

SENATE SUBSTITUTE
FOR
SENATE BILL NO. 667
AN ACT

To repeal sections 188.220, 208.152, 208.153, 208.164, and 208.659, RSMo, and to enact in lieu thereof seven new sections relating to public funding of health care.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Sections 188.220, 208.152, 208.153, 208.164,
2 and 208.659, RSMo, are repealed and seven new sections enacted
3 in lieu thereof, to be known as sections 188.202, 188.207,
4 188.220, 208.152, 208.153, 208.164, and 208.659, to read as
5 follows:

188.202. 1. No federal act, law, executive order,
2 administrative order, rule, or regulation shall infringe on
3 the right of the people of Missouri to:

4 (1) Protect state sovereignty and state taxpayers by
5 restricting public funds, public facilities, and public
6 employees from being used to perform, induce, or assist in
7 an abortion, except as provided for in state statutes;

8 (2) Encourage childbirth over abortion in the use of
9 the state's public funds, public facilities, and public
10 employees;

11 (3) Defend the religious beliefs or moral convictions
12 of any person who, or entity that, does not want to be
13 forced to directly or indirectly fund or participate in
14 abortion;

15 (4) Prevent the state or its political subdivisions
16 from being coerced, compelled, or commandeered by the
17 federal government to enact, administer, or enforce a
18 federal regulatory program that directly or indirectly funds
19 abortion; and

20 (5) Prohibit the federal government from commanding or
21 conscripting public officials of the state or its political
22 subdivisions to enforce a federal regulatory program that
23 directly or indirectly funds abortion.

24 2. In any action to enforce the provisions of sections
25 188.200 to 188.215 by a taxpayer under the provisions of
26 section 188.220, a court of competent jurisdiction may order
27 injunctive or other equitable relief, recovery of damages or
28 other legal remedies, or both, as well as payment of
29 reasonable attorney's fees, costs, and expenses of the
30 taxpayer. The relief and remedies set forth shall not be
31 deemed exclusive and shall be in addition to any other
32 relief or remedies permitted by law.

33 3. In addition to a cause of action brought by a
34 taxpayer under section 188.220, the attorney general is
35 authorized to bring a cause of action to enforce the
36 provisions of sections 188.200 to 188.215.

188.207. It shall be unlawful for any public funds to
2 be expended to any abortion facility, or to any affiliate or
3 associate of such abortion facility.

 188.220. Any taxpayer of this state or its political
2 subdivisions shall have standing to bring [suit in a circuit
3 court of proper venue] a cause of action in any court or
4 administrative agency of competent jurisdiction to enforce
5 the provisions of sections 188.200 to 188.215.

 208.152. 1. MO HealthNet payments shall be made on
2 behalf of those eligible needy persons as described in
3 section 208.151 who are unable to provide for it in whole or
4 in part, with any payments to be made on the basis of the
5 reasonable cost of the care or reasonable charge for the
6 services as defined and determined by the MO HealthNet
7 division, unless otherwise hereinafter provided, for the
8 following:

9 (1) Inpatient hospital services, except to persons in
10 an institution for mental diseases who are under the age of
11 sixty-five years and over the age of twenty-one years;
12 provided that the MO HealthNet division shall provide
13 through rule and regulation an exception process for
14 coverage of inpatient costs in those cases requiring
15 treatment beyond the seventy-fifth percentile professional
16 activities study (PAS) or the MO HealthNet children's
17 diagnosis length-of-stay schedule; and provided further that
18 the MO HealthNet division shall take into account through
19 its payment system for hospital services the situation of
20 hospitals which serve a disproportionate number of low-
21 income patients;

22 (2) All outpatient hospital services, payments
23 therefor to be in amounts which represent no more than
24 eighty percent of the lesser of reasonable costs or
25 customary charges for such services, determined in
26 accordance with the principles set forth in Title XVIII A
27 and B, Public Law 89-97, 1965 amendments to the federal
28 Social Security Act (42 U.S.C. Section 301, et seq.), but
29 the MO HealthNet division may evaluate outpatient hospital
30 services rendered under this section and deny payment for
31 services which are determined by the MO HealthNet division
32 not to be medically necessary, in accordance with federal
33 law and regulations;

