17 the biennium shall not revert to the credit of the general
18 revenue fund.

19 3. The state treasurer shall invest moneys in the fund
20 in the same manner as other funds are invested. Any

21 interest and moneys earned on such investments shall be
22 credited to the fund.

23 135.716. 1. The state treasurer shall provide a
24 standardized format for a receipt to be issued to a taxpayer
25 to indicate the value of a contribution received. No

29 certify eligibility for the tax credits to the department of
30 revenue in the order applications are received.

31 2. The state treasurer or state auditor shall conduct
32 an investigation if the state treasurer possesses evidence
33 of fraud committed by an educational assistance organization.

34 3. The state treasurer shall bar an educational

4 section 536.010, that is created under the authority
5 delegated in this section shall become effective only if it
6 complies with and is subject to all of the provisions of
7 chapter 536 and, if applicable, section 536.028. This
8 section and chapter 536 are nonseverable and if any of the
9 powers vested with the general assembly pursuant to chapter
10 536 to review, to delay the effective date, or to disapprove
11 and annul a rule are subsequently held unconstitutional,
12 then the grant of rulemaking authority and any rule proposed
13 or adopted after August 28, 2021, shall be invalid and void.

14 2. The provisions of section 23.253 of the Missouri

125 [7.] 5. The charter school shall be organized as a

216 school. All members of the governing board of the charter
217 school shall be considered decision-making public servants

218 as defined in section 105.450 for the purposes of the
219 financial disclosure requirements contained in sections
220 105.483, 105.485, 105.487, and 105.489.

221 [16.] 14. A sponsor shall develop the policies and
222 procedures for:

223 (1) The review of a charter school proposal including
224 an application that provides sufficient information for
225 rigorous evaluation of the proposed charter and provides
226 clear documentation that the education program and academic
227 program are aligned with the state standards and grade-level
228 expectations, and provides clear documentation of effective
229 governance and management structures, and a sustainable
230 operational plan;

231 (2) The granting of a charter;

232 (3) The performance contract that the sponsor will use
233 to evaluate the performance of charter schools. Charter
234 schools shall meet current state academic performance
235 standards as well as other standards agreed upon by the
236 sponsor and the charter school in the performance contract;

237 (4) The sponsor's intervention, renewal, and
238 revocation policies, including the conditions under which
239 the charter sponsor may intervene in the operation of the
240 charter school, along with actions and consequences that may
241 ensue, and the conditions for renewal of the charter at the
242 end of the term, consistent with subsections 8 and 9 of
243 section 160.405;

244 (5) Additional criteria that the sponsor will use for
245 ongoing oversight of the charter; and

246 (6) Procedures to be implemented if a charter school
247 should close, consistent with the provisions of subdivision
248 (15) of subsection 1 of section 160.405.

249 The department shall provide guidance to sponsors in
250 developing such policies and procedures.

251 [17.] 15. (1) A sponsor shall provide timely
252 submission to the state board of education of all data
253 necessary to demonstrate that the sponsor is in material
254 compliance with all requirements of sections 160.400 to
255 160.425 and section 167.349. The state board of education
256 shall ensure each sponsor is in compliance with all
257 requirements under sections 160.400 to 160.425 and 167.349
258 for each charter school sponsored by any sponsor. The state
259 board shall notify each sponsor of the standards for
260 sponsorship of charter schools, delineating both what is
261 mandated by statute and what best practices dictate. The
262 state board shall evaluate sponsors to determine compliance
263 with these standards every three years. The evaluation
264 shall include a sponsor's policies and procedures in the
265 areas of charter application approval; required charter
266 agreement terms and content; sponsor performance evaluation
267 and compliance monitoring; and charter renewal,
268 intervention, and revocation decisions. Nothing shall
269 preclude the department from undertaking an evaluation at
270 any time for cause.

271 (2) If the department determines that a sponsor is in
272 material noncompliance with its sponsorship duties, the
273 sponsor shall be notified and given reasonable time for
274 remediation. If remediation does not address the compliance
275 issues identified by the department, the commissioner of
276 education shall conduct a public hearing and thereafter
277 provide notice to the charter sponsor of corrective action
278 that will be recommended to the state board of education.
279 Corrective action by the department may include withholding
280 the sponsor's funding and suspending the sponsor's authority
281 to sponsor a school that it currently sponsors or to sponsor
282 any additional school until the sponsor is reauthorized by
283 the state board of education under section 160.403.

284 (3) The charter sponsor may, within thirty days of
285 receipt of the notice of the commissioner's recommendation,
286 provide a written statement and other documentation to show
287 cause as to why that action should not be taken. Final
288 determination of corrective action shall be determined by
289 the state board of education based upon a review of the
290 documentation submitted to the department and the charter
291 sponsor.

292 (4) If the state board removes the authority to
293 sponsor a currently operating charter school under any
294 provision of law, the Missouri charter public school
295 commission shall become the sponsor of the school.

296 [18.] 16. If a sponsor notifies a charter school of
297 closure under subsection 8 of section 160.405, the
298 department of elementary and secondary education shall
299 exercise its financial withholding authority under
300 subsection 12 of section 160.415 to assure all obligations
301 of the charter school shall be met. The state, charter
302 sponsor, or resident district shall not be liable for any
303 outstanding liability or obligations of the charter school.

160.415. 1. For the purposes of calculation and
2 distribution of state school aid under section 163.031,
3 pupils enrolled in a charter school shall be included in the
4 pupil enrollment of the school district within which each
5 pupil resides. Each charter school shall report the [names,
6 addresses, and] eligibility for free and reduced price
7 lunch, special education, or limited English proficiency
8 status, as well as eligibility for categorical aid, of
9 pupils resident in a school district who are enrolled in the
10 charter school to the school district in which those pupils
11 reside. The charter school shall report the average daily
12 attendance data, free and reduced price lunch count, special
13 education pupil count, and limited English proficiency pupil

14 count to the state department of elementary and secondary
15 education. Each charter school shall promptly notify the
16 state department of elementary and secondary education and
17 the pupil's school district when a student discontinues
18 enrollment at a charter school.

19 2. This subsection shall apply to all school years
20 ending on or before June 30, 2022. Except as provided in
21 subsections 3 and 4 of this section, the aid payments for
22 charter schools shall be as described in this subsection.

23 (1) A school district having one or more resident
24 pupils attending a charter school shall pay to the charter
25 school an annual amount equal to the product of the charter
26 school's weighted average daily attendance and the state
27 adequacy target, multiplied by the dollar value modifier for
28 the district, plus local tax revenues per weighted average
29 daily attendance from the incidental and teachers' funds in
30 excess of the performance levy as defined in section 163.011
31 plus all other state aid attributable to such pupils.

32 (2) The district of residence of a pupil attending a
33 charter school shall also pay to the charter school any
34 other federal or state aid that the district receives on
35 account of such [child] pupil.

36 (3) If the department overpays or underpays the amount
37 due to the charter school, such overpayment or underpayment
38 shall be repaid by the [public] charter school or credited
39 to the [public] charter school in twelve equal payments in
40 the next fiscal year.

