---

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Sections 115.127, 115.205, 115.284, 115.427, 115.430, and 115.637, RSMo, are repealed and seven new sections enacted in lieu thereof, to be known as sections 115.127, 115.205, 115.284, 115.427, 115.430, 115.637, and 115.638, to read as follows:

115.127. 1. Except as provided in subsection 4 of this section, upon receipt of notice of a special election to fill a vacancy submitted pursuant to subsection 2 of section 115.125, the election authority shall cause legal notice of the special election to be published in a newspaper of general circulation in its jurisdiction. The notice shall include the name of the officer or agency calling the election, the date and time of the election, the name of the office to be filled and the date by which candidates must be selected or filed for the office. Within one week prior to each special election to fill a vacancy held in its jurisdiction, the election authority shall cause legal notice of the election to be published in two newspapers of different political faith and general circulation in the jurisdiction. The legal notice shall include the date and time of the election, the name of the officer or agency calling the election and a sample ballot. If there is only one newspaper of general circulation in the jurisdiction, the notice shall be published in the newspaper

within one week prior to the election. If there are two or more newspapers of general circulation in the jurisdiction, but no two of opposite political faith, the notice shall be published in any two of the newspapers within one week prior to the election.

2. Except as provided in subsections 1 and 4 of this section and in sections 115.521, 115.549 and 115.593, the election authority shall cause legal notice of each election held in its jurisdiction to be published. The notice shall be published in two newspapers of different political faith and qualified pursuant to chapter 493 which are published within the bounds of the area holding the election. If there is only one so-qualified newspaper, then notice shall be published in only one newspaper. If there is no newspaper published within the bounds of the election area, then the notice shall be published in two qualified newspapers of different political faith serving the area. Notice shall be published twice, the first publication occurring in the second week prior to the election, and the second publication occurring within one week prior to the election. Each such legal notice shall include the date and time of the election, the name of the officer or agency calling the election and a sample ballot; and, unless notice has been given as provided by section 115.129, the second publication of notice of the election shall include the location of polling places. The election authority may provide any additional notice of the election it deems desirable.

3. The election authority shall print the official ballot as the same appears on the sample ballot, and no candidate's name or ballot issue which appears on the sample ballot or official printed ballot shall be stricken or removed from the ballot except on death of a candidate or by

court order, but in no event shall a candidate or issue be stricken or removed from the ballot less than eight weeks before the date of the election.

4. In lieu of causing legal notice to be published in accordance with any of the provisions of this chapter, the election authority in jurisdictions which have less than seven hundred fifty registered voters and in which no newspaper qualified pursuant to chapter 493 is published, may cause legal notice to be mailed during the second week prior to the election, by first class mail, to each registered voter at the voter's voting address. All such legal notices shall include the date and time of the election, the location of the polling place, the name of the officer or agency calling the election and a sample ballot.

5. If the opening date for filing a declaration of candidacy for any office in a political subdivision or special district is not required by law or charter, the opening filing date shall be 8:00 a.m., the **[seventeenth]** sixteenth Tuesday prior to the election. If the closing date for filing a declaration of candidacy for any office in a political subdivision or special district is not required by law or charter, the closing filing date shall be 5:00 p.m., the **[fourteenth]** thirteenth Tuesday prior to the election or, if the thirteenth Tuesday prior to the election is a holiday, the closing filing date shall be 5:00 p.m., on the next day that is not a holiday. The political subdivision or special district calling an election shall, before the **[seventeenth]** sixteenth Tuesday, prior to any election at which offices are to be filled, notify the general public of the opening filing date, the office or offices to be filled, the proper place for filing and the closing filing date of the election. Such notification may be accomplished by legal notice published in at least one

newspaper of general circulation in the political subdivision or special district.

6. Except as provided for in sections 115.247 and 115.359, if there is no additional cost for the printing or reprinting of ballots or if the candidate agrees to pay any printing or reprinting costs, a candidate who has filed for an office or who has been duly nominated for an office may, at any time after the certification of the notice of election required in subsection 1 of section 115.125 but no later than 5:00 p.m. on the eighth Tuesday before the election, withdraw as a candidate pursuant to a court order, which, except for good cause shown by the election authority in opposition thereto, shall be freely given upon application by the candidate to the circuit court of the area of such candidate's residence.

