May your Christmas and New Year be filled with the warmth and light of Christ's unconditional love.

LOOKING BACK AT 2021

As the end of 2021 approaches, I am filled with gratitude for everyone who helped make this past year a success, as well as optimism for the coming legislative session. Thanks for entrusting me to be your voice in Jefferson City. I am truly honored to serve you and to help our community thrive.
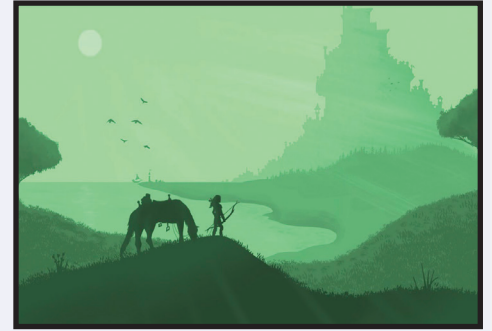

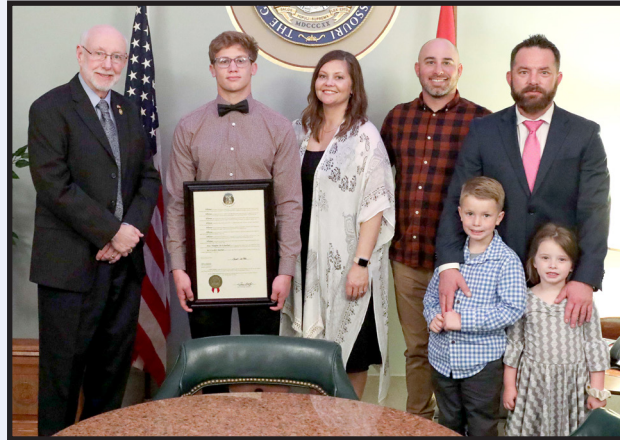

CELEBRATING COMMUNITY MILESTONES

Our community celebrated numerous milestones this past year, including the retirement of key leaders, a finalist for our state's Teacher of the Year award, the 150th anniversary of Murphysburg and Joplin, the 50th anniversary of Buffalo Days in Greenfield, the 10th anniversary of Joplin's deadly tornado, our state's 200th year of statehood and many more.

Congrats, Champions!

Nothing makes a senator prouder than watching our future leaders succeed. Congratulations to the world champion Sarcoxie High School Archery Team; state wrestling champion Cayden Auch; Class 5 football state champions, Webb City Cardinals; the badge-earning members of Carl Junction's Troop 70; and statewide art contest winners.

The Valor of Veterans

One of my proudest accomplishments from the 2021 legislative session was the passage of Senate Bill 120, a military affairs measure to help our beloved veterans prosper. I was also honored to take part in the dedication ceremonies for the Seneca Veterans Memorial and Dade County Veterans Memorial.

Invite Senator White

The more I can learn about our community's unique needs, the better I can represent you at the State Capitol.

Thanks for making me a part of these special events throughout the past year, and please invite me to any events you are planning to hold in 2022.
