81 Depreciable tangible personal property in all recovery
82 periods shall continue in subsequent years to have the
83 depreciation factor last listed in the appropriate column so
84 long as it is owned or held by the taxpayer. The state tax
85 commission shall study and analyze the values established by
86 this method of assessment and in every odd-numbered year
87 make recommendations to the joint committee on tax policy
88 pertaining to any changes in this methodology, if any, that
89 are warranted.

90 4. Such estimate of value determined under this
91 section shall be presumed to be correct for the purpose of
92 determining the true value in money of the depreciable
93 tangible personal property, but such estimation may be
94 disproved **by a taxpayer** by substantial and persuasive
95 evidence of the true value in money under any method
96 determined by the state tax commission to be correct,
97 including, but not limited to, an appraisal of the tangible
98 personal property specifically utilizing generally accepted
99 appraisal techniques, and contained in a narrative appraisal
100 report in accordance with the Uniform Standards of
101 Professional Appraisal Practice or by proof of economic or
102 functional obsolescence or evidence of excessive physical
103 deterioration. For purposes of appeal of the provisions of
104 this section, the salvage or scrap value of depreciable
105 tangible personal property may only be considered if the
106 property is not in use as of the assessment date.

107 5. This section shall not apply to business personal
108 property placed in service before January 2, 2006. Nothing

109 in this section shall create a presumption as to the proper
110 method of determining the assessed valuation of business
111 personal property placed in service before January 2, 2006;
112 **provided, however, that as of January 1, 2023, this section**
113 **shall apply to all stationary property used for**

115 **including, but not limited to, natural gas that is not**
116 **propane or LP gas, water, and sewage that was or will be**

119 modify the definition of tangible personal property as
120 defined in section 137.010.