34 (3) Laboratory and X-ray services;

35 (4) Nursing home services for participants, except to
36 persons with more than five hundred thousand dollars equity
37 in their home or except for persons in an institution for
38 mental diseases who are under the age of sixty-five years,
39 when residing in a hospital licensed by the department of
40 health and senior services or a nursing home licensed by the
41 department of health and senior services or appropriate

42 licensing authority of other states or government-owned and -
43 operated institutions which are determined to conform to
44 standards equivalent to licensing requirements in Title XIX
45 of the federal Social Security Act (42 U.S.C. Section 301,
46 et seq.), as amended, for nursing facilities. The MO
47 HealthNet division may recognize through its payment
48 methodology for nursing facilities those nursing facilities
49 which serve a high volume of MO HealthNet patients. The MO
50 HealthNet division when determining the amount of the
51 benefit payments to be made on behalf of persons under the
52 age of twenty-one in a nursing facility may consider nursing
53 facilities furnishing care to persons under the age of
54 twenty-one as a classification separate from other nursing
55 facilities;

56 (5) Nursing home costs for participants receiving
57 benefit payments under subdivision (4) of this subsection
58 for those days, which shall not exceed twelve per any period
59 of six consecutive months, during which the participant is
60 on a temporary leave of absence from the hospital or nursing
61 home, provided that no such participant shall be allowed a
62 temporary leave of absence unless it is specifically
63 provided for in his or her plan of care. As used in this
64 subdivision, the term "temporary leave of absence" shall
65 include all periods of time during which a participant is
66 away from the hospital or nursing home overnight because he
67 or she is visiting a friend or relative;

68 (6) Physicians' services, whether furnished in the
69 office, home, hospital, nursing home, or elsewhere;
70 provided, that no funds shall be expended to any abortion
71 facility, as defined in section 188.015, or to any affiliate
72 or associate of such abortion facility;

73 (7) Subject to appropriation, up to twenty visits per
74 year for services limited to examinations, diagnoses,

75 adjustments, and manipulations and treatments of
76 malpositioned articulations and structures of the body
77 provided by licensed chiropractic physicians practicing
78 within their scope of practice. Nothing in this subdivision
79 shall be interpreted to otherwise expand MO HealthNet
80 services;

81 (8) Drugs and medicines when prescribed by a licensed
82 physician, dentist, podiatrist, or an advanced practice
83 registered nurse; except that no payment for drugs and
84 medicines prescribed on and after January 1, 2006, by a
85 licensed physician, dentist, podiatrist, or an advanced
86 practice registered nurse may be made on behalf of any
87 person who qualifies for prescription drug coverage under
88 the provisions of P.L. 108-173;

89 (9) Emergency ambulance services and, effective
90 January 1, 1990, medically necessary transportation to
91 scheduled, physician-prescribed nonelective treatments;

92 (10) Early and periodic screening and diagnosis of
93 individuals who are under the age of twenty-one to ascertain
94 their physical or mental defects, and health care,
95 treatment, and other measures to correct or ameliorate
96 defects and chronic conditions discovered thereby. Such
97 services shall be provided in accordance with the provisions
98 of Section 6403 of P.L. 101-239 and federal regulations
99 promulgated thereunder;

100 (11) Home health care services;

101 (12) Family planning as defined by federal rules and
102 regulations; provided, that no funds shall be expended to
103 any abortion facility, as defined in section 188.015, or to
104 any affiliate or associate of such abortion facility; and
105 further provided, however, that such family planning
106 services shall not include abortions or any abortifacient
107 drug or device that is used for the purpose of inducing an

108 abortion unless such abortions are certified in writing by a
109 physician to the MO HealthNet agency that, in the
110 physician's professional judgment, the life of the mother
111 would be endangered if the fetus were carried to term;

112 (13) Inpatient psychiatric hospital services for
113 individuals under age twenty-one as defined in Title XIX of
114 the federal Social Security Act (42 U.S.C. Section 1396d, et
115 seq.);