41 (4) The amounts provided pursuant to this subsection
42 shall be prorated for partial year enrollment for a pupil.

43 (5) A school district shall pay the amounts due
44 pursuant to this subsection as the disbursal agent and no
45 later than twenty days following the receipt of any such
46 funds. The department of elementary and secondary education

47 shall pay the amounts due when it acts as the disbursal
48 agent within five days of the required due date.

49 3. This subsection shall apply to all school years
50 ending on or before June 30, 2022. A workplace charter
51 school shall receive payment for each eligible pupil as
52 provided under subsection 2 of this section, except that if
53 the student is not a resident of the district and is
54 participating in a voluntary interdistrict transfer program,
55 the payment for such pupils shall be the same as provided
56 under section 162.1060.

57 4. This subsection shall apply to all school years
58 ending on or before June 30, 2022. A charter school that
59 has declared itself as a local educational agency shall
60 receive from the department of elementary and secondary
61 education an annual amount equal to the product of the
62 charter school's weighted average daily attendance and the
63 state adequacy target, multiplied by the dollar value
64 modifier for the district, plus local tax revenues per
65 weighted average daily attendance from the incidental and
66 teachers funds in excess of the performance levy as defined
67 in section 163.011 plus all other state aid attributable to
68 such pupils. If a charter school declares itself as a local
69 educational agency, the department of elementary and
70 secondary education shall, upon notice of the declaration,
71 reduce the payment made to the school district by the amount
72 specified in this subsection and pay directly to the charter
73 school the annual amount reduced from the school district's
74 payment.

75 5. This subsection shall apply to all school years
76 ending on or before June 30, 2022. If a school district
77 fails to make timely payments of any amount for which it is
78 the disbursal agent, the state department of elementary and
79 secondary education shall authorize payment to the charter

80 school of the amount due pursuant to subsection 2 of this
81 section and shall deduct the same amount from the next state
82 school aid apportionment to the owing school district. If a
83 charter school is paid more or less than the amounts due
84 pursuant to this section, the amount of overpayment or
85 underpayment shall be adjusted equally in the next twelve
86 payments by the school district or the department of
87 elementary and secondary education, as appropriate. Any
88 dispute between the school district and a charter school as
89 to the amount owing to the charter school shall be resolved
90 by the department of elementary and secondary education, and
91 the department's decision shall be the final administrative
92 action for the purposes of review pursuant to chapter 536.
93 During the period of dispute, the department of elementary
94 and secondary education shall make every administrative and
95 statutory effort to allow the continued education of
96 children in their current [public] charter school setting.

97 6. The charter school and a local school board may
98 agree by contract for services to be provided by the school
99 district to the charter school. The charter school may
100 contract with any other entity for services. Such services
101 may include but are not limited to food service, custodial
102 service, maintenance, management assistance, curriculum
103 assistance, media services and libraries and shall be
104 subject to negotiation between the charter school and the
105 local school board or other entity. Documented actual costs
106 of such services shall be paid for by the charter school.

107 7. In the case of a proposed charter school that
108 intends to contract with an education service provider for
109 substantial educational services or management services, the
110 request for proposals shall additionally require the charter
111 school applicant to:

112 (1) Provide evidence of the education service
113 provider's success in serving student populations similar to
114 the targeted population, including demonstrated academic
115 achievement as well as successful management of nonacademic
116 school functions, if applicable;

117 (2) Provide a term sheet setting forth the proposed
118 duration of the service contract; roles and responsibilities
119 of the governing board, the school staff, and the service
120 provider; scope of services and resources to be provided by
121 the service provider; performance evaluation measures and
122 time lines; compensation structure, including clear
123 identification of all fees to be paid to the service
124 provider; methods of contract oversight and enforcement;
125 investment disclosure; and conditions for renewal and
126 termination of the contract;

127 (3) Disclose any known conflicts of interest between
128 the school governing board and proposed service provider or
129 any affiliated business entities;

130 (4) Disclose and explain any termination or nonrenewal
131 of contracts for equivalent services for any other charter
132 school in the United States within the past five years;

133 (5) Ensure that the legal counsel for the charter
134 school shall report directly to the charter school's
135 governing board; and

136 (6) Provide a process to ensure that the expenditures
137 that the education service provider intends to bill to the
138 charter school shall receive prior approval of the governing
139 board or its designee.

140 8. A charter school may enter into contracts with
141 community partnerships and state agencies acting in
142 collaboration with such partnerships that provide services
143 to children and their families linked to the school.

144 9. A charter school shall be eligible for
145 transportation state aid pursuant to section 163.161 and
146 shall be free to contract with the local district, or any
147 other entity, for the provision of transportation to the
148 students of the charter school.

149 10. (1) The proportionate share of state and federal
150 resources generated by students with disabilities or staff
151 serving them shall be paid in full to charter schools
152 enrolling those students by their school district where such
153 enrollment is through a contract for services described in
154 this section. The proportionate share of money generated
155 under other federal or state categorical aid programs shall
156 be directed to charter schools serving such students
157 eligible for that aid.

158 (2) A charter school shall provide the special
159 services provided pursuant to section 162.705 and may
160 provide the special services pursuant to a contract with a
161 school district or any provider of such services.

162 11. A charter school [may] shall not charge tuition or
163 impose fees that a school district is prohibited from
164 charging or imposing, except that a charter school may
165 receive tuition payments from districts in the same or an
166 adjoining county for nonresident students who transfer to an
167 approved charter school, as defined in section 167.895, from
168 an unaccredited district.

169 12. A charter school is authorized to incur debt in
170 anticipation of receipt of funds. A charter school may also
171 borrow to finance facilities and other capital items. A
172 school district may incur bonded indebtedness or take other
173 measures to provide for physical facilities and other
174 capital items for charter schools that it sponsors or
175 contracts with. Except as otherwise specifically provided
176 in sections 160.400 to 160.425, upon the dissolution of a

177 charter school, any liabilities of the corporation will be
178 satisfied through the procedures of chapter 355. A charter
179 school shall satisfy all its financial obligations within
180 twelve months of notice from the sponsor of the charter
181 school's closure under subsection 8 of section 160.405.
182 After satisfaction of all its financial obligations, a
183 charter school shall return any remaining state and federal
184 funds to the department of elementary and secondary
185 education for disposition as stated in subdivision (17) of
186 subsection 1 of section 160.405. The department of
187 elementary and secondary education may withhold funding at a
188 level the department determines to be adequate during a
189 school's last year of operation until the department
190 determines that school records, liabilities, and reporting
191 requirements, including a full audit, are satisfied.

192 13. Charter schools shall not have the power to
193 acquire property by eminent domain.

194 14. The governing [body] board of a charter school is
195 authorized to accept grants, gifts or donations of any kind
196 and to expend or use such grants, gifts or donations. A
197 grant, gift or donation [may] shall not be accepted by the
198 governing [body] board if it is subject to any condition
199 contrary to law applicable to the charter school or other
200 public schools, or contrary to the terms of the charter.