115.205. 1. No person shall be paid or otherwise compensated for soliciting voter registration applications, other than a governmental entity or a person who is paid or compensated by a governmental entity for such solicitation. A voter registration solicitor, other than a governmental entity or a person who is paid or compensated by a governmental entity for such solicitation, who solicits more than ten voter registration applications shall register for every election cycle that begins on the day after the general election and ends on the day of the general election two years later. A voter registration solicitor shall be at least eighteen years of age and shall be a registered voter in the state of Missouri.

2. Each voter registration solicitor shall provide the following information in writing to the secretary of state's office:

- (1) The name of the voter registration solicitor;

(2) The residential address, including street number, city, state, and zip code;

(3) The mailing address, if different from the residential address; and

3. The solicitor information required in subsection 2 of this section shall be submitted to the secretary of state's office with the following oath and affirmation:

"I HEREBY SWEAR OR AFFIRM UNDER PENALTY OF PERJURY THAT ALL STATEMENTS MADE BY ME ARE TRUE AND CORRECT."

4. Any voter registration solicitor who knowingly fails to register with the secretary of state is guilty of a class three election offense. Voter registration applications shall be accepted by the election authority if such applications are otherwise valid, even if the voter registration solicitor who procured the applications fails to register with or submits false information to the secretary of state.

115.284. 1. There is hereby established an absentee voting process to assist persons with permanent disabilities in the exercise of their voting rights.

2. The local election authority shall send an application to participate in the absentee voting process set out in this section to any registered voter residing within the election authority's jurisdiction upon request.

3. Upon receipt of a properly completed application, the election authority shall enter the voter's name on a list of voters qualified to participate as absentee voters pursuant to this section.

4. The application to participate in the absentee voting process shall be in substantially the following form:

2. (1) An individual who appears at a polling place without a form of personal identification described in subsection 1 of this section and who is otherwise qualified to vote at that polling place shall be allowed to cast a provisional ballot. The election judges shall make a notation on the provisional ballot envelope to indicate that the voter's identity was not verified.

(2) For an individual requesting an absentee ballot in person, such individual shall be entitled to cast a provisional ballot if the individual appears to vote without a form of personal identification described in subsection 1 of this section and is otherwise qualified to vote.

Once voted, the provisional ballot shall be sealed in the provisional ballot envelope and placed in a separate secured container by the election judge.

4. The provisional ballot cast by such voter shall not be counted unless:

(b) The election authority verifies the identity of the individual by comparing that individual's signature to the signature on file with the election authority and determines that the individual was eligible to cast a ballot at the polling place where the ballot was cast; and

(2) The provisional ballot otherwise qualifies to be counted under section 115.430.

5. The secretary of state shall provide notice of the personal photo identification requirements described in subsection 1 of this section on the official state internet website of the secretary of state.

6. (1) Notwithstanding the provisions of section 136.055 and section 302.181 to the contrary, the state and

Any individual seeking one of the above documents in order to obtain a form of personal photo identification described in subsection 1 of this section for voting may request the secretary of state to facilitate the acquisition of such documents. The secretary of state shall pay any fee or fees charged by another state or its agencies, or any court of competent jurisdiction in this state or any other state, or the federal government or its agencies, in order to obtain any of the above documents from such state or the federal government.

(3) Any applicant who requests a nondriver's license for voting shall not be required to pay a fee. The state of Missouri shall pay the legally required fees for any such applicant. The department of revenue and a local election authority may enter into a contract that allows the local

The report shall also include the number of persons requesting a nondriver's license for purposes of voting under this section, but not receiving such license, and the reason for the denial of the nondriver's license.

8. The precinct register shall serve as the voter identification certificate. The following form shall be printed at the top of each page of the precinct register:

VOTER'S IDENTIFICATION CERTIFICATE

Warning: It is against the law for anyone to vote, or attempt to vote, without having a lawful right to vote.

PRECINCT

WARD OR TOWNSHIP \_\_\_\_\_

GENERAL (SPECIAL, PRIMARY) ELECTION

Held \_\_\_\_\_, 20\_\_\_\_\_

Date

I hereby certify that I am qualified to vote at this election by signing my name and verifying my address by signing my initials next to my address.

