(2) "Department", the department of economic development;

(3) "Investor":

26 qualify for the issuance of tax credits;

27 (4) "MTC", the Missouri technology corporation,
28 established under section 348.251;

34 effect a valid election to be taxed as an S corporation

37 liability company that has elected to be taxed as a

39 1986, as amended, and that was established and is operated
40 for the purpose of making investments in other entities;

41 (7) "Qualified knowledge-based company", a company

55 such business's production in Missouri;

56 (9) "Qualified securities", a cash investment through
57 any one or more forms of financial assistance as provided
58 under this subdivision that has been approved in form and
59 substance by MTC. Forms of such financial assistance may
60 include:

61 (a) Any form of equity, which may include, but shall
62 not be limited to:

63 a. A general or limited partnership interest;

70 attached; or

71 (b) A debt instrument, such as a note or debenture
72 that is secured or unsecured, subordinated to the general
73 creditors of the debtor and requiring no payments of
74 principal, other than principal payments required to be made

76 seven-year period after commencement of such debt
77 instrument's term;

78 (10) "Tax credit", a credit against the tax otherwise
79 due under chapter 143, excluding withholding tax imposed by
80 sections 143.191 to 143.265, or otherwise due under chapter
81 148 or 153.

82 3. (1) For all tax years beginning on or after
83 January 1, 2023, a tax credit shall be allowed for an
84 investor's cash investment in the qualified securities of a
85 qualified Missouri business. The credit shall be in a total
86 amount equal to fifty percent of such investor's cash
87 investment in any qualified Missouri business, subject to
88 the limitations set forth in this subsection. If the amount
89 by which that portion of the credit allowed by this section
90 exceeds the investor's tax liability in any one tax year,
91 the remaining portion of the credit may be carried forward
92 to any of the five subsequent tax years or until the total
93 amount of the credit is used, whichever occurs first. If
94 the investor is a permitted entity investor, the credit
95 provided by this section shall be claimed by the owners of
96 the permitted entity investor in proportion to their equity
97 investment in the permitted entity investor.

98 (2) A cash investment in a qualified security shall be
99 deemed to have been made on the date of acquisition of the
100 qualified security, as such date is determined in accordance
101 with the provisions of the Internal Revenue Code of 1986, as
102 amended.

103 (3) The department and MTC shall not allow tax credits
104 of more than fifty thousand dollars for a single qualified
105 Missouri business per investor who is a natural person or
106 permitted entity investor, or a total of two hundred fifty
107 thousand dollars in tax credits for a single year per
108 investor who is a natural person or owner of a permitted
109 entity investor. No tax credits authorized by this section
110 and section 348.274 shall be allowed for any cash
111 investments in qualified securities made in any year
112 beginning after December 31, 2032. The total amount of tax
113 credits allowed under this section shall not exceed six

114 million dollars during the tax years beginning on or after
115 January 1, 2023, and ending on or before December 31, 2024.
116 For each tax year thereafter, the total amount of tax
117 credits allowed under this section shall be increased by
118 twenty percent of the total amount of tax credits allowed in
119 the immediately preceding tax year, so long as the total
120 amount of tax credits allowed in the immediately preceding
121 tax year was issued during the immediately preceding tax
122 year. The balance of unissued tax credits may be carried
123 over for issuance in future years until December 31, 2032.
124 The balance of unissued tax credits carried over, if any,
125 shall not be used in the calculation of the total amount of
126 tax credits allowed in a given tax year.

127 (4) At the beginning of each calendar year, MTC shall
128 equally designate the total tax credits available during
129 that calendar year to each geographic region comprised of
130 the boundaries of each congressional district, as such
131 boundaries may be amended from time to time, within
132 Missouri. At the beginning of each calendar quarter, MTC
133 shall make available one-fourth of the total annual tax
134 credits for each region for investments made in qualified
135 Missouri businesses located in each such region. As soon as
136 practicable at the end of each calendar quarter, MTC shall
137 prepare and issue a report to the director of the department
138 designating all tax credit awards for that quarter, so that
139 the department may issue such tax credits in accordance with
140 the provisions of this section and section 348.274. The
141 report shall aggregate any unissued tax credits allocated to
142 any region for any calendar quarter and divide such unissued
143 tax credits equally over each other region and make such
144 credits available for the following calendar quarter, which

145 shall be in addition to the new allocation of tax credits
146 available to that region for the calendar quarter.