201 15. (1) As used in this subsection, the following
202 terms mean:

203 (a) "Department", the department of elementary and
204 secondary education;

205 (b) "Local aid", all local and county revenue received
206 by the school district and charter schools within the school
207 district. The term "local aid":

208 a. Includes, but is not limited to, the following:

209 (i) Property taxes and delinquent taxes;

210 (ii) Merchants' and manufacturers' tax revenues;
211 (iii) Financial institutions' tax revenues;
212 (iv) City sales tax revenue, including city sales tax
213 collected in any city not within a county;
214 (v) Payments in lieu of taxes;
215 (vi) Revenues from state-assessed railroad and
216 utilities tax; and
217 (vii) Any future aid; and
218 b. Shall not be construed to include:
219 (i) Charitable contributions, gifts, and grants made
220 to school districts and charter schools;
221 (ii) Interest earnings of school districts and charter
222 schools;
223 (iii) Student fees paid to school districts and
224 charter schools;
225 (iv) Debt service authorized by a public vote for the
226 purpose of making payments on a bond issuance of a school
227 district;
228 (v) Proposition C revenues received for school
229 purposes from the school district trust fund under section
230 163.087; or
231 (vi) Any other funding solely intended for a
232 particular school district or charter school and its
233 respective employees, schools, foundations, or organizations.
234 (2) Each charter school and each school district
235 responsible for distributing local aid to charter schools
236 under this subsection shall include as part of its annual
237 independent audit an audit of pupil residency, enrollment,
238 and attendance in order to verify pupil residency in the
239 school district or local education agency.
240 (3) A school district having one or more resident
241 pupils attending a charter school shall pay to the charter
242 school an annual amount equal to the product of the charter

243 school's weighted average daily attendance and the state
244 adequacy target, multiplied by the dollar value modifier for
245 the district, less the charter school's share of local
246 effort as defined in section 163.011 plus all other state
247 aid attributable to such pupils plus local aid received by
248 the school district divided by the total weighted average
249 daily attendance of the school district and all charter
250 schools within the school district per weighted average
251 daily attendance of the charter school.

252 (4) A charter school that has declared itself a local
253 educational agency shall receive all state aid calculated
254 under this subsection from the department and all local aid
255 calculated under this subsection from the school district.

256 A charter school shall receive an annual amount equal to the
257 product of the charter school's weighted average daily
258 attendance and the state adequacy target, multiplied by the
259 dollar value modifier for the district, less the charter
260 school's share of local effort as defined in section 163.011
261 plus all other state aid attributable to such pupils plus
262 local aid received by the school district divided by the
263 total weighted average daily attendance of the school
264 district and all charter schools within the school district
265 per weighted average daily attendance of the charter school.

266 (5) (a) The school district shall withhold, from the
267 total of all January local aid payments owed to the charter
268 schools in the district, an annual administrative fee in an
269 amount equal to two percent of the prior year's total
270 funding of the school district, calculated as the school
271 district's state aid plus the school district's local
272 effort, as defined in section 163.011, and the prior year's
273 total funding of the charter schools within the district.
274 As used in this subdivision, "state aid" means the product
275 of the school district's weighted average daily attendance

276 and the state adequacy target, multiplied by the dollar
277 value modifier for the district, less the school district's
278 share of local effort as defined in section 163.011.

279 (b) On or before December thirty-first of each year,
280 the school district shall transmit to the department the
281 total annual local aid calculation described in subdivision
282 (6) of this subsection. If the school district fails to
283 transmit the annual local aid calculation to the department,
284 the school district shall not withhold the administrative
285 fee.

286 (c) The department shall calculate the administrative
287 fee under the formula in this subdivision using data from
288 the previous school year. On or before January fifteenth of
289 the following year, the department shall transmit to the
290 school district the calculation of the administrative fee
291 and make such calculation publicly available on the
292 department's website.

293 (6) Each month the school district shall calculate the
294 amount of local aid received by the school district that is
295 owed to the charter school by the school district under this
296 subsection. The school district shall pay to the charter
297 school the amount of local aid owed to the charter school,
298 as calculated by the school district using the previous
299 month's weighted average daily attendance of the charter
300 school. If any payment of local aid is due, the school
301 district shall make monthly payments on the twenty-first day
302 of each month or upon the closest business day beginning in
303 July of each year.

304 (a) If the school district fails to make timely
305 payment, the department shall impose any penalty the
306 department deems appropriate.

307 (b) The school district shall, as part of its annual
308 audit as required by section 165.111, include a report

309 converting the local aid received from an accrual basis to a
310 cash basis. Such report shall be made publicly available on
311 its district website in a searchable format or as a
312 downloadable and searchable document.

313 (7) The department shall conduct an annual review of
314 any payments made in the previous fiscal year under
315 subdivision (6) of this subsection to determine if there has
316 been any underpayment or overpayment. The annual review, to
317 be conducted in January of each year, shall include a
318 calculation of the amount of local aid owed to charter
319 schools using the first preceding year's annual audit
320 required by section 165.111. The school district shall pay
321 to the charter school the amount of local aid owed to the
322 charter school as calculated by the department. In the
323 event of an underpayment, the school district shall remit
324 the underpayment amount to the charter school. In the event
325 of an overpayment, the charter school shall remit the
326 overpayment amount to the school district.

327 (a) If the school district fails to remit any
328 underpayment amount to the charter school within thirty days
329 of notification of the underpayment amount, the department
330 shall impose any penalty the department deems appropriate.

331 (b) If the charter school fails to remit any
332 overpayment amount to the school district within thirty days
333 of notification of the overpayment amount, the department
334 shall impose any penalty the department deems appropriate.

335 (8) If a prior year correction of the amount of local
336 aid is necessary, the school district shall recalculate the
337 amount owed to a charter school and either remit any
338 underpayment amount to the charter school or provide a bill
339 to the charter school for any overpayment amount. Any
340 underpayment or overpayment amount shall be remitted under

341 the schedules in paragraphs (a) and (b) of subdivision (7)
342 of this subsection.

343 (9) This subsection shall become effective on July 1,
344 2022.

345 16. The department may promulgate rules for the annual
346 review of payments and any penalties to be assessed under
347 subsection 15 of this section. Any rule or portion of a
348 rule, as that term is defined in section 536.010, that is
349 created under the authority delegated in this section shall
350 become effective only if it complies with and is subject to
351 all of the provisions of chapter 536 and, if applicable,
352 section 536.028. This section and chapter 536 are
353 nonseverable, and if any of the powers vested with the
354 general assembly pursuant to chapter 536 to review, to delay
355 the effective date, or to disapprove and annul a rule are
356 subsequently held unconstitutional, then the grant of
357 rulemaking authority and any rule proposed or adopted after
358 August 28, 2021, shall be invalid and void.

1 160.422. 1. Any city not within a county shall not
2 adopt, enforce, impose, or administer an ordinance, local
3 policy, or local resolution that prohibits property sold,
4 leased, or transferred by the city not within a county from
5 being used for any lawful educational purpose by a charter
6 school.