9. The secretary of state shall promulgate rules to effectuate the provisions of this section.

10. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective

only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.

11. If any voter is unable to sign his name at the appropriate place on the certificate or computer printout, an election judge shall print the name and address of the voter in the appropriate place on the precinct register, the voter shall make his mark in lieu of signature, and the voter's mark shall be witnessed by the signature of an election judge.

115.430. 1. This section shall apply to [primary and general elections where candidates for federal or statewide offices are nominated or elected and any election where statewide issue or issues are submitted to the voters] any public election.

2. (1) A voter claiming to be properly registered in the jurisdiction of the election authority and eligible to vote in an election, but whose eligibility at that precinct cannot be immediately established upon examination of the precinct register, shall be entitled to vote a provisional ballot after providing a form of personal identification required pursuant to section 115.427 or upon executing an affidavit under section 115.427, or may vote at a central polling place as established in section 115.115 where the voter may vote his or her appropriate ballot for his or her precinct of residence upon verification of eligibility or vote a provisional ballot if eligibility cannot be

determined. The provisional ballot provided to a voter under this section shall be the ballot provided to a resident of the voter's precinct determined by reference to the affidavit provided for in this section. If the voter declares that the voter is eligible to vote and the election authority determines that the voter is eligible to vote at another polling place, the voter shall be directed to the correct polling place or a central polling place as established by the election authority pursuant to subsection 5 of section 115.115. If the voter refuses to go to the correct polling place or a central polling place, the voter shall be permitted to vote a provisional ballot at the incorrect polling place, but such ballot shall not be counted if the voter was not eligible to vote at that polling place.

(2) The following steps shall be taken to establish a voter's eligibility to vote at a polling place:

(a) The election judge shall examine the precinct register as provided in section 115.425. If the voter is registered and eligible to vote at the polling place, the voter shall receive a regular ballot;

(b) If the voter's eligibility cannot be immediately established by examining the precinct register, the election judge shall contact the election authority. If the election authority cannot immediately establish that the voter is registered and eligible to vote at the polling place upon examination of the Missouri voter registration system, or if the election judge is unable to make contact with the election authority immediately, the voter shall be notified that the voter is entitled to a provisional ballot.

(3) The voter shall have the duty to appear and vote at the correct polling place. If an election judge determines that the voter is not eligible to vote at the

polling place at which a voter presents himself or herself, and if the voter appears to be eligible to vote at another polling place, the voter shall be informed that he or she may cast a provisional ballot at the current polling place or may travel to the correct polling place or a central polling place, as established by the election authority under subsection 5 of section 115.115, where the voter may cast a regular ballot or provisional ballot if the voter's eligibility still cannot be determined. Provisional ballots cast at a polling place shall be counted only if the voter was eligible to vote at such polling place as provided in subsection 5 of this section.

(4) For a voter requesting an absentee ballot in person, such voter shall be entitled to cast a provisional ballot when the voter's eligibility cannot be immediately established upon examination of the precinct registers or the Missouri voter registration system.

(5) Prior to accepting any provisional ballot at the polling place, the election judges shall determine that the information provided on the provisional ballot envelope by the provisional voter is consistent with the identification provided by such person under section 115.427.

3. (1) No person shall be entitled to receive a provisional ballot until such person has completed a provisional ballot affidavit on the provisional ballot envelope.

(2) The secretary of state shall produce appropriate sizes of provisional ballot envelopes and distribute them to each election authority according to their tabulating system. All provisional ballot envelopes shall be printed on a distinguishable color of paper that is different from the color of the regular ballot. The provisional ballot envelope shall be in the form required by subsection 4 of

this section. All provisional ballots shall be marked with a conspicuous stamp or other distinguishing mark that makes them readily distinguishable from the regular ballots.

(3) Once voted, the provisional ballot shall be placed and sealed in a provisional ballot envelope.

4. The provisional ballot in its envelope shall be deposited in the ballot box. The provisional ballot envelope shall be completed by the voter for use in determining eligibility. The provisional ballot envelope specified in this section shall contain a voter's certificate which shall be in substantially the following form:

I understand that if the above-provided information is not correct and the election authority determines that I am not registered and eligible to vote, my vote will not be counted. I further understand that knowingly providing false information is a violation of law and subjects me to possible criminal prosecution.

