29.225. 1. The auditor or his or her authorized
2 representatives may audit all or part of any political
3 subdivision or other governmental entity:

4 (1) If, after an investigation of the political
5 subdivision or governmental entity under section 29.221, or
6 its officers or employees, the auditor has made a finding
7 that the report under section 29.221 is a credible report of
8 allegations of improper governmental activity; or

9 (2) When requested by a prosecuting attorney, circuit
10 attorney, or law enforcement agency as part of an
11 investigation of an improper governmental activity.

12 2. All audits initiated under this section shall be
13 paid for out of the auditor's budget.

14 3. The provisions of this section shall expire on
15 August 28, 2026.

 29.235. 1. The auditor and the auditor's authorized
2 agents are authorized to:

3 (1) Examine all books, accounts, records, reports, or
4 vouchers of any state agency or entity subject to audit,
5 insofar as they are necessary to conduct an audit under this
6 chapter, provided that the auditor complies with state and
7 federal financial privacy requirements prior to accessing
8 financial records including provisions presented in chapter
9 408 and provided that the auditor or other public entity
10 reimburses the reasonable documentation and production costs
11 relating to compliance with examination by the auditor or
12 auditor's authorized agents that pertain to:

13 (a) Amounts received under a grant or contract from
14 the federal government or the state or its political
15 subdivisions;

16 (b) Amounts received, disbursed, or otherwise handled
17 on behalf of the federal government or the state;

18 (2) Examine and inspect all property, equipment, and
19 facilities in the possession of any state agency, political
20 subdivision, or quasi-governmental entity that were

22 any other type of funding by the state of Missouri or the
23 federal government; and

24 (3) Review state tax returns, except such review shall
25 be limited to matters of official business, and the
26 auditor's report shall not violate the confidentiality
27 provisions of tax laws. Notwithstanding confidentiality
28 provisions of tax laws to the contrary, the auditor may use

29 or disclose information related to overdue tax debts in
30 support of the auditor's statutory mission.

31 2. All contracts or agreements entered into as a
32 result of the award of a grant by state agencies or
33 political subdivisions shall include, as a necessary part, a
34 clause describing the auditor's access as provided under
35 this section.

36 3. The auditor may obtain the services of certified
37 public accountants, qualified management consultants, or
38 other professional persons and experts as the auditor deems
39 necessary or desirable to carry out the duties and functions
40 assigned under this chapter. Unless otherwise authorized by
41 law, no state agency shall enter into any contract for
42 auditing services without consultation with, and the prior
43 written approval of, the auditor.

44 4. (1) Insofar as necessary to conduct an audit under
45 this chapter, the auditor or the auditor's authorized
46 representatives shall have the power to subpoena witnesses,
47 to take testimony under oath, to cause the deposition of
48 witnesses residing within or without the state to be taken
49 in a manner prescribed by law, and to assemble records and
50 documents, by subpoena or otherwise.

51 (2) Insofar as necessary to conduct an investigation
52 under section 29.221, the auditor or the auditor's
53 authorized representative shall have the power to subpoena
54 witnesses, to take testimony under oath, to cause the
55 deposition of witnesses residing within or without the state
56 to be taken in a manner prescribed by law, and to assemble
57 records and documents, by subpoena or otherwise.

58 (3) The subpoena power granted by this section shall
59 be exercised only at the specific written direction of the
60 auditor or the auditor's chief deputy.

61 [(2)] (4) If any person refuses to comply with a
62 subpoena, the auditor shall seek to enforce the subpoena
63 before a court of competent jurisdiction to require the
64 attendance and testimony of witnesses and the production of
65 books, papers, correspondence, memoranda, contracts,
66 agreements, and other records. Such court may issue an
67 order requiring such person to appear before the auditor or
68 officers designated by the auditor to produce records or to
69 give testimony relating to the matter under investigation or
70 in question. Any failure to comply with such order of the
71 court may be punished by such court as contempt.

72 5. Testimony and records obtained through the
73 authority to subpoena under this section shall be subject to
74 the same confidentiality and disclosure provisions provided
75 under section 29.200 for audit workpapers and related
76 supportive material.

77 6. The provisions of subdivision (2) of subsection 4
78 of this section and subsection 5 of this section shall
79 expire on August 28, 2026.

44.251. 1. This section shall be known and may be
2 cited as the "Protecting Missouri's Small Businesses Act".

3 2. As used in this section, "shutdown order" means any
4 order by the state or any agency or political subdivision
5 thereof to close a business organization that is caused by
6 any reason outside the business organization's control.

7 3. The general assembly hereby finds and declares the
8 following:

9 (1) It is an essential function of state government to
10 protect the public health, welfare, peace, safety, and the
11 economic viability and well-being of Missourians;

12 (2) One method of protecting Missourians is to
13 preserve and promote the economic viability, well-being, and
14 development of businesses in this state;

15 (3) The state and its political subdivisions may be
16 required to take necessary emergency actions for the
17 protection of Missourians that may adversely affect the
18 economic viability and well-being of Missourians and
19 businesses in the state;

20 (4) Such governmental actions should not be entered
21 into without careful consideration of and appropriate
22 concern for the lasting effects that may cause economic loss
23 to Missourians and businesses in the state;

24 (5) It is the public policy of the state of Missouri
25 that a political subdivision shall give appropriate
26 consideration to the effects of its actions on the economic
27 well-being of Missourians and businesses in the state; and

28 (6) To ensure that a political subdivision gives
29 appropriate consideration to such actions, a political
30 subdivision shall participate in economic losses caused by
31 the political subdivision's actions affecting Missourians
32 and businesses in the state as provided in this section.

33 4. (1) Notwithstanding any other provision of law to
34 the contrary, beginning January 1, 2024, if any political
35 subdivision with jurisdiction over a business implements any
36 shutdown order or orders and the business closes solely due
37 to such shutdown order or orders for at least twenty-one
38 consecutive days or at least forty-five cumulative days in a
39 year, the following shall apply:

40 (a) Any fee for a business license imposed by the
41 political subdivision with jurisdiction over the business
42 shall be waived for the business during the period of the
43 shutdown order or orders or six months, whichever is
44 longer. Fees for a business license may be prorated; and

45 (b) The political subdivision with jurisdiction over
46 the business shall reduce the real and personal property tax

47 liability of such business based on the number of days the
48 business was shut down in a given year as follows:

49 a. If the shutdown order or orders end before June
50 first, the appropriate officials responsible for assessing
51 and levying real and personal property taxes and providing
52 statements of taxes due in the political subdivision with
53 jurisdiction over the business shall calculate the tax
54 liability of such business as required by law. After such
55 tax liability is calculated, such officials shall reduce
56 such tax liability as required in this section. Such
57 reduction shall be reflected on the statement of taxes due
58 provided to the taxpayer who is liable for the property
59 taxes of the business. Such appropriate officials shall
60 follow all procedures for calculating such taxes and
61 providing such statements provided by law as practicable. A
62 taxpayer receiving a reduced statement of taxes due shall
63 make full payment of such reduced taxes before the
64 delinquency date as provided by law; and