7 2. Any city not within a county shall not impose,
8 enforce, or apply any deed restriction that expressly, or by
9 its operation, prohibits property sold, leased, or
10 transferred by the city not within a county from being used
11 for any lawful educational purpose by a charter school. Any
12 deed restriction or affirmative use deed restriction that
13 affirmatively allows for only one or more specified uses or
14 purposes that do not include any educational use or purpose
15 is prohibited under this section. Any deed restriction or

16 affirmative use deed restriction in effect on the effective
17 date of this section that prohibits or does not permit
18 property previously used for any educational purpose from
19 being used for any future educational purpose is void.

20 3. If any city not within a county offers property of
21 the city not within a county for sale, lease, or rent, the
22 city not within a county shall not refuse to sell, lease, or
23 rent the property to a charter school solely because the
24 charter school intends to use the property for an
25 educational purpose, if the intent of the charter school is
26 to use the property for a lawful educational purpose. If
27 the city not within a county offers property of the city not
28 within a county for sale, lease, or rent, the city not
29 within a county is not required to sell, lease, or rent the
30 property to a charter school solely because the charter
31 school intends to use the property for an educational
32 purpose.

33 4. Any ordinance, policy, regulation, deed, or
34 contract made in violation of this section shall be void
35 from its inception.

160.425. 1. The "Missouri Charter Public School
2 Commission" is hereby created with the authority to sponsor
3 high quality charter schools throughout the state of
4 Missouri.

5 2. The commission shall consist of nine members
6 appointed by the governor, by and with the advice and
7 consent of the senate. No more than five of the members
8 shall be of the same political party. No more than two
9 members shall be from the same congressional district. The
10 term of office of each member shall be four years, except
11 those of the members first appointed, of which three shall
12 be appointed for a term of one year, two for a term of two
13 years, two for a term of three years, and two for a term of

14 four years. At the expiration of the term of each member,
15 the governor, by and with the advice and consent of the
16 senate, shall appoint a successor.

17 3. The appointees to the commission shall be selected
18 as follows:

19 (1) One member selected by the governor from a slate
20 of three recommended by the commissioner of education;

21 (2) One member selected by the governor from a slate
22 of three recommended by the commissioner of higher education;

23 (3) One member selected by the governor from a slate
24 of three recommended by the president pro tempore of the
25 senate;

26 (4) One member selected by the governor from a slate
27 of three recommended by the speaker of the house of
28 representatives; and

29 (5) Five additional members appointed by the governor,

39 5. The commission shall annually elect a chairperson
40 and vice chairperson, who shall act as chairperson in his or
41 her absence. The commission shall meet at the call of the
42 chairperson. The chairperson may call meetings at such

44 when requested to do so by three or more members of the
45 commission. Members of the commission are not eligible to
46 receive compensation.

47 6. The commission may approve proposed charters for
48 its sponsorship under sections 160.400 to 160.425 and shall:

49 (1) Comply with all of the requirements applicable to
50 sponsors under sections 160.400 to 160.425;

51 (2) Exercise sponsorship over charters approved by the
52 commission under sections 160.400 to 160.425, including

56 school commission revolving fund created pursuant to this
57 section.

58 7. Charter schools sponsored by the commission shall
59 comply with all of the requirements applicable to charter
60 schools under sections 160.400 to 160.425.

61 8. The commission shall conduct its business in
62 accordance with chapter 610.

63 9. The department of elementary and secondary
64 education shall provide start-up funding for the commission
65 to operate. The commission shall reimburse the department's

68 10. The commission is authorized to receive and expend
69 gifts, grants, and donations of any kind from any public or

84 as other funds are invested. Subject to appropriation,
85 moneys in the fund shall be used solely for the
86 administration of this section.

160.518. 1. Consistent with the provisions contained
2 in section 160.526, the state board of education shall
3 develop, modify, and revise, as necessary, a statewide
4 assessment system [that provides maximum flexibility] for
5 local school districts to determine the degree to which
6 students in the public schools of the state are proficient
7 in the knowledge, skills, and competencies adopted by such
8 board pursuant to section 160.514. The statewide assessment
9 system shall assess problem solving, analytical ability,
10 evaluation, creativity, and application ability in the
11 different content areas and shall be performance-based to
12 identify what students know, as well as what they are able
13 to do, and shall enable teachers to evaluate actual academic
14 performance. The statewide assessment system shall neither
15 promote nor prohibit rote memorization and shall not include
16 existing versions of tests approved for use pursuant to the
17 provisions of section 160.257, nor enhanced versions of such
18 tests. After the state board of education adopts and
19 implements academic performance standards as required under
20 section 161.855, the state board of education shall develop
21 and adopt a standardized assessment instrument under this
22 section based on the academic performance standards adopted
23 under section 161.855. The statewide assessment system
24 shall measure, where appropriate by grade level, a student's
25 knowledge of academic subjects including, but not limited
26 to, reading skills, writing skills, mathematics skills,

27 world and American history, forms of government, geography
28 and science.

29 2. [The statewide assessment system shall only permit
30 the academic performance of students in each school in the
31 state to be tracked against prior academic performance in
32 the same school.

33 3.] The state board of education shall suggest, but not
34 mandate, criteria for a school to demonstrate that its
35 students learn the knowledge, skills and competencies at
36 exemplary levels worthy of imitation by students in other
37 schools in the state and nation. Exemplary levels shall be
38 measured by the statewide assessment system developed
39 pursuant to subsection 1 of this section, or until said
40 statewide assessment system is available, by indicators
41 approved for such use by the state board of education. The
42 provisions of other law to the contrary notwithstanding, the
43 commissioner of education may, upon request of the school
44 district, present a plan for the waiver of rules and
45 regulations to any such school, to be known as "Outstanding
46 Schools Waivers", consistent with the provisions of
47 subsection [4] 3 of this section.

48 [4.] 3. For any school that meets the criteria
49 established by the state board of education for three
50 successive school years pursuant to the provisions of
51 subsection [3] 2 of this section, by August first following
52 the third such school year, the commissioner of education
53 shall present a plan to the superintendent of the school
54 district in which such school is located for the waiver of
55 rules and regulations to promote flexibility in the
56 operations of the school and to enhance and encourage
57 efficiency in the delivery of instructional services. The
58 provisions of other law to the contrary notwithstanding, the
59 plan presented to the superintendent shall provide a summary

60 waiver, with no conditions, for the pupil testing
61 requirements pursuant to section 160.257, in the school.
62 Further, the provisions of other law to the contrary
63 notwithstanding, the plan shall detail a means for the
64 waiver of requirements otherwise imposed on the school
65 related to the authority of the state board of education to
66 classify school districts pursuant to subdivision (9) of
67 subsection 2 of section 161.092 and such other rules and
68 regulations as determined by the commissioner of education,
69 excepting such waivers shall be confined to the school and
70 not other schools in the district unless such other schools
71 meet the criteria established by the state board of
72 education consistent with subsection ~~[3]~~ 2 of this section
73 and the waivers shall not include the requirements contained
74 in this section and section 160.514. Any waiver provided to
75 any school as outlined in this subsection shall be void on
76 June thirtieth of any school year in which the school fails
77 to meet the criteria established by the state board of
78 education consistent with subsection ~~[3]~~ 2 of this section.