116 (14) Outpatient surgical procedures, including
117 presurgical diagnostic services performed in ambulatory
118 surgical facilities which are licensed by the department of
119 health and senior services of the state of Missouri; except,
120 that such outpatient surgical services shall not include
121 persons who are eligible for coverage under Part B of Title
122 XVIII, Public Law 89-97, 1965 amendments to the federal
123 Social Security Act, as amended, if exclusion of such
124 persons is permitted under Title XIX, Public Law 89-97, 1965
125 amendments to the federal Social Security Act, as amended;

126 (15) Personal care services which are medically
127 oriented tasks having to do with a person's physical
128 requirements, as opposed to housekeeping requirements, which
129 enable a person to be treated by his or her physician on an
130 outpatient rather than on an inpatient or residential basis
131 in a hospital, intermediate care facility, or skilled
132 nursing facility. Personal care services shall be rendered
133 by an individual not a member of the participant's family
134 who is qualified to provide such services where the services
135 are prescribed by a physician in accordance with a plan of
136 treatment and are supervised by a licensed nurse. Persons
137 eligible to receive personal care services shall be those
138 persons who would otherwise require placement in a hospital,
139 intermediate care facility, or skilled nursing facility.
140 Benefits payable for personal care services shall not exceed

141 for any one participant one hundred percent of the average
142 statewide charge for care and treatment in an intermediate
143 care facility for a comparable period of time. Such
144 services, when delivered in a residential care facility or
145 assisted living facility licensed under chapter 198 shall be
146 authorized on a tier level based on the services the
147 resident requires and the frequency of the services. A
148 resident of such facility who qualifies for assistance under
149 section 208.030 shall, at a minimum, if prescribed by a
150 physician, qualify for the tier level with the fewest
151 services. The rate paid to providers for each tier of
152 service shall be set subject to appropriations. Subject to
153 appropriations, each resident of such facility who qualifies
154 for assistance under section 208.030 and meets the level of
155 care required in this section shall, at a minimum, if
156 prescribed by a physician, be authorized up to one hour of
157 personal care services per day. Authorized units of
158 personal care services shall not be reduced or tier level
159 lowered unless an order approving such reduction or lowering
160 is obtained from the resident's personal physician. Such
161 authorized units of personal care services or tier level
162 shall be transferred with such resident if he or she
163 transfers to another such facility. Such provision shall
164 terminate upon receipt of relevant waivers from the federal
165 Department of Health and Human Services. If the Centers for
166 Medicare and Medicaid Services determines that such
167 provision does not comply with the state plan, this
168 provision shall be null and void. The MO HealthNet division
169 shall notify the revisor of statutes as to whether the
170 relevant waivers are approved or a determination of
171 noncompliance is made;

172 (16) Mental health services. The state plan for
173 providing medical assistance under Title XIX of the Social

174 Security Act, 42 U.S.C. Section 301, as amended, shall
175 include the following mental health services when such
176 services are provided by community mental health facilities
177 operated by the department of mental health or designated by
178 the department of mental health as a community mental health
179 facility or as an alcohol and drug abuse facility or as a
180 child-serving agency within the comprehensive children's
181 mental health service system established in section
182 630.097. The department of mental health shall establish by
183 administrative rule the definition and criteria for
184 designation as a community mental health facility and for
185 designation as an alcohol and drug abuse facility. Such
186 mental health services shall include:

187 (a) Outpatient mental health services including
188 preventive, diagnostic, therapeutic, rehabilitative, and
189 palliative interventions rendered to individuals in an
190 individual or group setting by a mental health professional
191 in accordance with a plan of treatment appropriately
192 established, implemented, monitored, and revised under the
193 auspices of a therapeutic team as a part of client services
194 management;

195 (b) Clinic mental health services including
196 preventive, diagnostic, therapeutic, rehabilitative, and
197 palliative interventions rendered to individuals in an
198 individual or group setting by a mental health professional
199 in accordance with a plan of treatment appropriately
200 established, implemented, monitored, and revised under the
201 auspices of a therapeutic team as a part of client services
202 management;