65 b. If the shutdown order or orders remain in effect on
66 or after June first, the taxpayer who is liable for the
67 property taxes of the business shall make full payment of
68 taxes due before the delinquency date as provided by law.
69 The appropriate officials responsible for assessing and
70 levying real and personal property taxes and providing
71 statements of taxes due in the political subdivision with
72 jurisdiction over the business shall:

73 (i) Notify such taxpayer, at the same time the
74 taxpayer's statement of taxes due is provided to the
75 taxpayer as required by law, that the taxpayer may apply for
76 a refund of a portion of the property tax liability of such
77 business as provided in this section;

78 (ii) Provide a method of applying for a refund of such
79 portion of such tax liability, by which the taxpayer shall

80 provide any information required by the appropriate
81 officials to assist in the calculation of such portion. A
82 refund application made as provided in this subparagraph
83 shall be submitted to the appropriate official no later than
84 the January fifteenth immediately following the refund
85 notification;

86 (iii) Calculate the amount of such allowable portion
87 to be refunded and notify the taxpayer of such amount. All
88 such calculations for all refund applications shall be
89 completed no later than the February fifteenth following the
90 refund notification; and

91 (iv) Make payments of all refunds to all taxpayers
92 eligible for the refund. All such payments of refunds shall
93 be completed no later than the March fifteenth immediately
94 following the refund notification.

95 (2) Notwithstanding any other provision of this
96 section to the contrary, a taxpayer whose tax liability is
97 reduced as provided in this subsection and who leases or
98 rents all or a portion of the taxpayer's affected real
99 property to one or more renters or lessees shall distribute
100 such amount by which the tax liability is reduced on a pro
101 rata basis to such renters or lessees who are current on all
102 lease or rental payments owed to the taxpayer whose tax
103 liability is reduced.

104 5. This section shall not be construed to apply to
105 fees required for a license or certification of an
106 individual to practice a profession.

107 6. This section shall not be construed as an exemption
108 of property from taxation requiring the state to provide
109 restitution or a replacement of revenues lost to a political
110 subdivision. Any action taken by a political subdivision
111 that results in a recalculation or refund of taxes or
112 revenues lost by the political subdivision, or both, shall

113 be construed as an exercise of the political subdivision's
114 authority to levy and collect local tax revenues as provided
115 by state law.

52.150. 1. The person appointed to fill a vacancy in
2 the office of collector shall execute a bond and collect and
3 pay over the taxes in the manner required of the collector
4 subject to the provisions of subsections 2, 3, 4 and 6 of
5 this section, and his acts shall be as binding and effectual
6 as acts of the regularly elected collector. He may obtain
7 judgment and sell delinquent lands and lots in the manner in
8 which the collector is authorized to act.

9 2. [The person appointed to fill a vacancy in the
10 office of collector shall within five days after assuming
11 the duties of the office notify the state auditor of the
12 need for an audit of the office.] The state auditor shall
13 [within twenty days of receipt of the notice commence]
14 conduct an audit of the collector's office if the county
15 governing body passes an order or resolution requesting the
16 audit within thirty days of the appointment of the new
17 collector.

18 3. If an audit is requested under subsection 2 of this
19 section, the state auditor shall:

20 (1) Determine the financial condition of the accounts
21 of the office of the collector;

22 (2) Determine the proper compensation that should have
23 been paid to the replaced collector in the past three years
24 and the compensation actually paid during such period; and

25 (3) File a report of his finding with the county
26 governing body and the person appointed to fill the vacancy
27 in the office of the collector.

28 4. The county governing body shall notwithstanding any
29 other provision of law to the contrary:

30 (1) Accept the report of the state auditor; and

31 (2) If necessary order the newly appointed collector
32 to withhold and pay any funds owing to the county and the
33 past collector or his estate from current tax revenue; or

34 (3) Direct the prosecuting attorney to file suit
35 against the past collector or his estate or against his bond
36 to recover any overpayment.

37 5. The prosecuting attorney shall represent the
38 county, the county governing body and the newly appointed
39 collector without additional compensation in any civil
40 action arising as a result of this section.

41 6. Any moneys recovered pursuant to this section due
42 the county or any political subdivision within the county
43 shall be paid in the year of recovery as if the funds were
44 collected in the current year.

45 7. The county governing body shall pay to the state
46 auditor from county general revenue the costs of the audit
47 conducted pursuant to subsections 2 and 3 of this section.

64.570. 1. From and after the adoption of the
2 official master plan or portion thereof and its proper
3 certification and recording, thereafter no improvement of a
4 type embraced within the recommendations of such official
5 master plan or part thereof shall be constructed or
6 authorized without first submitting the proposed plans
7 thereof to the county planning commission and receiving the
8 written approval or recommendations of said commission.
9 This requirement shall be deemed to be waived if the county
10 planning commission fails to make its report and
11 recommendations within forty-five days after receipt of the
12 proposed plans.

13 2. (1) In the case of any public improvement
14 sponsored or proposed to be made by any municipality or
15 other political or civil subdivision of the state, or public
16 board, commission or other public officials, the disapproval

17 or recommendations of the county planning commission may be
18 overruled by a two-thirds vote, properly entered of record
19 and certified to the county planning commission, of the
20 governing body of such municipality, or other political or
21 civil subdivision, or public board, commission or officials,
22 after the reasons for such overruling are spread upon its
23 minutes, which reasons shall also be certified to the county
24 planning commission.

25 (2) Notwithstanding the provisions of subdivision (1)
26 of this subsection to the contrary, a board governing a
27 library established under chapter 182 shall not have the
28 power to overrule the disapproval or recommendations of the
29 county planning commission.

64.820. 1. From and after the adoption of the
2 official master plan or portion thereof and its proper
3 certification and recording, thereafter no improvement of a
4 type embraced within the recommendations of the official
5 master plan, or part thereof, shall be constructed or
6 authorized without first submitting the proposed plans
7 thereof to the county planning commission and receiving the
8 written approval or recommendations of the commission. This
9 requirement shall be deemed to be waived if the county
10 planning commission fails to make its report and
11 recommendations within forty-five days after receipt of the
12 proposed plans.

13 2. (1) In the case of any public improvement
14 sponsored or proposed to be made by any municipality or
15 other political or civil subdivision of the state, or public
16 board, commission or other public officials, the disapproval
17 or recommendations of the county planning commission may be
18 overruled by a two-thirds vote, properly entered of record
19 and certified to the county planning commission, of the
20 governing body of the municipality, or other political or

21 civil subdivision, or public board, commission or officials,
22 after the reasons for the overruling are spread upon its
23 minutes, which reasons shall also be certified to the county
24 planning commission.

