Section A. Chapter 285, RSMo, is amended by adding thereto one new section, to be known as section 285.026, to read as follows:

285.026. 1. As used in this section, the following terms mean:

(1) "Federal poverty level", the first poverty income guidelines published in the calendar year by the United States Department of Health and Human Services or its successor agency;

(2) "Low-income employee", an employee paid at an annual wage of less than one hundred percent of the federal poverty level. "Low-income employee" shall not include any handicapped person as defined in section 205.968, RSMo.

2. Any individual, individual proprietorship, corporation, partnership, firm, or association that is found by the director of the agency administering the program to be in violation of this section shall be ineligible for any state-administered or subsidized tax credit,

22 tax abatement, tax exemption, or loan from this state for five years