203 (c) Rehabilitative mental health and alcohol and drug
204 abuse services including home and community-based
205 preventive, diagnostic, therapeutic, rehabilitative, and
206 palliative interventions rendered to individuals in an

207 individual or group setting by a mental health or alcohol
208 and drug abuse professional in accordance with a plan of
209 treatment appropriately established, implemented, monitored,
210 and revised under the auspices of a therapeutic team as a
211 part of client services management. As used in this
212 section, mental health professional and alcohol and drug
213 abuse professional shall be defined by the department of
214 mental health pursuant to duly promulgated rules. With
215 respect to services established by this subdivision, the
216 department of social services, MO HealthNet division, shall
217 enter into an agreement with the department of mental
218 health. Matching funds for outpatient mental health
219 services, clinic mental health services, and rehabilitation
220 services for mental health and alcohol and drug abuse shall
221 be certified by the department of mental health to the MO
222 HealthNet division. The agreement shall establish a
223 mechanism for the joint implementation of the provisions of
224 this subdivision. In addition, the agreement shall
225 establish a mechanism by which rates for services may be
226 jointly developed;

227 (17) Such additional services as defined by the MO
228 HealthNet division to be furnished under waivers of federal
229 statutory requirements as provided for and authorized by the
230 federal Social Security Act (42 U.S.C. Section 301, et seq.)
231 subject to appropriation by the general assembly;

232 (18) The services of an advanced practice registered
233 nurse with a collaborative practice agreement to the extent
234 that such services are provided in accordance with chapters
235 334 and 335, and regulations promulgated thereunder;

236 (19) Nursing home costs for participants receiving
237 benefit payments under subdivision (4) of this subsection to
238 reserve a bed for the participant in the nursing home during
239 the time that the participant is absent due to admission to

240 a hospital for services which cannot be performed on an
241 outpatient basis, subject to the provisions of this
242 subdivision:

243 (a) The provisions of this subdivision shall apply
244 only if:

245 a. The occupancy rate of the nursing home is at or
246 above ninety-seven percent of MO HealthNet certified
247 licensed beds, according to the most recent quarterly census
248 provided to the department of health and senior services
249 which was taken prior to when the participant is admitted to
250 the hospital; and

251 b. The patient is admitted to a hospital for a medical
252 condition with an anticipated stay of three days or less;

253 (b) The payment to be made under this subdivision
254 shall be provided for a maximum of three days per hospital
255 stay;

256 (c) For each day that nursing home costs are paid on
257 behalf of a participant under this subdivision during any
258 period of six consecutive months such participant shall,
259 during the same period of six consecutive months, be
260 ineligible for payment of nursing home costs of two
261 otherwise available temporary leave of absence days provided
262 under subdivision (5) of this subsection; and

263 (d) The provisions of this subdivision shall not apply
264 unless the nursing home receives notice from the participant
265 or the participant's responsible party that the participant
266 intends to return to the nursing home following the hospital
267 stay. If the nursing home receives such notification and
268 all other provisions of this subsection have been satisfied,
269 the nursing home shall provide notice to the participant or
270 the participant's responsible party prior to release of the
271 reserved bed;

272 (20) Prescribed medically necessary durable medical
273 equipment. An electronic web-based prior authorization
274 system using best medical evidence and care and treatment
275 guidelines consistent with national standards shall be used
276 to verify medical need;

277 (21) Hospice care. As used in this subdivision, the
278 term "hospice care" means a coordinated program of active
279 professional medical attention within a home, outpatient and
280 inpatient care which treats the terminally ill patient and
281 family as a unit, employing a medically directed
282 interdisciplinary team. The program provides relief of
283 severe pain or other physical symptoms and supportive care
284 to meet the special needs arising out of physical,
285 psychological, spiritual, social, and economic stresses
286 which are experienced during the final stages of illness,
287 and during dying and bereavement and meets the Medicare
288 requirements for participation as a hospice as are provided
289 in 42 CFR Part 418. The rate of reimbursement paid by the
290 MO HealthNet division to the hospice provider for room and
291 board furnished by a nursing home to an eligible hospice
292 patient shall not be less than ninety-five percent of the
293 rate of reimbursement which would have been paid for
294 facility services in that nursing home facility for that
295 patient, in accordance with subsection (c) of Section 6408
296 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