25 (2) Notwithstanding the provisions of subdivision (1)
26 of this subsection to the contrary, a board governing a
27 library established under chapter 182 shall not have the
28 power to overrule the disapproval or recommendations of the
29 county planning commission.

65.665. 1. From and after the adoption of the
2 official master plan or portion thereof and its proper
3 certification and recording, thereafter no improvement of a
4 type embraced within the recommendations of such official
5 master plan or part thereof shall be constructed or
6 authorized without first submitting the proposed plans
7 thereof to the township planning commission and receiving
8 the written approval or recommendations of the township
9 planning commission. This requirement shall be deemed to be
10 waived if the township planning commission fails to make its
11 report and recommendations within forty-five days after
12 receipt of the proposed plans.

13 2. (1) In the case of any public improvement
14 sponsored or proposed to be made by any municipality or
15 other political or civil subdivision of the state, or public
16 board, commission or other public officials, the disapproval
17 or recommendations of the township planning commission may
18 be overruled by a two-thirds vote properly entered of record
19 and certified to the township planning commission, of the
20 governing body of such municipality, or other political or
21 civil subdivision, or public board, commission or officials,
22 after the reasons for such overruling are spread upon its
23 minutes, which reasons shall also be certified to the
24 township planning commission.

25 (2) Notwithstanding the provisions of subdivision (1)
26 of this subsection to the contrary, a board governing a
27 library established under chapter 182 shall not have the
28 power to overrule the disapproval or recommendations of the
29 township planning commission.

67.137. No county, municipality, or other political
2 subdivision shall impose or otherwise enforce a moratorium
3 on eviction proceedings unless specifically authorized by
4 state law.

 67.145. 1. No political subdivision of this state
2 shall prohibit any first responder from engaging in any
3 political activity while off duty and not in uniform, being
4 a candidate for elected or appointed public office, or
5 holding such office unless such political activity or
6 candidacy is otherwise prohibited by state or federal law.

 2. As used in this section, "first responder" means
8 any person trained and authorized by law or rule to render
9 emergency medical assistance or treatment. Such persons may
10 include, but shall not be limited to, emergency first
11 responders, telecommunicator first responders, police

9 adopt a meeting speaker policy to ensure that the
10 requirements listed in this subsection are followed at each
11 meeting of the governing body:

12 (1) Each governing body shall designate a time for
13 public comment at the beginning of each regular public
14 meeting. Such public comment period shall be available to
15 residents, businesses, and taxpayers of the political
16 subdivision and shall be subject to reasonable rules
17 requiring decorum and civility in the meeting space;

18 (2) No governing body shall restrict the category or
19 content of remarks during such public comment period;

20 (3) A governing body may set a time limit on any
21 individual who desires to speak at a meeting. Each such
22 time limit shall designate not less than three minutes per
23 speaker. The governing body may limit the public comment
24 period to one hour of actual testimony or twenty speakers,
25 whichever is less based on the number of minutes designated
26 per speaker. If the time designated for the public comment
27 period expires and additional speakers were not afforded the
28 time to speak, such additional speakers shall have the
29 opportunity to speak at the public comment period of the
30 next regular public meeting and the governing body shall
31 provide an alternate method of communicating such additional
32 speakers' concerns to the governing body;

33 (4) Each governing body may request identifying
34 information of each individual desiring to speak, but shall
35 not require any information other than the name and address
36 of the individual as a condition of speaking;

37 (5) No governing body shall ban an individual from
38 attending or remove an individual from participating in a
39 meeting unless such individual is banned or removed because
40 such individual commits the offense of peace disturbance as

41 provided in section 574.010, has previously been removed
42 from a meeting and issued a summons for the offense of peace
43 disturbance under section 574.010, or is prohibited from
44 being on property of the political subdivision under state
45 law; and

46 (6) Each governing body shall provide a method for an
47 individual who is unable to attend the public comment period
48 of a meeting to submit a written statement. Any such
49 written statement submitted before the beginning of the
50 meeting shall be provided to the governing body and made
51 available to all individuals attending such meeting and to
52 the public upon request unless such written statement
53 violates the policies or rules established for the public
54 comment period.

55 3. If it is necessary to hold a meeting on less than
56 twenty-four hours' notice, or if the meeting will be
57 conducted exclusively electronically, or at a time that is
58 not reasonably convenient to the public, the nature of the
59 good cause justifying that departure from the normal
60 requirements shall be stated in the minutes. Meetings held
61 in person and not otherwise subject to being closed under
62 section 610.021 shall be conducted in a manner that allows
63 physical in-person public attendance.

67.5122. Sections 67.5110 to 67.5122 shall expire on
2 January 1, [2025] 2029, except that for small wireless
3 facilities already permitted or collocated on authority
4 poles prior to such date, the rate set forth in section
5 67.5116 for collocation of small wireless facilities on
6 authority poles shall remain effective for the duration of
7 the permit authorizing the collocation.

2 majority vote of its governing body, elect to cover
3 [emergency telecommunicators] telecommunicator first

4 responders, jailors, and emergency medical service personnel
5 as public safety personnel members of the system. The clerk
6 or secretary of the political subdivision shall certify an
7 election concerning the coverage of [emergency
8 telecommunicators] telecommunicator first responders,
9 jailors, and emergency medical service personnel as public
10 safety personnel members of the system to the board within
11 ten days after such vote. The date in which the political
12 subdivision's election becomes effective shall be the first
13 day of the calendar month specified by such governing body,
14 the first day of the calendar month next following receipt
15 by the board of the certification of the election, or the
16 effective date of the political subdivision's becoming an
17 employer, whichever is the latest date. Such election shall
18 not be changed after the effective date. If the election is
19 made, the coverage provisions shall be applicable to all
20 past and future employment with the employer by present and
21 future employees. If a political subdivision makes no
22 election under this section, no [emergency] telecommunicator
23 first responder, jailor, or emergency medical service
24 personnel of the political subdivision shall be considered
25 public safety personnel for purposes determining a minimum
26 service retirement age as defined in section 70.600.

27 2. If an employer elects to cover [emergency
28 telecommunicators] telecommunicator first responders,
29 jailors, and emergency medical service personnel as public
30 safety personnel members of the system, the employer's
31 contributions shall be correspondingly changed effective the
32 same date as the effective date of the political
33 subdivision's election.

34 3. The limitation on increases in an employer's
35 contributions provided by subsection 6 of section 70.730
36 shall not apply to any contribution increase resulting from

37 an employer making an election under the provisions of this
38 section.

