Any amount of credit that the taxpayer is prohibited by this section from claiming in a tax year shall not be refundable, but may be carried forward to any of the taxpayer's three subsequent tax years. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.

6. Under section 23.253 of the Missouri sunset act:

(1) The program authorized under this section shall be reauthorized as of August 28, 2018, and shall expire on December 31, ~~[2026]~~ 2027, unless reauthorized by the general assembly; and

144.030. 1. There is hereby specifically exempted from the provisions of sections 144.010 to 144.525 and from the computation of the tax levied, assessed or payable pursuant to sections 144.010 to 144.525 such retail sales as

may be made in commerce between this state and any other state of the United States, or between this state and any foreign country, and any retail sale which the state of Missouri is prohibited from taxing pursuant to the Constitution or laws of the United States of America, and such retail sales of tangible personal property which the general assembly of the state of Missouri is prohibited from taxing or further taxing by the constitution of this state.

2. There are also specifically exempted from the provisions of the local sales tax law as defined in section 32.085, section 238.235, and sections 144.010 to 144.525 and 144.600 to 144.761 and from the computation of the tax levied, assessed or payable pursuant to the local sales tax law as defined in section 32.085, section 238.235, and sections 144.010 to 144.525 and 144.600 to 144.745:

(1) Motor fuel or special fuel subject to an excise tax of this state, unless all or part of such excise tax is refunded pursuant to section 142.824; or upon the sale at retail of fuel to be consumed in manufacturing or creating gas, power, steam, electrical current or in furnishing water to be sold ultimately at retail; or feed for livestock or poultry; or grain to be converted into foodstuffs which are to be sold ultimately in processed form at retail; or seed, limestone or fertilizer which is to be used for seeding, liming or fertilizing crops which when harvested will be sold at retail or will be fed to livestock or poultry to be sold ultimately in processed form at retail; economic poisons registered pursuant to the provisions of the Missouri pesticide registration law, sections 281.220 to 281.310, which are to be used in connection with the growth or production of crops, fruit trees or orchards applied before, during, or after planting, the crop of which when harvested will be sold at retail or will be converted into

foodstuffs which are to be sold ultimately in processed form at retail;

(2) Materials, manufactured goods, machinery and parts which when used in manufacturing, processing, compounding, mining, producing or fabricating become a component part or ingredient of the new personal property resulting from such manufacturing, processing, compounding, mining, producing or fabricating and which new personal property is intended to be sold ultimately for final use or consumption; and materials, including without limitation, gases and manufactured goods, including without limitation slagging materials and firebrick, which are ultimately consumed in the manufacturing process by blending, reacting or interacting with or by becoming, in whole or in part, component parts or ingredients of steel products intended to be sold ultimately for final use or consumption;

(3) Materials, replacement parts and equipment purchased for use directly upon, and for the repair and maintenance or manufacture of, motor vehicles, watercraft, railroad rolling stock or aircraft engaged as common carriers of persons or property;

(4) Replacement machinery, equipment, and parts and the materials and supplies solely required for the installation or construction of such replacement machinery, equipment, and parts, used directly in manufacturing, mining, fabricating or producing a product which is intended to be sold ultimately for final use or consumption; and machinery and equipment, and the materials and supplies required solely for the operation, installation or construction of such machinery and equipment, purchased and used to establish new, or to replace or expand existing, material recovery processing plants in this state. For the purposes of this subdivision, a "material recovery

processing plant" means a facility that has as its primary purpose the recovery of materials into a usable product or a different form which is used in producing a new product and shall include a facility or equipment which are used exclusively for the collection of recovered materials for delivery to a material recovery processing plant but shall not include motor vehicles used on highways. For purposes of this section, the terms motor vehicle and highway shall have the same meaning pursuant to section 301.010. For the purposes of this subdivision, subdivision (5) of this subsection, and section 144.054, as well as the definition in subdivision (9) of subsection 1 of section 144.010, the term "product" includes telecommunications services and the term "manufacturing" shall include the production, or production and transmission, of telecommunications services. The preceding sentence does not make a substantive change in the law and is intended to clarify that the term "manufacturing" has included and continues to include the production and transmission of "telecommunications services", as enacted in this subdivision and subdivision (5) of this subsection, as well as the definition in subdivision (9) of subsection 1 of section 144.010. The preceding two sentences reaffirm legislative intent consistent with the interpretation of this subdivision and subdivision (5) of this subsection in *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002) and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005), and accordingly abrogates the Missouri supreme court's interpretation of those exemptions in *IBM Corporation v. Director of Revenue*, 491 S.W.3d 535 (Mo. banc 2016) to the extent inconsistent with this section and *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc

2002) and Southwestern Bell Tel. Co. v. Director of Revenue, 182 S.W.3d 226 (Mo. banc 2005). The construction and application of this subdivision as expressed by the Missouri supreme court in DST Systems, Inc. v. Director of Revenue, 43 S.W.3d 799 (Mo. banc 2001); Southwestern Bell Tel. Co. v. Director of Revenue, 78 S.W.3d 763 (Mo. banc 2002); and Southwestern Bell Tel. Co. v. Director of Revenue, 182 S.W.3d 226 (Mo. banc 2005), is hereby affirmed. Material recovery is not the reuse of materials within a manufacturing process or the use of a product previously recovered. The material recovery processing plant shall qualify under the provisions of this section regardless of ownership of the material being recovered;

