9 pro tem of the senate and minority leader of the senate and
10 the seven house members shall be appointed by the speaker of
11 the house of representatives and the minority floor leader

14 minority party members in the same proportion as the number
15 of majority and minority party members in the senate bears
16 to the total membership of the senate. No major party shall
17 be represented by more than four members from the house of
18 representatives. The ex officio members shall be the state
19 auditor, the director of the oversight division of the
20 committee on legislative research, and the commissioner of
21 the office of administration or the designee of such
22 auditor, director or commissioner. The joint committee
23 shall be chaired jointly by both chairs of the senate and

25 committee shall constitute a quorum, but the concurrence of
26 a majority of the members, other than the ex officio
27 members, shall be required for the determination of any
28 matter within the committee's duties.

29 2. The department of transportation shall submit a
30 written report prior to December thirty-first of each year
31 to the governor and the lieutenant governor. The report

33 general assembly members may elect to access a copy of the
34 report electronically. The written report shall contain the
35 following:

36 (1) A comprehensive financial report of all funds for
37 the preceding state fiscal year which shall include a report

43 (2) A copy of the department's most current and annual
44 publication titled "Citizen's Guide to Transportation
45 Funding in Missouri";

52 3. Prior to February fifteenth of each year, the
53 committee shall hold an annual meeting and call before its
54 members, officials or employees of the state highways and
55 transportation commission or department of transportation,
56 as determined by the committee, for the [sole] purpose of
57 receiving and examining the report required pursuant to
58 subsection 2 of this section. The committee shall not have
59 the power to modify projects or priorities of the state
60 highways and transportation commission or department of
61 transportation. The committee may make recommendations to
62 the state highways and transportation commission or the
63 department of transportation. Disposition of those
64 recommendations shall be reported by the commission or the

65 department to the joint committee on transportation

67 4. In addition to the annual meeting required by
68 subsection 3 of this section, the committee shall meet two
69 times each year. The co-chairs of the committee shall

75 of transportation;

76 (2) Discussion of department efficiencies and
77 expenditure of cost-savings within the department;

80 detailed summary of projects funded by new state revenue as
81 provided in paragraph (a) of subdivision (1) of subsection 2
82 of this section; and

83 (4) Implementation of any actions as may be deemed
84 necessary by the committee as authorized by law. The co-
85 chairs of the committee may call special meetings of the
86 committee with ten days' notice to the members of the
87 committee, the director of the department of transportation,
88 and the department of transportation.

89 5. (1) The committee shall ensure towing companies
90 charge fair, equitable, and reasonable rates for services
91 rendered in connection with the towing of commercial motor
92 vehicles, and shall:

93 (a) Establish a process the committee shall use to
94 receive, investigate, and adjudicate complaints against a
95 towing company regarding the towing of a commercial motor
96 vehicle, and a process the commercial motor vehicle towing
97 adjudicative board established in subdivision (4) of this

98 subsection shall use to investigate and adjudicate any
99 complaints referred to it by the committee;

100 (b) Establish factors the committee and the commercial
101 motor vehicle towing adjudication board shall consider in
102 determining whether a charge levied by a towing company in
103 connection with the towing of a commercial motor vehicle is
104 fair, equitable, and reasonable;

105 (c) Establish a process law enforcement agencies in
106 the state may use to suspend or remove a towing company from
107 their towing rotation with regard to the towing of
108 commercial motor vehicles; and

109 (d) Establish information required to be included on
110 any invoice associated with the towing of a commercial motor
111 vehicle.

112 (2) The committee shall, in consultation with the
113 department of transportation and the department of public
114 safety, promulgate rules as necessary for the implementation
115 of this subsection. Any rule or portion of a rule, as that
116 term is defined in section 536.010, that is created under
117 the authority delegated in this section shall become
118 effective only if it complies with and is subject to all of
119 the provisions of chapter 536 and, if applicable, section
120 536.028. This section and chapter 536 are nonseverable and
121 if any of the powers vested with the general assembly
122 pursuant to chapter 536 to review, to delay the effective
123 date, or to disapprove and annul a rule are subsequently
124 held unconstitutional, then the grant of rulemaking
125 authority and any rule proposed or adopted after August 28,
126 2021, shall be invalid and void.

127 (3) The committee shall meet as necessary to carry out
128 the requirements of this subsection and the requirements of
129 any rules promulgated in accordance with this subsection.
130 The meetings required under this subsection may be held

131 concurrently with the meetings held in accordance with
132 subsections 3 or 4 of this section.

133 (4) If the committee determines a violation of the
134 rules promulgated in accordance with this subsection may
135 have occurred, the complaint shall be referred to the
136 "Commercial Motor Vehicle Towing Adjudicative Board" for
137 adjudication. The commercial motor vehicle towing
138 adjudicative board shall consist of the chair and vice chair
139 of the committee, the two ranking minority members of the
140 committee, the director of the department of transportation
141 or his or her designee, the director of the department of
142 public safety or his or her designee, and the director of
143 the department of revenue or his or her designee, provided
144 that the committee shall specify by rule a recusal process
145 through which members of the adjudicative board who may have
146 a conflict of interest may be temporarily removed or
147 replaced by another member of the committee. No fewer than
148 five members of the commercial motor vehicle towing
149 adjudicative board shall be present when the board makes a
150 determination in accordance with this subdivision, and
151 determinations shall be made by majority vote of the members
152 present. If the commercial motor vehicle towing
153 adjudicative board determines that a violation of the rules
154 promulgated in accordance with this subsection has occurred,
155 the towing company that committed the violation shall not be
156 contacted by any law enforcement agency for a nonconsensual
157 tow for a period of six months for a first violation, a
158 period of twelve months for a second violation, and
159 permanently for a third violation.

160 (5) The committee shall keep and maintain a record of
161 any proceedings that occur as a result of this subsection.

162 (6) The committee may, at the discretion of the
163 committee, make recommendations to the governor or the

164 general assembly regarding statutes governing the
165 nonconsensual towing of commercial motor vehicles.

166 (7) As used in this subsection, the following terms
167 shall mean:

168 (a) "Commercial motor vehicle", the same meaning as
169 defined in section 301.010;

170 (b) "Nonconsensual tow", the towing or recovery of a
171 commercial motor vehicle which was authorized, requested, or
172 dispatched by any law enforcement agency in the state. When
173 an owner or operator of a commercial motor vehicle requests
174 a law enforcement officer or other public agency to initiate
175 a tow, the tow shall be considered a nonconsensual tow;

176 (c) "Towing company", the same meaning as defined in
177 section 304.153.

178 6. The committee shall also review all applications
179 for the development of specialty plates submitted to it by
180 the department of revenue. The committee shall approve such
181 application by a majority vote. The committee shall approve
182 any application unless the committee receives:

183 (1) A signed petition from five house members or two
184 senators that they are opposed to the approval of the
185 proposed license plate and the reason for such opposition;

186 (2) Notification that the organization seeking
187 authorization to establish a new specialty license plate has
188 not met all the requirements of section 301.3150;

189 (3) A proposed new specialty license plate containing
190 objectionable language or design;

191 (4) A proposed license plate not meeting the
192 requirements of any reason promulgated by rule.

193 The committee shall notify the director of the department of
194 revenue upon approval or denial of an application for the
195 development of a specialty plate.

196 [6.] 7. The committee shall submit records of its
197 meetings to the secretary of the senate and the chief clerk
198 of the house of representatives in accordance with sections
199 610.020 and 610.023.

43.253. 1. Notwithstanding any other provision of law
2 to the contrary, a minimum fee of five dollars may be
3 charged by the Missouri state highway patrol for any records
4 request where there are allowable fees of less than five
5 dollars under this chapter or chapter 610. Such five-dollar
6 fee shall be in place of any allowable fee of less than five
7 dollars.

8 2. The superintendent of the Missouri state highway
9 patrol may increase the minimum fee described in this
10 section by no more than one dollar every other year
11 beginning August 28, 2022; however, the minimum fee
12 described in this section shall not exceed ten dollars.

13 3. A request for public records under chapter 43 or
14 chapter 610 shall be considered withdrawn if the requester
15 fails to remit all fees within thirty days of a request for
16 payment of the fees by the Missouri state highway patrol.

 142.869. 1. (1) The tax imposed by this chapter
2 shall not apply to passenger motor vehicles, buses as
3 defined in section 301.010, or commercial motor vehicles
4 registered in this state which are powered by alternative
5 fuel, and for which a valid decal has been acquired as
6 provided in this section, provided that sales made to
7 alternative fueled vehicles powered by propane, compressed
8 natural gas, or liquefied natural gas that do not meet the
9 requirements of subsection 3 of this section shall be taxed
10 exclusively pursuant to subdivisions (4) to (7) of
11 subsection 1 of section 142.803, respectively. The owners
12 or operators of such motor vehicles, except plug-in electric
13 hybrids, shall, in lieu of the tax imposed by section

14 142.803, pay an annual alternative fuel decal fee as
15 follows: seventy-five dollars on each passenger motor
16 vehicle, school bus as defined in section 301.010, and
17 commercial motor vehicle with a licensed gross vehicle
18 weight of eighteen thousand pounds or less; one hundred
19 dollars on each motor vehicle with a licensed gross weight
20 in excess of eighteen thousand pounds but not more than
21 thirty-six thousand pounds used for farm or farming
22 transportation operations and registered with a license
23 plate designated with the letter "F"; one hundred fifty
24 dollars on each motor vehicle with a licensed gross vehicle
25 weight in excess of eighteen thousand pounds but less than
26 or equal to thirty-six thousand pounds, and each passenger-
27 carrying motor vehicle subject to the registration fee
28 provided in sections 301.059, 301.061 and 301.063; two
29 hundred fifty dollars on each motor vehicle with a licensed
30 gross weight in excess of thirty-six thousand pounds used
31 for farm or farming transportation operations and registered
32 with a license plate designated with the letter "F"; and one
33 thousand dollars on each motor vehicle with a licensed gross
34 vehicle weight in excess of thirty-six thousand pounds.
35 Owners or operators of plug-in electric hybrids shall pay
36 one-half of the stated annual alternative fuel decal fee.
37 Notwithstanding provisions of this section to the contrary,
38 motor vehicles licensed as historic under section 301.131
39 which are powered by alternative fuel shall be exempt from
40 both the tax imposed by this chapter and the alternative
41 fuel decal requirements of this section. For the purposes
42 of this section, a plug-in electric hybrid shall be any
43 hybrid vehicle made by a manufacturer with a model year of
44 2018 or newer, that has not been modified from the original
45 manufacturer specifications, with an internal combustion

46 engine and batteries that can be recharged by connecting a
47 plug to an electric power source.

48 (2) Notwithstanding the provisions of subdivision (1)
49 of this subsection to the contrary, the director shall
50 provide owners of vehicles required to purchase an
51 alternative fuel decal under subdivision (1) of this
52 subsection, the option of purchasing a biennial alternative
53 fuel decal for a fee of twice the annual alternative fuel
54 decal fee stated in subdivision (1) of this subsection.

55 2. Except interstate fuel users and vehicles licensed
56 under a reciprocity agreement as defined in section 142.617,
57 the tax imposed by section 142.803 shall not apply to motor
58 vehicles registered outside this state which are powered by
59 alternative fuel other than propane, compressed natural gas,
60 and liquefied natural gas, and for which a valid temporary
61 alternative fuel decal has been acquired as provided in this
62 section. The owners or operators of such motor vehicles
63 shall, in lieu of the tax imposed by section 142.803, pay a
64 temporary alternative fuel decal fee of eight dollars on
65 each such vehicle. Such decals shall be valid for a period
66 of fifteen days from the date of issuance and shall be
67 attached to the lower right-hand corner of the front
68 windshield on the motor vehicle for which it was issued.
69 Such decal and fee shall not be transferable. All proceeds
70 from such decal fees shall be deposited as specified in
71 section 142.345. Alternative fuel dealers selling such
72 decals in accordance with rules and regulations prescribed
73 by the director shall be allowed to retain fifty cents for
74 each decal fee timely remitted to the director.

75 3. Owners or operators of passenger motor vehicles,
76 buses as defined in section 301.010, or commercial motor
77 vehicles registered in this state which are powered by
78 compressed natural gas or liquefied natural gas who have

79 installed a compressed natural gas fueling station or
80 liquefied natural gas fueling station used solely to fuel
81 the motor vehicles they own or operate as of December 31,
82 2015, may continue to apply for and use the alternative fuel
83 decal in lieu of paying the tax imposed under subdivisions
84 (4) and (5) of subsection 1 of section 142.803. Owners or
85 operators of compressed natural gas fueling stations or
86 liquefied natural gas fueling stations whose vehicles bear
87 an alternative fuel decal shall be prohibited from selling
88 or providing compressed natural gas or liquefied natural gas
89 to any motor vehicle they do not own or operate. Owners or
90 operators of motor vehicles powered by compressed natural
91 gas or liquefied natural gas bearing an alternative fuel
92 decal after January 1, 2016, that decline to renew the
93 alternative fuel decals for such motor vehicles shall no
94 longer be eligible to apply for and use alternative fuel
95 decals under this subsection. Any compressed natural gas or
96 liquefied natural gas obtained at any fueling station not
97 owned by the owner or operator of the motor vehicle bearing
98 an alternative fuel decal shall be subject to the tax under
99 subdivisions (4) and (5) of subsection 1 of section 142.803.

