- 5. If an employee voluntarily separates from employment with an employer at a time when the employer had work available for the employee that was in compliance with any medical restriction imposed upon the employee within a reasonable degree of medical certainty as a result of the injury that is the subject of a claim for benefits under this chapter, neither temporary total disability nor temporary partial disability benefits available under this section or section 287.180 shall be payable.
- 287.180. 1. For temporary partial disability,

- 37 to one hundred percent of the state average weekly wage;
- 38 (4) For all injuries occurring on or after August 28,
- 39 1991, the weekly compensation shall be an amount equal to
- 40 sixty-six and two-thirds percent of the injured employee's

- 44 five percent of the state average weekly wage.
- 45 2. Temporary partial disability payments shall be made
- 46 to the claimant by check, or other negotiable instrument
- 47 [approved by the director which will not result in delay in
- 48 payment], or by electronic transfer or other manner
- 49 authorized by the claimant.
 - 287.220. 1. There is hereby created in the state
- 2 treasury a special fund to be known as the "Second Injury
- 3 Fund" created exclusively for the purposes as in this
- 4 section provided and for special weekly benefits in
- 5 rehabilitation cases as provided in section 287.141.
- 6 Maintenance of the second injury fund shall be as provided
- 7 by section 287.710. The state treasurer shall be the
- 8 custodian of the second injury fund which shall be deposited
- 9 the same as are state funds and any interest accruing
- 10 thereon shall be added thereto. The fund shall be subject
- 11 to audit the same as state funds and accounts and shall be
- 12 protected by the general bond given by the state treasurer.
- 13 Upon the requisition of the director of the division of
- 14 workers' compensation, warrants on the state treasurer for
- 15 the payment of all amounts payable for compensation and
- 16 benefits out of the second injury fund shall be issued.
- 17 2. All cases of permanent disability where there has
- 18 been previous disability due to injuries occurring prior to
- 19 January 1, 2014, shall be compensated as provided in this
- 20 subsection. Compensation shall be computed on the basis of
- 21 the average earnings at the time of the last injury. If any
- 22 employee who has a preexisting permanent partial disability
- 23 whether from compensable injury or otherwise, of such
- 24 seriousness as to constitute a hindrance or obstacle to

```
25
    employment or to obtaining reemployment if the employee
26
    becomes unemployed, and the preexisting permanent partial
27
    disability, if a body as a whole injury, equals a minimum of
    fifty weeks of compensation or, if a major extremity injury
28
29
    only, equals a minimum of fifteen percent permanent partial
30
    disability, according to the medical standards that are used
    in determining such compensation, receives a subsequent
31
32
    compensable injury resulting in additional permanent partial
    disability so that the degree or percentage of disability,
33
34
    in an amount equal to a minimum of fifty weeks compensation,
    if a body as a whole injury or, if a major extremity injury
35
    only, equals a minimum of fifteen percent permanent partial
36
37
    disability, caused by the combined disabilities is
    substantially greater than that which would have resulted
38
    from the last injury, considered alone and of itself, and if
39
40
    the employee is entitled to receive compensation on the
41
    basis of the combined disabilities, the employer at the time
    of the last injury shall be liable only for the degree or
42
43
    percentage of disability which would have resulted from the
    last injury had there been no preexisting disability. After
44
    the compensation liability of the employer for the last
45
    injury, considered alone, has been determined by an
46
    administrative law judge or the commission, the degree or
47
    percentage of employee's disability that is attributable to
48
49
    all injuries or conditions existing at the time the last
50
    injury was sustained shall then be determined by that
51
    administrative law judge or by the commission and the degree
    or percentage of disability which existed prior to the last
52
    injury plus the disability resulting from the last injury,
53
    if any, considered alone, shall be deducted from the
54
    combined disability, and compensation for the balance, if
55
    any, shall be paid out of a special fund known as the second
56
    injury fund, hereinafter provided for. If the previous

- disability or disabilities, whether from compensable injury 58 or otherwise, and the last injury together result in total 59 60 and permanent disability, the minimum standards under this subsection for a body as a whole injury or a major extremity 61 62 injury shall not apply and the employer at the time of the last injury shall be liable only for the disability 63 resulting from the last injury considered alone and of 64 65 itself; except that if the compensation for which the employer at the time of the last injury is liable is less 66 67 than the compensation provided in this chapter for permanent total disability, then in addition to the compensation for 68 which the employer is liable and after the completion of 69 70 payment of the compensation by the employer, the employee shall be paid the remainder of the compensation that would 71 72 be due for permanent total disability under section 287.200 73 out of the second injury fund.