79 ~~[5.]~~ 4. The score on any assessment test developed
80 pursuant to this section or this chapter of any student for
81 whom English is a second language shall not be counted until
82 such time as such student has been educated for three full
83 school years in a school in this state, or in any other
84 state, in which English is the primary language.

85 ~~[6.]~~ 5. The state board of education shall identify
86 or, if necessary, establish one or more developmentally
87 appropriate alternate assessments for students who receive
88 special educational services, as that term is defined
89 pursuant to section 162.675. In the development of such
90 alternate assessments, the state board shall establish an
91 advisory panel consisting of a majority of active special
92 education teachers residing in Missouri and other education

93 professionals as appropriate to research available
94 assessment options. The advisory panel shall attempt to
95 identify preexisting developmentally appropriate alternate
96 assessments but shall, if necessary, develop alternate
97 assessments and recommend one or more alternate assessments
98 for adoption by the state board. The state board shall
99 consider the recommendations of the advisory council in
100 establishing such alternate assessment or assessments. Any
101 student who receives special educational services, as that
102 term is defined pursuant to section 162.675, shall be
103 assessed by an alternate assessment established pursuant to
104 this subsection upon a determination by the student's
105 individualized education program team that such alternate
106 assessment is more appropriate to assess the student's
107 knowledge, skills and competencies than the assessment
108 developed pursuant to subsection 1 of this section. The
109 alternate assessment shall evaluate the student's
110 independent living skills, which include how effectively the
111 student addresses common life demands and how well the
112 student meets standards for personal independence expected
113 for someone in the student's age group, sociocultural
114 background, and community setting.

115 [7.] 6. The state board of education shall also
116 develop recommendations regarding alternate assessments for
117 any military dependent who relocates to Missouri after the
118 commencement of a school term, in order to accommodate such
119 student while ensuring that [he or she] such student is
120 proficient in the knowledge, skills, and competencies
121 adopted under section 160.514.

160.545. 1. There is hereby established within the
2 department of elementary and secondary education the "A+
3 Schools Program" to be administered by the commissioner of
4 education. The program shall consist of grant awards made

5 to public secondary schools that demonstrate a commitment to
6 ensure that:

7 (1) All students be graduated from school;

8 (2) All students complete a selection of high school
9 studies that is challenging and for which there are
10 identified learning expectations; and

11 (3) All students:

12 (a) Earn credits toward any type of college degree
13 while in high school; or

14 (b) Proceed from high school graduation to a college
15 or postsecondary vocational or technical school or high-wage
16 job with work place skill development opportunities.

17 2. The state board of education shall promulgate rules
18 and regulations for the approval of grants made under the
19 program to schools that:

20 (1) Establish measurable districtwide performance
21 standards for the goals of the program outlined in
22 subsection 1 of this section; and

23 (2) Specify the knowledge, skills and competencies, in
24 measurable terms, that students must demonstrate to
25 successfully complete any individual course offered by the
26 school, and any course of studies [which] that will qualify
27 a student for graduation from the school; and

28 (3) Do not offer a general track of courses that, upon
29 completion, can lead to a high school diploma; and

30 (4) Require rigorous coursework with standards of
31 competency in basic academic subjects for students pursuing
32 vocational and technical education as prescribed by rule and
33 regulation of the state board of education; and

34 (5) Have a partnership plan developed in cooperation
35 and with the advice of local business persons, labor
36 leaders, parents, and representatives of college and
37 postsecondary vocational and technical school

38 representatives, with the plan then approved by the local
39 board of education. The plan shall specify a mechanism to
40 receive information on an annual basis from those who
41 developed the plan in addition to senior citizens, community
42 leaders, and teachers to update the plan in order to best
43 meet the goals of the program as provided in subsection 1 of
44 this section. Further, the plan shall detail the procedures
45 used in the school to identify students that may drop out of
46 school and the intervention services to be used to meet the
47 needs of such students. The plan shall outline counseling
48 and mentoring services provided to students who will enter
49 the work force upon graduation from high school, address
50 apprenticeship and intern programs, and shall contain
51 procedures for the recruitment of volunteers from the
52 community of the school to serve in schools receiving
53 program grants.

54 3. Any nonpublic school in this state may apply to the
55 state board of education for certification that it meets the
56 requirements of this section subject to the same criteria as
57 public high schools. Every nonpublic school that applies
58 and has met the requirements of this section shall have its
59 students eligible for reimbursement of postsecondary
60 education under subsection 8 of this section on an equal
61 basis to students who graduate from public schools that meet
62 the requirements of this section. Any nonpublic school that
63 applies shall not be eligible for any grants under this
64 section. Students of certified nonpublic schools shall be
65 eligible for reimbursement of postsecondary education under
66 subsection 8 of this section so long as they meet the other
67 requirements of such subsection. For purposes of
68 subdivision (5) of subsection 2 of this section, the
69 nonpublic school shall be included in the partnership plan
70 developed by the public school district in which the

71 nonpublic school is located. For purposes of subdivision
72 (1) of subsection 2 of this section, the nonpublic school
73 shall establish measurable performance standards for the
74 goals of the program for every school and grade level over
75 which the nonpublic school maintains control.

76 4. A school district may participate in the program
77 irrespective of its accreditation classification by the
78 state board of education, provided it meets all other
79 requirements.

80 5. By rule and regulation, the state board of
81 education may determine a local school district variable
82 fund match requirement in order for a school or schools in
83 the district to receive a grant under the program. However,
84 no school in any district shall receive a grant under the
85 program unless the district designates a salaried employee
86 to serve as the program coordinator, with the district
87 assuming a minimum of one-half the cost of the salary and
88 other benefits provided to the coordinator. Further, no
89 school in any district shall receive a grant under the
90 program unless the district makes available facilities and
91 services for adult literacy training as specified by rule of
92 the state board of education.

93 6. For any school that meets the requirements for the
94 approval of the grants authorized by this section and
95 specified in subsection 2 of this section for three
96 successive school years, by August first following the third
97 such school year, the commissioner of education shall
98 present a plan to the superintendent of the school district
99 in which such school is located for the waiver of rules and
100 regulations to promote flexibility in the operations of the
101 school and to enhance and encourage efficiency in the
102 delivery of instructional services in the school. The
103 provisions of other law to the contrary notwithstanding, the

104 plan presented to the superintendent shall provide a summary
105 waiver, with no conditions, for the pupil testing
106 requirements pursuant to section 160.257 in the school.
107 Further, the provisions of other law to the contrary
108 notwithstanding, the plan shall detail a means for the
109 waiver of requirements otherwise imposed on the school
110 related to the authority of the state board of education to
111 classify school districts pursuant to subdivision (9) of
112 subsection 2 of section 161.092 and such other rules and
113 regulations as determined by the commissioner of education,
114 except such waivers shall be confined to the school and not
115 other schools in the school district unless such other
116 schools meet the requirements of this subsection. However,
117 any waiver provided to any school as outlined in this
118 subsection shall be void on June thirtieth of any school
119 year in which the school fails to meet the requirements for
120 the approval of the grants authorized by this section as
121 specified in subsection 2 of this section.