The voter may provide additional information to further assist the election authority in determining eligibility, including the place and date the voter registered to vote, if known.

5. (1) Prior to counting any provisional ballot, the election authority shall determine if the voter is registered and eligible to vote and if the vote was properly cast. The eligibility of provisional votes shall be determined according to the requirements for a voter to cast a ballot in the election as set forth in sections 115.133 and 115.135. A provisional voter ballot shall not be eligible to be counted until the election authority has determined that:

(a) The voter cast such provisional ballot at a polling place established for the voter or the central polling place established by the election authority under subsection 5 of section 115.115;

(b) The individual who cast the provisional ballot is an individual registered to vote in the respective election at the polling place where the ballot was cast;

(c) The voter did not otherwise vote in the same election by regular ballot, absentee ballot, or otherwise; and

(d) The information on the provisional ballot envelope is found to be correct, complete, and accurate.

(2) When the ballot boxes are delivered to the election authority from the polling places, the receiving teams shall separate the provisional ballots from the rest of the ballots and place the sealed provisional ballot envelopes in a separate container. Teams of election

authority employees or teams of election judges with each team consisting of one member of each major political party shall photocopy each provisional ballot envelope, such photocopy to be used by the election authority to determine provisional voter eligibility. The sealed provisional ballot envelopes shall be placed by the team in a sealed container and shall remain therein until tabulation.

(3) To determine whether a provisional ballot is valid and entitled to be counted, the election authority shall examine its records and verify that the provisional voter is properly registered and eligible to vote in the election. If the provisional voter has provided information regarding the registration agency where the provisional voter registered to vote, the election authority shall make an inquiry of the registration agency to determine whether the provisional voter is properly registered and eligible to vote in the election.

(4) If the election authority determines that the provisional voter is registered and eligible to vote in the election, the election authority shall provide documentation verifying the voter's eligibility. Such documentation shall be noted on the copy of the provisional ballot envelope and shall contain substantially the following information:

- (a) The name of the provisional voter;
- (b) The name of the reviewer;
- (c) The date and time; and
- (d) A description of evidence found that supports the voter's eligibility.

(5) The local election authority shall record on a provisional ballot acceptance/rejection list the provisional ballot identification number and a notation marking it as accepted.

(6) If the election authority determines that the provisional voter is not registered or eligible to vote in the election, the election authority shall provide documentation verifying the voter's ineligibility. Such documentation shall be noted on the copy of the provisional ballot envelope and shall contain substantially the following information:

- (a) The name of the provisional voter;
- (b) The name of the reviewer;
- (c) The date and time;
- (d) A description of why the voter is ineligible.

(7) The local election authority shall record on a provisional ballot acceptance/rejection list the provisional ballot identification number and notation marking it as rejected.

(8) If rejected, a photocopy of the envelope shall be made and used by the election authority as a mail-in voter registration. The actual provisional ballot envelope shall be kept as ballot material, and the copy of the envelope shall be used by the election authority for registration record keeping.

6. All provisional ballots cast by voters whose eligibility has been verified as provided in this section shall be counted in accordance with the rules governing ballot tabulation. Provisional ballots shall not be counted until all provisional ballots are determined either eligible or ineligible and all provisional ballots must be processed before the election is certified. The provisional ballot shall be counted only if the election authority determines that the voter is registered and eligible to vote. Provisional ballots voted in the wrong polling place shall not be counted. If the voter is not registered but is qualified to register for future elections, the affidavit

shall be considered a mail-in application to register to vote pursuant to this chapter.

7. (1) After the election authority completes its review of the provisional voter's eligibility under subsection 5 of this section, the election authority shall deliver the provisional ballots and copies of the provisional ballot envelopes that include eligibility information to bipartisan counting teams, which may be the board of verification, for review and tabulation. The election authority shall maintain a record of such delivery. The record shall include the number of ballots delivered to each team and shall include a signed receipt from two judges, one from each major political party. The election authority shall provide each team with a ballot box and material necessary for tabulation.

(2) If the person named on the provisional ballot affidavit is found to have been properly qualified and registered to cast a ballot in the election and the provisional ballot otherwise qualifies to be counted under the provisions of this section, the envelope shall be opened, and the ballot shall be placed in a ballot box to be counted.