147 (5) During the fourth calendar quarter, any unissued
148 tax credits allocated to any region, which shall include the
149 aggregate tax credits that have been reallocated under the
150 provisions of this subsection and any unissued tax credits
151 allocated for the fourth quarter, may be awarded in any
152 region.

153 4. (1) Before an investor may be entitled to receive
154 tax credits under this section and section 348.274, such
155 investor shall have made a cash investment in a qualified
156 security of a qualified Missouri business. The business
157 shall have been approved as a qualified Missouri business
158 before the date on which the cash investment was made. To
159 be designated as a qualified Missouri business, a business
160 shall apply to MTC in accordance with the provisions of this
161 section.

162 (2) The application by a business shall be in the form
163 and substance as required by MTC, in coordination with the
164 department by and through its service on MTC board of
165 directors, but shall include at least the following:

167 the organizational documents of the business;

168 (b) A business plan, including a description of the
169 business and the management, product, market, and financial
170 plan of the business;

171 (c) A statement of the potential economic impact of
172 the business, including the number, location, and types of
173 jobs expected to be created;

174 (d) A description of the qualified securities to be
175 issued, the consideration to be paid for the qualified
176 securities, and the amount of any tax credits requested;

177 (e) A statement of the amount, timing, and projected
178 use of the proceeds to be raised from the proposed sale of
179 qualified securities; and

180 (f) Such other information as may be reasonably
181 requested.

182 (3) The designation of a business as a qualified
183 Missouri business shall be made by MTC, and such designation
184 shall be renewed annually. A business shall be so
185 designated if MTC determines, based upon the application
186 submitted by the business and any additional information
187 provided in connection with such application, that such
188 business meets established criteria, including at least the
189 following:

190 (a) The business shall not have had annual gross
191 revenues of more than five million dollars in the most
192 recent tax year of the business;

193 (b) Businesses that are not deemed to be bioscience
194 businesses shall have been in operation for less than five
195 years, and businesses deemed to be bioscience businesses
196 shall have been in operation for less than ten years;

197 (c) The ability of investors in the business to
198 receive tax credits for cash investments in qualified
199 securities of the business is beneficial to advancing the
200 goals of this section and section 348.274;

201 (d) The business shall not have ownership interests
202 including, but not limited to, common or preferred shares of
203 stock that can be traded via a public stock exchange before
204 the date that a qualifying investment is made;

205 (e) The business shall not be engaged primarily in any
206 one or more of the following enterprises:

- 207 a. The business of banking, savings and loan or
208 lending institutions, credit or finance, or financial
209 brokerage or investments;
- 210 b. The provision of professional services, such as
211 legal, accounting, or engineering services; however,
212 contract research organizations and manufacturing
213 organizations, sometimes referred to as CROs or CMOs, shall
214 not be subject to this exclusion;
- 215 c. Governmental, charitable, religious, or trade
216 organizations;
- 217 d. The ownership, development brokerage, sales, or
218 leasing of real estate;
- 219 e. Insurance;
- 220 f. Construction, construction management, or
221 contracting;
- 222 g. Business consulting or brokerage;
- 223 h. Any business engaged primarily as a passive
224 business, having irregular or noncontiguous operations, or
225 deriving substantially all of the income of the business
226 from passive investments that generate interest, dividends,
227 royalties, or capital gains, or any business arrangements,
228 the effect of which is to immunize an investor from risk of
229 loss;
- 230 i. Any activity that is in violation of the law;
- 231 j. Any business raising money primarily to purchase
232 real estate, land, or fixtures; and
- 233 k. Any gambling-related business;
- 234 (f) The business has a reasonable chance of success;
- 235 (g) The business has the reasonable potential to
236 create measurable employment within the region, this state,
237 or both;