122 7. For any school year, grants authorized by
123 subsections 1, 2, and 5 of this section shall be funded with
124 the amount appropriated for this program, less those funds
125 necessary to reimburse eligible students pursuant to
126 subsection 8 or 9 of this section.

127 8. The department of higher education and workforce
128 development shall, by rule, establish a procedure for the

154 reimbursement authorized by this subsection as determined by
155 rule and regulation of the department; and

163 education or vocational or technical school, subject to the
164 requirements of subsection 11 of this section, for any
165 student who meets the requirements established in subsection
166 8 of this section immediately before taking the course for
167 which reimbursement is sought.

168 10. The commissioner of education shall develop a
169 procedure for evaluating the effectiveness of the program

170 described in this section. Such evaluation shall be
171 conducted annually with the results of the evaluation
172 provided to the governor, speaker of the house, and

53 provisions of chapter 536 and, if applicable, section
54 536.028. This section and chapter 536 are nonseverable and
55 if any of the powers vested with the general assembly

64 a separate agreement that includes terms for paying tuition
65 or course fees. A full-time virtual school program serving
66 full time equivalent students shall participate in the
67 statewide assessment system as defined in section 160.518.

92 and virtual school program course, a student has received
93 approval from his or her school district or charter school
94 through the procedure described under subdivision (2) of
95 this subsection].

97 students not enrolled in a full-time virtual school, the
98 department of elementary and secondary education shall adopt
99 a policy that delineates the process by which a student may
100 enroll in courses provided by the Missouri course access and
101 virtual school program that is substantially similar to the
102 typical process by which a district student would enroll in
103 courses offered by the school district and a charter school
104 student would enroll in courses offered by the charter
105 school. The policy shall allow for continuous enrollment

115 courses provided by the Missouri course access and virtual
116 school program, is not in the best educational interest of
117 the student, the reason shall be provided in writing [and it
118 shall be for good cause. Good cause justification to
119 disapprove a student's request for enrollment in a course

122 the school district or charter school, local education
123 agencies shall inform the student and the student's family
124 of their right to appeal any enrollment denial in the
125 Missouri course access and virtual school program to the
126 local school district board or charter school governing body
127 where the family shall be given an opportunity to present
128 their reasons for their child or children to enroll in the
129 Missouri course access and virtual school program in an
130 official school board meeting. In addition, the school
131 district or charter school administration shall provide its

148 full-time program, the school district or charter school
149 operating the program shall adopt a policy that delineates
150 the process by which a student may enroll that is
151 substantially similar to the typical process by which the
152 district or charter school enrolls a new resident student of
153 the district or charter school.

154 (3) For students enrolled in any Missouri course
155 access and virtual school program course in which costs
156 associated with such course are to be paid by the school
157 district or charter school as described under subdivision

159 school, or the department shall pay the content provider
160 directly [on a pro rata monthly basis based on a student's
161 completion of assignments and assessments] once per
162 semester. Each such payment shall be made in full within
163 sixty days of receiving an invoice from the provider. If a
164 student discontinues enrollment, the district [or], charter
165 school, or the department may stop making [monthly] payments

173 as described above for any single semester equivalent
174 course. Payment for a full-time virtual school student
175 shall not exceed the state adequacy target, unless the
176 student receives additional federal or state aid. [Nothing

76 required for students who enter a school district or charter
77 school in grades four, five, or six unless such student has
78 been determined in the current school year to be reading at
79 grade level or above.

80 3. [Beginning with school year 2002-03, for each
81 student whose third-grade reading assessment determines that
82 such student is reading below second-grade level, the school
83 district shall design a reading improvement plan for the
84 student's fourth-grade year. Such reading improvement plan
85 shall include, at a minimum, thirty hours of additional
86 reading instruction or practice outside the regular school
87 day during the fourth-grade year.]

88 (1) School districts and charter schools shall offer a
89 reading success plan to each student in grades kindergarten
90 through four who exhibits a reading deficiency, has been
91 identified as being at risk for dyslexia in the statewide
92 dyslexia screening requirement, or has a formal diagnosis of
93 dyslexia to ensure students can read at or above grade level
94 by the end of the fourth grade. The reading success plan
95 shall be provided in addition to core reading instruction
96 that is provided to all students in the general education
97 classroom. The reading success plan shall:

98 (a) Include, at a minimum, thirty hours of additional
99 reading instruction or practice outside the regular school
100 day during the fourth-grade year;

101 (b) Be provided to all students in grades kindergarten
102 through four identified with a reading deficiency as
103 determined by the school district or charter school using
104 local or statewide screening assessments administered within
105 the first thirty days of school for grades one through four,
106 and by January thirty-first for kindergarten;

107 (c) Provide explicit and systematic multisensory
108 instruction in phonological awareness, phonics, fluency,
109 vocabulary, and comprehension as applicable to each student;

110 (d) Monitor the reading progress of each student's
111 reading skills throughout the school year and adjust
112 instruction according to the student's needs; and

113 (e) Be implemented during regular school hours.

114 (2) A structured literacy reading program shall be
115 provided to any student with a formal diagnosis of dyslexia
116 or for a student who was found to be at risk for dyslexia in
117 the statewide dyslexia screening.

118 (3) If a student who is provided a reading success
119 plan is determined to not be reading at or above grade level
120 by the end of second grade, the student shall receive
121 structured literacy instruction as well as additional
122 support and services including but not limited to:

123 (a) Frequent, targeted reading intervention based on
124 the student's needs and provided in a small-group or one-on-

126 (b) Frequent monitoring of the student's reading
127 skills throughout the school year; and

128 (c) Adjustment of the structured literacy instruction
129 and reading interventions according to the student's needs.

130 (4) For students in grades six through twelve, school
131 districts and charter schools shall continue to address the
132 reading deficiencies of any student for whom the deficiency
133 creates a barrier to success in school.

134 4. A reading success plan shall be created for a
135 student within forty-five days following the identification
136 of a reading deficiency by such student's teacher and other
137 pertinent school personnel, after consultation with the
138 student's parent or legal guardian, and shall describe the
139 evidence-based reading intervention services the student

140 shall receive to remedy the deficiency. The reading success
141 plan shall specify whether the student was found to be at
142 risk for dyslexia in the local or statewide dyslexia
143 screening requirement or whether the student has a formal
144 diagnosis of dyslexia. Each student shall receive
145 appropriate reading intervention until the student no longer
146 has a deficiency in reading.