100 4. An owner or operator of a motor vehicle powered by
101 propane may continue to apply for and use the alternative
102 fuel decal in lieu of paying the tax imposed under
103 subdivision (6) of subsection 1 of section 142.803. If the
104 appropriate motor fuel tax under subdivision (6) of
105 subsection 1 of section 142.803 is collected at the time of
106 fueling, an operator of a propane fueling station that uses
107 quick-connect fueling nozzles may sell propane as a motor
108 fuel without verifying the application of a valid Missouri
109 alternative fuel decal. If an owner or operator of a motor
110 vehicle powered by propane that bears an alternative fuel
111 decal refuels at an unattended propane refueling station,

112 such owner or operator shall not be eligible for a refund of
113 the motor fuel tax paid at such refueling.

114 5. The director shall annually or biennially, on or
115 before January thirty-first of each year, collect or cause
116 to be collected from owners or operators of the motor
117 vehicles specified in subsection 1 of this section the
118 annual or biennial decal fee. Applications for such decals
119 shall be supplied by the department of revenue. In the case
120 of a motor vehicle which is not in operation by January
121 thirty-first of any year, a decal may be purchased for a
122 fractional period of such year, or a fractional period of
123 such year and a whole year, and the amount of the decal fee
124 shall be reduced by one-twelfth for each complete month
125 which shall have elapsed since the beginning of such year.
126 This subsection shall not apply to an owner or operator of a
127 motor vehicle powered by propane who fuels such vehicle
128 exclusively at unattended fueling stations that collect the
129 motor fuel tax.

130 6. Upon the payment of the fee required by subsection
131 1 of this section, the director shall issue a decal, which
132 shall be valid for the current calendar year, or the current
133 calendar year and the subsequent calendar year in the case
134 of a biennial alternative fuel decal, and shall be attached
135 to the lower right-hand corner of the front windshield on
136 the motor vehicle for which it was issued.

137 7. The decal fee paid pursuant to subsection 1 of this
138 section for each motor vehicle shall be transferable upon a
139 change of ownership of the motor vehicle and, if the LP gas
140 or natural gas equipment is removed from a motor vehicle
141 upon a change of ownership and is reinstalled in another
142 motor vehicle, upon such reinstallation. Such transfers
143 shall be accomplished in accordance with rules and
144 regulations promulgated by the director.

145 8. It shall be unlawful for any person to operate a
146 motor vehicle required to have an alternative fuel decal
147 upon the highways of this state without a valid decal unless
148 the motor vehicle is exclusively fueled at propane,
149 compressed natural gas, or liquefied natural gas fueling
150 stations that collect the motor fuel tax.

151 9. No person shall cause to be put, or put, any
152 alternative fuel into the fuel supply receptacle or battery
153 of a motor vehicle required to have an alternative fuel
154 decal unless the motor vehicle either has a valid decal
155 attached to it or the appropriate motor fuel tax is
156 collected at the time of such fueling.

157 10. Any person violating any provision of this section
158 is guilty of an infraction and shall, upon conviction
159 thereof, be fined five hundred dollars.

160 11. Motor vehicles displaying a valid alternative fuel
161 decal are exempt from the licensing and reporting
162 requirements of this chapter.

142.1000. 1. There is hereby created within the
2 department of revenue the "Electric Vehicle Task Force" to
3 consist of the following members:

4 (1) The director of the department of revenue, or his
5 or her designee, who shall serve as chair;

6 (2) The chairman of the public service commission, or
7 his or her designee, who shall serve as vice chair;

9 or his or her designee;

13 president pro tempore of the senate;

14 (6) Two members of the house of representatives, to be
15 appointed by the speaker of the house of representatives;

16 (7) One member of the senate committee with
17 jurisdiction over transportation matters, to be appointed by
18 the minority floor leader of the senate;

19 (8) One member of the house of representatives
20 committee with jurisdiction over transportation matters, to
21 be appointed by the minority floor leader of the house of
22 representatives;

23 (9) One representative of the trucking or heavy
24 vehicle industry, to be appointed by the president pro
25 tempore of the senate;

26 (10) One representative of electric vehicle
27 manufacturers or dealers, to be appointed by the speaker of
28 the house of representatives;

29 (11) One representative of conventional motor vehicle
30 manufacturers or dealers, to be appointed by the president
31 pro tempore of the senate;

32 (12) One representative of the petroleum industry or
33 convenience stores, to be appointed by the speaker of the
34 house of representatives;

35 (13) One representative of electric vehicle charging
36 station manufacturers or operators, to be appointed by the
37 president pro tempore of the senate; and

38 (14) One representative of electric utilities, to be
39 appointed by the speaker of the house of representatives.

40 2. The task force shall analyze the following in the
41 context of transportation funding, and make recommendations
42 as to any actions the state should take to fund
43 transportation infrastructure in anticipation of more
44 widespread adoption of electric vehicles:

45 (1) Removal or mitigation of barriers to electric
46 vehicle charging, including strategies, such as time-of-use
47 rates, to reduce operating costs for current and future

48 electric vehicle owners without shifting costs to electric
49 ratepayers who do not own or operate electric vehicles;

50 (2) Strategies for managing the impact of electric
51 vehicles on, and services provided for electric vehicles by,

31 state road. The historic vehicle's mileage driven in an
32 antique auto tour or event and mileage driven to and from
33 such a tour or event shall not be considered mileage driven
34 for the purpose of the mileage limitations in this section.
35 Violation of this section shall be punishable under section
36 301.440 and in addition to any other penalties prescribed by
37 law, upon plea or finding of guilt thereof, the director of

29 or portion of a rule, as that term is defined in section
30 536.010, that is promulgated pursuant to the authority
31 delegated in this section shall become effective only if it
32 has been promulgated pursuant to the provisions of chapter
33 536. This section and chapter 536 are nonseverable and if
34 any of the powers vested with the general assembly pursuant
35 to chapter 536 to review, to delay the effective date or to
36 disapprove and annul a rule are subsequently held
37 unconstitutional, then the grant of rulemaking authority and
38 any rule proposed or adopted after July 1, 2000, shall be
39 invalid and void.

40 3. The director of revenue shall have the authority to
41 stagger the registration period of motor vehicles other than
42 commercial motor vehicles licensed in excess of twelve
43 thousand pounds gross weight. Once the owner of a motor
44 vehicle chooses the option of biennial registration, such
45 registration must be maintained for the full twenty-four
46 month period.

301.192. 1. In addition to any other requirements of
2 section 301.190, when application is made for a certificate
3 of ownership for a motor vehicle or trailer seven years old
4 or older and the value of vehicle does not exceed three
5 thousand dollars, for which no record of any prior
6 application for a certificate of ownership exists in the
7 records of the director of revenue or for which the records
8 of the director of revenue reflect incomplete or conflicting

9 documentation of ownership, the director of revenue may
10 issue a certificate of ownership, not less than thirty days
11 after receiving the completed application, provided it is
12 accompanied by:

13 (1) An affidavit explaining how the motor vehicle or
14 trailer was acquired and the reasons a valid certificate of
15 ownership cannot be furnished;

16 (2) Presentation of all evidence of ownership in the
17 applicant's possession;

18 (3) Title verification from a state in which the

27 vehicle's identification number and a determination that the
28 vehicle has not been reported stolen in Missouri or any
29 other state. The fee for the vehicle examination
30 certificate shall be twenty-five dollars and shall be
31 collected by the director of revenue at the time of the
32 request for the application;

33 (6) A statement certifying the odometer reading of the
34 motor vehicle if the motor vehicle has a model year of 2011
35 or new and is less than [ten] twenty years of age; and

36 (7) A surety bond or a suitable financial security
37 instrument in a form prescribed by the director of revenue
38 and executed by the applicant and a person authorized to
39 conduct surety business in this state. The bond shall be an
40 amount equal to two times the value of the vehicle as
41 determined by the Kelly Blue Book, NADA Used Car Guide or

42 two appraisals from a licensed motor vehicle dealer. The
43 bond shall be for a minimum of one hundred dollars and
44 conditioned to indemnify any prior owner or lienholder and
45 any subsequent purchaser of the vehicle or person acquiring
46 any security interest in it, and their respective successors
47 in interest, against any expense, loss or damage including
48 reasonable attorneys fees, by reason of the issuance of the
49 certificate of ownership of the vehicle or on account of any
50 defect in or undisclosed security interest upon the right,
51 title and interest of the applicant in and to the vehicle.
52 Any such interested person has a right of action to recover
53 on the bond for any breach of its conditions, but the
54 aggregate liability of the surety to all persons shall not
55 exceed the amount of the bond. The bond shall be returned
56 at the end of three years, unless the department has been
57 notified of the pendency of an action to recover on the bond.

58 2. Upon satisfaction with the genuineness of the
59 application and supporting documents, the director of
60 revenue shall issue a new certificate of ownership. The
61 certificate of ownership shall appropriately be designated
62 with the words "BONDED VEHICLE".

301.280. 1. Every motor vehicle dealer and boat
2 dealer shall make a monthly report to the department of
3 revenue, on blanks to be prescribed by the department of
4 revenue, giving the following information: date of the sale
5 of each motor vehicle, boat, trailer and all-terrain vehicle
6 sold; the name and address of the buyer; the name of the
7 manufacturer; year of manufacture; model of vehicle; vehicle
8 identification number; style of vehicle; odometer setting;
9 and it shall also state whether the motor vehicle, boat,
10 trailer or all-terrain vehicle is new or secondhand. Each
11 monthly sales report filed by a motor vehicle dealer who
12 collects sales tax under subsection 10 of section 144.070

13 shall also include the amount of state and local sales tax
14 collected for each motor vehicle sold if sales tax was due.
15 The odometer reading is not required when reporting the sale
16 of any motor vehicle with a model year prior to 2011, any
17 motor vehicle that is [~~ten~~] twenty years old or older, any
18 motor vehicle having a gross vehicle weight rating of more
19 than sixteen thousand pounds, new vehicles that are
20 transferred on a manufacturer's statement of origin between
21 one franchised motor vehicle dealer and another, or boats,
22 all-terrain vehicles or trailers. The sale of all temporary
23 permits shall be recorded in the appropriate space on the
24 dealer's monthly sales report, unless the sale of the
25 temporary permit is already recorded by electronic means as
26 determined by the department. The monthly sales report
27 shall include a statement of motor vehicles or trailers sold
28 during the month under subsection 5 of section 301.210. The
29 monthly sales report shall be completed in full and signed
30 by an officer, partner, or owner of the dealership, and
31 actually received by the department of revenue on or before
32 the fifteenth day of the month succeeding the month for
33 which the sales are being reported. If no sales occur in
34 any given month, a report shall be submitted for that month
35 indicating no sales. Any vehicle dealer who fails to file a
36 monthly report or who fails to file a timely report shall be
37 subject to disciplinary action as prescribed in section
38 301.562 or a penalty assessed by the director not to exceed
39 three hundred dollars per violation. Every motor vehicle
40 and boat dealer shall retain copies of the monthly sales
41 report as part of the records to be maintained at the
42 dealership location and shall hold them available for
43 inspection by appropriate law enforcement officials and
44 officials of the department of revenue. Every vehicle
45 dealer selling twenty or more vehicles a month shall file

46 the monthly sales report with the department in an
47 electronic format. Any dealer filing a monthly sales report
48 in an electronic format shall be exempt from filing the
49 notice of transfer required by section 301.196. For any
50 dealer not filing electronically, the notice of transfer
51 required by section 301.196 shall be submitted with the
52 monthly sales report as prescribed by the director.

53 2. Every dealer and every person operating a public
54 garage shall keep a correct record of the vehicle
55 identification number, odometer setting, manufacturer's name
56 of all motor vehicles or trailers accepted by him for the
57 purpose of sale, rental, storage, repair or repainting,
58 together with the name and address of the person delivering
59 such motor vehicle or trailer to the dealer or public garage
60 keeper, and the person delivering such motor vehicle or
61 trailer shall record such information in a file kept by the
62 dealer or garage keeper. The record shall be kept for five
63 years and be open for inspection by law enforcement
64 officials, members or authorized or designated employees of
65 the Missouri highway patrol, and persons, agencies and
66 officials designated by the director of revenue.