79.235. 1. Notwithstanding any other provision of law
2 to the contrary and for any city of the fourth
3 classification with no more than two thousand inhabitants,
4 if a statute or ordinance authorizes the mayor of a city of
5 the fourth classification to appoint a member of a board or
6 commission, any requirement that the appointed person be a
7 resident of the city shall be deemed satisfied if the person
8 owns real property or a business in the city, regardless of
9 whether the position to which the appointment is made is
10 considered an officer of the city under section 79.250.

11 2. Notwithstanding any other provision of law to the
12 contrary and for any city of the fourth classification with
13 no more than two thousand inhabitants, if a statute or
14 ordinance authorizes a mayor to appoint a member of a board
15 that manages a municipal utility of the city, any
16 requirement that the appointed person be a resident of the
17 city shall be deemed satisfied if all of the following
18 conditions are met:

19 (1) The board has no authority to set utility rates or
20 to issue bonds;

21 (2) The person resides within five miles of the city
22 limits;

23 (3) The person owns real property or a business in the
24 city;

26 of a public utility, as described under section 91.450,
27 managed by the board; and

28 (5) The person has no pecuniary interest in, and is
29 not a board member of, any utility company that offers the
30 same type of service as a utility managed by the board.

84.344. 1. Notwithstanding any provisions of this
2 chapter to the contrary, any city not within a county may
3 establish a municipal police force on or after July 1, 2013,
4 according to the procedures and requirements of this
5 section. The purpose of these procedures and requirements
6 is to provide for an orderly and appropriate transition in
7 the governance of the police force and provide for an
8 equitable employment transition for commissioned and
9 civilian personnel.

10 2. Upon the establishment of a municipal police force
11 by a city under sections 84.343 to 84.346, the board of
12 police commissioners shall convey, assign, and otherwise
13 transfer to the city title and ownership of all indebtedness
14 and assets, including, but not limited to, all funds and
15 real and personal property held in the name of or controlled
16 by the board of police commissioners created under sections
17 84.010 to 84.340. The board of police commissioners shall
18 execute all documents reasonably required to accomplish such
19 transfer of ownership and obligations.

20 3. If the city establishes a municipal police force
21 and completes the transfer described in subsection 2 of this
22 section, the city shall provide the necessary funds for the
23 maintenance of the municipal police force.

24 4. Before a city not within a county may establish a
25 municipal police force under this section, the city shall
26 adopt an ordinance accepting responsibility, ownership, and
27 liability as successor-in-interest for contractual
28 obligations, indebtedness, and other lawful obligations of
29 the board of police commissioners subject to the provisions
30 of subsection 2 of section 84.345.

31 5. A city not within a county that establishes a
32 municipal police force shall initially employ, without a
33 reduction in rank, salary, or benefits, all commissioned and

34 civilian personnel of the board of police commissioners
35 created under sections 84.010 to 84.340 that were employed
36 by the board immediately prior to the date the municipal
37 police force was established. Such commissioned personnel
38 who previously were employed by the board may only be
39 involuntarily terminated by the city not within a county for
40 cause. The city shall also recognize all accrued years of
41 service that such commissioned and civilian personnel had
42 with the board of police commissioners. Such personnel
43 shall be entitled to the same holidays, vacation, and sick
44 leave they were entitled to as employees of the board of
45 police commissioners.

46 6. [(1)] Commissioned and civilian personnel of a
47 municipal police force established under this section [who
48 are hired prior to September 1, 2023,] shall not be subject
49 to a residency requirement of retaining a primary residence
50 in a city not within a county but may be required to
51 maintain a primary residence located within a one-hour
52 response time.

53 [(2) Commissioned and civilian personnel of a
54 municipal police force established under this section who
55 are hired after August 31, 2023, may be subject to a
56 residency rule no more restrictive than a requirement of
57 retaining a primary residence in a city not within a county
58 for a total of seven years and of then allowing the
59 personnel to maintain a primary residence outside the city
60 not within a county so long as the primary residence is
61 located within a one-hour response time.]

62 7. The commissioned and civilian personnel who retire
63 from service with the board of police commissioners before
64 the establishment of a municipal police force under
65 subsection 1 of this section shall continue to be entitled

66 to the same pension benefits provided under chapter 86 and
67 the same benefits set forth in subsection 5 of this section.

68 8. If the city not within a county elects to establish
69 a municipal police force under this section, the city shall
70 establish a separate division for the operation of its
71 municipal police force. The civil service commission of the
72 city may adopt rules and regulations appropriate for the
73 unique operation of a police department. Such rules and
74 regulations shall reserve exclusive authority over the
75 disciplinary process and procedures affecting commissioned
76 officers to the civil service commission; however, until
77 such time as the city adopts such rules and regulations, the
78 commissioned personnel shall continue to be governed by the
79 board of police commissioner's rules and regulations in
80 effect immediately prior to the establishment of the
81 municipal police force, with the police chief acting in
82 place of the board of police commissioners for purposes of
83 applying the rules and regulations. Unless otherwise
84 provided for, existing civil service commission rules and
85 regulations governing the appeal of disciplinary decisions
86 to the civil service commission shall apply to all
87 commissioned and civilian personnel. The civil service
88 commission's rules and regulations shall provide that
89 records prepared for disciplinary purposes shall be
90 confidential, closed records available solely to the civil
91 service commission and those who possess authority to
92 conduct investigations regarding disciplinary matters
93 pursuant to the civil service commission's rules and
94 regulations. A hearing officer shall be appointed by the
95 civil service commission to hear any such appeals that
96 involve discipline resulting in a suspension of greater than
97 fifteen days, demotion, or termination, but the civil
98 service commission shall make the final findings of fact,

99 conclusions of law, and decision which shall be subject to
100 any right of appeal under chapter 536.

101 9. A city not within a county that establishes and
102 maintains a municipal police force under this section:

103 (1) Shall provide or contract for life insurance
104 coverage and for insurance benefits providing health,
105 medical, and disability coverage for commissioned and
106 civilian personnel of the municipal police force to the same
107 extent as was provided by the board of police commissioners
108 under section 84.160;

109 (2) Shall provide or contract for medical and life
110 insurance coverage for any commissioned or civilian
111 personnel who retired from service with the board of police
112 commissioners or who were employed by the board of police
113 commissioners and retire from the municipal police force of
114 a city not within a county to the same extent such medical
115 and life insurance coverage was provided by the board of
116 police commissioners under section 84.160;

117 (3) Shall make available medical and life insurance
118 coverage for purchase to the spouses or dependents of
119 commissioned and civilian personnel who retire from service
120 with the board of police commissioners or the municipal
121 police force and deceased commissioned and civilian
122 personnel who receive pension benefits under sections 86.200
123 to 86.366 at the rate that such dependent's or spouse's
124 coverage would cost under the appropriate plan if the
125 deceased were living; and

126 (4) May pay an additional shift differential
127 compensation to commissioned and civilian personnel for
128 evening and night tours of duty in an amount not to exceed
129 ten percent of the officer's base hourly rate.