147 5. The school district or charter school shall
148 determine the [method of reading instruction] specific
149 structured literacy curriculum necessary to enforce this
150 subsection. The school district or charter school may also
151 require the student to attend summer school for reading
152 instruction as a condition of promotion to fourth grade.
153 The department of elementary and secondary education may,
154 from funds appropriated for the purpose, reimburse school
155 districts and charter schools for additional instructional
156 personnel costs incurred in the implementation and execution
157 of the thirty hours of additional reading instruction minus
158 the revenue generated by the school district or charter
159 school through the foundation formula for the additional
160 reading instruction average daily attendance.

161 [4.] 6. Each student for whom a reading [improvement]
162 success plan has been designed pursuant to subsection 3 of
163 this section shall be given another reading assessment, to
164 be administered within forty-five days of the end of such
165 student's fourth-grade year. If such student is determined
166 to be reading below third-grade level at the end of the
167 third grade, the student shall be [required to attend summer
168 school to receive reading instruction. At the end of such
169 summer school instruction, such student shall be given
170 another reading assessment. If such student is determined
171 to be reading below third-grade level, the district shall
172 notify the student's parents or guardians, and the student

173 shall not be promoted to fifth grade. No student shall be
174 denied promotion more than once solely for inability to meet
175 the reading standards set out in this section.

176 5. The process described in subsections 3 and 4 of
177 this section shall be repeated as necessary through the end
178 of the sixth grade, with the target grade level rising
179 accordingly. Mandatory retention in grade shall not apply
180 to grades subsequent to fourth grade] referred for an
181 evaluation for an individualized education plan (IEP) and
182 the district shall provide appropriate intensive structured
183 literacy instruction on a one-to-one individualized basis.
184 If the student does not qualify for an IEP under the state
185 guidelines for qualification, the student shall continue to
186 receive appropriate intensive structured literacy
187 instruction on a one-to-one individualized basis until the
188 student is reading at grade level.

189 [6. The mandatory process of additional reading
190 instruction pursuant to this section shall cease at the end
191 of the sixth grade. The permanent record of students who
192 are determined to be reading below the fifth-grade level at
193 the end of sixth grade shall carry a notation advising that
194 such student has not met minimal reading standards. The
195 notation shall stay on the student's record until such time
196 as the district determines that a student has met minimal
197 reading standards].

198 7. Each school district and charter school shall be
199 required to offer summer school reading instruction to any
200 student with a reading [improvement] success plan.
201 Districts and charter schools may fulfill the requirement of
202 this section through cooperative arrangements with
203 neighboring districts[; provided that such districts shall
204 timely make all payments provided pursuant to such
205 cooperative agreements].

206 8. A school district or charter school may adopt a
207 policy that requires retention in grade of any student who
208 has been determined to require summer school instruction in
209 reading and who does not fulfill the summer school
210 attendance requirement.

211 9. Nothing in this section shall preclude a school
212 district or charter school from retaining any student in
213 grade when a determination is made in accordance with
214 district or charter school policy that retention is in the
215 best interests of the student.

216 10. The state board of education shall not incorporate
217 information about the number of students receiving
218 additional instruction pursuant to this section into any
219 element of any standard of the Missouri school improvement
220 program or its successor accreditation program; provided,
221 however, each district or charter school shall make
222 available, upon the request of any parent, patron, advocacy
223 group, or media outlet [within the district], the number and
224 percentage of students receiving remediation pursuant to
225 this section. The information shall be presented in a way
226 that does not permit personal identification of any student
227 or educational personnel.

228 11. Each school district and charter school shall make
229 a systematic effort to inform parents of the methods and
230 materials used to teach reading in kindergarten through
231 [fourth] fifth grade, in terms understandable to a layperson
232 [and shall similarly inform parents of students for whom a
233 reading improvement plan is required pursuant to this
234 section]. The parent or legal guardian of any student in
235 kindergarten through the fifth grade who exhibits a
236 deficiency in reading or has screened positive for the
237 characteristics of dyslexia at any time during the school
238 year, as determined by the school, shall be notified in

239 writing that the child has a reading deficiency or has
240 screened positive for the characteristics of dyslexia no
241 later than thirty calendar days after the identification of
242 the reading deficiency as determined by the school district
243 or charter school. Such written notification shall include
244 the following:

245 (1) A statement that the student has been identified
246 as having a deficiency in reading or has screened positive
247 for the characteristics of dyslexia and that a reading
248 success plan shall be developed by the teacher and other
249 pertinent school personnel;

250 (2) A description of the current services that are
251 provided to the student;

252 (3) A description of the proposed evidence-based
253 interventions and supplemental instructional services and
254 supports that shall be provided to the student that are
255 designed to remedy the identified area or areas of reading
256 deficiency;

257 (4) A statement that the parent or legal guardian
258 shall be informed in writing of the student's progress
259 toward grade-level reading on a quarterly basis, at a
260 minimum; and

261 (5) Strategies that a parent or legal guardian should
262 use at home to help the student succeed in reading.

263 12. The department of elementary and secondary
264 education may promulgate rules to implement the provisions
265 of this section. Any rule or portion of a rule, as that
266 term is defined in section 536.010, that is created under
267 the authority delegated in this section shall become
268 effective only if it complies with and is subject to all of
269 the provisions of chapter 536 and, if applicable, section
270 536.028. This section and chapter 536 are nonseverable, and
271 if any of the powers vested with the general assembly

272 pursuant to chapter 536 to review, to delay the effective
273 date, or to disapprove and annul a rule are subsequently
274 held unconstitutional, then the grant of rulemaking
275 authority and any rule proposed or adopted after August 28,
276 2021, shall be invalid and void.

167.790. 1. In order to receive funds under section
2 163.031, no school district shall be a member of, or remit
3 any funds to, any statewide activities association that:

4 (1) Prohibits a student who is receiving instruction
5 at a home school as defined in section 167.031, from the
6 opportunity to participate in any event or activity offered
7 by the school district or an attendance center of the school
8 district in which the student resides and where the
9 statewide activities association exercises authority, rules,
10 or guidelines for participating in such events or activities
11 for any reason relating to such student's home instruction;

17 the school district or an attendance center of the school
18 district in which the student resides where the statewide
19 activities association exercises authority, rules, or
20 guidelines for participating in such events or activities.

21 This subdivision shall not be construed as applying to seat
22 time or the number of classes taken or required unless a
23 specific class is required for the participation and is
24 directly related to the participation in an association
25 activity or in a club, extracurricular activity, or sport.

26 2. The department of elementary and secondary
27 education shall withhold payments under section 163.031 for
28 any district in violation of this section. The department

29 shall release any withheld funds under this section upon the
30 district providing satisfactory proof to the state board of
31 education that the school district has ceased membership in
32 the association and has ceased remission of any funds to
33 said association.

34 3. A statewide activities association shall not
35 prohibit or restrict any school district which is a member
36 of such association from participating in any events
37 sanctioned, authorized, or regulated by such association
38 with any school that is not a member of the association.

171.033. 1. "Inclement weather", for purposes of this
2 section, shall be defined as ice, snow, extreme cold,
3 excessive heat, flooding, or a tornado.