67 3. Every dealer and every person operating a public
68 garage in which a motor vehicle remains unclaimed for a
69 period of fifteen days shall, within five days after the
70 expiration of that period, report the motor vehicle as
71 unclaimed to the director of revenue. Such report shall be
72 on a form prescribed by the director of revenue. A motor
73 vehicle left by its owner whose name and address are known
74 to the dealer or his employee or person operating a public
75 garage or his employee is not considered unclaimed. Any
76 dealer or person operating a public garage who fails to
77 report a motor vehicle as unclaimed as herein required

78 forfeits all claims and liens for its garaging, parking or
79 storing.

80 4. The director of revenue shall maintain
81 appropriately indexed cumulative records of unclaimed
82 vehicles reported to the director. Such records shall be
83 kept open to public inspection during reasonable business
84 hours.

85 5. The alteration or obliteration of the vehicle
86 identification number on any such motor vehicle shall be
87 prima facie evidence of larceny, and the dealer or person
88 operating such public garage shall upon the discovery of
89 such obliteration or alteration immediately notify the
90 highway patrol, sheriff, marshal, constable or chief of
91 police of the municipality where the dealer or garage keeper
92 has his place of business, and shall hold such motor vehicle
93 or trailer for a period of forty-eight hours for the purpose
94 of an investigation by the officer so notified.

95 6. Any person who knowingly makes a false statement or
96 omission of a material fact in a monthly sales report to the
97 department of revenue, as described in subsection 1 of this
98 section, shall be deemed guilty of a class A misdemeanor.

301.558. 1. A motor vehicle dealer, boat dealer, or
2 powersport dealer may fill in the blanks on standardized
3 forms in connection with the sale or lease of a new or used
4 motor vehicle, vessel, or vessel trailer if the motor
5 vehicle dealer, boat dealer, or powersport dealer does not
6 charge for the services of filling in the blanks or
7 otherwise charge for preparing documents.

8 2. A motor vehicle dealer, boat dealer, or powersport
9 dealer may charge an administrative fee in connection with
10 the sale or lease of a new or used motor vehicle, vessel, or
11 vessel trailer for the storage of documents or any other
12 administrative or clerical services not prohibited by this

13 section. A portion of the administrative fee may result in
14 profit to the motor vehicle dealer, boat dealer, or
15 powersport dealer.

16 3. (1) Ten percent of any fee authorized under this
17 section and charged by motor vehicle dealers shall be
18 remitted to the motor vehicle administration technology fund
19 established in this subsection, for the development of the
20 system specified in this subsection. Following the
21 development of the system specified in this subsection, the
22 director of the department of revenue shall notify motor
23 vehicle dealers and implement the system, and the percentage
24 of any fee authorized under this section required to be
25 remitted to the fund shall be reduced to one percent, which
26 shall be used for maintenance of the system. This
27 subsection shall expire on January 1, 2037.

28 (2) There is hereby created in the state treasury the
29 "Motor Vehicle Administration Technology Fund", which shall
30 consist of money collected as specified in this subsection.
31 The state treasurer shall be custodian of the fund. In
32 accordance with sections 30.170 and 30.180, the state
33 treasurer may approve disbursements. The fund shall be a
34 dedicated fund and money in the fund shall be used solely by
35 the department of revenue for the purpose of development and
36 maintenance of a modernized, integrated system for the
37 titling of vehicles, issuance and renewal of vehicle
38 registrations, issuance and renewal of driver's licenses and
39 identification cards, and perfection and release of liens
40 and encumbrances on vehicles.

41 (3) Notwithstanding the provisions of section 33.080
42 to the contrary, any moneys remaining in the fund at the end
43 of the biennium shall not revert to the credit of the
44 general revenue fund.

45 (4) The state treasurer shall invest moneys in the
46 fund in the same manner as other funds are invested. Any
47 interest and moneys earned on such investments shall be
48 credited to the fund.

49 4. No motor vehicle dealer, boat dealer, or powersport
50 dealer that sells or leases new or used motor vehicles,
51 vessels, or vessel trailers and imposes an administrative
52 fee of [less than two] five hundred dollars or less in
53 connection with the sale or lease of a new or used vehicle,
54 vessel, or vessel trailer for the storage of documents or
55 any other administrative or clerical services shall be
56 deemed to be engaging in the unauthorized practice of law.
57 The maximum administrative fee permitted under this
58 subsection shall be increased annually by an amount equal to
59 the percentage change in the annual average of the Consumer
60 Price Index for All Urban Consumers or its successor index,
61 as reported by the federal Bureau of Labor Statistics or its
62 successor agency, or by zero, whichever is greater. The
63 director of the department of revenue shall annually furnish
64 the maximum administrative fee determined under this section
65 to the secretary of state, who shall publish such value in
66 the Missouri register as soon as practicable after January
67 fourteenth of each year.

68 [4.] 5. If an administrative fee is charged under this
69 section, the same administrative fee shall be charged to all
70 retail customers [and] unless the fee is limited by the
71 dealer's franchise agreement to certain classes of
72 customers. The fee shall be disclosed on the retail buyer's
73 order form as a separate itemized charge.

74 [5.] 6. A preliminary worksheet on which a sale price
75 is computed and that is shown to the purchaser, a retail
76 buyer's order form from the purchaser, or a retail
77 installment contract shall include, in reasonable proximity

78 to the place on the document where the administrative fee
79 authorized by this section is disclosed, the amount of the
80 administrative fee and the following notice in type that is
81 boldfaced, capitalized, underlined, or otherwise
82 conspicuously set out from the surrounding written material:

83 "AN ADMINISTRATIVE FEE IS NOT AN OFFICIAL FEE
84 AND IS NOT REQUIRED BY LAW BUT MAY BE CHARGED BY
85 A DEALER. THIS ADMINISTRATIVE FEE MAY RESULT IN
86 A PROFIT TO DEALER. NO PORTION OF THIS
87 ADMINISTRATIVE FEE IS FOR THE DRAFTING,
88 PREPARATION, OR COMPLETION OF DOCUMENTS OR THE
89 PROVIDING OF LEGAL ADVICE. THIS NOTICE IS
90 REQUIRED BY LAW."

91 [6.] 7. The general assembly believes that an
92 administrative fee charged in compliance with this section
93 is not the unauthorized practice of law or the unauthorized
94 business of law so long as the activity or service for which
95 the fee is charged is in compliance with the provisions of
96 this section and does not result in the waiver of any rights
97 or remedies. Recognizing, however, that the judiciary is
98 the sole arbitrator of what constitutes the practice of law,
99 in the event that a court determines that an administrative
100 fee charged in compliance with this section, and that does
101 not waive any rights or remedies of the buyer, is the
102 unauthorized practice of law or the unauthorized business of
103 law, then no person who paid that administrative fee may
104 recover said fee or treble damages, as permitted under
105 section 484.020, and no person who charged that fee shall be
106 guilty of a misdemeanor, as provided under section 484.020.

76 years after a previous violation, while transporting
77 hazardous materials or while operating a motor vehicle
78 designed to transport fifteen passengers, including the
79 driver, is disqualified for a period of three years.

80 13. Any person convicted of any other offense as
81 specified by regulations promulgated by the Secretary of
82 Transportation shall be disqualified in accordance with such
83 regulations.

84 14. After suspending, revoking, cancelling, or
85 disqualifying a driver, the director shall update records to
86 reflect such action and notify a nonresident's licensing
87 authority and the commercial driver's license information
88 system within ten days in the manner prescribed in 49 CFR
89 384, or as amended by the Secretary.

90 15. Any person disqualified from operating a
91 commercial motor vehicle pursuant to subsection 1, 2, 3 or 4
92 of this section shall have such commercial driver's license
93 cancelled, and upon conclusion of the period of
94 disqualification shall take the written and driving tests
95 and meet all other requirements of sections 302.700 to
96 302.780. Such disqualification and cancellation shall not
97 be withdrawn by the director until such person reapplies for
98 a commercial driver's license in this or any other state
99 after meeting all requirements of sections 302.700 to
100 302.780.

101 16. The director shall disqualify a driver upon
102 receipt of notification that the Secretary has determined a
103 driver to be an imminent hazard pursuant to 49 CFR 383.52.
104 Due process of a disqualification determined by the
105 Secretary pursuant to this section shall be held in
106 accordance with regulations promulgated by the Secretary.
107 The period of disqualification determined by the Secretary
108 pursuant to this section shall be served concurrently to any
109 other period of disqualification which may be imposed by the
110 director pursuant to this section. Both disqualifications
111 shall appear on the driving record of the driver.

112 17. The director shall disqualify a commercial license
113 holder or operator of a commercial motor vehicle from
114 operation of any commercial motor vehicle upon receipt of a
115 conviction for an offense of failure to appear or pay, and
116 such disqualification shall remain in effect until the
117 director receives notice that the person has complied with
118 the requirement to appear or pay.

119 18. The disqualification period must be in addition to
120 any other previous periods of disqualification in the manner
121 prescribed in 49 CFR 383, or as amended by the Secretary,
122 except when the major or serious violations are a result of
123 the same incident.

124 19. Any person is disqualified from driving a
125 commercial motor vehicle for life if convicted of using a
126 commercial motor vehicle in the commission of a felony
127 involving an act or practice of severe forms of trafficking
128 in persons, as defined in 22 U.S.C. Section 7102 (11). A
129 disqualification for life under this subsection shall not be
130 reduced.

303.025. 1. No owner of a motor vehicle registered in
2 this state, or required to be registered in this state,
3 shall operate, register or maintain registration of a motor
4 vehicle, or permit another person to operate such vehicle,
5 unless the owner maintains the financial responsibility
6 which conforms to the requirements of the laws of this
7 state. No nonresident shall operate or permit another
8 person to operate in this state a motor vehicle registered
9 to such nonresident unless the nonresident maintains the
10 financial responsibility which conforms to the requirements
11 of the laws of the nonresident's state of residence.

12 Furthermore, no person shall operate a motor vehicle owned
13 by another with the knowledge that the owner has not
14 maintained financial responsibility unless such person has
15 financial responsibility which covers the person's operation
16 of the other's vehicle; however, no owner or nonresident
17 shall be in violation of this subsection if he or she fails
18 to maintain financial responsibility on a motor vehicle
19 which is inoperable or being stored and not in operation.____

20 The director of the department of revenue shall establish by
21 rule a process for voluntary suspension of motor vehicle
22 registration for vehicles which are inoperable or being
23 stored and not in operation. The owner or nonresident shall
24 not further operate the vehicle until the owner or
25 nonresident notifies the department of revenue that the
26 vehicle will be in use, and the department shall reinstate
27 the motor vehicle registration upon receipt of proof of
28 financial responsibility. Owners or nonresidents who
29 operate a motor vehicle during a period of inoperability or
30 storage claimed under this subsection shall be guilty of a
31 class B misdemeanor and may additionally be guilty of a

32 violation of this subsection. Notwithstanding any provision
33 of law to the contrary, the department of revenue may verify
34 motor vehicle financial responsibility as provided by law,
35 but shall not otherwise take legal or administrative action
36 to enforce the requirements of this section unless, in the
37 discretion of the director, the motor vehicle is determined
38 to have been operated in violation of this section, a motor
39 vehicle registration is applied for in violation of this
40 section, or the motor vehicle on two separate occasions
41 thirty days apart is determined to have its registration
42 maintained in violation of this section. The director may
43 prescribe rules and regulations for the implementation of
44 this section.

45 2. A motor vehicle owner shall maintain the owner's
46 financial responsibility in a manner provided for in section
47 303.160, or with a motor vehicle liability policy which
48 conforms to the requirements of the laws of this state. A
49 nonresident motor vehicle owner shall maintain the owner's
50 financial responsibility which conforms to the requirements
51 of the laws of the nonresident's state of residence.