297 (22) Prescribed medically necessary dental services.
298 Such services shall be subject to appropriations. An
299 electronic web-based prior authorization system using best
300 medical evidence and care and treatment guidelines
301 consistent with national standards shall be used to verify
302 medical need;

303 (23) Prescribed medically necessary optometric
304 services. Such services shall be subject to

305 appropriations. An electronic web-based prior authorization
306 system using best medical evidence and care and treatment
307 guidelines consistent with national standards shall be used
308 to verify medical need;

309 (24) Blood clotting products-related services. For
310 persons diagnosed with a bleeding disorder, as defined in
311 section 338.400, reliant on blood clotting products, as
312 defined in section 338.400, such services include:

313 (a) Home delivery of blood clotting products and
314 ancillary infusion equipment and supplies, including the
315 emergency deliveries of the product when medically necessary;

316 (b) Medically necessary ancillary infusion equipment
317 and supplies required to administer the blood clotting
318 products; and

319 (c) Assessments conducted in the participant's home by
320 a pharmacist, nurse, or local home health care agency
321 trained in bleeding disorders when deemed necessary by the
322 participant's treating physician;

323 (25) The MO HealthNet division shall, by January 1,
324 2008, and annually thereafter, report the status of MO
325 HealthNet provider reimbursement rates as compared to one
326 hundred percent of the Medicare reimbursement rates and
327 compared to the average dental reimbursement rates paid by
328 third-party payors licensed by the state. The MO HealthNet
329 division shall, by July 1, 2008, provide to the general
330 assembly a four-year plan to achieve parity with Medicare
331 reimbursement rates and for third-party payor average dental
332 reimbursement rates. Such plan shall be subject to
333 appropriation and the division shall include in its annual
334 budget request to the governor the necessary funding needed
335 to complete the four-year plan developed under this
336 subdivision.

337 2. Additional benefit payments for medical assistance
338 shall be made on behalf of those eligible needy children,
339 pregnant women and blind persons with any payments to be
340 made on the basis of the reasonable cost of the care or
341 reasonable charge for the services as defined and determined
342 by the MO HealthNet division, unless otherwise hereinafter
343 provided, for the following:

344 (1) Dental services;

345 (2) Services of podiatrists as defined in section
346 330.010;

347 (3) Optometric services as described in section
348 336.010;

349 (4) Orthopedic devices or other prosthetics, including
350 eye glasses, dentures, hearing aids, and wheelchairs;

351 (5) Hospice care. As used in this subdivision, the
352 term "hospice care" means a coordinated program of active
353 professional medical attention within a home, outpatient and
354 inpatient care which treats the terminally ill patient and
355 family as a unit, employing a medically directed
356 interdisciplinary team. The program provides relief of
357 severe pain or other physical symptoms and supportive care
358 to meet the special needs arising out of physical,
359 psychological, spiritual, social, and economic stresses
360 which are experienced during the final stages of illness,
361 and during dying and bereavement and meets the Medicare
362 requirements for participation as a hospice as are provided
363 in 42 CFR Part 418. The rate of reimbursement paid by the
364 MO HealthNet division to the hospice provider for room and
365 board furnished by a nursing home to an eligible hospice
366 patient shall not be less than ninety-five percent of the
367 rate of reimbursement which would have been paid for
368 facility services in that nursing home facility for that

369 patient, in accordance with subsection (c) of Section 6408
370 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