4 2. (1) A district shall be required to make up the
5 first six days of school lost or cancelled due to inclement
6 weather and half the number of days lost or cancelled in
7 excess of six days if the makeup of the days is necessary to
8 ensure that the district's students will attend a minimum of
9 one hundred forty-two days and a minimum of one thousand
10 forty-four hours for the school year except as otherwise
11 provided in this section. Schools with a four-day school
12 week may schedule such make-up days on Fridays.

13 (2) Notwithstanding subdivision (1) of this
14 subsection, in school year 2019-20 and subsequent years, a
15 district shall be required to make up the first thirty-six
16 hours of school lost or cancelled due to inclement weather
17 and half the number of hours lost or cancelled in excess of
18 thirty-six if the makeup of the hours is necessary to ensure
19 that the district's students attend a minimum of one
20 thousand forty-four hours for the school year, except as
21 otherwise provided under subsections 3 and 4 of this section.

22 3. (1) In the 2009-10 school year and subsequent
23 years, a school district may be exempt from the requirement

24 to make up days of school lost or cancelled due to inclement
25 weather in the school district when the school district has
26 made up the six days required under subsection 2 of this
27 section and half the number of additional lost or cancelled
28 days up to eight days, resulting in no more than ten total
29 make-up days required by this section.

30 (2) In school year 2019-20 and subsequent years, a
31 school district may be exempt from the requirement to make
32 up school lost or cancelled due to inclement weather in the
33 school district when the school district has made up the
34 thirty-six hours required under subsection 2 of this section
35 and half the number of additional lost or cancelled hours up
36 to forty-eight, resulting in no more than sixty total make-
37 up hours required by this section.

38 4. The commissioner of education may provide, for any
39 school district that cannot meet the minimum school calendar
40 requirement of at least one hundred seventy-four days for
41 schools with a five-day school week or one hundred forty-two
42 days for schools with a four-day school week and one
43 thousand forty-four hours of actual pupil attendance or, in
44 school year 2019-20 and subsequent years, one thousand forty-
45 four hours of actual pupil attendance, upon request, a
46 waiver to be excused from such requirement. This waiver
47 shall be requested from the commissioner of education and
48 may be granted if the school was closed due to circumstances
49 beyond school district control, including inclement weather
50 or fire.

51 5. (1) Except as otherwise provided in this
52 subsection, in school year 2020-21 and subsequent years, a
53 district shall not be required to make up any hours of
54 school lost or cancelled due to exceptional or emergency
55 circumstances during a school year if the district has an
56 alternative methods of instruction plan approved by the

57 department of elementary and secondary education for such
58 school year. Exceptional or emergency circumstances shall
59 include, but not be limited to, inclement weather, a utility
60 outage, or an outbreak of a contagious disease. The
61 department of elementary and secondary education shall not
62 approve any such plan unless the district demonstrates that
63 the plan will not negatively impact teaching and learning in
64 the district.

65 (2) If school is closed due to exceptional or
66 emergency circumstances and the district has an approved
67 alternative methods of instruction plan, the district shall
68 notify students and parents on each day of the closure
69 whether the alternative methods of instruction plan is to be
70 implemented for that day. If the plan is to be implemented
71 on any day of the closure, the district shall ensure that
72 each student receives assignments for that day in hard copy
73 form or receives instruction through virtual learning or
74 another method of instruction.

75 (3) A district with an approved alternative methods of
76 instruction plan shall not use alternative methods of
77 instruction as provided for in the plan for more than thirty-
78 six hours during a school year. A district that has used
79 such alternative methods of instruction for thirty-six hours
80 during a school year shall be required, notwithstanding
81 subsections 2 and 3 of this section, to make up any
82 subsequent hours of school lost or cancelled due to
83 exceptional or emergency circumstances during such school
84 year.

85 (4) The department of elementary and secondary
86 education shall give districts with approved alternative
87 methods of instruction plans credit for the hours in which
88 they use alternative methods of instruction by considering
89 such hours as hours in which school was actually in session.

90 (5) Any district wishing to use alternative methods of
91 instruction under this subsection shall submit an
92 application to the department of elementary and secondary
93 education. The application shall describe:

94 (a) The manner in which the district intends to
95 strengthen and reinforce instructional content while
96 supporting student learning outside the classroom
97 environment;

98 (b) The process the district intends to use to
99 communicate to students and parents the decision to
100 implement alternative methods of instruction on any day of a
101 closure;

102 (c) The manner in which the district intends to
103 communicate the purpose and expectations for a day in which
104 alternative methods of instruction will be implemented to
105 students and parents;

106 (d) The assignments and materials to be used within
107 the district for days in which alternative methods of
108 instruction will be implemented to effectively facilitate
109 teaching and support learning for the benefit of the
110 students;

111 (e) The manner in which student attendance will be
112 determined for a day in which alternative methods of
113 instruction will be implemented. The method chosen shall be
114 linked to completion of lessons and activities;

115 (f) The instructional methods, which shall include
116 instruction through electronic means and instruction through
117 other means for students who have no access to internet
118 services or a computer;

119 (g) Instructional plans for students with
120 individualized education programs; and

121 (h) The role and responsibility of certified personnel
122 to be available to communicate with students.

123 6. For the 2018-19 school year, a district shall be
124 exempt from the requirements of subsections 2 and 3 of this
125 section, and only be required to make up the first six days
126 of school lost or cancelled due to inclement weather.

127 7. Notwithstanding the provisions of this section or
128 section 171.031 to the contrary, in school year 2021-2022
129 and subsequent years, no school district shall be granted a
130 waiver of or exemption from any requirement for such
131 district or any attendance center in such district to
132 provide in-person instruction or to make up lost or
133 cancelled days of school, and the department of elementary
134 and secondary education shall not approve or waive any
135 requirement for an alternative methods of instruction plan
136 pursuant to subsection 5 of this section for such district
137 or attendance center, based on the COVID-19 pandemic unless
138 such district demonstrates to the department:

139 (1) That the school district offers in-person
140 instruction for at least four days per week as an option to
141 all students who are not otherwise exempt from in-person
142 instruction; or

143 (2) That the school district or attendance center has
144 a specific need to temporarily suspend all in-person
145 instruction based on district-specific or attendance center-
146 specific data, including:

147 (a) The number of school personnel, including
148 teachers, administrators, food service workers, bus drivers,
149 and custodial staff, currently in quarantine due to COVID-19
150 exposure or infection; and

151 (b) The availability of substitute teachers and other
152 substitute personnel required to meet the day-to-day needs
153 of the school district or attendance center.

154 8. For purposes of subsection 7 of this section,
155 "COVID-19" shall mean any disease, health condition, or

156 threat of harm caused by the severe acute respiratory
157 syndrome coronavirus 2 or a virus mutating therefrom.

186.080. 1. There is hereby established within the
2 department of elementary and secondary education the

37 review best practices in literacy instruction and related
38 policies.

40 recommendations to the commissioner and the state board of
41 education regarding any identified improvements to literacy
42 instruction and policy for elementary and secondary
43 students. The recommendations may include recommendations
44 for changes to state law, and the commissioner shall furnish
45 any such recommendations to the joint committee on education.