52 3. Any person who violates this section is guilty of a
53 misdemeanor. A first violation of this section shall be
54 punishable as a class D misdemeanor. A second or subsequent
55 violation of this section [~~shall~~] may be [~~punishable~~]
56 punished by imprisonment in the county jail for a term not
57 to exceed fifteen days [~~and/or~~] and shall be punished by a
58 fine not less than two hundred dollars but not to exceed
59 five hundred dollars. Prior pleas of guilty and prior
60 findings of guilty shall be pleaded and proven in the same
61 manner as required by section 558.021. However, no person
62 shall be found guilty of violating this section if the
63 operator demonstrates to the court that he or she met the
64 financial responsibility requirements of this section at the

65 time the peace officer, commercial vehicle enforcement
66 officer or commercial vehicle inspector wrote the citation.
67 In addition to any other authorized punishment, the court
68 shall notify the director of revenue of any person convicted
69 pursuant to this section and shall do one of the following:

70 (1) Enter an order suspending the driving privilege as
71 of the date of the court order. If the court orders the
72 suspension of the driving privilege, the court shall require
73 the defendant to surrender to it any driver's license then
74 held by such person. The length of the suspension shall be
75 as prescribed in subsection 2 of section 303.042. The court
76 shall forward to the director of revenue the order of
77 suspension of driving privilege and any license surrendered
78 within ten days;

79 (2) Forward the record of the conviction for an
80 assessment of four points;

81 (3) In lieu of an assessment of points, render an
82 order of supervision as provided in section 302.303. An
83 order of supervision shall not be used in lieu of points
84 more than one time in any thirty-six-month period. Every
85 court having jurisdiction pursuant to the provisions of this
86 section shall forward a record of conviction to the Missouri
87 state highway patrol, or at the written direction of the
88 Missouri state highway patrol, to the department of revenue,
89 in a manner approved by the director of the department of
90 public safety. The director shall establish procedures for
91 the record keeping and administration of this section; or

92 (4) For a nonresident, suspend the nonresident's
93 driving privileges in this state in accordance with section
94 303.030 and notify the official in charge of the issuance of
95 licenses and registration certificates in the state in which
96 such nonresident resides in accordance with section 303.080.

97 4. Nothing in sections 303.010 to 303.050, 303.060,
98 303.140, 303.220, 303.290, 303.330 and 303.370 shall be
99 construed as prohibiting the department of commerce and
100 insurance from approving or authorizing those exclusions and
101 limitations which are contained in automobile liability
102 insurance policies and the uninsured motorist provisions of
103 automobile liability insurance policies.

104 5. If a court enters an order of suspension, the
105 offender may appeal such order directly pursuant to chapter
106 512 and the provisions of section 302.311 shall not apply.

107 6. Any fines owed to the state pursuant to this
108 section may be eligible for payment in installments. The
109 director shall promulgate rules for the application of
110 payment plans, which shall take into account individuals'
111 ability to pay.

303.041. 1. Except as otherwise provided in
2 subsection 7 of section 303.425, if the director determines
3 [that as a result of a verification sample or accident
4 report that the owner of a motor vehicle has not maintained
5 financial responsibility, or if the director determines as a
6 result of an order of supervision] that the owner or
7 operator of a motor vehicle has not maintained the financial
8 responsibility as required in this chapter, the director
9 shall thirty-three days after mailing notice, suspend the
10 driving privilege of the owner or operator and/or the
11 registration of the vehicle failing to meet such
12 requirement. The notice of suspension shall be mailed to
13 the person at the last known address shown on the
14 department's records. The notice of suspension is deemed
15 received three days after mailing. The notice of suspension
16 shall clearly specify the reason and statutory grounds for
17 the suspension and the effective date of the suspension, the
18 right of the person to request a hearing, the procedure for

19 requesting a hearing, and the date by which that request for
20 a hearing must be made. If the request for a hearing is
21 received by the department prior to the effective date of
22 the suspension, the effective date of the suspension will be
23 stayed until a final order is issued following the hearing.

24 2. Except as otherwise provided by law, neither the
25 fact that subsequent to the date of verification or
26 conviction, the owner acquired the required liability
27 insurance policy nor the fact that the owner terminated
28 ownership of the motor vehicle, shall have any bearing upon
29 the director's decision to suspend. Until it is terminated,
30 the suspension shall remain in force after the registration
31 is renewed or a new registration is acquired for the motor
32 vehicle. The suspension also shall apply to any motor
33 vehicle to which the owner transfers the registration.
34 Effective January 1, 2000, the department shall not extend
35 any suspension for failure to pay a delinquent late
36 surrender fee pursuant to this subsection.

303.420. 1. As used in sections 303.420 to 303.440,
2 unless the context requires otherwise, the following terms
3 shall mean:

4 (1) "Law enforcement agency", the department of
5 revenue, the Missouri state highway patrol, the prosecuting
6 attorney or sheriff's office of any county or city not
7 within a county, the chiefs of police of any city or
8 municipality, or any other authorized law enforcement agency
9 recognized by the state;

10 (2) "Program", the motor vehicle financial
11 responsibility enforcement and compliance incentive program
12 established under section 303.425;

13 (3) "System" or "verification system", the web-based
14 resource established under section 303.430 for online
15 verification of motor vehicle financial responsibility.

303.422. 1. There is hereby created in the state
treasury the "Motor Vehicle Financial Responsibility
Verification and Enforcement Fund", which shall consist of
money collected under sections 303.420 to 303.440. The
state treasurer shall be custodian of the fund. In
accordance with sections 30.170 and 30.180, the state
treasurer may approve disbursements. The fund shall be a
dedicated fund and money in the fund shall be used solely by
the department of revenue for the administration of sections
303.420 to 303.440.

2. Notwithstanding the provisions of section 33.080 to
the contrary, any moneys remaining in the fund at the end of
the biennium shall not revert to the credit of the general
revenue fund.

3. The state treasurer shall invest moneys in the fund
in the same manner as other funds are invested. Any
interest and moneys earned on such investments shall be
credited to the fund.

303.425. 1. There is hereby created within the
department of revenue the motor vehicle financial
responsibility enforcement and compliance incentive program.
The department of revenue may enter into contractual
agreements with third-party vendors to facilitate the
necessary technology and equipment, maintenance thereof, and
associated program management services. The department of
revenue or its third-party vendor shall utilize technology
to compare vehicle registration information with the
financial responsibility information accessible through the
system. The department of revenue shall utilize this
information to identify motorists who are in violation of
the motor vehicle financial responsibility law. All fees
paid to or collected by such third-party vendors may come
from violator diversion fees generated by the pretrial

16 diversion option established under this section. The
17 department of revenue may offer offenders under this program
18 the option of pretrial diversion as an alternative to
19 statutory fines or reinstatement fees prescribed under the
20 motor vehicle financial responsibility law as a method of
21 encouraging compliance and discouraging recidivism.

22 2. The department of revenue may authorize law
23 enforcement agencies or third-party vendors to use
24 technology to collect data for the investigation, detection,
25 analysis, and enforcement of the motor vehicle financial
26 responsibility law.

27 3. The department of revenue may authorize traffic
28 enforcement officers or third-party vendors to administer
29 the processing and issuance of notices of violation, and the
30 collection of fees for a violation of the motor vehicle
31 financial responsibility law, under the program.

32 4. Access to the system shall be restricted to
33 authorized law enforcement agency users in the program, the
34 department of revenue, and the third-party vendors with
35 which the department of revenue contracts for purposes of
36 the program, provided that any third-party vendor with which
37 a contract is executed to provide necessary technology,
38 equipment, or maintenance for the program shall be
39 authorized as necessary to collaborate for required updates
40 and maintenance of system software.

41 5. For purposes of the program, any data collected and
42 matched to a corresponding vehicle insurance record as
43 verified through the system, and any Missouri vehicle
44 registration database, may be used to identify violations of
45 the motor vehicle financial responsibility law. Such images
46 and corresponding data shall constitute evidence of the
47 violations.

48 6. Except as otherwise provided in this section, the
49 department of revenue shall suspend, in accordance with
50 section 303.041, the registration of any motor vehicle that
51 is determined under the program to be in violation of the
52 motor vehicle financial responsibility law.

53 7. The department of revenue shall send to an owner
54 whose vehicle is identified under the program as being in
55 violation of the motor vehicle financial responsibility law
56 a notice that the vehicle's registration may be suspended
57 unless the owner, within thirty days, provides proof of
58 financial responsibility for the vehicle or proof, in a form
59 specified by the department of revenue, that the owner has a
60 pending criminal charge for a violation of the motor vehicle
61 financial responsibility law. The notice shall include
62 information on steps an individual may take to obtain proof
63 of financial responsibility and a web address to a page on
64 the department of revenue's website where information on
65 obtaining proof of financial responsibility shall be
66 provided. If proof of financial responsibility or a pending
67 criminal charge is not provided within the time allotted,
68 the department of revenue shall provide a notice of
69 suspension and suspend the vehicle's registration in
70 accordance with section 303.041, or shall send a notice of
71 vehicle registration suspension, clearly specifying the
72 reason and statutory grounds for the suspension and the
73 effective date of the suspension, the right of the vehicle
74 owner to request a hearing, the procedure for requesting a
75 hearing, and the date by which that request for a hearing
76 must be made, as well as informing the owner that the matter
77 will be referred for prosecution if a satisfactory response
78 is not received in the time allotted, informing the owner
79 that the minimum penalty for the violation is three hundred
80 dollars and four license points, and offering the owner

81 participation in a pretrial diversion option to preclude
82 referral for prosecution and registration suspension under
83 sections 303.420 to 303.440. The notice of vehicle
84 registration suspension shall give a period of thirty-three
85 days from mailing for the vehicle owner to respond, and
86 shall be deemed received three days after mailing. If no
87 request for a hearing or agreement to participate in the
88 diversion option is received by the department of revenue
89 prior to the date provided on the notice of vehicle
90 registration suspension, the director shall suspend the
91 vehicle's registration, effective immediately, and refer the
92 case to the appropriate prosecuting attorney. If an
93 agreement by the vehicle owner to participate in the
94 diversion option is received by the department of revenue
95 prior to the effective date provided on the notice of
96 vehicle registration suspension, then upon payment of a
97 diversion participation fee not to exceed two hundred
98 dollars, agreement to secure proof of financial
99 responsibility within the time provided on the notice of
100 suspension, and agreement that such financial responsibility
101 shall be maintained for a minimum of two years, no points
102 shall be assessed to the vehicle owner's driver's license
103 under section 302.302 and the department of revenue shall
104 not take further action against the vehicle owner under
105 sections 303.420 to 303.440, subject to compliance with the
106 terms of the pretrial diversion option. The department of
107 revenue shall suspend the vehicle registration of, and shall
108 refer the case to the appropriate prosecuting attorney for
109 prosecution of, participating vehicle owners who violate the
110 terms of the pretrial diversion option. If a request for
111 hearing is received by the department of revenue prior to
112 the effective date provided on the notice of vehicle
113 registration suspension, then for all purposes other than

114 eligibility for participation in the diversion option, the
115 effective date of the suspension shall be stayed until a
116 final order is issued following the hearing. The department
117 of revenue shall suspend the registration of vehicles
118 determined under the final order to have violated the motor
119 vehicle financial responsibility law, and shall refer the
120 case to the appropriate prosecuting attorney for
121 prosecution. Notices under this subsection shall be mailed
122 to the vehicle owner at the last known address shown on the
123 department of revenue's records. The department of revenue
124 or its third-party vendor shall issue receipts for the
125 collection of diversion participation fees. All such fees
126 received by the department of revenue or its third-party
127 vendor shall be deposited into the motor vehicle financial
128 responsibility verification and enforcement fund established
129 in section 303.422. A vehicle owner whose registration has
130 been suspended under sections 303.420 to 303.440 may obtain
131 reinstatement of the registration upon providing proof of
132 financial responsibility and payment to the department of
133 revenue of a nonrefundable reinstatement fee equal to the
134 fee that would be applicable under subsection 2 of section
135 303.042 if the registration had been suspended under section
136 303.041.

137 8. Data collected or retained under the program shall
138 not be used by any entity for purposes other than
139 enforcement of the motor vehicle financial responsibility
140 law. Data collected and stored by law enforcement under the
141 program shall be considered evidence if noncompliance with
142 the motor vehicle financial responsibility law is confirmed.
143 The evidence, and an affidavit stating that the evidence
144 and system have identified a particular vehicle as being in
145 violation of the motor vehicle financial responsibility law,
146 shall constitute probable cause for prosecution and shall be

147 forwarded in accordance with subsection 7 of this section to
148 the appropriate prosecuting attorney.

149 9. Owners of vehicles identified under the program as
150 being in violation of the motor vehicle financial
151 responsibility law shall be provided with options for
152 disputing such claims which do not require appearance at any
153 state or local court of law, or administrative facility.
154 Any person who presents timely proof that he or she was in
155 compliance with the motor vehicle financial responsibility
156 law at the time of the alleged violation shall be entitled
157 to dismissal of the charge with no assessment of fees or
158 fines. Proof provided by a vehicle owner to the department
159 of revenue that the vehicle was in compliance at the time of
160 the suspected violation of the motor vehicle financial
161 responsibility law shall be recorded in the system
162 established by the department of revenue under section
163 303.430.

164 10. The collection of data or use of any technology
165 pursuant to this section shall be done in a manner that
166 prohibits any bias towards a specific community, race,
167 gender, or socioeconomic status of vehicle owner.

