **under chapter 536, RSMo, to review, to delay the effective date, or to**
146 **disapprove and annul a rule are subsequently held unconstitutional,**
147 **then the grant of rulemaking authority and any rule proposed or**
148 **adopted after August 28, 2007, shall be invalid and void.**

149 **(c) Nothing in this subdivision or in section 173.616 shall be**
150 **construed or interpreted so that students attending an out-of-state**
151 **public institution are considered to be attending a Missouri public**
152 **institution of higher education for purposes of obtaining student**
153 **financial assistance.**

154 3. The coordinating board shall meet at least four times annually with an
155 advisory committee who shall be notified in advance of such meetings. The
156 coordinating board shall have exclusive voting privileges. The advisory

167 privately supported junior college, one privately supported four-year college, and

169 to advise the coordinating board of the views of the institutions on matters within
170 the purview of the coordinating board.

9 a decision of the commissioner may appeal such decision, in which
10 instance the case shall be reviewed by the full coordinating board, at
11 which time the full coordinating board shall have the authority to make
12 a binding and final decision, by means of a majority vote, regarding the
13 matter.

29 provisions shall be enforceable against the parties thereto, and such
30 terms shall constitute adequate and sufficient consideration to bind the
31 parties to such contract. To effect the transfer of funds pursuant to any
32 such contract or resolution, the authority may use any of its proceeds,
33 fees, revenues, funds, or other assets whenever and however acquired

50 the provisions of sections 173.600 to 173.618. Upon application to and approval
51 by the coordinating board, such school training program or course of instruction
52 may become exempt from the provisions of sections 173.600 to 173.618 at any
53 subsequent time, except the board shall not approve an application for exemption
54 if the approved school is then in any status of noncompliance with certification
55 standards and a reversion to exempt status shall not relieve the school of any
56 liability for indemnification or any penalty for noncompliance with certification
57 standards during the period of the school's approved status.

**173.1000. The provisions of sections 173.1000 to 173.1006 shall be
2 known and may be cited as the "Higher Education Student Funding
3 Act".**

173.1003. 1. Beginning with the 2008-2009 academic year, each

2 approved public institution, as such term is defined in section 173.1102,
3 shall submit its percentage increase in the amount of tuition and
4 required fees that shall be charged to a full-time Missouri resident
5 undergraduate at the institution for the upcoming academic year to the
6 coordinating board for higher education at least three months prior to
7 the beginning of the academic year. If the percentage increase is
8 greater than the percentage increase in the general price level as
9 measured by the consumer price index for the Midwest, as defined and
10 officially recorded by the United States Department of Labor, or its
11 successor agency, from January first of the current year compared to
12 January first of the preceding year, then such institution shall be
13 subject to the provisions of subsection 2 of this section.

14 2. Any institution that exceeds the limits set forth in subsection
15 1 of this section shall remit to the board an amount equal to five
16 percent of its current year state appropriation amount which shall be
17 deposited into the general revenue fund unless the institution appeals,
18 within thirty days of such notice, to the commissioner of higher
19 education for a waiver of this provision. The commissioner, after
20 meeting with appropriate representatives of the institution, shall
21 determine whether the institution's waiver request is sufficiently
22 warranted, in which case no fund remission shall occur. If the
23 commissioner determines that an institution's tuition rate increase is
24 not sufficiently warranted and declines the waiver request, the
25 commissioner shall recommend to the full coordinating board that the
26 institution shall remit an amount equal to five percent of its current
27 year state appropriation to the board, which shall deposit the amount
28 into the general revenue fund. The coordinating board shall have the
29 authority to make a binding and final decision, by means of a majority
30 vote, regarding the matter.

31 3. The coordinating board shall ensure that each approved public
32 higher education institution shall post on its website the names of all
33 faculty, including adjunct, part-time, and full-time faculty, and
34 graduate teaching assistants, who are given full or partial teaching
35 assignments along with information about their academic credentials
36 and other relevant information, including, if available, instructor
37 ratings by students. In addition, public institutions of higher education
38 shall post course schedules on their website that include the name of

39 the instructor assigned to the course, the extent to which the course is
40 taught by a graduate teaching assistant, and a link to the listing of
41 faculty and their credentials.