- 3. (1) All claims against the second injury fund for injuries occurring after January 1, 2014, and all claims against the second injury fund involving a subsequent compensable injury which is an occupational disease filed after January 1, 2014, shall be compensated as provided in this subsection.

- (2) No claims for permanent partial disability occurring after January 1, 2014, shall be filed against the second injury fund. Claims for permanent total disability under section 287.200 against the second injury fund shall be compensable only when the following conditions are met:
- 85 (a) a. An employee has a medically documented 86 preexisting disability equaling a minimum of fifty weeks of 87 permanent partial disability compensation according to the 88 medical standards that are used in determining such 89 compensation which is:

- 90 (i) A direct result of active military duty in any
- 91 branch of the United States Armed Forces; or
- 92 (ii) A direct result of a compensable injury as
- 93 defined in section 287.020; or
- 94 (iii) Not a compensable injury, but such preexisting
- 95 disability directly and significantly aggravates or
- 96 accelerates the subsequent work-related injury and shall not
- 97 include unrelated preexisting injuries or conditions that do
- 98 not aggravate or accelerate the subsequent work-related
- 99 injury; or
- 100 (iv) A preexisting permanent partial disability of an
- 101 extremity, loss of eyesight in one eye, or loss of hearing
- in one ear, when there is a subsequent compensable work-
- 103 related injury as set forth in subparagraph b of the
- 104 opposite extremity, loss of eyesight in the other eye, or
- 105 loss of hearing in the other ear; and
- b. Such employee thereafter sustains a subsequent
- 107 compensable work-related injury that, when combined with the
- 108 preexisting disability, as set forth in items (i), (ii),
- 109 (iii), or (iv) of subparagraph a. of this paragraph, results
- 110 in a permanent total disability as defined under this
- 111 chapter; or
- 112 (b) An employee is employed in a sheltered workshop as
- 113 established in sections 205.968 to 205.972 or sections
- 114 178.900 to 178.960 and such employee thereafter sustains a
- 115 compensable work-related injury that, when combined with the
- 116 preexisting disability, results in a permanent total
- 117 disability as defined under this chapter.
- 118 (3) When an employee is entitled to compensation as
- 119 provided in this subsection, the employer at the time of the
- 120 last work-related injury shall only be liable for the
- 121 disability resulting from the subsequent work-related injury
- 122 considered alone and of itself.

- 123 (4) Compensation for benefits payable under this 124 subsection shall be based on the employee's compensation 125 rate calculated under section 287.250.
- 4. (1) In all cases in which a recovery against the second injury fund is sought for permanent partial disability, permanent total disability, or death, the state treasurer as custodian thereof shall be named as a party, and shall be entitled to defend against the claim.
- 131 The state treasurer, with the advice and consent (2) 132 of the attorney general of Missouri, may enter into compromise settlements as contemplated by section 287.390, 133 or agreed statements of fact that would affect the second 134 135 injury fund. All awards for permanent partial disability, 136 permanent total disability, or death affecting the second 137 injury fund shall be subject to the provisions of this 138 chapter governing review and appeal.