(5) Machinery and equipment, and parts and the materials and supplies solely required for the installation or construction of such machinery and equipment, purchased and used to establish new or to expand existing manufacturing, mining or fabricating plants in the state if such machinery and equipment is used directly in manufacturing, mining or fabricating a product which is intended to be sold ultimately for final use or consumption. The construction and application of this subdivision as expressed by the Missouri supreme court in DST Systems, Inc. v. Director of Revenue, 43 S.W.3d 799 (Mo. banc 2001); Southwestern Bell Tel. Co. v. Director of Revenue, 78 S.W.3d 763 (Mo. banc 2002); and Southwestern Bell Tel. Co. v. Director of Revenue, 182 S.W.3d 226 (Mo. banc 2005), is hereby affirmed;

There shall be a rebuttable presumption that the raw materials used in the primary manufacture of automobiles contain at least twenty-five percent recovered materials. For purposes of this subdivision, "processing" means any mode of treatment, act

or series of acts performed upon materials to transform and reduce them to a different state or thing, including treatment necessary to maintain or preserve such processing by the producer at the production facility;

(a) "Direct costs", costs incurred by a governmental authority solely because of an internet service provider's use of the public right-of-way. The term shall not include costs that the governmental authority would have incurred if the internet service provider did not make such use of the public right-of-way. Direct costs shall be determined in a manner consistent with generally accepted accounting principles;

(b) "Internet", computer and telecommunications facilities, including equipment and operating software, that comprises the interconnected worldwide network that employ the transmission control protocol or internet protocol, or any predecessor or successor protocols to that protocol, to communicate information of all kinds by wire or radio;

(c) "Internet access", a service that enables users to connect to the internet to access content, information, or other services without regard to whether the service is referred to as telecommunications, communications, transmission, or similar services, and without regard to whether a provider of the service is subject to regulation by the Federal Communications Commission as a common carrier under 47 U.S.C. Section 201, et seq. For purposes of this subdivision, internet access also includes: the purchase, use, or sale of communications services, including telecommunications services as defined in section 144.010,

to the extent the communications services are purchased, used, or sold to provide the service described in this subdivision or to otherwise enable users to access content, information, or other services offered over the internet; services that are incidental to the provision of a service described in this subdivision, when furnished to users as part of such service, including a home page, electronic mail, and instant messaging, including voice-capable and video-capable electronic mail and instant messaging, video clips, and personal electronic storage capacity; a home page electronic mail and instant messaging, including voice-capable and video-capable electronic mail and instant messaging, video clips, and personal electronic storage capacity that are provided independently or that are not packed with internet access. As used in this subdivision, internet access does not include voice, audio, and video programming or other products and services, except services described in this paragraph or this subdivision, that use internet protocol or any successor protocol and for which there is a charge, regardless of whether the charge is separately stated or aggregated with the charge for services described in this paragraph or this subdivision;

(d) "Tax", any charge imposed by the state or a political subdivision of the state for the purpose of generating revenues for governmental purposes and that is not a fee imposed for a specific privilege, service, or benefit conferred, except as described as otherwise under this subdivision, or any obligation imposed on a seller to collect and to remit to the state or a political subdivision of the state any gross retail tax, sales tax, or use tax imposed on a buyer by such a governmental entity. The term tax shall not include any franchise fee or similar fee imposed or authorized under sections 67.1830 to 67.1846 or

section 67.2689; Section 622 or 653 of the Communications Act of 1934, 47 U.S.C. Section 542 and 47 U.S.C. Section 573; or any other fee related to obligations of telecommunications carriers under the Communications Act of 1934, 47 U.S.C. Section 151, et seq., except to the extent that:

a. The fee is not imposed for the purpose of recovering direct costs incurred by the franchising or other governmental authority from providing the specific privilege, service, or benefit conferred to the payer of the fee; or

b. The fee is imposed for the use of a public right-of-way based on a percentage of the service revenue, and the fee exceeds the incremental direct costs incurred by the governmental authority associated with the provision of that right-of-way to the provider of internet access service.

Nothing in this subdivision shall be interpreted as an exemption from taxes due on goods or services that were subject to tax on January 1, 2016;

(46) All purchases by a company of solar photovoltaic energy systems, components used to construct a solar photovoltaic energy system, and all purchases of materials and supplies used directly to construct or make improvements to such systems, provided that such systems:

(a) Are sold or leased to an end user; or
(b) Are used to produce, collect and transmit electricity for resale or retail;

(47) All sales of diapers. For the purposes of this subdivision, "diapers" shall mean absorbent garments worn by infants or toddlers who are not toilet-trained or by individuals who are incapable of controlling their bladder or bowel movements;

For purposes of this subsection, an "affiliated person" means any person that is a member of the same controlled group of corporations as defined in Section 1563(a) of the Internal Revenue Code of 1986, as amended, as the vendor or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the vendor as a corporation that is a member of the same controlled group of corporations as defined in Section 1563(a) of the Internal Revenue Code, as amended.