168 11. Law enforcement agencies, third-party vendors, or
169 other entities authorized to operate under the program shall
170 not sell data collected or retained under the program for
171 any purpose or share it for any purpose not expressly
172 authorized in this section. All data shall be secured and
173 any third-party vendor may be liable for any data security
174 breach.

175 12. The department of revenue shall not take action
176 under sections 303.420 to 303.440 against vehicles
177 registered as fleet vehicles under section 301.032, or
178 against vehicles known to the department of revenue to be
179 insured under a policy of commercial auto coverage, as such

180 term is defined in subdivision (10) of subsection 2 of
181 section 303.430.

182 13. Following one year after the implementation of the
183 program, and every year thereafter, the department of
184 revenue shall provide a report to the president pro tempore
185 of the senate, the speaker of the house of representatives,
186 the chairs of the house and senate committees with
187 jurisdictions over insurance or transportation matters, and
188 the chairs of the house budget and senate appropriations
189 committees. The report shall include an evaluation of
190 program operations, information as to the costs of the
191 program incurred by the department of revenue, insurers, and
192 the public, information as to the effectiveness of the
193 program in reducing the number of uninsured motor vehicles,
194 and anonymized demographic information including the race
195 and zip code of vehicle owners identified under the program
196 as being in violation of the motor vehicle financial
197 responsibility law, and may include any additional
198 information and recommendations for improvement of the
199 program deemed appropriate by the department of revenue.
200 The department of revenue may, by rule, require the state,
201 counties, and municipalities to provide information in order
202 to complete the report.

303.430. 1. The department of revenue shall establish
2 and maintain a web-based system for the verification of
3 motor vehicle financial responsibility, shall provide access
4 to insurance reporting data and vehicle registration and
5 financial responsibility data, and shall require motor
6 vehicle insurers to establish functionality for the
7 verification system, as provided in sections 303.420 to
8 303.440. The verification system, including any exceptions
9 as provided for in sections 303.420 to 303.440 or in the
10 implementation guide developed to support the program, shall

11 supersede any existing verification system, and shall be the
12 sole system used for the purpose of verifying financial
13 responsibility required under this chapter.

14 2. The system established pursuant to subsection 1 of
15 this section shall be subject to the following:

16 (1) The verification system shall transmit requests to
17 insurers for verification of motor vehicle insurance
18 coverage via web services established by the insurers
19 through the internet in compliance with the specifications
20 and standards of the Insurance Industry Committee on Motor
21 Vehicle Administration, or "IICMVA". Insurance company
22 systems shall respond to each request with a prescribed
23 response upon evaluation of the data provided in the
24 request. The system shall include appropriate protections
25 to secure its data against unauthorized access, and the
26 department of revenue shall maintain a historical record of
27 the system data for a period of no more than twelve months
28 from the date of all requests and responses. The system
29 shall be used for verification of the financial
30 responsibility required under this chapter. The system
31 shall be accessible to authorized personnel of the
32 department of revenue, the courts, law enforcement
33 personnel, and other entities authorized by the state as
34 permitted by state or federal privacy laws, and it shall be
35 interfaced, wherever appropriate, with existing state
36 systems. The system shall include information enabling the
37 department of revenue to submit inquiries to insurers
38 regarding motor vehicle insurance which are consistent with
39 insurance industry and IICMVA recommendations,
40 specifications, and standards by using the following data
41 elements for greater matching accuracy: insurer National
42 Association of Insurance Commissioners, or "NAIC", company
43 code; vehicle identification number; policy number;

44 verification date; or as otherwise described in the
45 specifications and standards of the IICMVA. The department
46 of revenue shall promulgate rules to offer insurers who
47 insure one thousand or fewer vehicles within this state an
48 alternative method for verifying motor vehicle insurance
49 coverage in lieu of web services, and to provide for the
50 verification of financial responsibility when financial
51 responsibility is proven to the department to be maintained
52 by means other than a policy of motor vehicle insurance.
53 Insurers shall not be required to verify insurance coverage
54 for vehicles registered in other jurisdictions;

55 (2) The verification system shall respond to each
56 request within a time period established by the department
57 of revenue. An insurer's system shall respond within the
58 time period prescribed by the IICMVA's specifications and
59 standards. Insurer systems shall be permitted reasonable
60 system downtime for maintenance and other work with advance
61 notice to the department of revenue. Insurers shall not be
62 subject to enforcement fees or other sanctions under such
63 circumstances, or when systems are not available because of
64 emergency, outside attack, or other unexpected outages not
65 planned by the insurer and reasonably outside its control;

66 (3) The system shall assist in identifying violations
67 of the motor vehicle financial responsibility law in the
68 most effective way possible. Responses to individual
69 insurance verification requests shall have no bearing on
70 whether insurance coverage is determined to be in force at
71 the time of a claim. Claims shall be individually
72 investigated to determine the existence of coverage.
73 Nothing in sections 303.420 to 303.440 shall prohibit the
74 department of revenue from contracting with a third-party
75 vendor or vendors who have successfully implemented similar

76 systems in other states to assist in establishing and
77 maintaining this verification system;

78 (4) The department of revenue shall consult with
79 representatives of the insurance industry and may consult
80 with third-party vendors to determine the objectives,
81 details, and deadlines related to the system by
82 establishment of an advisory council. The advisory council
83 shall consist of voting members comprised of:

84 (a) The director of the department of commerce and
85 insurance, or his or her designee, who shall serve as chair;

86 (b) Two representatives of the department of revenue,
87 to be appointed by the director of the department of revenue;

88 (c) One representative of the department of commerce
89 and insurance, to be appointed by the director of the
90 department of commerce and insurance;

91 (d) Three representatives of insurance companies, to
92 be appointed by the director of the department of commerce
93 and insurance;

94 (e) One representative from the Missouri Insurance
95 Coalition;

96 (f) One representative chosen by the National
97 Association of Mutual Insurance Companies;

98 (g) One representative chosen by the American Property
99 and Casualty Insurance Association;

100 (h) One representative chosen by the Missouri
101 Independent Agents Association; and

102 (i) Such other representatives as may be appointed by
103 the director of the department of commerce and insurance;

104 (5) The department of revenue shall publish for
105 comment, and then issue, a detailed implementation guide for
106 its online verification system;

107 (6) The department of revenue and its third-party
108 vendors, if any, shall each maintain a contact person for

109 insurers during the establishment, implementation, and
110 operation of the system;

111 (7) If the department of revenue has reason to believe
112 a vehicle owner does not maintain financial responsibility
113 as required under this chapter, it may also request an
114 insurer to verify the existence of such financial
115 responsibility in a form approved by the department of
116 revenue. In addition, insurers shall cooperate with the
117 department of revenue in establishing and maintaining the
118 verification system established under this section, and
119 shall provide motor vehicle insurance policy status
120 information as provided in the rules promulgated by the
121 department of revenue;

122 (8) Every property and casualty insurance company
123 licensed to issue motor vehicle insurance or authorized to
124 do business in this state shall comply with sections 303.420
125 to 303.440, and corresponding rules promulgated by the
126 department of revenue, for the verification of such
127 insurance for every vehicle insured by that company in this
128 state;

129 (9) Insurers shall maintain a historical record of
130 insurance data for a minimum period of six months from the
131 date of policy inception or policy change for the purpose of
132 historical verification inquiries;

133 (10) For the purposes of this section, "commercial
134 auto coverage" shall mean any coverage provided to an
135 insured, regardless of number of vehicles or entities
136 covered, under a commercial coverage form and rated from a
137 commercial manual approved by the department of commerce and
138 insurance. Sections 303.420 to 303.440 shall not apply to
139 vehicles insured under commercial auto coverage; however,
140 insurers of such vehicles may participate on a voluntary
141 basis, and vehicle owners may provide proof at or subsequent

142 to the time of vehicle registration that a vehicle is
143 insured under commercial auto coverage, which the department
144 of revenue shall record in the system;

145 (11) Insurers shall provide commercial or fleet
146 automobile customers with evidence reflecting that the
147 vehicle is insured under a commercial or fleet automobile
148 liability policy. Sufficient evidence shall include an
149 insurance identification card clearly marked with a suitable
150 identifier such as "commercial auto insurance identification
151 card", "fleet auto insurance identification card", or other
152 clear identification that the vehicle is insured under a
153 fleet or commercial policy;

154 (12) Insurers shall be immune from civil and
155 administrative liability for good faith efforts to comply
156 with the terms of sections 303.420 to 303.440;

157 (13) Nothing in this section shall prohibit an insurer
158 from using the services of a third-party vendor for
159 facilitating the verification system required under sections
160 303.420 to 303.440.

161 3. The department of revenue shall promulgate rules as
162 necessary for the implementation of sections 303.420 to
163 303.440. Any rule or portion of a rule, as that term is
164 defined in section 536.010, that is created under the
165 authority delegated in this section shall become effective
166 only if it complies with and is subject to all of the
167 provisions of chapter 536 and, if applicable, section
168 536.028. This section and chapter 536 are nonseverable and
169 if any of the powers vested with the general assembly
170 pursuant to chapter 536 to review, to delay the effective
171 date, or to disapprove and annul a rule are subsequently
172 held unconstitutional, then the grant of rulemaking
173 authority and any rule proposed or adopted after August 28,
174 2021, shall be invalid and void.

2 303.440. The verification system established under
3 section 303.430 shall be installed and fully operational by
4 January 1, 2023, following an appropriate testing or pilot
5 period of not less than nine months. Until the successful
6 completion of the testing or pilot period in the judgment of
7 the director of the department of revenue, no enforcement
8 action shall be taken based on the system, including but not
9 limited to action taken under the program established under
section 303.425.

2 304.001. As used in this chapter and chapter 307, the
3 following terms shall mean:

4 (1) "Abandoned property", any unattended motor
5 vehicle, trailer, all-terrain vehicle, outboard motor or
6 vessel removed or subject to removal from public or private
7 property as provided in sections 304.155 and 304.157,
8 whether or not operational. For any vehicle towed from the
9 scene of an accident at the request of law enforcement and
10 not retrieved by the vehicle's owner within five days of the
11 accident, the agency requesting the tow shall be required to
12 write an abandoned property report or a crime inquiry and
13 inspection report;

14 (2) "Commercial vehicle enforcement officers",

91 Transportation. The boundary of an urbanized area shall, at
92 a minimum, encompass the entire urbanized area as designed
93 by the Bureau of the Census.

304.050. 1. (1) The driver of a vehicle upon a
2 highway upon meeting or overtaking from either direction any
3 school bus which has stopped on the highway for the purpose
4 of receiving or discharging any school children and whose
5 driver has in the manner prescribed by law given the signal
6 to stop, shall stop the vehicle before reaching such school
7 bus and shall not proceed until such school bus resumes
8 motion, or until signaled by its driver to proceed.

9 (2) School buses under the provisions of subsections
10 1, 2, 5, 6, 7, 8, and 9 of this section shall include Head
11 Start buses that have been certified by the Missouri highway
12 patrol as meeting the provisions of section 307.375, are
13 operated by a holder of a valid school bus endorsed
14 commercial driver's license, and who meet the equivalent
15 medical requirements prescribed in section 162.064, and
16 which are transporting Head Start students to and from Head
17 Start.

18 2. Every bus used for the transportation of school
19 children shall bear upon the front and rear thereon a
20 plainly visible sign containing the words "school bus" in
21 letters not less than eight inches in height. Each bus
22 shall have lettered on the rear in plain and distinct type

29 intention to stop.

30 3. Every school bus operated to transport students in
31 the public school system which has a gross vehicle weight
32 rating of more than ten thousand pounds, which has the
33 engine mounted entirely in front of the windshield and the
34 entrance door behind the front wheels, and which is used for
35 the transportation of school children shall be equipped no
36 later than August 1, 1998, with a crossing control arm. The
37 crossing control arm, when activated, shall extend a minimum
38 of five feet six inches from the face of the front bumper.
39 The crossing control arm shall be attached on the right side
40 of the front bumper and shall be activated by the same
41 controls which activate the mechanical and electrical
42 signaling devices described in subsection 2 of this section.

43 This subsection may be cited as "Jessica's Law" in
44 commemoration of Jessica Leicht and all other Missouri
45 schoolchildren who have been injured or killed during the
46 operation of a school bus.

47 4. Except as otherwise provided in this section, the
48 driver of a school bus in the process of loading or
49 unloading students upon a street or highway shall activate
50 the mechanical and electrical signaling devices, in the
51 manner prescribed by the state board of education, to
52 communicate to drivers of other vehicles that students are
53 loading or unloading. A public school district shall have
54 the authority pursuant to this section to adopt a policy
55 which provides that the driver of a school bus in the
56 process of loading or unloading students upon a divided
57 highway of four or more lanes may pull off of the main
58 roadway and load or unload students without activating the
59 mechanical and electrical signaling devices in a manner
60 which gives the signal for other drivers to stop and may use
61 the amber signaling devices to alert motorists that the
62 school bus is slowing to a stop; provided that the

63 passengers are not required to cross any traffic lanes and
64 also provided that the emergency flashing signal lights are
65 activated in a manner which indicates that drivers should
66 proceed with caution, and in such case, the driver of a
67 vehicle may proceed past the school bus with due caution.