130 10. A city not within a county that establishes a
131 municipal police force under sections 84.343 to 84.346 shall

132 establish a transition committee of five members for the
133 purpose of: coordinating and implementing the transition of
134 authority, operations, assets, and obligations from the
135 board of police commissioners to the city; winding down the
136 affairs of the board; making nonbinding recommendations for
137 the transition of the police force from the board to the
138 city; and other related duties, if any, established by
139 executive order of the city's mayor. Once the ordinance
140 referenced in this section is enacted, the city shall
141 provide written notice to the board of police commissioners
142 and the governor of the state of Missouri. Within thirty
143 days of such notice, the mayor shall appoint three members
144 to the committee, two of whom shall be members of a
145 statewide law enforcement association that represents at
146 least five thousand law enforcement officers. The remaining
147 members of the committee shall include the police chief of
148 the municipal police force and a person who currently or
149 previously served as a commissioner on the board of police
150 commissioners, who shall be appointed to the committee by
151 the mayor of such city.

84.480. The board of police commissioners shall
2 appoint a chief of police who shall be the chief police
3 administrative and law enforcement officer of such cities.
4 The chief of police shall be chosen by the board solely on
5 the basis of his or her executive and administrative
6 qualifications and his or her demonstrated knowledge of
7 police science and administration with special reference to
8 his or her actual experience in law enforcement leadership
9 and the provisions of section 84.420. At the time of the
10 appointment, the chief shall [not be more than sixty years
11 of age, shall] have had at least five years' executive
12 experience in a governmental police agency and shall be
13 certified by a surgeon or physician to be in a good physical

14 condition, and shall be a citizen of the United States and
15 shall either be or become a citizen of the state of Missouri
16 and resident of the city in which he or she is appointed as
17 chief of police. In order to secure and retain the highest
18 type of police leadership within the departments of such
19 cities, the chief shall receive a salary of not less than
20 eighty thousand two hundred eleven dollars, nor more than
21 [one hundred eighty-nine thousand seven hundred twenty-six
22 dollars per annum] a maximum salary amount established by
23 the board by resolution.

84.510. 1. For the purpose of operation of the police
2 department herein created, the chief of police, with the
3 approval of the board, shall appoint such number of police

6 necessary.

2. The base annual compensation of police officers
8 shall be as follows for the several ranks:

33 not less than twenty-six thousand six hundred forty-three
34 dollars[, nor more than eighty-seven thousand six hundred
35 thirty-six dollars per annum each].

36 3. The board of police commissioners has the authority
37 by resolution to effect a comprehensive pay schedule program
38 to provide for step increases with separate pay rates within
39 each rank, [in] using the above-specified salary minimums as
40 a base for such ranges from police officers through chief of
41 police.

42 4. Officers assigned to wear civilian clothes in the
43 performance of their regular duties may receive an
44 additional one hundred fifty dollars per month clothing

46 dollars per month uniform maintenance allowance.

47 5. The chief of police, subject to the approval of the
48 board, shall establish the total regular working hours for
49 all police department employees, and the board has the

63 determine are assigned duties which require an extraordinary

66 nor deductions made from these payments for the purpose of
67 retirement benefits.

68 7. The board of police commissioners may effect
69 programs to provide additional compensation for successful
70 completion of academic work at an accredited college or
71 university. No credit shall be given nor deductions made
72 from these payments for the purpose of retirement benefits.

73 8. The additional pay increments provided in
74 subsections 6 and 7 of this section shall not be considered
75 a part of the base compensation of police officers of any
76 rank and shall not exceed ten percent of what the officer
77 would otherwise be entitled to pursuant to subsections 2 and
78 3 of this section.

79 [9. Not more than twenty-five percent of the officers

86 section shall not be deprived of such pay increment as a
87 result of the limitations of this subsection.]

89.380. 1. Whenever the commission adopts the plan of
2 the municipality or any part thereof, no street or other
3 public facilities, or no public utility, whether publicly or
4 privately owned, and, the location, extent and character
5 thereof having been included in the recommendations and
6 proposals of the plan or portions thereof, shall be
7 constructed or authorized in the municipality until the
8 location, extent and character thereof has been submitted to
9 and approved by the planning commission.

10 2. In case of disapproval the commission shall
11 communicate its reasons to the council, and the council, by
12 vote of not less than two-thirds of its entire membership,
13 may overrule the disapproval and, upon the overruling, the
14 council or the appropriate board or officer may proceed[,
15 except that].

16 3. Notwithstanding the provisions of subsection 2 of
17 this section to the contrary, if the public facility or
18 utility is one the authorization or financing of which does
19 not fall within the province of the council, [then] the
20 following provisions shall apply:

21 (1) The submission to the planning commission shall be
22 by the board having jurisdiction[.]; and

23 (2) The planning commission's disapproval may be
24 overruled by [that] the board described in subdivision (1)

29 4. The acceptance, widening, removal, extension,
30 relocation, narrowing, vacation, abandonment, change of use,
31 acquisition of land for, sale or lease of any street or
32 other public facility is subject to similar submission and
33 approval, and the failure to approve may be similarly

34 overruled to the extent allowed under subsection 3 of this
35 section.

36 5. The failure of the commission to act within sixty
37 days after the date of official submission to it shall be
38 deemed approval.

105.145. 1. The following definitions shall be
2 applied to the terms used in this section:

3 (1) "Governing body", the board, body, or persons in
4 which the powers of a political subdivision as a body
5 corporate, or otherwise, are vested;

6 (2) "Political subdivision", any agency or unit of
7 this state, except counties and school districts, which now
8 is, or hereafter shall be, authorized to levy taxes or
9 empowered to cause taxes to be levied.

10 2. The governing body of each political subdivision in
11 the state shall cause to be prepared an annual report of the
12 financial transactions of the political subdivision in such
13 summary form as the state auditor shall prescribe by rule,
14 except that the annual report of political subdivisions
15 whose cash receipts for the reporting period are ten
16 thousand dollars or less shall only be required to contain
17 the cash balance at the beginning of the reporting period, a
18 summary of cash receipts, a summary of cash disbursements
19 and the cash balance at the end of the reporting period.

20 3. Within such time following the end of the fiscal
21 year as the state auditor shall prescribe by rule, the
22 governing body of each political subdivision shall cause a
23 copy of the annual financial report to be remitted to the
24 state auditor.

25 4. The state auditor shall immediately on receipt of
26 each financial report acknowledge the receipt of the report.

27 5. In any fiscal year no member of the governing body
28 of any political subdivision of the state shall receive any

29 compensation or payment of expenses after the end of the
30 time within which the financial statement of the political
31 subdivision is required to be filed with the state auditor
32 and until such time as the notice from the state auditor of
33 the filing of the annual financial report for the fiscal
34 year has been received.