371 (6) Comprehensive day rehabilitation services
372 beginning early posttrauma as part of a coordinated system
373 of care for individuals with disabling impairments.
374 Rehabilitation services must be based on an individualized,
375 goal-oriented, comprehensive and coordinated treatment plan
376 developed, implemented, and monitored through an
377 interdisciplinary assessment designed to restore an
378 individual to optimal level of physical, cognitive, and
379 behavioral function. The MO HealthNet division shall
380 establish by administrative rule the definition and criteria
381 for designation of a comprehensive day rehabilitation
382 service facility, benefit limitations and payment
383 mechanism. Any rule or portion of a rule, as that term is
384 defined in section 536.010, that is created under the
385 authority delegated in this subdivision shall become
386 effective only if it complies with and is subject to all of
387 the provisions of chapter 536 and, if applicable, section
388 536.028. This section and chapter 536 are nonseverable and
389 if any of the powers vested with the general assembly
390 pursuant to chapter 536 to review, to delay the effective
391 date, or to disapprove and annul a rule are subsequently
392 held unconstitutional, then the grant of rulemaking
393 authority and any rule proposed or adopted after August 28,
394 2005, shall be invalid and void.

395 3. The MO HealthNet division may require any
396 participant receiving MO HealthNet benefits to pay part of
397 the charge or cost until July 1, 2008, and an additional
398 payment after July 1, 2008, as defined by rule duly
399 promulgated by the MO HealthNet division, for all covered
400 services except for those services covered under
401 subdivisions (15) and (16) of subsection 1 of this section

402 and sections 208.631 to 208.657 to the extent and in the
403 manner authorized by Title XIX of the federal Social
404 Security Act (42 U.S.C. Section 1396, et seq.) and
405 regulations thereunder. When substitution of a generic drug
406 is permitted by the prescriber according to section 338.056,
407 and a generic drug is substituted for a name-brand drug, the
408 MO HealthNet division may not lower or delete the
409 requirement to make a co-payment pursuant to regulations of
410 Title XIX of the federal Social Security Act. A provider of
411 goods or services described under this section must collect
412 from all participants the additional payment that may be
413 required by the MO HealthNet division under authority
414 granted herein, if the division exercises that authority, to
415 remain eligible as a provider. Any payments made by
416 participants under this section shall be in addition to and
417 not in lieu of payments made by the state for goods or
418 services described herein except the participant portion of
419 the pharmacy professional dispensing fee shall be in
420 addition to and not in lieu of payments to pharmacists. A
421 provider may collect the co-payment at the time a service is
422 provided or at a later date. A provider shall not refuse to
423 provide a service if a participant is unable to pay a
424 required payment. If it is the routine business practice of
425 a provider to terminate future services to an individual
426 with an unclaimed debt, the provider may include uncollected
427 co-payments under this practice. Providers who elect not to
428 undertake the provision of services based on a history of
429 bad debt shall give participants advance notice and a
430 reasonable opportunity for payment. A provider,
431 representative, employee, independent contractor, or agent
432 of a pharmaceutical manufacturer shall not make co-payment
433 for a participant. This subsection shall not apply to other
434 qualified children, pregnant women, or blind persons. If

435 the Centers for Medicare and Medicaid Services does not
436 approve the MO HealthNet state plan amendment submitted by
437 the department of social services that would allow a
438 provider to deny future services to an individual with
439 uncollected co-payments, the denial of services shall not be
440 allowed. The department of social services shall inform
441 providers regarding the acceptability of denying services as
442 the result of unpaid co-payments.

443 4. The MO HealthNet division shall have the right to
444 collect medication samples from participants in order to
445 maintain program integrity.

446 5. Reimbursement for obstetrical and pediatric
447 services under subdivision (6) of subsection 1 of this
448 section shall be timely and sufficient to enlist enough
449 health care providers so that care and services are
450 available under the state plan for MO HealthNet benefits at
451 least to the extent that such care and services are
452 available to the general population in the geographic area,
453 as required under subparagraph (a)(30)(A) of 42 U.S.C.
454 Section 1396a and federal regulations promulgated thereunder.

455 6. Beginning July 1, 1990, reimbursement for services
456 rendered in federally funded health centers shall be in
457 accordance with the provisions of subsection 6402(c) and
458 Section 6404 of P.L. 101-239 (Omnibus Budget Reconciliation
459 Act of 1989) and federal regulations promulgated thereunder.

460 7. Beginning July 1, 1990, the department of social
461 services shall provide notification and referral of children
462 below age five, and pregnant, breast-feeding, or postpartum
463 women who are determined to be eligible for MO HealthNet
464 benefits under section 208.151 to the special supplemental
465 food programs for women, infants and children administered
466 by the department of health and senior services. Such
467 notification and referral shall conform to the requirements

468 of Section 6406 of P.L. 101-239 and regulations promulgated
469 thereunder.