- 139 (3) For all claims filed against the second injury fund on or after July 1, 1994, the attorney general shall 140 141 use assistant attorneys general except in circumstances where an actual or potential conflict of interest exists, to 142 provide legal services as may be required in all claims made 143 for recovery against the fund. Any legal expenses incurred 144 by the attorney general's office in the handling of such 145 146 claims, including, but not limited to, medical examination 147 fees incurred under sections 287.210 and the expenses 148 provided for under section 287.140, expert witness fees, court reporter expenses, travel costs, and related legal 149 expenses shall be paid by the fund. Effective July 1, 1993, 150 151 the payment of such legal expenses shall be contingent upon 152 annual appropriations made by the general assembly, from the fund, to the attorney general's office for this specific 153 154 purpose.

- 5. If more than one injury in the same employment causes concurrent temporary disabilities, compensation shall be payable only for the longest and largest paying disability.
- 6. If more than one injury in the same employment causes concurrent and consecutive permanent partial disability, compensation payments for each subsequent disability shall not begin until the end of the compensation period of the prior disability.
- 164 7. If an employer fails to insure or self-insure as 165 required in section 287.280, funds from the second injury 166 fund may be withdrawn to cover the fair, reasonable, and necessary expenses incurred relating to claims for injuries 167 168 occurring prior to January 1, 2014, to cure and relieve the 169 effects of the injury or disability of an injured employee 170 in the employ of an uninsured employer consistent with 171 subsection 3 of section 287.140, or in the case of death of an employee in the employ of an uninsured employer, funds 172 173 from the second injury fund may be withdrawn to cover fair, 174 reasonable, and necessary expenses incurred relating to a 175 death occurring prior to January 1, 2014, in the manner 176 required in sections 287.240 and 287.241. In defense of 177 claims arising under this subsection, the treasurer of the 178 state of Missouri, as custodian of the second injury fund, 179 shall have the same defenses to such claims as would the 180 uninsured employer. Any funds received by the employee or the employee's dependents, through civil or other action, 181 must go towards reimbursement of the second injury fund, for 182 all payments made to the employee, the employee's 183 184 dependents, or paid on the employee's behalf, from the second injury fund pursuant to this subsection. The office 185 of the attorney general of the state of Missouri shall bring 186 187 suit in the circuit court of the county in which the

- accident occurred against any employer not covered by this chapter as required in section 287.280.
- 190 8. Every year the second injury fund shall have an 191 actuarial study made to determine the solvency of the fund 192 taking into consideration any existing balance carried 193 forward from a previous year, appropriate funding level of 194 the fund, and forecasted expenditures from the fund. 195 first actuarial study shall be completed prior to July 1, 196 The expenses of such actuarial studies shall be paid 197 out of the fund for the support of the division of workers' 198 compensation.
- The director of the division of workers' 199 200 compensation shall maintain the financial data and records 201 concerning the fund for the support of the division of 202 workers' compensation and the second injury fund. The division shall also compile and report data on claims made 203 204 pursuant to subsection 11 of this section. The attorney general shall provide all necessary information to the 205 206 division for this purpose.
- 207 10. All claims for fees and expenses filed against the 208 second injury fund and all records pertaining thereto shall 209 be open to the public.
- 210 Any employee who at the time a compensable work-211 related injury is sustained prior to January 1, 2014, is 212 employed by more than one employer, the employer for whom 213 the employee was working when the injury was sustained shall 214 be responsible for wage loss benefits applicable only to the earnings in that employer's employment and the injured 215 employee shall be entitled to file a claim against the 216 217 second injury fund for any additional wage loss benefits 218 attributed to loss of earnings from the employment or 219 employments where the injury did not occur, up to the 220 maximum weekly benefit less those benefits paid by the

- 221 employer in whose employment the employee sustained the
- 222 injury. The employee shall be entitled to a total benefit
- 223 based on the total average weekly wage of such employee
- 224 computed according to subsection 8 of section 287.250. The
- 225 employee shall not be entitled to a greater rate of
- 226 compensation than allowed by law on the date of the injury.
- 227 The employer for whom the employee was working where the
- 228 injury was sustained shall be responsible for all medical
- 229 costs incurred in regard to that injury.