42 4. The provisions of subsections 1 and 2 of this section shall not
43 apply to any institution that charges one hundred dollars or less per
44 credit hour.

173.1006. 1. The following performance measures shall be
2 established by July 1, 2008:

3 (1) Two institutional measures as negotiated by each institution
4 through the department of higher education; and

5 (2) Three statewide measures as developed by the department of
6 higher education in consultation with public institutions of higher
7 education.

8 One such measure may be a sector-specific measure making use of the
9 2005 additional Carnegie categories, if deemed appropriate by the
10 department of higher education.

11 2. The department shall report to the joint committee on
12 education established in section 160.254, RSMo, on its progress at least
13 twice a year in developing the statewide measures and negotiating the
14 institution-specific measures and shall develop a procedure for
15 reporting the effects of performance measures to the joint committee
16 on education at an appropriate time for consideration during the
17 appropriations process.

173.1101. The financial assistance program established under
2 sections 173.1101 to 173.1107 shall be hereafter known as the "Access
3 Missouri Financial Assistance Program". The coordinating board and
4 all approved private and public institutions in this state shall refer to
5 the financial assistance program established under sections 173.1101 to
6 173.1107 as the access Missouri student financial assistance program in
7 their scholarship literature, provided that no institution shall be
8 required to revise or amend any such literature to comply with this
9 section prior to the date such literature would otherwise be revised,
10 amended, reprinted or replaced in the ordinary course of such
11 institution's business.

173.1102. As used in sections 173.1101 to 173.1107, unless the
2 context requires otherwise, the following terms mean:

4 through June thirtieth of the following year;

21 religion, sex, or national origin and is in compliance with the Federal

23 thereto. Sex discrimination as used herein shall not apply to admission
24 practices of institutions offering the enrollment limited to one sex;

25 (e) Permits faculty members to select textbooks without
26 influence or pressure by any religious or sectarian source;

27 (3) "Approved public institution", an educational institution

36 (d) Meets the standards for accreditation as determined by
37 either the Higher Learning Commission, or if a public community
38 college created under the provisions of sections 178.370 to 178.400,
39 RSMo, meets the standards established by the coordinating board for
40 higher education for such public community colleges, or by other

41 accrediting bodies recognized by the United States Department of
42 Education or by utilizing accreditation standards applicable to the
43 institution as established by the coordinating board for higher
44 education;

45 (e) Does not discriminate in the hiring of administrators, faculty
46 and staff or in the admission of students on the basis of race, color,

48 Federal Civil Rights Acts of 1964 and 1968 and executive orders issued
49 pursuant thereto;

50 (f) Permits faculty members to select textbooks without influence
51 or pressure by any religious or sectarian source;

52 (4) "Coordinating board", the coordinating board for higher
53 education;

54 (5) "Expected family contribution", the amount of money a
55 student and family should pay toward the cost of postsecondary
56 education as calculated by the United States Department of Education
57 and reported on the student aid report or the institutional student
58 information record;

59 (6) "Financial assistance", an amount of money paid by the state
60 of Missouri to a qualified applicant under sections 173.1101 to 173.1107;

61 (7) "Full-time student", an individual who is enrolled in and is
62 carrying sufficient number of credit hours or their equivalent at an
63 approved private or public institution to secure the degree or
64 certificate toward which he or she is working in no more than the
65 number of semesters or their equivalent normally required by that
66 institution in the program in which the individual is enrolled. This
67 definition shall be construed as the successor to subdivision (7) of
68 section 173.205 for purposes of eligibility requirements of other
69 financial assistance programs that refer to section 173.215.

173.1103. 1. The coordinating board shall be the administrative
2 agency for the implementation of the program established by sections
3 173.1101 to 173.1107. The coordinating board shall promulgate
4 reasonable rules and regulations for the exercise of its functions and
5 the effectuation of the purposes of sections 173.1101 to 173.1107. It
6 shall prescribe the form and the time and method of filing applications
7 and supervise the processing thereof. The coordinating board shall
8 determine the criteria for eligibility of applicants and shall evaluate

9 each applicant's expected family contribution. It shall select qualified
10 recipients to receive financial assistance, make such awards of
11 financial assistance to qualified recipients, and determine the manner
12 and method of payment to the recipient.

