98 any application fee imposed by the authority. The

112 certificate in the appropriate amount. Tax credit  
113 certificates issued under this section may be assigned,  
114 transferred, sold, or otherwise conveyed, and the new owner  
115 of the tax credit certificate shall have the same rights in

119 authority specifying the name and address of the new owner  
120 of the tax credit certificate and the value of the tax  
121 credit.

123 be confidential information, to be shared with no one except  
124 state and federal animal health officials, except as  
125 provided in subsection 5 of this section.

126           7. The authority shall promulgate rules establishing a  
127 process for verifying that a facility's modernization or

expansion for which tax credits were allowed under this section has in fact expanded the facility's production within three years of the issuance of the tax credit and if not, the authority shall promulgate through rulemaking a process by which the taxpayer shall repay the authority an amount equal to that of the tax credit allowed.

8. The authority shall, at least annually, submit a report to the Missouri general assembly reviewing the costs and benefits of the program established under this section.

9. The authority may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2016, shall be invalid and void.

10. This section shall not be subject to the Missouri sunset act, sections 23.250 to 23.298.

19 public and is dispensed directly into motor vehicle fuel  
20 tanks for consumption.

21           2. For all tax years beginning on or after January 1,  
22 2023, a retail dealer that sells higher ethanol blend at  
23 such retail dealer's retail service station or a distributor  
24 that sells higher ethanol blend directly to the final user  
25 located in this state shall be allowed a tax credit to be  
26 taken against the retail dealer's or distributor's state  
27 income tax liability. The amount of the credit shall equal  
28 five cents per gallon of higher ethanol blend sold by the  
29 retail dealer and dispensed through metered pumps at the  
30 retail dealer's retail service station or by a distributor  
31 directly to the final user located in this state during the

40 amount of the tax credit exceeds the taxpayer's state tax  
41 liability, the difference shall not be refundable but may be  
42 carried forward to any of the five subsequent tax years.

43 The total amount of tax credits issued pursuant to this  
44 section for any given fiscal year shall not exceed five  
45 million dollars.

46 3. In the event the total amount of tax credits  
47 claimed under this section exceeds the amount of available  
48 tax credits, the tax credits shall be apportioned among all  
49 eligible retail dealers and distributors claiming a tax  
50 credit by April fifteenth, or as directed by section  
51 143.851, of the fiscal year in which the tax credit is  
52 claimed.

53 4. The tax credit allowed by this section shall be  
54 claimed by such taxpayer at the time such taxpayer files a  
55 return and shall be applied against the income tax liability  
56 imposed by chapter 143, excluding the withholding tax  
57 imposed by sections 143.191 to 143.265, after reduction for  
58 all other credits allowed thereon. The department may  
59 require any documentation it deems necessary to implement  
60 the provisions of this section.

61 5. The department shall promulgate rules to implement  
62 the provisions of this section. Any rule or portion of a  
63 rule, as that term is defined in section 536.010, that is  
64 created under the authority delegated in this section shall  
65 become effective only if it complies with and is subject to  
66 all of the provisions of chapter 536 and, if applicable,  
67 section 536.028. This section and chapter 536 are  
68 nonseverable and if any of the powers vested with the  
69 general assembly pursuant to chapter 536 to review, to delay  
70 the effective date, or to disapprove and annul a rule are  
71 subsequently held unconstitutional, then the grant of  
72 rulemaking authority and any rule proposed or adopted after  
73 January 2, 2023, shall be invalid and void.

74 [6. Under section 23.253 of the Missouri sunset act:

75 (1) The provisions of this section shall automatically  
76 sunset on December 31, 2028, unless reauthorized by an act  
77 of the general assembly; and

79 authorized under this section shall automatically sunset  
80 twelve years after the effective date of the reauthorization  
81 of this section; and

12 Stock. A fuel shall be deemed to be biodiesel fuel if the  
13 fuel consists of a pure B100 or B99 ratio. Biodiesel

15 purposes of this section unless the palm oil is contained  
16 within waste oil and grease collected within the United  
17 States;

18 (3) "B99", a blend of ninety-nine percent biodiesel  
19 fuel that meets the most recent version of the ASTM

6. Notwithstanding the provisions of section 32.057 to the contrary, the department may work with the division of weights and measures within the department of agriculture to validate that the biodiesel blend a retail dealer or

distributor claims for the tax credit authorized under this section contains a sufficient percentage of biodiesel fuel.

7. In the event a taxpayer is denied part or all of a tax credit to which the taxpayer is qualified pursuant to any provision of law due to lack of available funds, and such denial causes a balance-due notice to be generated by the department of revenue or any other redeeming agency, a taxpayer shall not be held liable for any penalty or interest on such balance due, provided the balance is paid or approved payment arrangements have been made within sixty days from the notice of denial. Any payments not timely made pursuant to this section shall be subject to penalty and interest pursuant to this chapter.