- 230 12. No compensation shall be payable from the second
- 231 injury fund if the employee files a claim for compensation
- under the workers' compensation law of another state with
- 233 jurisdiction over the employee's injury or accident or
- 234 occupational disease.
- 235 13. Notwithstanding the requirements of section
- 287.470, the life payments to an injured employee made from
- the fund shall be suspended when the employee is able to
- 238 obtain suitable gainful employment or be self-employed in
- 239 view of the nature and severity of the injury. The division
- 240 shall promulgate rules setting forth a reasonable standard
- 241 means test to determine if such employment warrants the
- 242 suspension of benefits.
- 243 14. All awards issued under this chapter affecting the
- 244 second injury fund shall be subject to the provisions of
- this chapter governing review and appeal.
- 246 15. The division shall pay any liabilities of the fund
- in the following priority:
- 248 (1) Expenses related to the legal defense of the fund
- 249 under subsection 4 of this section;
- 250 (2) Permanent total disability awards in the order in
- 251 which claims are settled or finally adjudicated;
- 252 (3) Permanent partial disability awards in the order
- 253 in which such claims are settled or finally adjudicated;

- 254 (4) Medical expenses incurred prior to July 1, 2012,
- under subsection 7 of this section; and
- 256 (5) Interest on unpaid awards.
- 257 Such liabilities shall be paid to the extent the fund has a
- 258 positive balance. Any unpaid amounts shall remain an
- 259 ongoing liability of the fund until satisfied.
- 260 16. Post-award interest for the purpose of second
- 261 injury fund claims shall be set at the adjusted rate of
- interest established by the director of revenue pursuant to
- section 32.065 or five percent, whichever is greater.
- 264 17. Notwithstanding the provisions of subsection 15 of
- this section to the contrary, the division may pay from the
- 266 second injury fund any of the following second injury fund
- 267 liabilities prior to those liabilities listed under
- 268 subsection 15 of this section:
- 269 (1) All death benefits incurred under subsection 7 of
- 270 this section relating to claims for deaths occurring prior
- 271 to January 1, 2014, consistent with a temporary or final
- 272 award; and
- 273 (2) Ongoing medical expenses, but not past medical
- 274 expenses, under subsection 7 of this section relating to
- 275 claims for injuries occurring prior to January 1, 2014,
- 276 consistent with a temporary or final award that includes
- future medical benefits.
 - 287.280. 1. Every employer subject to the provisions
 - 2 of this chapter shall, on either an individual or group
 - 3 basis, insure their entire liability under the workers'
 - 4 compensation law; and may insure in whole or in part their
 - 5 employer liability, under a policy of insurance or a self-
 - 6 insurance plan, except as hereafter provided, with some
 - 7 insurance carrier authorized to insure such liability in
 - 8 this state, except that an employer or group of employers
 - 9 may themselves carry the whole or any part of the liability

```
10
    without insurance upon satisfying the division of their
    ability to do so. If an employer or group of employers have
11
12
    qualified to self-insure their liability under this chapter,
    the division of workers' compensation may, if it finds after
13
    a hearing that the employer or group of employers are
14
    willfully and intentionally violating the provisions of this
15
16
    chapter with intent to defraud their employees of their
17
    right to compensation, suspend or revoke the right of the
    employer or group of employers to self-insure their
18
19
    liability. If the employer or group of employers fail to
    comply with this section, an injured employee or his or her
20
    dependents may elect after the injury either to bring an
21
22
    action against such employer or group of employers to
    recover damages for personal injury or death and it shall
23
    not be a defense that the injury or death was caused by the
24
25
    negligence of a fellow servant, or that the employee had
26
    assumed the risk of the injury or death, or that the injury
    or death was caused to any degree by the negligence of the
27
28
    employee; or to recover under this chapter with the
    compensation payments commuted and immediately payable; or,
29
30
    if the employee elects to do so, he or she may file a
    request with the division for payment to be made for medical
31
32
    expenses out of the second injury fund as provided in
33
    subsection 7 of section 287.220. If the employer or group
34
    of employers are carrying their own insurance, on the
35
    application of any person entitled to compensation and on
36
    proof of default in the payment of any installment, the
    division shall require the employer or group of employers to
37
    furnish security for the payment of the compensation, and if
38
39
    not given, all other compensation shall be commuted and
40
    become immediately payable; provided, that employers engaged
    in the mining business shall be required to insure only
41
42
    their liability hereunder to the extent of the equivalent of
```

- 43 the maximum liability under this chapter for ten deaths in
- 44 any one accident, but the employer or group of employers may
- 45 carry their own risk for any excess liability. When a group
- 46 of employers enter into an agreement to pool their
- 47 liabilities under this chapter, individual members will not
- 48 be required to qualify as individual self-insurers.