35 6. The state auditor shall prepare sample forms for
36 financial reports and shall mail the same to the political
37 subdivisions of the state. Failure of the auditor to supply
38 such forms shall not in any way excuse any person from the
39 performance of any duty imposed by this section.

40 7. All reports or financial statements hereinabove
41 mentioned shall be considered to be public records.

42 8. The provisions of this section apply to the board
43 of directors of every transportation development district
44 organized under sections 238.200 to 238.275.

45 9. Any political subdivision that fails to timely
46 submit a copy of the annual financial statement to the state
47 auditor shall be subject to a fine of five hundred dollars
48 per day.

49 10. The state auditor shall report any violation of
50 subsection 9 of this section to the department of revenue.
51 Upon notification from the state auditor's office that a
52 political subdivision failed to timely submit a copy of the
53 annual financial statement, the department of revenue shall
54 notify such political subdivision by certified mail that the
55 statement has not been received. Such notice shall clearly
56 set forth the following:

- 57 (1) The name of the political subdivision;
- 58 (2) That the political subdivision shall be subject to
59 a fine of five hundred dollars per day if the political
60 subdivision does not submit a copy of the annual financial
61 statement to the state auditor's office within thirty days

62 from the postmarked date stamped on the certified mail
63 envelope;

64 (3) That the fine will be enforced and collected as
65 provided under subsection 11 of this section; and

66 (4) That the fine will begin accruing on the thirty-
67 first day from the postmarked date stamped on the certified
68 mail envelope and will continue to accrue until the state
69 auditor's office receives a copy of the financial statement.

70 In the event a copy of the annual financial statement is
71 received within such thirty-day period, no fine shall accrue
72 or be imposed. The state auditor shall report receipt of
73 the financial statement to the department of revenue within
74 ten business days. Failure of the political subdivision to
75 submit the required annual financial statement within such
76 thirty-day period shall cause the fine to be collected as
77 provided under subsection 11 of this section.

78 11. The department of revenue may collect the fine
79 authorized under the provisions of subsection 9 of this
80 section by offsetting any sales or use tax distributions due
81 to the political subdivision. The director of revenue shall
82 retain two percent for the cost of such collection. The
83 remaining revenues collected from such violations shall be
84 distributed annually to the schools of the county in the
85 same manner that proceeds for all penalties, forfeitures,
86 and fines collected for any breach of the penal laws of the
87 state are distributed.

88 12. (1) Any political subdivision that has gross
89 revenues of less than five thousand dollars or that has not
90 levied or collected taxes in the fiscal year for which the
91 annual financial statement was not timely filed shall not be
92 subject to the fine authorized in this section.

93 (2) Notwithstanding this section or any other law to
94 the contrary, no political subdivision with less than five

95 hundred inhabitants shall be subject to the fine authorized
96 in this section, and any fine or fines previously assessed
97 but not paid in full shall be deemed void.

98 13. If a failure to timely submit the annual financial
99 statement is the result of fraud or other illegal conduct by
100 an employee or officer of the political subdivision, the
101 political subdivision shall not be subject to a fine
102 authorized under this section if the statement is filed
103 within thirty days of the discovery of the fraud or illegal
104 conduct. If a fine is assessed and paid prior to the filing
105 of the statement, the department of revenue shall refund the
106 fine upon notification from the political subdivision.

107 14. If a political subdivision has an outstanding
108 balance for fines or penalties at the time it files its
109 first annual financial statement after January 1, 2023, the
110 director of revenue shall make a one-time downward
111 adjustment to such outstanding balance in an amount that
112 reduces the outstanding balance by no less than ninety
113 percent.

114 15. The director of revenue shall have the authority
115 to make a one-time downward adjustment to any outstanding
116 penalty imposed under this section on a political
117 subdivision if the director determines the fine is
118 uncollectable. The director of revenue may prescribe rules
119 and regulations necessary to carry out the provisions of
120 this subsection. Any rule or portion of a rule, as that

26 system serving Missouri.

27 2. A medical director is required for all ambulance
28 services and emergency medical response agencies that

30 services utilizing medications or providing assistance with
31 patients' medications; or basic life support services
32 performing invasive procedures including invasive airway
33 procedures. The medical director shall provide medical
34 direction to these services and agencies in these instances.

69 7. Regional EMS medical directors may act to provide
70 online telecommunication medical direction to AEMTs, [EMT-
71 Bs, EMT-Ps] EMTs, paramedics, and community paramedics and

79 needs patients, regional EMS medical directors may
80 promulgate such protocols on a regional basis across
81 multiple political subdivisions' jurisdictional boundaries,
82 and such protocols may be used by multiple agencies
83 including, but not limited to, ambulance services, emergency
84 response agencies, and public health departments. Treatment
85 protocols shall include steps to ensure the receiving
86 hospital is informed of the pending arrival of the special

88 treatment instituted.

89 9. Multiple EMS agencies including, but not limited
90 to, ambulance services, emergency response agencies, and
91 public health departments shall take necessary steps to
92 follow the regional EMS protocols established as provided
93 under subsection 8 of this section in cases of mass casualty
94 or state-declared disaster incidents.

95 10. When regional EMS medical directors develop and

97 medical direction for patients, such activity shall not be
98 construed as having usurped local medical direction
99 authority in any manner.

102 community and regional time-critical diagnosis plans.

103 12. Notwithstanding any other provision of law to the

10 190.900 to 190.939 takes effect, an applicant for initial
11 licensure as an emergency medical technician in this state

12 shall submit to a background check by the Missouri state
13 highway patrol and the Federal Bureau of Investigation
14 through a process approved by the department of health and
15 senior services. Such processes may include the use of

17 highway patrol. The department may share the results of
18 such a criminal background check with any emergency services
19 licensing agency in any member state, as that term is
20 defined under section 190.900, in recognition of the EMS
21 personnel licensure interstate compact. The department
22 shall not issue a license until the department receives the
23 results of an applicant's criminal background check from the
24 Missouri state highway patrol and the Federal Bureau of
25 Investigation, but, notwithstanding this subsection, the
26 department may issue a temporary license as provided under
27 section 190.143. Any fees due for a criminal background
28 check shall be paid by the applicant.

29 (3) The director may authorize investigations into
30 criminal records in other states for any applicant.