470 8. Providers of long-term care services shall be
471 reimbursed for their costs in accordance with the provisions
472 of Section 1902 (a)(13)(A) of the Social Security Act, 42
473 U.S.C. Section 1396a, as amended, and regulations
474 promulgated thereunder.

475 9. Reimbursement rates to long-term care providers
476 with respect to a total change in ownership, at arm's
477 length, for any facility previously licensed and certified
478 for participation in the MO HealthNet program shall not
479 increase payments in excess of the increase that would
480 result from the application of Section 1902 (a)(13)(C) of
481 the Social Security Act, 42 U.S.C. Section 1396a (a)(13)(C).

482 10. The MO HealthNet division may enroll qualified
483 residential care facilities and assisted living facilities,
484 as defined in chapter 198, as MO HealthNet personal care
485 providers.

486 11. Any income earned by individuals eligible for
487 certified extended employment at a sheltered workshop under
488 chapter 178 shall not be considered as income for purposes
489 of determining eligibility under this section.

490 12. If the Missouri Medicaid audit and compliance unit
491 changes any interpretation or application of the
492 requirements for reimbursement for MO HealthNet services
493 from the interpretation or application that has been applied
494 previously by the state in any audit of a MO HealthNet
495 provider, the Missouri Medicaid audit and compliance unit
496 shall notify all affected MO HealthNet providers five
497 business days before such change shall take effect. Failure
498 of the Missouri Medicaid audit and compliance unit to notify
499 a provider of such change shall entitle the provider to
500 continue to receive and retain reimbursement until such

501 notification is provided and shall waive any liability of
502 such provider for recoupment or other loss of any payments
503 previously made prior to the five business days after such
504 notice has been sent. Each provider shall provide the
505 Missouri Medicaid audit and compliance unit a valid email
506 address and shall agree to receive communications
507 electronically. The notification required under this
508 section shall be delivered in writing by the United States
509 Postal Service or electronic mail to each provider.

510 13. Nothing in this section shall be construed to
511 abrogate or limit the department's statutory requirement to
512 promulgate rules under chapter 536.

513 14. Beginning July 1, 2016, and subject to
514 appropriations, providers of behavioral, social, and
515 psychophysiological services for the prevention, treatment,

517 reimbursed utilizing the behavior assessment and
518 intervention reimbursement codes 96150 to 96154 or their
519 successor codes under the Current Procedural Terminology
520 (CPT) coding system. Providers eligible for such
521 reimbursement shall include psychologists.

208.153. 1. Pursuant to and not inconsistent with the
2 provisions of sections 208.151 and 208.152, the MO HealthNet
3 division shall by rule and regulation define the reasonable
4 costs, manner, extent, quantity, quality, charges and fees
5 of MO HealthNet benefits herein provided. The benefits
6 available under these sections shall not replace those
7 provided under other federal or state law or under other
8 contractual or legal entitlements of the persons receiving
9 them, and all persons shall be required to apply for and
10 utilize all benefits available to them and to pursue all
11 causes of action to which they are entitled. Any person
12 entitled to MO HealthNet benefits may obtain it from any

13 provider of services not excluded or disqualified as a
14 provider under any provision of law, including, but not
15 limited to, section 208.164, with which an agreement is in
16 effect under this section and which undertakes to provide
17 the services, as authorized by the MO HealthNet division.
18 At the discretion of the director of the MO HealthNet
19 division and with the approval of the governor, the MO
20 HealthNet division is authorized to provide medical benefits
21 for participants receiving public assistance by expending
22 funds for the payment of federal medical insurance premiums,
23 coinsurance and deductibles pursuant to the provisions of
24 Title XVIII B and XIX, Public Law 89-97, 1965 amendments to
25 the federal Social Security Act (42 U.S.C. 301, et seq.), as
26 amended.

