5 "Section 2. (a) After December 6, 2018, no person serving
6 as a member of or employed by the general assembly shall act or
7 serve as a paid lobbyist, register as a paid lobbyist, or solicit
8 prospective employers or clients to represent as a paid lobbyist
9 during the time of such service until the expiration of two
10 calendar years after the conclusion of the session of the general
11 assembly in which the member or employee last served and where
12 such service was after December 6, 2018.

13 (b) No person serving as a member of or employed by the
14 general assembly shall accept directly or indirectly a gift of
15 any tangible or intangible item, service, or thing of value from
16 any paid lobbyist or lobbyist principal [in excess of five
17 dollars per occurrence]. This Article shall not prevent
18 candidates for the general assembly, including candidates for
19 reelection, or candidates for offices within the senate or house
20 from accepting campaign contributions consistent with this
21 Article and applicable campaign finance law. Nothing in this
22 section shall prevent individuals from receiving gifts, family
23 support or anything of value from those related to them within

1 the fourth degree by blood or marriage. [The dollar limitations
2 of this section shall be increased or decreased each year by the
3 percentage of increase or decrease from the end of the previous
4 calendar year of the Consumer Price Index, or successor index as
5 published by the U.S. Department of Labor, or its successor
6 agency, and rounded to the nearest dollar amount.]

7 (c) The general assembly shall make no law authorizing
8 unlimited campaign contributions to candidates for the general
9 assembly, nor any law that circumvents the contribution limits
10 contained in this Constitution. In addition to other campaign
11 contribution limitations or restrictions provided for by law, the
12 amount of contributions made to or accepted by any candidate or
13 candidate committee from any person other than the candidate in
14 any one election for the general assembly shall not exceed the
15 following:

16 (1) To elect an individual to the office of state senator,
17 two thousand five hundred dollars; and

21 section shall also apply to any person exploring a candidacy for
22 a public office listed in this subsection.

24 the contribution limits prescribed in this section. Contribution
25 limits set forth herein shall be adjusted on the first day of

1 shall be made or accepted, directly or indirectly, in a
2 fictitious name, in the name of another person, or by or through
3 another person in such a manner as to, or with the intent to,
4 conceal the identity of the actual source of the contribution.
5 There shall be a rebuttable presumption that a contribution to a
6 candidate for public office is made or accepted with the intent
7 to circumvent the limitations on contributions imposed in this
8 section when a contribution is received from a committee or
9 organization that is primarily funded by a single person,
10 individual, or other committee that has already reached its
11 contribution limit under any law relating to contribution
12 limitations. A committee or organization shall be deemed to be
13 primarily funded by a single person, individual, or other
14 committee when the committee or organization receives more than
15 fifty percent of its annual funding from that single person,
16 individual, or other committee.

17 (e) In no circumstance shall a candidate be found to have
18 violated limits on acceptance of contributions if the Missouri
19 ethics commission, its successor agency, or a court determines
20 that a candidate has taken no action to indicate acceptance of or
21 acquiescence to the making of an expenditure that is deemed a
22 contribution pursuant to this section.

24 federal political action committee unless the committee has filed