68 5. No driver of a school bus shall take on or
69 discharge passengers at any location upon a highway
70 consisting of four or more lanes of traffic, whether or not
71 divided by a median or barrier, in such manner as to require
72 the passengers to cross more than two lanes of traffic; nor
73 shall any passengers be taken on or discharged while the
74 vehicle is upon the road or highway proper unless the
75 vehicle so stopped is plainly visible for at least five
76 hundred feet in each direction to drivers of other vehicles
77 in the case of a highway with no shoulder and a speed limit
78 greater than sixty miles per hour and at least three hundred
79 feet in each direction to drivers of other vehicles upon
80 other highways, and on all highways, only for such time as
81 is actually necessary to take on and discharge passengers.

82 [5.] 6. The driver of a vehicle upon a highway with
83 separate roadways need not stop upon meeting or overtaking a
84 school bus which is on a different roadway, or which is
85 proceeding in the opposite direction on a highway containing
86 four or more lanes of traffic, or which is stopped in a
87 loading zone constituting a part of, or adjacent to, a
88 limited or controlled access highway at a point where
89 pedestrians are not permitted to cross the roadway.

90 [6.] 7. The driver of any school bus driving upon the
91 highways of this state after loading or unloading school
92 children, shall remain stopped if the bus is followed by
93 three or more vehicles, until such vehicles have been
94 permitted to pass the school bus, if the conditions
95 prevailing make it safe to do so.

96 [7.] 8. If any vehicle is witnessed by a peace officer
97 or the driver of a school bus to have violated the
98 provisions of this section and the identity of the operator
99 is not otherwise apparent, it shall be a rebuttable
100 presumption that the person in whose name such vehicle is
101 registered committed the violation. In the event that
102 charges are filed against multiple owners of a motor
103 vehicle, only one of the owners may be convicted and court
104 costs may be assessed against only one of the owners. If
105 the vehicle which is involved in the violation is registered
106 in the name of a rental or leasing company and the vehicle
107 is rented or leased to another person at the time of the
108 violation, the rental or leasing company may rebut the
109 presumption by providing the peace officer or prosecuting
110 authority with a copy of the rental or lease agreement in
111 effect at the time of the violation. No prosecuting
112 authority may bring any legal proceedings against a rental
113 or leasing company under this section unless prior written
114 notice of the violation has been given to that rental or
115 leasing company by registered mail at the address appearing
116 on the registration and the rental or leasing company has
117 failed to provide the rental or lease agreement copy within
118 fifteen days of receipt of such notice.

119 [8.] 9. Notwithstanding the provisions in section
120 301.130, every school bus shall be required to have two
121 license plates.

 304.153. 1. As used in this section, the following
2 terms shall mean:

3 (1) "Law enforcement officer", any public servant,
4 other than a patrol officer, who is defined as a law
5 enforcement officer under section 556.061;

6 (2) "Motor club", [an organization which motor vehicle
7 drivers and owners may join that provide certain benefits

8 relating to driving a motor vehicle] a legal entity that, in
9 consideration of dues, assessments, or periodic payments of
10 money, promises to provide motor club services to its
11 members or subscribers in accordance with section 385.450;

12 (3) "Patrol officer", a Missouri state highway patrol
13 officer;

14 (4) "Tow list", a list of approved towing companies
15 compiled, maintained, and utilized by the Missouri state
16 highway patrol or its designee;

17 (5) "Tow management company", any sole proprietorship,
18 partnership, corporation, fiduciary, association, or other
19 business entity that manages towing logistics for government
20 agencies or motor clubs;

21 (6) "Tow truck", a rollback or car carrier, wrecker,
22 or tow truck as defined under section 301.010;

23 (7) "Towing", moving or removing, or the preparation
24 therefor, of a vehicle by another vehicle for which a
25 service charge is made, either directly or indirectly,
26 including any dues or other charges of clubs or associations
27 which provide towing services;

28 (8) "Towing company", any person, partnership,
29 corporation, fiduciary, association, or other entity that
30 operates a wrecker or towing service as defined under
31 section 301.010.

32 2. In authorizing a towing company to perform
33 services, any patrol officer or law enforcement officer
34 within the officer's jurisdiction, or Missouri department of
35 transportation employee, may utilize the services of a tow
36 management company or tow list, provided:

37 (1) The Missouri state highway patrol is under no
38 obligation to include or retain the services of any towing
39 company in any contract or agreement with a tow management
40 company or any tow list established pursuant to this

41 section. A towing company is subject to removal from a tow
42 list at any time;

43 (2) Notwithstanding any other provision of law or any
44 regulation established pursuant to this section, an owner or
45 operator's request for a specific towing company shall be
46 honored by the Missouri state highway patrol unless:

47 (a) The requested towing company cannot or does not
48 respond in a reasonable time, as determined by a law
49 enforcement officer; or

50 (b) The vehicle to be towed poses an immediate traffic
51 hazard, as determined by a law enforcement officer.

52 3. A patrol officer shall not use a towing company
53 located outside of Missouri under this section except under
54 the following circumstances:

55 (1) A state or federal emergency has been declared; or

56 (2) The driver or owner of the vehicle, or a motor
57 club of which the driver or owner is a member, requests a
58 specific out-of-state towing company.

59 4. A towing company shall not tow a vehicle to a
60 location outside of Missouri without the consent of the
61 driver or owner of the motor vehicle, or without the consent
62 of a motor club of which the driver or owner of the motor
63 vehicle is a member.

64 5. Any towing company or tow truck arriving at the
65 scene of an accident that has not been called by a patrol
66 officer, a law enforcement officer, a Missouri department of
67 transportation employee, the driver or owner of the motor
68 vehicle or his or her authorized agent, including a motor
69 club of which the driver or owner is a member, shall be
70 prohibited from towing the vehicle from the scene of the
71 accident, unless the towing company or tow truck operator is
72 rendering emergency aid in the interest of public safety, or

73 is operating during a declared state of emergency under
74 section 44.100.

75 6. A tow truck operator that stops and tows a vehicle
76 from the scene of an accident in violation of subsection 5
77 of this section shall be guilty of a class D misdemeanor
78 upon conviction or pleading guilty for the first violation,
79 and such tow truck shall be subject to impounding. The
80 penalty for a second violation shall be a class A
81 misdemeanor, and the penalty for any third or subsequent
82 violation shall be a class D felony. A violation of this
83 section shall not preclude the tow truck operator from being
84 charged with tampering under chapter 569.

85 7. The provisions of this section shall also apply to
86 motor vehicles towed under section 304.155 or 304.157.

87 8. The provisions of this section shall not apply to
88 counties of the third or fourth classification.

304.180. 1. No vehicle or combination of vehicles
2 shall be moved or operated on any highway in this state
3 having a greater weight than twenty thousand pounds on one
4 axle, no combination of vehicles operated by transporters of
5 general freight over regular routes as defined in section
6 390.020 shall be moved or operated on any highway of this
7 state having a greater weight than the vehicle
8 manufacturer's rating on a steering axle with the maximum
9 weight not to exceed twelve thousand pounds on a steering
10 axle, and no vehicle shall be moved or operated on any state
11 highway of this state having a greater weight than thirty-
12 four thousand pounds on any tandem axle; the term "tandem
13 axle" shall mean a group of two or more axles, arranged one
14 behind another, the distance between the extremes of which
15 is more than forty inches and not more than ninety-six
16 inches apart.

17 2. An "axle load" is defined as the total load
 18 transmitted to the road by all wheels whose centers are
 19 included between two parallel transverse vertical planes
 20 forty inches apart, extending across the full width of the
 21 vehicle.

22 3. Subject to the limit upon the weight imposed upon a
 23 highway of this state through any one axle or on any tandem
 24 axle, the total gross weight with load imposed by any group
 25 of two or more consecutive axles of any vehicle or
 26 combination of vehicles shall not exceed the maximum load in
 27 pounds as set forth in the following table:

28 Distance in feet between the 29 extremes of any group of two or 30 more consecutive axles, measured 31 to the nearest foot, except where 32 indicated otherwise

91 Notwithstanding the above table, two consecutive sets of
92 tandem axles may carry a gross load of thirty-four thousand
93 pounds each if the overall distance between the first and

94 last axles of such consecutive sets of tandem axles is
95 thirty-six feet or more.

96 4. Whenever the state highways and transportation
97 commission finds that any state highway bridge in the state
98 is in such a condition that use of such bridge by vehicles
99 of the weights specified in subsection 3 of this section
100 will endanger the bridge, or the users of the bridge, the
101 commission may establish maximum weight limits and speed
102 limits for vehicles using such bridge. The governing body
103 of any city or county may grant authority by act or
104 ordinance to the commission to enact the limitations
105 established in this section on those roadways within the
106 purview of such city or county. Notice of the weight limits
107 and speed limits established by the commission shall be
108 given by posting signs at a conspicuous place at each end of
109 any such bridge.

110 5. Nothing in this section shall be construed as
111 permitting lawful axle loads, tandem axle loads or gross
112 loads in excess of those permitted under the provisions of
113 P.L. 97-424 codified in Title 23 of the United States Code
114 (23 U.S.C. Section 101, et al.), as amended.

115 6. Notwithstanding the weight limitations contained in
116 this section, any vehicle or combination of vehicles
117 operating on highways other than the interstate highway
118 system may exceed single axle, tandem axle and gross weight
119 limitations in an amount not to exceed two thousand pounds.
120 However, total gross weight shall not exceed eighty thousand
121 pounds, except as provided in subsections 9, 10, 12, [and]
122 13, and 14 of this section.

123 7. Notwithstanding any provision of this section to
124 the contrary, the commission shall issue a single-use
125 special permit, or upon request of the owner of the truck or
126 equipment shall issue an annual permit, for the transporting

127 of any crane or concrete pump truck or well-drillers'
128 equipment. The commission shall set fees for the issuance
129 of permits and parameters for the transport of cranes
130 pursuant to this subsection. Notwithstanding the provisions
131 of section 301.133, cranes, concrete pump trucks, or well-
132 drillers' equipment may be operated on state-maintained
133 roads and highways at any time on any day.

134 8. Notwithstanding the provision of this section to
135 the contrary, the maximum gross vehicle limit and axle
136 weight limit for any vehicle or combination of vehicles
137 equipped with an idle reduction technology may be increased
138 by a quantity necessary to compensate for the additional
139 weight of the idle reduction system as provided for in 23
140 U.S.C. Section 127, as amended. In no case shall the
141 additional weight increase allowed by this subsection be
142 greater than five hundred fifty pounds. Upon request by an
143 appropriate law enforcement officer, the vehicle operator
144 shall provide proof that the idle reduction technology is
145 fully functional at all times and that the gross weight
146 increase is not used for any purpose other than for the use
147 of idle reduction technology.

148 9. Notwithstanding any provision of this section or
149 any other law to the contrary, the total gross weight of any
150 vehicle or combination of vehicles hauling milk from a farm
151 to a processing facility or livestock may be as much as, but
152 shall not exceed, eighty-five thousand five hundred pounds
153 while operating on highways other than the interstate
154 highway system. The provisions of this subsection shall not
155 apply to vehicles operated and operating on the Dwight D.
156 Eisenhower System of Interstate and Defense Highways.

157 10. Notwithstanding any provision of this section or
158 any other law to the contrary, any vehicle or combination of
159 vehicles hauling grain or grain coproducts during times of

160 harvest may be as much as, but not exceeding, ten percent
161 over the maximum weight limitation allowable under
162 subsection 3 of this section while operating on highways
163 other than the interstate highway system. The provisions of
164 this subsection shall not apply to vehicles operated and
165 operating on the Dwight D. Eisenhower System of Interstate
166 and Defense Highways.

167 11. Notwithstanding any provision of this section or
168 any other law to the contrary, the commission shall issue
169 emergency utility response permits for the transporting of
170 utility wires or cables, poles, and equipment needed for
171 repair work immediately following a disaster where utility
172 service has been disrupted. Under exigent circumstances,
173 verbal approval of such operation may be made either by the
174 department of transportation motor carrier compliance
175 supervisor or other designated motor carrier services
176 representative. Utility vehicles and equipment used to
177 assist utility companies granted special permits under this
178 subsection may be operated and transported on state-
179 maintained roads and highways at any time on any day. The
180 commission shall promulgate all necessary rules and
181 regulations for the administration of this section. Any
182 rule or portion of a rule, as that term is defined in
183 section 536.010, that is created under the authority
184 delegated in this section shall become effective only if it
185 complies with and is subject to all of the provisions of
186 chapter 536 and, if applicable, section 536.028. This
187 section and chapter 536 are nonseverable and if any of the
188 powers vested with the general assembly pursuant to chapter
189 536 to review, to delay the effective date, or to disapprove
190 and annul a rule are subsequently held unconstitutional,
191 then the grant of rulemaking authority and any rule proposed
192 or adopted after August 28, 2014, shall be invalid and void.