(3) If the person named on the provisional ballot affidavit is found not to have been properly qualified and registered to cast a ballot in the election or if the election authority is unable to determine such person's right to vote, the envelope containing the provisional ballot shall not be opened, and the person's vote shall not be counted. The members of the team shall follow the procedures set forth in subsection 5 of this section for rejected provisional ballots.

(4) The votes shall be tallied and the returns made as provided in sections 115.447 to 115.525 for paper ballots.

After the vote on all ballots assigned to a team have been counted, the ballots, ballot envelopes, and copies of ballot envelopes with the eligibility information provided by the election authority shall be enclosed in sealed containers marked "Voted provisional ballots and ballot envelopes from the election held \_\_\_\_\_, 20\_\_\_\_\_". All rejected provisional ballots, ballot envelopes, and copies of ballot envelopes with the eligibility information provided by the election authority shall be enclosed in sealed containers marked "Rejected provisional ballots and ballot envelopes from the election held \_\_\_\_\_, 20\_\_\_\_\_". On the outside of each voted ballot and rejected ballot container, each member of the team shall write their name and all such containers shall be returned to the election authority. Upon receipt of the returns and ballots, the election authority shall tabulate the provisional votes.

8. Challengers and watchers, as provided by sections 115.105 and 115.107, may be present during all times that the bipartisan counting teams are reviewing or counting the provisional ballots, the provisional ballot envelopes, or copies of the provisional ballot envelopes that include eligibility information provided by the election authority. Challengers and watchers shall be permitted to observe the determination of the eligibility of all provisional ballots. The election authority shall notify the county chair of each major political party of the time and location when bipartisan counting teams will be reviewing or counting the provisional ballots, the provisional ballot envelopes, or the copies of the provisional ballot envelopes that include the eligibility information provided by the election authority.

9. The certificate of ballot cards shall:

(1) Reflect the number of provisional envelopes delivered; and

(2) Reflect the number of sealed provisional envelopes with voted ballots deposited in the ballot box.

10. In counties where the voting system does not utilize a paper ballot, the election authority shall provide the appropriate provisional ballots to each polling place.

11. The secretary of state may promulgate rules for purposes of ensuring the uniform application of this section. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to chapter 536.

12. The secretary of state shall design and provide to the election authorities the envelopes and forms necessary to carry out the provisions of this section.

13. Pursuant to the Help America Vote Act of 2002, the secretary of state shall ensure a free access system is established, such as a toll-free number or an internet website, that any individual who casts a provisional ballot may access to discover whether the vote of that individual was counted, and, if the vote was not counted, the reason that the vote was not counted. At the time an individual casts a provisional ballot, the election authority shall give the voter written information that states that any individual who casts a provisional ballot will be able to ascertain under such free access system whether the vote was counted, and if the vote was not counted, the reason that the vote was not counted.

14. In accordance with the Help America Vote Act of 2002, any individual who votes in an election as a result of a court order or any other order extending the time established for closing the polls in section 115.407 may vote only by using a provisional ballot, and such

provisional ballot shall be separated and held apart from other provisional ballots cast by those not affected by the order. Such ballots shall not be counted until such time as the ballots are determined to be valid. No state court shall have jurisdiction to extend the polling hours established by law, including section 115.407.

115.637. The following offenses, and any others specifically so described by law, shall be class four election offenses and are deemed misdemeanors not connected with the exercise of the right of suffrage. Conviction for any of these offenses shall be punished by imprisonment of not more than one year or by a fine of not more than two thousand five hundred dollars or by both such imprisonment and fine:

(1) Stealing or willfully concealing, defacing, mutilating, or destroying any sample ballots that may be furnished by an organization or individual at or near any voting place on election day, except that this subdivision shall not be construed so as to interfere with the right of an individual voter to erase or cause to be erased on a sample ballot the name of any candidate and substituting the name of the person for whom he or she intends to vote; or to dispose of the received sample ballot;

(2) Printing, circulating, or causing to be printed or circulated, any false and fraudulent sample ballots which appear on their face to be designed as a fraud upon voters;

(3) Purposefully giving a printed or written sample ballot to any qualified voter which is intended to mislead the voter;