13 2. The coordinating board shall determine eligibility for renewed
14 assistance on the basis of annual applications and annual evaluations
15 of expected family contribution. In awarding renewal grants, the
16 coordinating board may increase or decrease the amount of financial
17 assistance to an applicant if such action is warranted by a change in
18 the financial condition of the applicant, the applicant's spouse or
19 parents, or the availability of funds for that year. As a condition to
20 consideration for initial or renewed assistance, the coordinating board
21 may require the applicant, the applicant's spouse and parents to
22 execute forms of consent authorizing the director of revenue of
23 Missouri to compare financial information submitted by the applicant
24 with the Missouri individual income tax returns of the applicant, the
25 applicant's spouse and parents for the taxable year immediately
26 preceding the year for which application is made, and to report any
27 discrepancies to the coordinating board.

28 3. There is hereby created in the state treasury the "Access
29 Missouri Financial Assistance Fund". The state treasurer shall be
30 custodian of the fund and may approve disbursements from the fund in
31 accordance with sections 30.170 and 30.180, RSMo. Upon appropriation,
32 money in the fund shall be used solely to provide financial assistance
33 to qualified applicants as provided by sections 173.1101 to
34 173.1107. Notwithstanding the provisions of section 33.080, RSMo, to
35 the contrary, any moneys remaining in the fund at the end of the
36 biennium shall not revert to the credit of the general revenue
37 fund. The state treasurer shall invest moneys in the fund in the same
38 manner as other funds are invested. Any interest and moneys earned
39 on such investments shall be credited to the fund.

173.1104. 1. An applicant shall be eligible for initial or renewed
2 financial assistance only if, at the time of application and throughout
3 the period during which the applicant is receiving such assistance, the
4 applicant:

- 5 (1) Is a citizen or a permanent resident of the United States;
6 (2) Is a resident of the state of Missouri, as determined by

7 reference to standards promulgated by the coordinating board;

8 (3) Is enrolled, or has been accepted for enrollment, as a full-time
9 undergraduate student in an approved private or public institution;
10 and

11 (4) Is not enrolled or does not intend to use the award to enroll
12 in a course of study leading to a degree in theology or divinity.

13 2. If an applicant is found guilty of or pleads guilty to any
14 criminal offense during the period of time in which the applicant is
15 receiving financial assistance, such applicant shall not be eligible for
16 renewal of such assistance.

17 3. Financial assistance shall be allotted for one academic year,
18 but a recipient shall be eligible for renewed assistance until he or she
19 has obtained a baccalaureate degree, provided such financial assistance
20 shall not exceed a total of ten semesters or fifteen quarters or their
21 equivalent. Standards of eligibility for renewed assistance shall be the
22 same as for an initial award of financial assistance, except that for
23 renewal, an applicant shall demonstrate a grade-point average of two
24 and five-tenths on a four-point scale, or the equivalent on another
25 scale. This subsection shall be construed as the successor to section
26 173.215 for purposes of eligibility requirements of other financial
27 assistance programs that refer to section 173.215.

173.1105. 1. Beginning with the 2007-2008 academic year, an
2 applicant who is an undergraduate postsecondary student at an
3 approved private or public institution and who meets the other
4 eligibility criteria shall be entitled to financial assistance, with a
5 minimum and maximum award amount as follows:

6 (1) One thousand dollars maximum and three hundred dollars
7 minimum for students attending institutions classified as part of the
8 public two-year sector;

9 (2) Two thousand one hundred fifty dollars maximum and one
10 thousand dollars minimum for students attending institutions classified
11 as part of the public four-year sector; and

12 (3) Four thousand six hundred dollars maximum and two
13 thousand dollars minimum for students attending approved private
14 institutions.

15 2. All students with an expected family contribution of twelve
16 thousand dollars or less shall receive at least the minimum award

17 amount for the appropriate institutional sector. Maximum award
18 amounts for an eligible student with an expected family contribution
19 above seven thousand dollars shall be reduced by ten percent of the
20 maximum expected family contribution for his or her increment
21 group. Any award amount shall be reduced by the amount of a
22 student's reimbursement pursuant to section 160.545, RSMo. For
23 purposes of this subsection, the term "increment group" shall mean a
24 group organized by expected family contribution in five hundred dollar
25 increments into which all eligible students shall be placed.