31 2. The department shall issue a license to all levels
32 of emergency medical technicians, for a period of five
33 years, if the applicant meets the requirements established
34 pursuant to sections 190.001 to 190.245 and the rules
35 adopted by the department pursuant to sections 190.001 to
36 190.245. The department may promulgate rules relating to
37 the requirements for an emergency medical technician
38 including but not limited to:

39 (1) Age requirements;

44 department through rules adopted pursuant to sections
45 190.001 to 190.245;

46 (3) Paramedic accreditation requirements. Paramedic
47 training programs shall be accredited [by the Commission on
48 Accreditation of Allied Health Education Programs (CAAHEP)

50 National Registry of Emergency Medical Technicians;

51 (4) Initial licensure testing requirements. Initial
52 [EMT-P] paramedic licensure testing shall be through the
53 national registry of EMTs;

59 technician license shall be made upon such forms as
60 prescribed by the department in rules adopted pursuant to
61 sections 190.001 to 190.245. The application form shall
62 contain such information as the department deems necessary
63 to make a determination as to whether the emergency medical
64 technician meets all the requirements of sections 190.001 to
65 190.245 and rules promulgated pursuant to sections 190.001
66 to 190.245.

67 4. All levels of emergency medical technicians may
68 perform only that patient care which is:

69 (1) Consistent with the training, education and
70 experience of the particular emergency medical technician;
71 and

72 (2) Ordered by a physician or set forth in protocols
73 approved by the medical director.

74 5. No person shall hold themselves out as an emergency
75 medical technician or provide the services of an emergency

77 department.

78 6. Any rule or portion of a rule, as that term is
79 defined in section 536.010, that is created under the
80 authority delegated in this section shall become effective
81 only if it complies with and is subject to all of the
82 provisions of chapter 536 and, if applicable, section
83 536.028. This section and chapter 536 are nonseverable and
84 if any of the powers vested with the general assembly
85 pursuant to chapter 536 to review, to delay the effective
86 date, or to disapprove and annul a rule are subsequently
87 held unconstitutional, then the grant of rulemaking
88 authority and any rule proposed or adopted after August 28,
89 2002, shall be invalid and void.

190.147. 1. [An emergency medical technician
2 paramedic (EMT-P)] A paramedic may make a good faith

4 present a likelihood of serious harm to themselves or
5 others, as the term "likelihood of serious harm" is defined
6 under section 632.005, or who are significantly
7 incapacitated by alcohol or drugs shall be placed into a
8 temporary hold for the sole purpose of transport to the
9 nearest appropriate facility; provided that, such
10 determination shall be made in cooperation with at least one
11 other [EMT-P] paramedic or other health care professional
12 involved in the transport. Once in a temporary hold, the
13 patient shall be treated with humane care in a manner that
14 preserves human dignity, consistent with applicable federal
15 regulations and nationally recognized guidelines regarding
16 the appropriate use of temporary holds and restraints in
17 medical transport. Prior to making such a determination:

18 (1) The [EMT-P] paramedic shall have completed a
19 standard crisis intervention training course as endorsed and

20 developed by the state EMS medical director's advisory
21 committee;

22 (2) The **[EMT-P]** paramedic shall have been authorized

27 service has developed and adopted standardized triage,

32 by the state EMS medical director's advisory committee; and

33 (b) That such protocols shall direct the **[EMT-P]**
34 paramedic regarding the proper use of patient restraint and
35 coordination with area law enforcement; and

36 (c) Patient restraint protocols shall be based upon
37 current applicable national guidelines.

38 2. In any instance in which a good faith determination
39 for a temporary hold of a patient has been made, such hold
40 shall be made in a clinically appropriate and adequately
41 justified manner, and shall be documented and attested to in
42 writing. The writing shall be retained by the ambulance
43 service and included as part of the patient's medical file.

44 3. **[EMT-Ps]** Paramedics who have made a good faith
45 decision for a temporary hold of a patient as authorized by
46 this section shall no longer have to rely on the common law
47 doctrine of implied consent and therefore shall not be
48 civilly liable for a good faith determination made in
49 accordance with this section and shall not have waived any
50 sovereign immunity defense, official immunity defense, or
51 Missouri public duty doctrine defense if employed at the

52 time of the good faith determination by a government
53 employer.

54 4. Any ground or air ambulance service that adopts the
55 authority and protocols provided for by this section shall
56 have a memorandum of understanding with applicable local law
57 enforcement agencies in order to achieve a collaborative and
58 coordinated response to patients displaying symptoms of
59 either a likelihood of serious harm to themselves or others
60 or significant incapacitation by alcohol or drugs, which
61 require a crisis intervention response. The memorandum of
62 understanding shall include, but not be limited to, the
63 following:

64 (1) Administrative oversight, including coordination
65 between ambulance services and law enforcement agencies;

66 (2) Patient restraint techniques and coordination of

73 5. The physical restraint of a patient by an emergency
74 medical technician under the authority of this section shall
75 be permitted only in order to provide for the safety of
76 bystanders, the patient, or emergency personnel due to an
77 imminent or immediate danger, or upon approval by local
78 medical control through direct communications. Restraint
79 shall also be permitted through cooperation with on-scene
80 law enforcement officers. All incidents involving patient
81 restraint used under the authority of this section shall be
82 reviewed by the ambulance service physician medical director.

190.327. 1. Immediately upon the decision by the
2 commission to utilize a portion of the emergency telephone

48 (10) To have and exercise all rights and powers
49 necessary or incidental to or implied from the specific
50 powers granted in this subsection. Such specific powers

57 administer the funds and oversee the provision of central
58 dispatching for emergency services in the counties,
59 municipalities, and other political subdivisions which have
60 contracted for such service upon the request of the

43 (b) If the seller can identify the portion of the
44 price that is attributable to the prepaid wireless
45 telecommunications service by reasonable and verifiable
46 standards from the seller's books and records that are kept
47 in the regular course of business for other purposes
48 including, but not limited to, nontax purposes, three
49 percent of such portion;

50 The first fifteen dollars of each transaction under this
51 subdivision shall not be subject to the service charge.

52 (3) The prepaid wireless emergency telephone service
53 charge shall be collected by the seller from the consumer
54 with respect to each retail transaction occurring in this
55 state. The amount of the prepaid wireless emergency
56 telephone service charge shall be either separately stated
57 on an invoice, receipt, or other similar document that is
58 provided to the consumer by the seller or otherwise
59 disclosed to the consumer.

60 (4) For purposes of this subsection, a retail
61 transaction that is effected in person by a consumer at a
62 business location of the seller shall be treated as
63 occurring in this state if that business location is in this
64 state, and any other retail transaction shall be treated as
65 occurring in this state if the retail transaction is treated
66 as occurring under chapter 144.

67 (5) The prepaid wireless emergency telephone service
68 charge is the liability of the consumer and not of the
69 seller or of any provider; except that, the seller shall be
70 liable to remit all charges that the seller collects or is
71 deemed to collect.

72 (6) The amount of the prepaid wireless emergency
73 telephone service charge that is collected by a seller from
74 a consumer, if such amount is separately stated on an
75 invoice, receipt, or other similar document provided to the
76 consumer by the seller, shall not be included in the base
77 for measuring any tax, fee, surcharge, or other charge that
78 is imposed by this state, any political subdivision of this
79 state, or any intergovernmental agency.