- 49 2. Groups of employers qualified to insure their
- 50 liability pursuant to chapter 537 or this chapter shall
- 51 utilize a uniform experience rating plan promulgated by an
- 52 approved advisory organization. Such groups shall develop
- 53 experience ratings for their members based on the plan.
- 54 Nothing in this section shall relieve an employer from
- 55 remitting, without any charge to the employer, the
- 56 employer's claims history to an approved advisory
- 57 organization.
- 58 3. For every entity qualified to group self-insure
- 59 their liability pursuant to this chapter or chapter 537,
- 60 each entity shall not authorize total discounts for any
- 61 individual member exceeding twenty-five percent beginning
- 62 January 1, 1999. All discounts shall be based on objective
- 63 quantitative factors and applied uniformly to all trust
- members.
- 4. Any group of employers that have qualified to self-
- 66 insure their liability pursuant to this chapter shall file
- 67 with the division premium rates, based on pure premium rate
- 68 data, adjusted for loss development and loss trending as
- 69 filed by the advisory organization with the department of
- 70 commerce and insurance pursuant to section 287.975, plus any
- 71 estimated expenses and other factors or based on average
- 72 rate classifications calculated by the department of
- 73 commerce and insurance as taken from the premium rates filed
- 74 by the twenty insurance companies providing the greatest
- 75 volume of workers' compensation insurance coverage in this

- 76 state. The rate is inadequate if funds equal to the full 77 ultimate cost of anticipated losses and loss adjustment 78 expenses are not produced when the prospective loss costs are applied to anticipated payrolls. The provisions of this 79 80 subsection shall not apply to those political subdivisions 81 of this state that have qualified to self-insure their 82 liability pursuant to this chapter as authorized by section 537.620 on an assessment plan. Any such group may file with 83 the division a composite rate for all coverages provided 84 85 under that section.
- When considering applications for new trust self-86 insurers, as described under 8 CSR 50- 3.010, the division 87 88 shall require proof of payment by each member of not less than twenty-five percent of the estimated annual premium; 89 except that, for new members who wish to join an existing 90 91 trust self-insurer during the policy year rather than at the 92 beginning of the policy year, the division shall require proof of payment of the lesser of the estimated premium of 93 94 three months or the estimated premium for the balance of the 95 policy year.
- Self-insured trusts, as described under 8 CSR 50-96 97 3.010, may invest surplus moneys from a prior trust year not needed for current obligations. Notwithstanding any 98 99 provision of law to the contrary, upon approval by the 100 division, a self-insured trust may invest up to one hundred 101 percent of surplus moneys in securities designated by the 102 state treasurer as acceptable collateral to secure state deposits under section 30.270. 103

111
     to be insolvent, or files for bankruptcy, and fails to pay
112
     any of its obligations that are owed to an injured employee
     or an injured employee's dependent or dependents pursuant to
113
     this chapter, whether based upon a compromise settlement
114
     approved pursuant to section 287.390 or based upon an award

122
123
     administrator or entity to which the losses are transferred
124
     shall have the authority to receive the security proceeds
125
     from the division and use the proceeds, after deducting
126
     reasonable administrative expenses, to pay the compensation
127
     benefits owed pursuant to this chapter. The security
128
     proceeds shall not be considered state property and shall
     not be subject to appropriation by the general assembly.