193 12. Notwithstanding any provision of this section to
194 the contrary, emergency vehicles designed to be used under
195 emergency conditions to transport personnel and equipment
196 and to support the suppression of fires and mitigate
197 hazardous situations may have a maximum gross vehicle weight
198 of eighty-six thousand pounds inclusive of twenty-four
199 thousand pounds on a single steering axle; thirty-three
200 thousand five hundred pounds on a single drive axle; sixty-
201 two thousand pounds on a tandem axle; or fifty-two thousand
202 pounds on a tandem rear-drive steer axle; except that, such
203 emergency vehicles shall only operate on the Dwight D.
204 Eisenhower National System of Interstate and Defense
205 Highways.

206 13. Notwithstanding any provision of this section to
207 the contrary, a vehicle operated by an engine fueled
208 primarily by natural gas may operate upon the public
209 highways of this state in excess of the vehicle weight
210 limits set forth in this section by an amount that is equal
211 to the difference between the weight of the vehicle
212 attributable to the natural gas tank and fueling system
213 carried by that vehicle and the weight of a comparable
214 diesel tank and fueling system. In no event shall the
215 maximum gross vehicle weight of the vehicle operating with a
216 natural gas engine exceed eighty-two thousand pounds.

217 14. Notwithstanding any provision of law to the
218 contrary, local log trucks and local log truck tractors, as
219 defined in section 301.010, may be operated with a weight
220 not exceeding twenty-two thousand four hundred pounds on one
221 axle or a weight not exceeding forty-four thousand eight
222 hundred pounds on any tandem axle, except the front steering
223 axle shall not exceed fifteen thousand pounds or the gross
224 vehicle weight rating set by the manufacturer, and may have
225 a total weight of up to one hundred five thousand pounds.

226 Provided however, when operating on the national system of
227 interstate and defense highways described in 23 U.S.C.
228 Section 103, as amended, or outside the radius from the
229 forested site specified in section 301.010 with an extended
230 distance local log truck permit, the vehicle shall not
231 exceed the weight limits otherwise specified in this section.

304.240. 1. Any person, firm, corporation,
2 partnership or association violating any of the provisions
3 of sections 304.170 to 304.230 shall be deemed guilty of a
4 misdemeanor and upon conviction thereof shall be punished by
5 a fine of not less than five dollars or by confinement in a
6 county jail for not more than twelve months, or by both the
7 fine and confinement; provided, however, that where load
8 limits as defined in sections 304.180 to 304.220 have been
9 violated, the fine shall be two cents for each pound of
10 excess weight up to and including five hundred, and five
11 cents for each pound of excess weight above five hundred and
12 not exceeding one thousand, and ten cents for each pound in
13 excess weight above one thousand; provided that, when any
14 vehicle is being operated under a special permit as provided
15 in section 304.200, the term "excess weight" means only
16 weight in excess of the amount permitted in the permit as
17 issued. The court may, in its discretion, cause to be
18 impounded the motor vehicle operated by any person violating
19 the provisions of this section until such time as the fine
20 and cost assessed by the court under this section is paid.

21 2. Notwithstanding subsection 1 of this section, the
22 fine for a load-limit violation under sections 304.180 to
23 304.220 involving a local log truck or a local log truck
24 tractor, as such terms are defined in section 301.010, shall
25 be as follows:

26 (1) If the weight exceeds the limit by one pound to
27 four thousand nine hundred ninety-nine pounds, the fine
28 shall be ten cents for each pound of excess weight;

29 (2) If the weight exceeds the limit by five thousand
30 pounds to nine thousand nine hundred ninety-nine pounds, the
31 fine shall be twenty cents for each pound of excess weight;
32 and

33 (3) If the weight exceeds the limit by ten thousand
34 pounds or more, the fine shall be fifty cents for each pound
35 of excess weight.

304.900. 1. As used in this section, the following
2 terms mean:

3 (1) "Agent", a person given the responsibility, by an
4 entity, of navigating and operating a personal delivery
5 device;

6 (2) "Personal delivery device", a powered device
7 operated primarily on sidewalks and crosswalks, intended
8 primarily for the transport of property on public rights-of-
9 way, and capable of navigating with or without the active
10 control or monitoring of a natural person. Notwithstanding
11 any other provision of law, a "personal delivery device"
12 shall not be defined as a motor vehicle or a vehicle;

13 (3) "Personal delivery device operator", an entity or
14 its agent that exercises physical control or monitoring over
15 the navigation system and operation of a personal delivery
16 device. A "personal delivery device operator" does not
17 include an entity or person that requests or receives the
18 services of a personal delivery device for the purpose of
19 transporting property or an entity or person who merely
20 arranges for and dispatches the requested services of a
21 personal delivery device.

22 2. Notwithstanding any other provision of law, a
23 personal delivery device is authorized to operate in this
24 state:

25 (1) On any sidewalk or crosswalk of any county or
26 municipality in the state; and

27 (2) On any roadway of any county or municipality in
28 the state, provided that the personal delivery device shall
29 not unreasonably interfere with motor vehicles or traffic.

30 3. A personal delivery device shall:

31 (1) Not block public rights-of-way;

32 (2) Obey all traffic and pedestrian control signals
33 and devices;

34 (3) Operate at a speed that does not exceed a maximum
35 speed of ten miles per hour on a sidewalk or crosswalk;

36 (4) Contain a unique identifying number that is
37 displayed on the device;

38 (5) Include a means of identifying the personal
39 delivery device operator; and

40 (6) Be equipped with a system that enables the
41 personal delivery device to come to a controlled stop.

42 4. Subject to the requirements of this section, a
43 personal delivery device operating on a sidewalk or
44 crosswalk shall have all the responsibilities applicable to
45 a pedestrian under the same circumstances.

46 5. A personal delivery device shall be exempt from
47 motor vehicle registration requirements.

48 6. A personal delivery device operator shall maintain
49 an insurance policy that provides general liability coverage
50 of at least one hundred thousand dollars for damages arising
51 from the combined operations of personal delivery devices
52 under a personal delivery device operator's control.

53 7. If the personal delivery device is being operated
54 between sunset and sunrise, it shall be equipped with

55 lighting on both the front and rear of the personal delivery
56 device visible in clear weather from a distance of at least
57 five hundred feet to the front and rear of the personal
58 delivery device.

59 8. A personal delivery device shall not be used for
60 the transportation of hazardous material regulated under the
61 Hazardous Materials Transportation Act, 49 USC Section 5103,
62 and required to be placarded under 49 CFR Part 172, Subpart
63 F.

64 9. Nothing in this section shall prohibit a political
65 subdivision from regulating the operation of personal
66 delivery devices on a highway or pedestrian area to insure
67 the welfare and safety of its residents. However, political
68 subdivisions shall not regulate the design, manufacture and
69 maintenance of a personal delivery device nor the types of
70 property that may be transported by a personal delivery
71 device. Additionally, no political subdivision shall treat
72 personal delivery devices differently for the purposes of
73 assessment and taxation or other charges from personal
74 property that is similar in nature.

75 10. A personal delivery device operator may not sell
76 or disclose a personally identifiable likeness to a third
77 party in exchange for monetary compensation. For purposes
78 of this section, a personally identifiable likeness includes
79 photographic images, videos, digital image files, or other
80 digital data that can be used to either directly or
81 indirectly identify an individual. "Personally identifiable
82 likeness" does not include aggregated or anonymized data.
83 The use of any personally identifiable likeness by a
84 personal delivery device operator to improve their products
85 and services is allowed under this section. Information
86 that would otherwise be protected under this section as

87 confidential shall only be provided to a law enforcement
88 entity with a properly executed, lawful subpoena.

307.025. The subsequent provisions of this chapter
2 with respect to equipment and lights on vehicles shall not
3 apply to agricultural machinery and implements, road
4 machinery, road rollers, traction engines, motorized
5 bicycles, electric bicycles as defined in section 301.010,
6 or farm tractors except as in this chapter made applicable.

307.128. 1. A headlamp on a motorcycle may be wired
2 to modulate either the upper beam or the lower beam from its
3 maximum intensity to a lesser intensity provided that:

4 (1) The rate of modulation shall be two hundred forty
5 plus or minus forty cycles per minute;

6 (2) The headlamp shall be operated at a maximum power
7 for fifty to seventy percent of each cycle;

8 (3) The lowest intensity at any test point shall not
9 be less than seventeen percent of the maximum intensity
10 measured at the same point;

11 (4) The modulator switch shall be wired in the power
12 lead of the beam filament being modulated and not in the
13 ground side of the circuit;

14 (5) Means shall be provided so that both the lower
15 beam and the upper beam remain operable in the event of a
16 modulation failure;

17 (6) The system shall include a sensor mounted with the
18 axis of its sensing element perpendicular to a horizontal
19 plane. Headlamp modulation shall cease whenever the level
20 of light emitted by a tungsten filament operating at three
21 thousand degrees kelvin is either less than two hundred
22 seventy lux of direct light for upward pointing sensors or
23 less than sixty lux of reflected light for downward pointing
24 sensors. The light is measured by a silicon cell type light
25 meter that is located at the sensor and pointing in the same

26 direction as the sensor. A photo gray card is placed at
27 ground level to simulate the road surface in testing
28 downward pointing sensors;

29 (7) Means shall be provided so that both the lower and
30 upper beam function at design voltage when the headlamp
31 control switch is in either the lower or upper beam position
32 when the modulator is off.

33 2. Each motorcycle headlamp modulator not intended as
34 original equipment, or its container, shall be labeled with
35 the maximum wattage, and the minimum wattage appropriate for
36 its use. Additionally, each such modulator shall comply
37 with the provisions of subdivisions (1) to (7) of subsection
38 1 of this section when connected to a headlamp of the
39 maximum-rated power and headlamp of the minimum-rated power,
40 and shall provide means so that the modulated beam functions
41 at design voltage when the modulator is off. Instructions,
42 with a diagram, shall be provided for mounting the light
43 sensor including location on the motorcycle, distance above
44 the road surface, and orientation with respect to the light.

45 3. Notwithstanding any other provision of law, subject
46 to the requirements of subsection 4 of this section, a
47 motorcycle may be equipped with, and an operator of a
48 motorcycle may use, the following auxiliary lighting:

49 (1) ~~Amber and white illumination~~ Any color
50 illumination;

51 (2) Standard bulb running lights; or

52 (3) Light-emitting diode pods and strips.

53 4. Lighting under subsection 3 of this section shall
54 be:

55 (1) Nonblinking;

56 (2) Nonflashing;

57 (3) Nonoscillating; and

58 (4) Directed toward the engine and the drive train of
59 the motorcycle to prevent interference with the driver's
60 operation of the vehicle.

307.180. As used in sections 307.180 to 307.193:

2 (1) The word "bicycle" shall mean every vehicle
3 propelled solely by human power upon which any person may
4 ride, having two tandem wheels, or two parallel wheels and
5 one or two forward or rear wheels, all of which are more
6 than fourteen inches in diameter, except scooters and
7 similar devices;

8 (2) The term "motorized bicycle" shall mean any two-
9 or three-wheeled device having an automatic transmission and
10 a motor with a cylinder capacity of not more than fifty
11 cubic centimeters, which produces less than three gross
12 brake horsepower, and is capable of propelling the device at
13 a maximum speed of not more than thirty miles per hour on
14 level ground, but excluding an electric bicycle, as defined
15 in section 301.010. A motorized bicycle shall be considered
16 a motor vehicle for purposes of any homeowners' or renters'
17 insurance policy.

307.188. Every person riding a bicycle, electric
2 bicycle, or motorized bicycle upon a street or highway shall
3 be granted all of the rights and shall be subject to all of
4 the duties applicable to the driver of a vehicle as provided
5 by chapter 304, except as to special regulations in sections
6 307.180 to 307.193 and except as to those provisions of
7 chapter 304 which by their nature can have no application.