80 3. (1) Prepaid wireless emergency telephone service
81 charges collected by sellers shall be remitted to the
82 department at the times and in the manner provided by state
83 law with respect to sales and use taxes. The department
84 shall establish registration and payment procedures that

85 substantially coincide with the registration and payment
86 procedures that apply under state law. On or after the
87 effective date of the service charge imposed under the
88 provisions of this section, the director of the department
89 of revenue shall perform all functions incident to the
90 administration, collection, enforcement, and operation of
91 the service charge, and the director shall collect, in
92 addition to the sales tax for the state of Missouri, all
93 additional service charges imposed in this section. All
94 service charges imposed under this section together with all
95 taxes imposed under the sales tax law of the state of
96 Missouri shall be collected together and reported upon such
97 forms and under such administrative rules and regulations as
98 may be prescribed by the director. All applicable
99 provisions contained in sections 144.010 to 144.525
100 governing the state sales tax and section 32.057 shall apply
101 to the collection of any service charges imposed under this
102 section except as modified.

103 (2) Beginning on January 1, 2019, and ending on
104 January 31, 2019, when a consumer purchases prepaid wireless
105 telecommunications service in a retail transaction from a
106 seller under this section, the seller shall be allowed to
107 retain one hundred percent of the prepaid wireless emergency
108 telephone service charges that are collected by the seller
109 from the consumer. Beginning on February 1, 2019, a seller
110 shall be permitted to deduct and retain three percent of
111 prepaid wireless emergency telephone service charges that
112 are collected by the seller from consumers.

113 (3) The department shall establish procedures by which
114 a seller of prepaid wireless telecommunications service may
115 document that a sale is not a retail transaction, which
116 procedures shall substantially coincide with the procedures

117 for documenting sale for resale transactions for sales and
118 use purposes under state law.

119 (4) The department shall deposit all remitted prepaid
120 wireless emergency telephone service charges into the
121 general revenue fund for the department's use until eight
122 hundred thousand one hundred fifty dollars is collected to
123 reimburse its direct costs of administering the collection
124 and remittance of prepaid wireless emergency telephone
125 service charges. From then onward, the department shall
126 deposit all remitted prepaid wireless emergency telephone
127 service charges into the Missouri 911 service trust fund
128 created under section 190.420 within thirty days of receipt
129 for use by the board. After the initial eight hundred
130 thousand one hundred fifty dollars is collected, the
131 department may deduct an amount not to exceed one percent of
132 collected charges to be retained by the department to
133 reimburse its direct costs of administering the collection
134 and remittance of prepaid wireless emergency telephone
135 service charges.

136 (5) The board shall set a rate between twenty-five and
137 one hundred percent of the prepaid wireless emergency
138 telephone service charges deposited in the Missouri 911
139 service trust fund collected in counties without a charter
140 form of government, less the deductions authorized in
141 subdivision (4) of this subsection, that shall be remitted
142 to such counties in direct proportion to the amount of
143 charges collected in each county. The board shall set a
144 rate between sixty-five and one hundred percent of the
145 prepaid wireless emergency telephone service charges
146 deposited in the Missouri 911 service trust fund collected
147 in counties with a charter form of government and any city
148 not within a county, less the deductions authorized in
149 subdivision (4) of this subsection, that shall be remitted

150 to each such county or city not within a county in direct
151 proportion to the amount of charges collected in each such
152 county or city not within a county. If a county has an
153 elected emergency services board, the Missouri 911 service
154 board shall remit the funds to the elected emergency
155 services board, except for an emergency services board
156 originally organized under section 190.325 operating within
157 a county with a charter form of government and with more
158 than two hundred thousand but fewer than three hundred fifty
159 thousand inhabitants, in which case the funds shall be
160 remitted to the county's general fund for the purpose of
161 public safety infrastructure. The initial percentage rate
162 set by the board for counties with and without a charter
163 form of government and any city not within a county shall be
164 set by June thirtieth of each applicable year and may be
165 adjusted annually for the first three years, and thereafter
166 the rate may be adjusted every three years; however, at no
167 point shall the board set rates that fall below twenty-five
168 percent for counties without a charter form of government
169 and sixty-five percent for counties with a charter form of
170 government and any city not within a county.

171 (6) Any amounts received by a county or city under
172 subdivision (5) of this subsection shall be used only for
173 purposes authorized in sections 190.305, 190.325, and
174 190.335. Any amounts received by any county with a charter
175 form of government and with more than six hundred thousand
176 but fewer than seven hundred thousand inhabitants under this
177 section may be used for emergency service notification
178 systems.

179 4. (1) A seller that is not a provider shall be
180 entitled to the immunity and liability protections under
181 section 190.455, notwithstanding any requirement in state

182 law regarding compliance with Federal Communications
183 Commission Order 05-116.

184 (2) A provider shall be entitled to the immunity and
185 liability protections under section 190.455.

187 provided in subdivisions (1) and (2) of this subsection,
188 each provider and seller and its officers, employees,
189 assigns, agents, vendors, or anyone acting on behalf of such
190 persons shall be entitled to the further protection from
191 liability, if any, that is provided to providers and sellers
192 of wireless telecommunications service that is not prepaid
193 wireless telecommunications service under section 190.455.

194 5. The prepaid wireless emergency telephone service
195 charge imposed by this section shall be in addition to any
196 other tax, fee, surcharge, or other charge imposed by this
197 state, any political subdivision of this state, or any
198 intergovernmental agency for 911 funding purposes.

199 6. The provisions of this section shall become
200 effective unless the governing body of a county or city
201 adopts an ordinance, order, rule, resolution, or regulation
202 by at least a two-thirds vote prohibiting the charge
203 established under this section from becoming effective in
204 the county or city at least forty-five days prior to the
205 effective date of this section. If the governing body does
206 adopt such ordinance, order, rule, resolution, or regulation
207 by at least a two-thirds vote, the charge shall not be
208 collected and the county or city shall not be allowed to
209 obtain funds from the Missouri 911 service trust fund that
210 are remitted to the fund under the charge established under
211 this section. The Missouri 911 service board shall, by
212 September 1, 2018, notify all counties and cities of the
213 implementation of the charge established under this section,

214 and the procedures set forth under this subsection for
215 prohibiting the charge from becoming effective.

216 7. Any county or city which prohibited the prepaid
217 wireless emergency telephone service charge pursuant to the
218 provisions of subsection 6 of this section may take a vote
219 of the governing body, and notify the department of revenue
220 of the result of such vote [, by November 15, 2019,] to
221 impose such charge [effective January 1, 2020]. A vote of
222 at least two-thirds of the governing body is required in
223 order to impose such charge. The department shall notify
224 the board of notices received [by December 1, 2019] within
225 sixty days of receiving such notice.