129
     Any unused portion of the security proceeds shall be
130
     returned to the division. The group of employers or public
131
132
     sector individual employer may apply to the division for
133
     release of the unused portion of the security proceeds as
134
     set forth in rules promulgated by the division. Neither the
135
     division nor any third-party administrator shall be
136
     obligated or required to pay any obligations or moneys in an
     amount in excess of the security proceeds, and neither the
137
138
     division nor any third-party administrator shall be liable
     for any interest or penalties. The joint and several

- 21 requirements of the division, the parties shall, on the same
- 22 date as the facsimile transmission, mail by the United
- 23 States mail the original and the requisite number of copies
- 24 to the commission. In addition, the commission may allow
- 25 filing of applications for review, briefs, motions, and
- 26 other requests for relief with the commission by electronic
- 27 means, in such manner as the commission may, by regulation,
- 28 prescribe.
- 29 2. An employer who has been determined by the division
- 30 to be an employer subject to and operating pursuant to this
- 31 chapter and has also been determined to be uninsured may
- 32 file an application for review but such application for
- 33 review shall be accompanied with and attached to the
- 34 application for review a bond which shall be conditioned for
- 35 the satisfaction of the award in full, and if for any reason
- 36 the appeal is dismissed or if the award is affirmed or
- 37 modified, to satisfy in full such modification of the award
- 38 as the commission may award. The surety on such bond shall
- 39 be a bank, savings and loan institution or an insurance
- 40 company licensed to do business in the state of Missouri.
- 41 No appeal to the commission shall be considered filed unless
- 42 accompanied by such bond and such bond shall also be a
- 43 prerequisite for appeal as provided in section 287.495 and
- 44 such appeal pursuant to section 287.495 shall not be
- 45 considered filed unless accompanied by such bond. If any
- 46 other employer pursuant to section 287.040 would be liable,
- 47 the employee shall be paid benefits from the bond until the
- 48 bond is exhausted before the section 287.040 employer is
- 49 required to pay.
 - 287.715. 1. For the purpose of providing for revenue
- 2 for the second injury fund, every authorized self-insurer,
- 3 and every workers' compensation policyholder insured

- 4 pursuant to the provisions of this chapter, shall be liable
- 5 for payment of an annual surcharge in accordance with the
- 6 provisions of this section. The annual surcharge imposed
- 7 under this section shall apply to all workers' compensation
- 8 insurance policies and self-insurance coverages which are
- 9 written or renewed on or after April 26, 1988, including the
- 10 state of Missouri, including any of its departments,
- 11 divisions, agencies, commissions, and boards or any
- 12 political subdivisions of the state who self-insure or hold
- 13 themselves out to be any part self-insured. Notwithstanding
- 14 any law to the contrary, the surcharge imposed pursuant to
- 15 this section shall not apply to any reinsurance or
- 16 retrocessional transaction.
- 17 2. Beginning October 31, 2005, and each year
- 18 thereafter, the director of the division of workers'
- 19 compensation shall estimate the amount of benefits payable
- 20 from the second injury fund during the following calendar
- 21 year and shall calculate the total amount of the annual
- 22 surcharge to be imposed during the following calendar year
- 23 upon all workers' compensation policyholders and authorized
- 24 self-insurers. The amount of the annual surcharge
- 25 percentage to be imposed upon each policyholder and self-
- 26 insured for the following calendar year commencing with the
- 27 calendar year beginning on January 1, 2006, shall be set at
- 28 and calculated against a percentage, not to exceed three
- 29 percent, of the policyholder's or self-insured's workers'
- 30 compensation net deposits, net premiums, or net assessments
- 31 for the previous policy year, rounded up to the nearest one-
- 32 half of a percentage point, that shall generate, as nearly
- as possible, one hundred ten percent of the moneys to be
- 34 paid from the second injury fund in the following calendar
- 35 year, less any moneys contained in the fund at the end of
- 36 the previous calendar year. All policyholders and self-

- 37 insurers shall be notified by the division of workers'
- 38 compensation within ten calendar days of the determination
- 39 of the surcharge percent to be imposed for, and paid in, the
- 40 following calendar year. The net premium equivalent for
- 41 individual self-insured employers shall be based on average
- 42 rate classifications calculated by the department of
- 43 commerce and insurance as taken from premium rates filed by
- 44 the twenty insurance companies providing the greatest volume
- 45 of workers' compensation insurance coverage in this state.
