Amend SS/Senate Bill No. 24, Page 7, Section 94.902, Line 197,

2 by inserting after all of said line the following:

3 "99.805. As used in sections 99.800 to 99.865, unless  
4 the context clearly requires otherwise, the following terms  
5 shall mean:

6 (1) "Blighted area", an area which, by reason of the  
7 predominance of defective or inadequate street layout,  
8 insanitary or unsafe conditions, deterioration of site  
9 improvements, [improper subdivision or obsolete platting,]  
10 or the existence of conditions which endanger life or  
11 property by fire and other causes, or any combination of  
12 such factors, retards the provision of housing  
13 accommodations or constitutes an economic or social  
14 liability or a menace to the public health, safety,  
15 [morals,] or welfare in its present condition and use, and,  
16 for areas located in a city not within a county which are  
17 located in a census tract that is defined as a low-income  
18 community under 26 U.S.C. Section 45D(e) or is eligible to  
19 be designated as a qualified opportunity zone under 26  
20 U.S.C. Section 1400Z-1;

21 (2) "Collecting officer", the officer of the  
22 municipality responsible for receiving and processing  
23 payments in lieu of taxes or economic activity taxes from  
24 taxpayers or the department of revenue;

25 (3) "Conservation area", any improved area within the  
26 boundaries of a redevelopment area located within the

27 territorial limits of a municipality in which fifty percent  
28 or more of the structures in the area have an age of thirty-  
29 five years or more. Such an area is not yet a blighted area  
30 but is detrimental to the public health, safety, [morals,]  
31 or welfare and may become a blighted area because of any one  
32 or more of the following factors: dilapidation;  
33 obsolescence; deterioration; illegal use of individual  
34 structures; presence of structures below minimum code  
35 standards; abandonment; excessive vacancies; overcrowding of  
36 structures and community facilities; lack of ventilation,  
37 light or sanitary facilities; inadequate utilities;  
38 excessive land coverage; deleterious land use or layout;  
39 depreciation of physical maintenance; and lack of community  
40 planning. A conservation area shall meet at least three of  
41 the factors provided in this subdivision for projects  
42 approved on or after December 23, 1997;

43 (4) "Economic activity taxes", the total additional  
44 revenue from taxes which are imposed by a municipality and  
45 other taxing districts, and which are generated by economic  
46 activities within a redevelopment area over the amount of  
47 such taxes generated by economic activities within such  
48 redevelopment area in the calendar year prior to the  
49 adoption of the ordinance designating such a redevelopment  
50 area, while tax increment financing remains in effect, but  
51 excluding personal property taxes, taxes imposed on sales or  
52 charges for sleeping rooms paid by transient guests of  
53 hotels and motels, licenses, fees or special assessments.  
54 For redevelopment projects or redevelopment plans approved  
55 after December 23, 1997, if a retail establishment relocates  
56 within one year from one facility to another facility within  
57 the same county and the governing body of the municipality  
58 finds that the relocation is a direct beneficiary of tax  
59 increment financing, then for purposes of this definition,

60 the economic activity taxes generated by the retail  
61 establishment shall equal the total additional revenues from  
62 economic activity taxes which are imposed by a municipality  
63 or other taxing district over the amount of economic  
64 activity taxes generated by the retail establishment in the  
65 calendar year prior to its relocation to the redevelopment  
66 area;

67 (5) "Economic development area", any area or portion  
68 of an area located within the territorial limits of a  
69 municipality, which does not meet the requirements of  
70 subdivisions (1) and (3) of this section, and in which the  
71 governing body of the municipality finds that redevelopment  
72 will not be solely used for development of commercial  
73 businesses which unfairly compete in the local economy and  
74 is in the public interest because it will:

75 (a) Discourage commerce, industry or manufacturing  
76 from moving their operations to another state; or

77 (b) Result in increased employment in the  
78 municipality; or

79 (c) Result in preservation or enhancement of the tax  
80 base of the municipality;

81 (6) "Gambling establishment", an excursion gambling  
82 boat as defined in section 313.800 and any related business  
83 facility including any real property improvements which are  
84 directly and solely related to such business facility, whose  
85 sole purpose is to provide goods or services to an excursion  
86 gambling boat and whose majority ownership interest is held  
87 by a person licensed to conduct gambling games on an  
88 excursion gambling boat or licensed to operate an excursion  
89 gambling boat as provided in sections 313.800 to 313.850.  
90 This subdivision shall be applicable only to a redevelopment  
91 area designated by ordinance adopted after December 23, 1997;

92           (7) "Greenfield area", any vacant, unimproved, or  
93 agricultural property that is located wholly outside the  
94 incorporated limits of a city, town, or village, or that is  
95 substantially surrounded by contiguous properties with  
96 agricultural zoning classifications or uses unless said  
97 property was annexed into the incorporated limits of a city,  
98 town, or village ten years prior to the adoption of the  
99 ordinance approving the redevelopment plan for such  
100 greenfield area;

101           (8) "Municipality", a city, village, or incorporated

104 municipality applies only to cities, villages, incorporated  
105 towns or counties established for at least one year prior to  
106 such date;

107           (9) "Obligations", bonds, loans, debentures, notes,  
108 special certificates, or other evidences of indebtedness  
109 issued by a municipality to carry out a redevelopment  
110 project or to refund outstanding obligations;

111           (10) "Ordinance", an ordinance enacted by the  
112 governing body of a city, town, or village or a county or an  
113 order of the governing body of a county whose governing body  
114 is not authorized to enact ordinances;

115           (11) "Payment in lieu of taxes", those estimated  
116 revenues from real property in the area selected for a  
117 redevelopment project, which revenues according to the  
118 redevelopment project or plan are to be used for a private  
119 use, which taxing districts would have received had a  
120 municipality not adopted tax increment allocation financing,  
121 and which would result from levies made after the time of  
122 the adoption of tax increment allocation financing during  
123 the time the current equalized value of real property in the  
124 area selected for the redevelopment project exceeds the

125 total initial equalized value of real property in such area  
126 until the designation is terminated pursuant to subsection 2  
127 of section 99.850;

128 (12) "Redevelopment area", an area designated by a  
129 municipality, in respect to which the municipality has made  
130 a finding that there exist conditions which cause the area  
131 to be classified as a blighted area, a conservation area, an  
132 economic development area, an enterprise zone pursuant to  
133 sections 135.200 to 135.256, or a combination thereof, which  
134 area includes only those parcels of real property directly  
135 and substantially benefitted by the proposed redevelopment  
136 project;

137 (13) "Redevelopment plan", the comprehensive program  
138 of a municipality for redevelopment intended by the payment  
139 of redevelopment costs to reduce or eliminate those  
140 conditions, the existence of which qualified the  
141 redevelopment area as a blighted area, conservation area,  
142 economic development area, or combination thereof, and to  
143 thereby enhance the tax bases of the taxing districts which  
144 extend into the redevelopment area. Each redevelopment plan  
145 shall conform to the requirements of section 99.810;

146 (14) "Redevelopment project", any development project  
147 within a redevelopment area in furtherance of the objectives  
148 of the redevelopment plan; any such redevelopment project  
149 shall include a legal description of the area selected for

152 total of all reasonable or necessary costs incurred or  
153 estimated to be incurred, and any such costs incidental to a