238 (h) The business is based on an innovative technology,
239 product, or service designed to be used in the commercial
240 marketplace;

241 (i) The existing owners of the business and other
242 founders have made or are committed to make a substantial
243 financial or time commitment to the business;

244 (j) The securities to be issued and purchased are
245 qualified securities;

246 (k) The business has the reasonable potential to
247 address the needs and opportunities specific to the region,
248 this state, or both;

249 (l) The business has made binding commitments to MTC
250 for adequate reporting of financial data, including a
251 requirement for an annual report, or, if required, an annual
252 audit of the financial and operational records of the
253 business, the right of access to the financial records of
254 the business, the right of the department and MTC to record
255 and publish normal and customary data and information
256 related to the issuance of tax credits that are not
257 otherwise determined to be trade or business secrets, and
258 other such protections as may be in the best interest of
259 Missouri taxpayers to achieve the goals of this section and
260 section 348.274; and

261 (m) The business shall satisfy all other requirements
262 of this section and section 348.274.

263 (4) A qualified Missouri business shall have the
264 burden of proof to demonstrate the qualifications of the
265 business under this section.

266 (5) Before accepting a qualified security, a qualified
267 Missouri business shall convey to MTC a two percent equity
268 interest, which, in the case of convertible debt or similar
269 instrument, such interest may be achieved upon the

270 conversion of such debt to equity, in the business. MTC
271 shall refrain from exercising any voting rights in the
272 business while it holds an equity interest.

273 (6) MTC may sell the equity interest at a time it
274 believes is in the economic best interest of the state and
275 goals of this section and section 348.274 but shall consider
276 any requests submitted by the business in writing.

277 (7) Any proceeds from the sale of the equity interest
278 shall be used by MTC to promote the goals of this section
279 and section 348.274.

348.274. 1. (1) MTC is authorized to allocate tax
2 credits to qualified Missouri businesses, and the department
3 is authorized to issue tax credits to qualified investors in
4 such qualified Missouri businesses. Such tax credits shall
5 be allocated to those qualified Missouri businesses that, as
6 determined by MTC, are most likely to provide the greatest
7 economic benefit to the region, the state, or both. MTC may
8 allocate, and the department may issue, whole or partial tax
9 credits in accordance with the report issued to the director
10 of the department based on MTC's assessment of the qualified
11 Missouri businesses. MTC may consider numerous factors in
12 such assessment including, but not limited to, the quality
13 and experience of the management team, the size of the
14 estimated market opportunity, the risk from current or
15 future competition, the ability to defend intellectual
16 property, the quality and utility of the business model, and
17 the quality and reasonableness of financial projections for
18 the business.

19 (2) Each qualified Missouri business, for which MTC
20 has allocated tax credits such that the department can issue
21 tax credits to the qualified investors of such qualified
22 Missouri business, shall submit to MTC a report before such

23 tax credits are issued. Such report shall include the
24 following:

25 (a) The name, address, and taxpayer identification
26 number of each investor who has made a cash investment in
27 the qualified securities of the qualified Missouri business;

28 (b) Proof of such investment, including copies of the
29 securities' purchase agreements and cancelled checks or wire
30 transfer receipts; and

31 (c) Such other information as may be reasonably
32 required under section 348.273 and this section.

33 2. (1) The state of Missouri shall not be held liable
34 for any damages to any investor that makes an investment in
35 any qualified security of a qualified Missouri business, any
36 business that applies to be designated as a qualified
37 Missouri business and is turned down, or any investor that
38 makes an investment in a business that applies to be
39 designated as a qualified Missouri business and is turned
40 down.

41 (2) Each qualified Missouri business shall have the
42 obligation to notify MTC, which shall notify the director of
43 the department, of any changes in the qualifications of the
44 business or in the eligibility of investors to claim a tax
45 credit for cash investment in a qualified security.

