4 all positions subject to this section pursuant to section
5 36.031. After consultation with the appointing authorities,

9 chapter pursuant to subsection 1 of section 36.030, and all
10 positions subject to this section pursuant to section 36.031
11 in classes, based on their duties, authority and
12 responsibilities. Except as provided in subsection 2 of
13 this section, the position classification plan shall set

14 forth, for each class of positions, a class title and a
15 statement of the duties, authority and responsibilities
16 thereof, and the qualifications that are necessary or
17 desirable for the satisfactory performance of the duties of
18 the class; provided, that no plan shall be adopted which
19 prohibits the substitution of experience for education for
20 each class of positions, except that, the **[board] director**
21 may determine that there is no equivalent substitution in
22 particular cases. Classifications should be sufficiently
23 broad in scope to include as many comparable positions as
24 possible both on an intra- and inter-departmental basis.

25 2. The classification plan may group positions with
26 similar levels of responsibility or expertise into broad
27 classification bands.

28 3. The director shall, in consultation with the
29 agencies, eliminate and combine classes when possible,
30 taking into consideration the recruitment, selection, and
31 compensation of personnel in the various classes.

36.120. 1. Before establishing a new position in
2 divisions of the service subject to this chapter pursuant to
3 subsection 1 of section 36.030 or any new position in a
4 department or agency of the executive branch of state
5 government subject to this section pursuant to section
6 36.031, or before making any permanent and substantial
7 change of the duties, authority or responsibilities of any

9 director in writing of the appointing authority's intention
10 to do so, except where the positions may be allocated by the
11 appointing authority.

13 position to a class, or change the allocation of any
14 position to a class, or **[recommend to the board] make**

changes in the classification plan. [Any change in the classification plan recommended by the director shall take effect when approved by the board, or on the ninetieth day after it is recommended to the board if prior thereto the board has not approved it. In case of necessity requiring the immediate establishment of a new class, the director may establish such a class on an interim basis pending approval of the class by the board as recommended by the director.]

3. When the allocation of a position to a class is changed, the director shall notify the appointing authority. If allocation authority is delegated, the appointing authority shall notify the director of any changes in the allocation. If the position is filled at the time of reallocation to a class, the appointing authority shall immediately notify the incumbent of the position regarding the allocation change. If the incumbent does not agree with the new allocation, the incumbent may submit to the director a request for a review of the allocation of the position.

4. If any change is made in the classification plan by which a class of positions is divided, altered, or abolished, or classes are combined, the director shall forthwith reallocate the positions affected to their appropriate classes in the amended classification plan. An employee who is occupying a position reallocated to a different class shall, subject to the regulations, be given the same status in the new class as previously held in the class from which his or her position is reallocated.

5. [After a class of positions has been approved by the board,] The director is authorized to make such changes in the class title or in the statement of duties and qualifications for [the] a new class as the director finds

47 necessary for current maintenance of the classification
48 plan[; provided, however, that changes which materially
49 affect the nature and level of a class or which involve a
50 change in salary range for the class shall be approved by
51 the board].

36.140. 1. After consultation with appointing
2 authorities and the state fiscal officers, and after a
3 public hearing following suitable notice, the director shall
4 prepare [and recommend to the board] a pay plan for each
5 class of positions subject to this chapter pursuant to
6 subsection 1 of section 36.030 and each class of positions
7 subject to this section pursuant to section 36.031. The pay
8 plan shall include, for each class of positions, a minimum
9 and a maximum rate, and such provision for intermediate
10 rates as the director considers necessary or equitable. The
11 pay plan may also provide for the use of open, or stepless,
12 pay ranges. The pay plan may include provision for grouping
13 of positions with similar levels of responsibility or
14 expertise into broad classification bands for purposes of
15 determining compensation and for such salary differentials
16 and other pay structures as the director considers necessary
17 or equitable. In establishing the rates, the director shall
18 give consideration to the experience in recruiting for
19 positions in the state service, the rates of pay prevailing
20 in the state for the services performed, and for comparable
21 services in public and private employment, living costs,
22 maintenance, or other benefits received by employees, and
23 the financial condition and policies of the state. These
24 considerations shall be made on a statewide basis and shall
25 not make any distinction based on geographical areas or
26 urban and rural conditions. The pay plan shall take effect
27 when approved by [the board and] the governor, and each