- 46 For employers qualified to self-insure their liability
- 47 pursuant to this chapter, the rates filed by such group of
- 48 employers in accordance with subsection 4 of section 287.280
- 49 shall be the net premium equivalent. Any group of political
- 50 subdivisions of this state qualified to self-insure their
- 51 liability pursuant to this chapter as authorized by section
- 52 537.620 may choose either the average rate classification
- 53 method or the filed rate method, provided that the method
- 54 used may only be changed once without receiving the consent
- of the director of the division of workers' compensation.
- 56 The director may advance funds from the workers'
- 57 compensation fund to the second injury fund if surcharge
- 58 collections prove to be insufficient. Any funds advanced
- 59 from the workers' compensation fund to the second injury
- 60 fund must be reimbursed by the second injury fund no later
- 61 than December thirty-first of the year following the
- 62 advance. The surcharge shall be collected from
- 63 policyholders by each insurer at the same time and in the
- 64 same manner that the premium is collected, but no insurer or
- 65 its agent shall be entitled to any portion of the surcharge
- as a fee or commission for its collection. The surcharge is
- 67 not subject to any taxes, licenses or fees.
- 3. All surcharge amounts imposed by this section shall
- 69 be deposited to the credit of the second injury fund.

- 70 Such surcharge amounts shall be paid quarterly by 71 insurers and self-insurers, and insurers shall pay the 72 amounts not later than the thirtieth day of the month following the end of the quarter in which the amount is 73 74 received from policyholders. If the director of the 75 division of workers' compensation fails to calculate the 76 surcharge by the thirty-first day of October of any year for 77 the following year, any increase in the surcharge ultimately set by the director shall not be effective for any calendar 78 79 quarter beginning less than sixty days from the date the director makes such determination. 80
- If a policyholder or self-insured fails to make 81 82 payment of the surcharge or an insurer fails to make timely transfer to the division of surcharges actually collected 83 from policyholders, as required by this section, a penalty 84 85 of one-half of one percent of the surcharge unpaid, or untransferred, shall be assessed against the liable policyholder, self-insured or insurer. Penalties assessed under this subsection shall be collected in a civil action by a summary proceeding brought by the director of the 90 division of workers' compensation.

91 6. Notwithstanding subsection 2 of this section to the 92 contrary, the director of the division of workers' 93 compensation shall collect a supplemental surcharge not to exceed three percent for calendar years 2014 to [2021] 2022 94 of the policyholder's or self-insured's workers' 95 compensation net deposits, net premiums, or net assessments 96 for the previous policy year, rounded up to the nearest one-97 half of a percentage point. For calendar year 2023, the 98 99 director of the division of workers' compensation shall 100 collect a supplemental surcharge not to exceed two and onehalf percent of the policyholder's or self-insured's 101 102 workers' compensation net deposits, net premiums, or net

assessments for the previous policy year, rounded up to the 103 104 nearest one-half of a percentage point. All policyholders and self-insurers shall be notified by the division of the 105 supplemental surcharge percentage to be imposed for such 106 period of time as part of the notice provided in subsection 107 108 2 of this section. The provisions of this subsection shall expire on December 31, [2021] 2023. 109 7. Funds collected under the provisions of this 110 111 chapter shall be the sole funding source of the second 112 injury fund. ✓ Elaine Gannon Mike Henderson