27 2. MO HealthNet shall include benefit payments on
28 behalf of qualified Medicare beneficiaries as defined in 42
29 U.S.C. Section 1396d(p). The family support division shall
30 by rule and regulation establish which qualified Medicare
31 beneficiaries are eligible. The MO HealthNet division shall
32 define the premiums, deductible and coinsurance provided for
33 in 42 U.S.C. Section 1396d(p) to be provided on behalf of
34 the qualified Medicare beneficiaries.

35 3. MO HealthNet shall include benefit payments for
36 Medicare Part A cost sharing as defined in clause
37 (p) (3) (A) (i) of 42 U.S.C. 1396d on behalf of qualified
38 disabled and working individuals as defined in subsection
39 (s) of Section 42 U.S.C. 1396d as required by subsection (d)
40 of Section 6408 of P.L. 101-239 (Omnibus Budget
41 Reconciliation Act of 1989). The MO HealthNet division may
42 impose a premium for such benefit payments as authorized by
43 paragraph (d) (3) of Section 6408 of P.L. 101-239.

44 4. MO HealthNet shall include benefit payments for
45 Medicare Part B cost sharing described in 42 U.S.C. Section

46 1396(d)(p)(3)(A)(ii) for individuals described in subsection
47 2 of this section, but for the fact that their income
48 exceeds the income level established by the state under 42
49 U.S.C. Section 1396(d)(p)(2) but is less than one hundred
50 and ten percent beginning January 1, 1993, and less than one
51 hundred and twenty percent beginning January 1, 1995, of the
52 official poverty line for a family of the size involved.

53 5. For an individual eligible for MO HealthNet under
54 Title XIX of the Social Security Act, MO HealthNet shall
55 include payment of enrollee premiums in a group health plan
56 and all deductibles, coinsurance and other cost-sharing for
57 items and services otherwise covered under the state Title
58 XIX plan under Section 1906 of the federal Social Security
59 Act and regulations established under the authority of
60 Section 1906, as may be amended. Enrollment in a group
61 health plan must be cost effective, as established by the
62 Secretary of Health and Human Services, before enrollment in
63 the group health plan is required. If all members of a
64 family are not eligible for MO HealthNet and enrollment of
65 the Title XIX eligible members in a group health plan is not
66 possible unless all family members are enrolled, all
67 premiums for noneligible members shall be treated as payment
68 for MO HealthNet of eligible family members. Payment for
69 noneligible family members must be cost effective, taking
70 into account payment of all such premiums. Non-Title XIX
71 eligible family members shall pay all deductible,
72 coinsurance and other cost-sharing obligations. Each
73 individual as a condition of eligibility for MO HealthNet
74 benefits shall apply for enrollment in the group health plan.

75 6. Any Social Security cost-of-living increase at the
76 beginning of any year shall be disregarded until the federal
77 poverty level for such year is implemented.

78 7. If a MO HealthNet participant has paid the
79 requested spenddown in cash for any month and subsequently
80 pays an out-of-pocket valid medical expense for such month,
81 such expense shall be allowed as a deduction to future
82 required spenddown for up to three months from the date of
83 such expense.

2 context clearly requires otherwise, the following terms mean:

49 advance of the actual service or services being received;

50 (8) "Provider", any person, partnership, corporation,

68 or employees to commit acts defined as abuse or fraud in
69 this section.

70 3. The department or its divisions shall have the
71 authority to impose prior authorization as defined in this
72 section:

73 (1) When it has reasonable cause to believe a provider
74 or recipient has knowingly followed a course of conduct
75 which is defined as abuse or fraud or excessive use by this
76 section; or

103 services and in quantities which exceed the levels
104 considered necessary by current medical or health care
105 professional practice standards and policies of the program.

106 7. The department or its designated division shall
107 have the authority with respect to recipients of medical
108 assistance benefits who have committed excessive use to
109 limit or restrict the use of the recipient's Medicaid
110 identification card to designated providers and for
111 designated services; the actual method by which such
112 restrictions are imposed shall be at the discretion of the
113 department of social services or its designated division.

145 state's authority under federal law, as implemented by 42
146 CFR 1002.3(b), to exclude an individual or entity from MO