employee appointed to a position subject to this chapter pursuant to subsection 1 of section 36.030 and each class of positions subject to this section pursuant to section 36.031, after the adoption of the pay plan shall be paid according to the provisions of the pay plan for the position in which he or she is employed; provided, that the commissioner of administration certifies that there are funds appropriated and available to pay the adopted pay plan. The pay plan shall also be used as the basis for preparing budget estimates for submission to the legislature insofar as such budget estimates concern payment for services performed in positions subject to this chapter pursuant to subsection 1 of section 36.030 and positions subject to this section pursuant to section 36.031. Amendments to the pay plan may be recommended by the director from time to time as circumstances require and such amendments shall take effect when approved as provided by this section. The conditions under which employees may be appointed at a rate above the minimum provided for the class, or advance from one rate to another within the rates applicable to their positions, may be determined by the regulations.

2. Any change in the pay plan shall be made on a uniform statewide basis. No employee in a position subject to this chapter shall receive more or less compensation than another employee solely because of the geographical area in which the employee lives or works.

36.250. 1. Every person appointed to a permanent position described under subdivision (2) of subsection 1 of section 36.030 shall be required to successfully complete a working test during a probationary period which shall be of sufficient length to enable the appointing authority to

6 observe the employee's ability to perform the various duties
7 pertaining to the position.

8 2. The **[board] director** shall by regulation establish
9 the standards governing normal length of the probationary
10 period for different classes of positions. The regulations
11 shall specify the criteria for reducing or lengthening the
12 probationary period for individuals within the various
13 classes. The minimum probationary period shall be three
14 months. The maximum probationary period shall be eighteen
15 months for top professional personnel and personnel with
16 substantial supervisory or administrative responsibilities,
17 and twelve months for all others. However, a probationary
18 period shall not be required for an employee reinstated
19 within two years after layoff or demotion in lieu of layoff
20 by the same division of service.

21 3. Prior to the expiration of an employee's
22 probationary period, the appointing authority shall notify
23 the director and the employee in writing whether the
24 services of the employee have been satisfactory and whether
25 the appointing authority will continue the employee in the
26 employee's position.

27 4. At any time during the probationary period the
28 appointing authority may remove an employee if, in the
29 opinion of the appointing authority, the working test
30 indicates that the employee is unable or unwilling to
31 perform the duties of the position satisfactorily. Upon
32 removal, the appointing authority shall forthwith report to
33 the director and to the employee removed, in writing, the
34 appointing authority's action and the reason thereof. An
35 employee who is found by the director to have been appointed
36 through fraud shall be removed within ten days of
37 notification of the appointing authority.

36.440. 1. All officers and employees of the state
subject to provisions of this chapter, whether pursuant to
subsection 1 of section 36.030 or pursuant to section
36.031, shall comply with and aid in all proper ways in
carrying out the provisions of this chapter applicable to
them and the regulations adopted thereunder. All officers
and employees shall furnish any records or information which
the director [or the board] may request for any purpose of
this law.

2. A state officer or employee who shall fail to
comply with any provision of this chapter or of any
regulation adopted thereunder that is applicable to such
person shall be subject to all penalties and remedies now or
hereafter provided by law for the failure of a public
officer or employee to do any act required of him or her by
this chapter. The director may maintain such action or
proceeding at law or in equity as he or she considers
necessary or appropriate to secure compliance with this
chapter and the regulations adopted thereunder.

elsewhere in this chapter the director may perform the
following functions in some or all agencies of state

27 employment which have fiscal impact on the state; and

28 (7) **[Formulate] Promulgate** rules **[for approval of the**
29 **board]** and establish procedures and standards relating to
30 position classification and compensation of employees which
31 are designed to secure essential uniformity and
32 comparability among state agencies.

33 2. Any person who is employed in a position subject to
34 this chapter who engaged in a strike or labor stoppage shall
35 be subject to the penalties provided by law.

 37.010. 1. The governor, by and with the advice and
2 consent of the senate, shall appoint a commissioner of
3 administration, who shall head the "Office of
4 Administration" which is hereby created. The commissioner