46 (3) The director of the department, in cooperation
47 with MTC, shall provide the information specified under
48 subdivision (3) of subsection 4 of this section to the
49 director of the department of revenue on an annual basis.
50 MTC shall conduct an annual review of the activities
51 undertaken under this section and section 348.273 to ensure
52 that tax credits issued under this section and section
53 348.273 are issued in compliance with the provisions of this
54 section and section 348.273 or rules and regulations

55 promulgated by MTC or the department with respect to this
56 section and section 348.273. The reasonable costs of the
57 annual review shall be paid by MTC according to a reasonable
58 fee schedule adopted by MTC in cooperation with the
59 department by and through its service on MTC board of
60 directors.

61 (4) If MTC determines that a business is not in
62 substantial compliance with the requirements under this
63 section and section 348.273 to maintain its designation, the
64 department or MTC, by written notice, may inform the
65 business that such business will lose its designation as a
66 qualified Missouri business one hundred twenty days from the
67 date of mailing of the notice unless such business corrects
68 the deficiencies and is once again in compliance with the
69 requirements for designation.

70 (5) At the end of the one hundred twenty-day period,
71 if the qualified Missouri business is still not in
72 substantial compliance, the department or MTC may send a
73 notice of loss of designation to the business, the director
74 of the department of revenue, and to all known investors in
75 the business.

76 (6) A business may lose its designation as a qualified
77 Missouri business under this section and section 348.273 by
78 moving either its headquarters or a substantial number of
79 the jobs created in Missouri to a location outside Missouri
80 within ten years after receiving financial assistance under
81 this section and section 348.273.

82 (7) In the event that a business loses its designation
83 as a qualified Missouri business, such business shall be
84 precluded from being issued any additional tax credits with
85 respect to the business, shall be precluded from being
86 approved as a qualified Missouri business, and shall be

87 subject to an appropriate clawback provision that MTC, in
88 cooperation with the department by and through its service
89 on MTC board of directors, provides for in connection with
90 the administration of section 348.273 and this section.

91 (8) Investors in a qualified Missouri business shall
92 be entitled to keep all of the tax credits properly issued
93 to such investors under this section and section 348.273.

94 (9) The portions of documents and other materials
95 submitted to the department or MTC that contain confidential
96 information shall be kept confidential and shall be
97 maintained in a secured environment. For the purposes of
98 this section and section 348.273, confidential information
99 may include, but not be limited to, such portions of trade
100 secrets, documents, any customer lists, and other materials;
101 any formula, compound, production data, or compilation of
102 information that will allow certain individuals within a
103 commercial concern using such portions of documents and
104 other material the means to fabricate, produce, or compound
105 an article of trade; or any service having commercial value
106 which gives the user an opportunity to obtain a business
107 advantage over competitors who do not know or use such
108 service.

109 (10) The department and MTC may prepare and adopt
110 procedures and rules and publish guidelines concerning the
111 performance of the duties placed upon each respective entity
112 by this section and section 348.273. Any rule or portion of
113 a rule, as that term is defined in section 536.010, that is
114 created under the authority delegated in this section shall
115 become effective only if it complies with and is subject to
116 all of the provisions of chapter 536 and, if applicable,
117 section 536.028. This section and chapter 536 are
118 nonseverable and if any of the powers vested with the

119 general assembly pursuant to chapter 536 to review, to delay
120 the effective date, or to disapprove and annul a rule are
121 subsequently held unconstitutional, then the grant of
122 rulemaking authority and any rule proposed or adopted after
123 August 28, 2023, shall be invalid and void.

124 3. Any qualified investor who makes a cash investment
125 in a qualified security of a qualified Missouri business may
126 transfer the tax credits such qualified investor may receive
127 under subsection 3 of section 348.273 to any natural
128 person. Such transferee may claim the tax credit against
129 the transferee's Missouri income tax liability as provided
130 in subdivision (1) of subsection 3 of section 348.273,
131 subject to all restrictions and limitations set forth in
132 this section and section 348.273. Documentation of any tax
133 credit transfer under this section shall be provided by the
134 qualified investor in the manner established by MTC and the
135 department, by and through its service on MTC board of
136 directors.