26 3. If appropriated funds are insufficient to fund the program as
27 described, the maximum award shall be reduced across all sectors by
28 the percentage of the shortfall. If appropriated funds exceed the
29 amount necessary to fund the program, the additional funds shall be
30 used to increase the number of recipients by raising the cutoff for the
31 expected family contribution rather than by increasing the size of the
32 award.

33 4. Every three years, beginning with academic year 2009-2010,
34 the award amount may be adjusted to increase no more than the
35 consumer price index for all urban consumers (CPI-U), Midwest urban,
36 1982-1984 = 100, not seasonally adjusted, as defined and officially
37 recorded by the United States Department of Labor, or its successor
38 agency, for the previous academic year. The coordinating board shall
39 prepare a report prior to the legislative session for use of the general
40 assembly and the governor in determining budget requests which shall
41 include the amount of funds necessary to maintain full funding of the
42 program based on the baseline established for the program upon the
43 passage of sections 173.1101 to 173.1107. Any increase in the award
44 amount shall not become effective unless an increase in the amount of
45 money appropriated to the program necessary to cover the increase in
46 award amount is passed by the general assembly.

173.1106. If an applicant is granted financial assistance under
2 any other student aid program, public or private, the full amount of
3 such aid shall be reported to the coordinating board by the institution
4 and the recipient.

173.1107. A recipient of financial assistance may transfer from
2 one approved public or private institution to another without losing
3 eligibility for assistance under sections 173.1101 to 173.1107, but the

4 coordinating board shall make any necessary adjustments in the
5 amount of the award. If a recipient of financial assistance at any time
6 is entitled to a refund of any tuition, fees, or other charges under the
7 rules and regulations of the institution in which he or she is enrolled,
8 the institution shall pay the portion of the refund which may be
9 attributed to the state grant to the coordinating board. The
10 coordinating board will use these refunds to make additional awards
11 under the provisions of sections 173.1101 to 173.1107.

173.1108. Under section 23.253, RSMo, of the Missouri sunset act:

2 (1) The provisions of the new program authorized under sections
3 173.1101 to 173.1107 shall automatically sunset six years after the
4 effective date of sections 173.1101 to 173.1107 unless reauthorized by an
5 act of the general assembly; and

6 (2) If such program is reauthorized, the program authorized
7 under sections 173.1101 to 173.1107 shall automatically sunset twelve
8 years after the effective date of the reauthorization of sections 173.1101
9 to 173.1107; and

10 (3) Sections 173.1101 to 173.1107 shall terminate on September
11 first of the calendar year immediately following the calendar year in
12 which the program authorized under sections 173.1101 to 173.1107 is
13 sunset.

313.835. 1. All revenue received by the commission from license fees,
2 penalties, administrative fees, reimbursement by any excursion gambling boat
3 operators for services provided by the commission and admission fees authorized
4 pursuant to the provisions of sections 313.800 to 313.850, except that portion of
5 the admission fee, not to exceed one cent, that may be appropriated to the
6 compulsive gamblers fund as provided in section 313.820, shall be deposited in
7 the state treasury to the credit of the "Gaming Commission Fund" which is
8 hereby created for the sole purpose of funding the administrative costs of the
9 commission, subject to appropriation. Moneys deposited into this fund shall not
10 be considered proceeds of gambling operations. Moneys deposited into the gaming
11 commission fund shall be considered state funds pursuant to article IV, section
12 15 of the Missouri Constitution. All interest received on the gaming commission
13 fund shall be credited to the gaming commission fund. In each fiscal year, total
14 revenues to the gaming commission fund for the preceding fiscal year shall be
15 compared to total expenditures and transfers from the gaming commission fund

16 for the preceding fiscal year. The remaining net proceeds in the gaming
17 commission fund shall be distributed in the following manner:

18 (1) The first five hundred thousand dollars shall be appropriated on a per
19 capita basis to cities and counties that match the state portion and have
20 demonstrated a need for funding community neighborhood organization programs
21 for the homeless and to deter gang-related violence and crimes;

22 (2) The remaining net proceeds in the gaming commission fund for fiscal
23 year 1998 and prior years shall be transferred to the "Veterans' Commission
24 Capital Improvement Trust Fund", as hereby created in the state treasury. The
25 state treasurer shall administer the veterans' commission capital improvement
26 trust fund, and the moneys in such fund shall be used solely, upon appropriation,
27 by the Missouri veterans' commission for:

28 (a) The construction, maintenance or renovation or equipment needs of
29 veterans' homes in this state;

30 (b) The construction, maintenance, renovation, equipment needs and
31 operation of veterans' cemeteries in this state;

32 (c) Fund transfers to Missouri veterans' homes fund established pursuant
33 to the provisions of section 42.121, RSMo, as necessary to maintain solvency of
34 the fund;

35 (d) Fund transfers to any municipality with a population greater than four
36 hundred thousand and located in part of a county with a population greater than
37 six hundred thousand in this state which has established a fund for the sole
38 purpose of the restoration, renovation and maintenance of a memorial or museum
39 or both dedicated to World War I. Appropriations from the veterans' commission
40 capital improvement trust fund to such memorial fund shall be provided only as
41 a one-time match for other funds devoted to the project and shall not exceed five
42 million dollars. Additional appropriations not to exceed ten million dollars total
43 may be made from the veterans' commission capital improvement trust fund as
44 a match to other funds for the new construction or renovation of other facilities
45 dedicated as veterans' memorials in the state. All appropriations for renovation,
46 new construction, reconstruction, and maintenance of veterans' memorials shall
47 be made only for applications received by the Missouri veterans' commission prior
48 to July 1, 2004;

49 (e) The issuance of matching fund grants for veterans' service officer
50 programs to any federally chartered veterans' organization or municipal
51 government agency that is certified by the Veterans Administration to process

52 veteran claims within the Veterans Administration System; provided that such
53 veterans' organization has maintained a veterans' service officer presence within
54 the state of Missouri for the three-year period immediately preceding the issuance
55 of any such grant. A total of seven hundred fifty thousand dollars in grants shall
56 be made available annually with grants being issued in July of each
57 year. Application for the matching grants shall be made through and approved
58 by the Missouri veterans' commission based on the requirements established by
59 the commission;

60 (f) For payment of Missouri national guard and Missouri veterans'
61 commission expenses associated with providing medals, medallions and
62 certificates in recognition of service in the armed forces of the United States
63 during World War II and the Korean Conflict pursuant to sections 42.170 to
64 42.206, RSMo. Any funds remaining from the medals, medallions and certificates
65 shall not be transferred to any other fund and shall only be utilized for the
66 awarding of future medals, medallions, and certificates in recognition of service
67 in the armed forces; and

68 (g) Fund transfers totaling ten million dollars to any municipality with
69 a population greater than three hundred fifty thousand inhabitants and located
70 in part in a county with a population greater than six hundred thousand
71 inhabitants and with a charter form of government, for the sole purpose of the
72 construction, restoration, renovation and maintenance of a memorial or museum
73 or both dedicated to World War I.

74 Any interest which accrues to the fund shall remain in the fund and shall be used
75 in the same manner as moneys which are transferred to the fund pursuant to this
76 section. Notwithstanding the provisions of section 33.080, RSMo, to the contrary,
77 moneys in the veterans' commission capital improvement trust fund at the end
78 of any biennium shall not be transferred to the credit of the general revenue fund;

79 (3) The remaining net proceeds in the gaming commission fund for fiscal
80 year 1999 and each fiscal year thereafter shall be distributed as follows:

81 (a) The first four and one-half million dollar portion shall be transferred
82 to the [Missouri college guarantee] **access Missouri financial assistance**
83 fund, established pursuant to the provisions of sections [173.810 to 173.830]
84 **173.1101 to 173.1107**, RSMo, and additional moneys as annually appropriated
85 by the general assembly shall be appropriated to such fund;

86 (b) The second three million dollar portion shall be transferred to the
87 veterans' commission capital improvement trust fund;

88 (c) The third three million dollar portion shall be transferred to the
89 Missouri national guard trust fund created in section 41.214, RSMo;