307.193. Any person seventeen years of age or older
2 who violates any provision of sections 307.180 to **[307.193]**
3 307.194 is guilty of an infraction and, upon conviction
4 thereof, shall be punished by a fine of not less than five
5 dollars nor more than twenty-five dollars. Such an
6 infraction does not constitute a crime and conviction shall

7 not give rise to any disability or legal disadvantage based
8 on conviction of a criminal offense. If any person under
9 seventeen years of age violates any provision of sections
10 307.180 to ~~[307.193]~~ 307.194 in the presence of a peace
11 officer possessing the duty and power of arrest for
12 violation of the general criminal laws of the state or for
13 violation of ordinances of counties or municipalities of the
14 state, said officer may impound the bicycle or motorized
15 bicycle involved for a period not to exceed five days upon
16 issuance of a receipt to the child riding it or to its owner.

307.194. 1. Except as otherwise provided in this
2 section, every person riding an electric bicycle shall be
3 granted all of the rights and shall be subject to all of the
4 duties applicable to the operator of a bicycle. An electric
5 bicycle shall be considered a vehicle to the same extent as
6 a bicycle.

7 2. An electric bicycle or a person operating an
8 electric bicycle is not subject to provisions of law that
9 are applicable to motor vehicles, all-terrain vehicles, off-
10 road vehicles, off-highway vehicles, motor vehicle rentals,
11 motor vehicle dealers or franchises, or motorcycle dealers
12 or franchises, including vehicle registration, certificates
13 of title, drivers' licenses, and financial responsibility.

14 3. Beginning August 28, 2021, manufacturers and
15 distributors of electric bicycles shall apply a permanent
16 label to each electric bicycle. The label, which shall be
17 affixed to the electric bicycle in a prominent location,
18 shall contain the classification number, top assisted speed,
19 and motor wattage of the electric bicycle. The text on the
20 label shall be arial font and in at least nine-point type.

21 4. No person shall tamper with or modify an electric
22 bicycle so as to change the motor-powered speed capability
23 or engagement of an electric bicycle unless he or she

24 replaces the label required under subsection 3 of this
25 section with a new label indicating the new classification.

26 5. An electric bicycle shall comply with the equipment
27 and manufacturing requirements for bicycles adopted by the
28 United States Consumer Product Safety Commission, 16 CFR
29 1512.

30 6. An electric bicycle shall operate in a manner so
31 that the electric motor is disengaged or ceases to function
32 when the rider stops pedaling or when the brakes are applied.

33 7. An electric bicycle may be ridden where bicycles
34 are permitted to travel, subject to the following provisions:

35 (1) An electric bicycle may be ridden on bicycle or
36 multi-use paths where bicycles are permitted;

37 (2) Following notice and a public hearing, a
38 municipality, local authority, or state agency having
39 jurisdiction over a bicycle or multi-use path may prohibit
40 the operation of a class 1 electric bicycle or class 2
41 electric bicycle on that path if it finds that such a

10 regardless of any current certificate of inspection and
11 approval, and an appropriate new certificate of inspection
12 and approval, sticker, seal or other device shall be

18 for rebuilding, or for vehicles sold at public auction or

19 from dealer to dealer. The purchaser of any vehicle which

4 with a model year of 2011 or newer on any street or highway
5 knowing that the odometer of the motor vehicle is
6 disconnected or not functioning.

7 2. Odometer fraud in the third degree is a class C
8 misdemeanor.

407.536. 1. Any person transferring ownership of a
2 motor vehicle previously titled in this or any other state
3 shall do so by assignment of title and shall place the
4 mileage registered on the odometer at the time of transfer
5 above the signature of the transferor. The signature of the
6 transferor below the mileage shall constitute an odometer
7 mileage statement. The transferee shall sign such odometer
8 mileage statement before an application for certificate of
9 ownership may be made. If the true mileage is known to the
10 transferor to be different from the number of miles shown on
11 the odometer or the true mileage is unknown, a statement
12 from the transferor shall accompany the assignment of title
13 which shall contain all facts known by the transferor
14 concerning the true mileage of the motor vehicle. That
15 statement shall become a part of the permanent record of the
16 motor vehicle with the Missouri department of revenue. The
17 department of revenue shall place on all new titles issued
18 after September 28, 1977, a box titled "mileage at the time
19 of transfer".

20 2. Any person transferring the ownership of a motor
21 vehicle previously untitled in this or any other state to
22 another person shall give an odometer mileage statement to
23 the transferee. The statement shall include above the
24 signature of the transferor and transferee the cumulative
25 mileage registered on the odometer at the time of transfer.
26 If the true mileage is known to the transferor to be
27 different from the number of miles shown on the odometer or

28 the true mileage is unknown, a statement from the transferor
29 shall accompany the assignment of title which shall contain
30 all facts known by the transferor concerning the true
31 mileage of the motor vehicle. That statement shall become a
32 permanent part of the records of the Missouri department of
33 revenue.

34 3. If, upon receiving an application for registration
35 or for a certificate of ownership of a motor vehicle, the
36 director of revenue has credible evidence that the odometer
37 reading provided by a transferor is materially inaccurate,
38 he may place an asterisk on the face of the title document
39 issued by the Missouri department of revenue, provided that
40 the process required thereby does not interfere with his
41 obligations under subdivision (2) of subsection 3 of section
42 301.190. The asterisk shall refer to a statement on the
43 face and at the bottom of the title document which shall
44 read as follows: "This may not be the true and accurate
45 mileage of this motor vehicle. Consult the documents on
46 file with the Missouri department of revenue for an
47 explanation of the inaccuracy.". Nothing in this section
48 shall prevent any person from challenging the determination
49 by the director of revenue in the circuit courts of the
50 state of Missouri. The burden of proof shall be on the
51 director of the department of revenue in all such
52 proceedings.

53 4. The mileage disclosed by the odometer mileage
54 statement for a new or used motor vehicle as described in
55 subsections 1 and 2 of this section shall be placed by the
56 transferor on any title or document evidencing ownership.
57 Additional statements shall be placed on the title document
58 as follows:

59 (1) If the transferor states that to the best of his
60 knowledge the mileage disclosed is the actual mileage of the

61 motor vehicle, an asterisk shall follow the mileage on the
62 face of the title or document of ownership issued by the
63 Missouri department of revenue. The asterisk shall
64 reference to a statement on the face and bottom of the title
65 document which shall read as follows: "Actual Mileage";

66 (2) Where the transferor has submitted an explanation
67 why this mileage is incorrect, an asterisk shall follow the
68 mileage on the face of the title or document of ownership
69 issued by the Missouri department of revenue. The asterisk
70 shall reference to a statement on the face and at the bottom
71 of the title document which shall read as follows: "This is
72 not the true and accurate mileage of this motor vehicle.
73 Consult the documents on file with the Missouri department
74 of revenue for an explanation of the inaccuracy.". Further
75 wording shall be included as follows:

76 (a) If the transferor states that the odometer
77 reflects the amount of mileage in excess of the designed
78 mechanical odometer limit, the above statement on the face
79 of the title document shall be followed by the words:
80 "Mileage exceeds the mechanical limits";

81 (b) If the transferor states that the odometer reading
82 differs from the mileage and that the difference is greater
83 than that caused by odometer calibration error and the
84 odometer reading does not reflect the actual mileage and
85 should not be relied upon, the above statement on the face
86 of the title document shall be preceded by the words:
87 "Warning Odometer Discrepancy".

88 5. The department of revenue shall notify all motor
89 vehicle ownership transferees of the civil and criminal
90 penalties involving odometer fraud.

91 6. Any person defacing or obscuring or otherwise
92 falsifying any odometer reading on any document required by
93 this section shall be guilty of a class E felony.

94 7. The granting or creation of a security interest or
95 lien shall not be considered a change of ownership for the
96 purpose of this section, and the grantor of such lien or
97 security interest shall not be required to make an odometer
98 mileage statement. The release of a lien by a mortgage
99 holder shall not be considered a change of ownership of the
100 motor vehicle for the purposes of this section. The
101 mortgage holder or lienholder shall not be required to make
102 an odometer disclosure statement or state the current
103 odometer setting at the time of the release of the lien
104 where there is no change of ownership.

105 8. For the purposes of the mileage disclosure
106 requirements of this section, if a certificate of ownership
107 is held by a lienholder, if the transferor makes application
108 for a duplicate certificate of ownership, or as otherwise
109 provided in the federal Motor Vehicle Information and Cost
110 Savings Act and related federal regulations, the transferor
111 may execute a written power of attorney authorizing a
112 transfer of ownership. The person granted such power of
113 attorney shall restate exactly on the assignment of title
114 the actual mileage disclosed at the time of transfer. The
115 power of attorney shall accompany the certificate of
116 ownership and the original power of attorney and a copy of
117 the certificate of ownership shall be returned to the
118 issuing state in the manner prescribed by the director of
119 revenue, unless otherwise provided by federal law, rule or
120 regulation. The department of revenue may prescribe a
121 secure document for use in executing a written power of
122 attorney, and may allow electronic signatures on such
123 document. The department shall collect a fee for each form
124 issued, not to exceed the cost of procuring the form.

 407.556. 1. A violation of the provisions of sections
2 407.511 to 407.556 by any person licensed or registered as a

3 manufacturer or dealer pursuant to the provisions of chapter
4 301, shall be considered a violation of the provisions of
5 that chapter, subjecting that person to revocation or
6 suspension of any license issued pursuant to the provisions
7 of that chapter.

8 2. The provisions of sections 407.511 to 407.556 do
9 not apply to the following motor vehicles:

11 rating of more than sixteen thousand pounds;

12 (2) Any motor vehicle with a model year prior to 2011,
13 or any motor vehicle that is [ten] twenty years old or older;

14 (3) Any motor vehicle sold directly by the
15 manufacturer to any agency of the United States in
16 conformity with contractual specifications; or

6 decentralized motor vehicle emissions inspection program
7 shall be established in any county with a charter form of
8 government and with more than three hundred thousand but
9 fewer than four hundred fifty thousand inhabitants or any
10 county of the first classification with more than one
11 hundred one thousand but fewer than one hundred fifteen
12 thousand inhabitants or any county with a charter form of
13 government and with more than two hundred thousand but fewer
14 than three hundred fifty thousand inhabitants. The
15 decentralized motor vehicle emissions inspection program

33 ensure that emission reduction amounts established pursuant
34 to subsection 2 of section 643.305 shall be consistent with

47 promulgated thereunder. If the exception of certain
48 counties from provisions of this subsection has the effect
49 of placing the state of Missouri in noncompliance with any
50 federal constitutional, statutory, or regulatory provision
51 that results in the loss of any federal funds to the state,
52 the exception of certain counties shall expire three years
53 from the date the state is deemed to be in noncompliance.

54 2. (1) The department, with the cooperation and
55 approval of the commissioner of administration, shall select

58 under a bid procedure or under a negotiated process or a
59 combination thereof based on criteria and expectations

60 established by the department. This process may use either
61 a licensing arrangement or contractual arrangement with the
62 selected party or parties. The selection of persons to
63 operate inspection facilities or inspection programs shall
64 be exempt from the provisions of all site procurement laws.
65 Each person who is authorized to operate a station pursuant
66 to this section shall be capable of providing adequate and
67 cost-effective service to customers.

68 (2) Service management, coordination and data
69 processing may be provided by the department or by another
70 person, including a contractor or licensee, based upon the
71 most cost-effective proposal for service.

72 (3) A license or contract shall be for a period of up
73 to seven years, consistent with the provisions of Article
74 IV, Section 28 of the Missouri Constitution, and licenses or

78 all applicable rules, the license agreement or contract as
79 determined by the department. A licensee or contractor
80 found to have violated sections 643.300 to 643.355,
81 applicable rules or the conditions of the license agreement
82 or contract shall be in violation of section 643.151 and
83 subject to the penalties provided thereunder.

84 3. The commission, the department of economic
85 development and the office of administration shall, in
86 cooperation with the minority business advocacy commission,
87 select the contractor or contractors to provide an
88 inspection program which satisfies the minimum requirements
89 of this section in accordance with the requirements of
90 section 37.014 and chapter 34. The commission, the office
91 of administration and the department of economic
92 development, in cooperation with the minority business

93 advocacy commission, shall ensure adequate minority business
94 participation in the selection of the contractor or
95 contractors to provide an inspection program pursuant to
96 this section. The commission, the office of administration
97 and the department of economic development shall ensure
98 adequate participation of Missouri businesses in the
99 selection of the contractor or contractors to provide an
100 inspection program pursuant to this section.

101 4. With approval of the commission and pursuant to
102 rules adopted by the commission, an organization whose
103 members are motor vehicle dealers or leasing companies may
104 establish one or more additional emissions inspection
105 facilities, which may be either mobile or stationary, to be
106 used solely to inspect motor vehicles owned and held for
107 sale or lease by the members of the organization. With
108 approval of the commission and pursuant to rules adopted by
109 the commission, any person operating a fleet of motor
110 vehicles may establish one or more additional emissions