137 4. (1) Each qualified Missouri business for which tax
138 credits were issued under this section and section 348.273
139 shall report to MTC on an annual basis, on or before
140 February first. MTC shall provide copies of the reports to
141 the department under appropriate confidentiality agreements
142 as may be necessary under the circumstances. Such reports
143 shall include the following:

144 (a) The name, address, and taxpayer identification
145 number of each investor who has made a cash investment in
146 the qualified securities of the qualified Missouri business
147 and has received tax credits for this investment during the
148 preceding year;

149 (b) The amounts of cash investments by each investor
150 and a description of the qualified securities issued in
151 consideration of such cash investments; and

152 (c) Such other information as may be reasonably
153 required under section 348.273 and this section.

154 (2) MTC shall report quarterly to the director of the
155 department on the allocation of the tax credits in the
156 preceding calendar quarter. Such reports shall include:

157 (a) The amount of applications received;

158 (b) The number and ratio of successful applications to
159 unsuccessful applications;

160 (c) The amount of tax credits allocated but not issued
161 in the previous quarter, including what percentage was
162 allocated to individuals and what percentage was allocated
163 to investment firms; and

164 (d) Such other information as reasonably agreed upon
165 from time to time.

166 (3) MTC and the department, as applicable, shall also
167 report annually to the governor, the director of the
168 department of economic development, the president pro
169 tempore of the senate, and the speaker of the house of
170 representatives, on or before April first, on the allocation
171 and issuance of the tax credits. Such reports shall include:

172 (a) The amount of tax credits issued in the previous
173 fiscal year, including what percentage was issued to
174 individuals and what percentage was issued to investment
175 firms;

176 (b) The types of businesses that benefitted from the
177 tax credits;

178 (c) The amount of allocated but unissued tax credits
179 and the information about the unissued tax credits set forth
180 in subdivision (2) of this subsection;

181 (d) Any aggregate job creation or capital investment
182 in the region that resulted from the use of the tax credits
183 for a period of five years beginning from the date on which
184 the tax credits were awarded;

185 (e) The manner in which the purpose of this section
186 and section 348.273 has been carried out with regard to a
187 region;

188 (f) The total cash investments made for the purchase
189 of qualified securities of qualified Missouri businesses
190 within each region during the preceding year and
191 cumulatively since the effective date of this section and
192 section 348.273;

193 (g) An estimate of jobs created and jobs preserved by
194 cash investments made in qualified Missouri businesses
195 within each region;

196 (h) An estimate of the multiplier effect on the
197 economy of each region of the cash investments made under
198 this section and section 348.273; and

199 (i) Information regarding what businesses deriving
200 benefits from the tax credits remained in the region, what
201 businesses ceased business, what businesses were purchased,
202 and what businesses may have moved out of a region or the
203 state.

204 (4) Any violation of the reporting requirements of
205 this subsection by a qualified Missouri business may be
206 grounds for the loss of designation of such qualified
207 Missouri business, and any such business that loses its
208 designation as a qualified Missouri business shall be
209 subject to the restrictions upon loss of designation set
210 forth in subsection 2 of this section.

211 5. Notwithstanding the provisions of section 23.253 of
212 the Missouri sunset act:

213 (1) The provisions of the new program authorized under
214 section 348.273 and this section shall automatically sunset
215 December 31, 2032, unless reauthorized by an act of the
216 general assembly;

217 (2) If such program is reauthorized, the program
218 authorized under section 348.273 and this section shall
219 automatically sunset twelve years after the effective date
220 of the reauthorization.

221 (3) Section 348.273 and this section shall terminate
222 on September first of the calendar year immediately
223 following the calendar year in which the program authorized
224 under section 348.273 and this section are sunset.

225 (4) The provisions of this subsection shall not be
226 construed to limit or in any way impair the department of
227 revenue's ability to redeem tax credits authorized on or
228 before the date the program authorized pursuant to this