90 (d) Subject to appropriations, one hundred percent of remaining net
91 proceeds in the gaming commission fund except as provided in paragraph (l) of
92 this subdivision, and after the appropriations made pursuant to the provisions of
93 paragraphs (a), (b), and (c) of this subdivision, shall be transferred to the "Early
94 Childhood Development, Education and Care Fund" which is hereby created to
95 give parents meaningful choices and assistance in choosing the child-care and
96 education arrangements that are appropriate for their family. All interest
97 received on the fund shall be credited to the fund. Notwithstanding the
98 provisions of section 33.080, RSMo, moneys in the fund at the end of any
99 biennium shall not be transferred to the credit of the general revenue fund. Any
100 moneys deposited in such fund shall be used to support programs that prepare
101 children prior to the age in which they are eligible to enroll in kindergarten,
102 pursuant to section 160.053, RSMo, to enter school ready to learn. All moneys
103 deposited in the early childhood development, education and care fund shall be
104 annually appropriated for voluntary, early childhood development, education and
105 care programs serving children in every region of the state not yet enrolled in
106 kindergarten;

107 (e) No less than sixty percent of moneys deposited in the early childhood
108 development, education and care fund shall be appropriated as provided in this
109 paragraph to the department of elementary and secondary education and to the
110 department of social services to provide early childhood development, education
111 and care programs through competitive grants to, or contracts with, governmental
112 or private agencies. Eighty percent of such moneys pursuant to the provisions of
113 this paragraph and additional moneys as appropriated by the general assembly
114 shall be appropriated to the department of elementary and secondary education
115 and twenty percent of such moneys pursuant to the provisions of this paragraph
116 shall be appropriated to the department of social services. The departments shall
117 provide public notice and information about the grant process to potential
118 applicants.

119 a. Grants or contracts may be provided for:

120 (i) Start-up funds for necessary materials, supplies, equipment and
121 facilities; and

122 (ii) Ongoing costs associated with the implementation of a sliding parental
123 fee schedule based on income;

124 b. Grant and contract applications shall, at a minimum, include:

144 program slots to children under the age of six in the area is less than the same
145 ratio statewide;

153 education and care in this state. The study shall consist of an evaluation of
154 children eligible for moneys pursuant to this paragraph, including an evaluation
155 of the early childhood development, education and care of those children
156 participating in such program and those not participating in the program over a
157 four-year period. At the conclusion of the study, the department of elementary

164 development, education and care fund shall be appropriated to the department
165 of social services to provide early childhood development, education and care
166 programs through child development, education and care certificates to families
167 whose income does not exceed one hundred eighty-five percent of the federal

 [173.200. The general assembly, giving due consideration
2 to the historical and continuing interest of the people of the state
3 of Missouri in encouraging deserving and qualified youths to
4 realize their aspirations for higher education, finds and declares
5 that higher education for residents of this state who desire such an
6 education and are properly qualified therefor is important to the
7 welfare and security of this state and the nation, and consequently
8 is an important public purpose. The general assembly finds and
9 declares that the state can achieve its full economic and social
10 potential only if every individual has the opportunity to contribute
11 to the full extent of his capabilities and only when financial
12 barriers to his economic, social and educational goals are removed.
13 It is, therefore, the policy of the general assembly and the purpose
14 of sections 173.200 to 173.230 to establish a financial assistance
15 program to enable qualified full-time students to receive
16 nonreligious educational services in a public or private institution

22 consideration for initial or renewed assistance, the coordinating
23 board may require the applicant, his spouse and parents to execute
24 forms of consent authorizing the director of revenue of Missouri to

4 173.230, but the coordinating board shall make any necessary
5 adjustments in the amount of his award. If a recipient of financial
6 assistance at any time withdraws from an approved private or

28 educational assistance pursuant to sections 173.810 to 173.827 falls
29 below two point five on a four-point scale, or the equivalent on
30 another scale, such member shall retain the educational assistance
31 and shall be placed on probation under the educational assistance
32 program. Failure to achieve a current grade point average of at

9 attributable to the scholarship for that term to the coordinating
10 board for higher education.

11 2. Other provisions of sections 173.810 to 173.827 to the
12 contrary notwithstanding, if a recipient has been awarded an

9 section 173.727. Any interest which accrues to the fund shall
10 remain in the fund and shall be used in the same manner as
11 moneys which are transferred to the fund. Notwithstanding the
12 provisions of section 33.080, RSMo, to the contrary, moneys in the

5 declared to be an emergency act within the meaning of the constitution, and
6 section A of this act shall be in full force and effect upon its passage and
7 approval.