120 of this section; and

121 (3) This section shall terminate on September first of  
122 the calendar year immediately following the calendar year in  
123 which the program authorized under this section is sunset.  
124 The termination of the program as described in this  
125 subsection shall not be construed to preclude any qualified  
126 taxpayer who claims any benefit under any program that is  
127 sunset under this subsection from claiming such benefit for  
128 all allowable activities related to such claim that were  
129 completed before the program was sunset or to eliminate any  
130 responsibility of the department to verify the continued  
131 eligibility of qualified individuals receiving tax credits  
132 and to enforce other requirements of law that applied before

47 which shall be authorized on a first-come, first-served

85 all allowable activities related to such claim that were  
86 completed before the program was sunset, or to eliminate any  
87 responsibility of the department to verify the continued

26 personal use.

27           2. For all tax years beginning on or after January 1,  
28 2023, a taxpayer shall be allowed to claim a tax credit  
29 against the taxpayer's state tax liability in an amount  
30 equal to fifty percent of the taxpayer's eligible expenses  
31 for establishing or improving an urban farm that focuses on  
32 food production.

33           3. The amount of the tax credit claimed shall not  
34 exceed the amount of the taxpayer's state tax liability in  
35 the tax year for which the credit is claimed, and the  
36 taxpayer shall not be allowed to claim a tax credit under  
37 this section in excess of five thousand dollars for each  
38 urban farm. The total amount of tax credits that may be  
39 authorized for all taxpayers for eligible expenses incurred  
40 on any given urban farm shall not exceed twenty-five  
41 thousand dollars. Any issued tax credit that cannot be  
42 claimed in the tax year in which the eligible expenses were  
43 incurred may be carried over to the next three succeeding  
44 tax years until the full credit is claimed.

45           4. The total amount of tax credits that may be  
46 authorized under this section shall not exceed two hundred  
47 thousand dollars in any calendar year.

48           5. Tax credits issued under the provisions of this  
49 section shall not be transferred, sold, or assigned.

50           6. The Missouri agricultural and small business  
51 development authority shall recapture the amount of tax  
52 credits issued to any taxpayer who, after receiving such tax  
53 credit, uses the urban farm for the personal benefit of the  
54 taxpayer instead of for producing agricultural food products  
55 used solely for distribution to the public by sale or  
56 donation.

57           7. The Missouri agricultural and small business  
58 development authority may promulgate rules to implement the  
59 provisions of this section. Any rule or portion of a rule,

as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after January 2, 2023, shall be invalid and void.

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset on December thirty-first twelve years after the effective date of the reauthorization of this section;

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset; and

137.1018. 1. The commission shall ascertain the statewide average rate of property taxes levied the preceding year, based upon the total assessed valuation of the railroad and street railway companies and the total property taxes levied upon the railroad and street railway companies. It shall determine total property taxes levied

7 from reports prescribed by the commission from the railroad  
8 and street railway companies. Total taxes levied shall not  
9 include revenues from the surtax on subclass three real  
10 property.

11 2. The commission shall report its determination of  
12 average property tax rate for the preceding year, together  
13 with the taxable distributable assessed valuation of each  
14 freight line company for the current year to the director no  
15 later than October first of each year.

16 3. Taxes on property of such freight line companies  
17 shall be collected at the state level by the director on  
18 behalf of the counties and other local public taxing  
19 entities and shall be distributed in accordance with  
20 sections 137.1021 and 137.1024. The director shall tax such  
21 property based upon the distributable assessed valuation  
22 attributable to Missouri of each freight line company, using  
23 the average tax rate for the preceding year of the railroad  
24 and street railway companies certified by the commission.  
25 Such tax shall be due and payable on or before December  
26 thirty-first of the year levied and, if it becomes  
27 delinquent, shall be subject to a penalty equal to that  
28 specified in section 140.100.

29 4. (1) As used in this subsection, the following  
30 terms mean:

31 (a) "Eligible expenses", expenses incurred in this  
32 state to manufacture, maintain, or improve a freight line  
33 company's qualified rolling stock;

34 (b) "Qualified rolling stock", any freight, stock,  
35 refrigerator, or other railcars subject to the tax levied  
36 under this section.

37 (2) For all taxable years beginning on or after  
38 January 1, 2009, a freight line company shall, subject to  
39 appropriation, be allowed a credit against the tax levied

40 under this section for the applicable tax year. The tax  
41 credit amount shall be equal to the amount of eligible  
42 expenses incurred during the calendar year immediately  
43 preceding the tax year for which the credit under this  
44 section is claimed. The amount of the tax credit issued  
45 shall not exceed the freight line company's liability for  
46 the tax levied under this section for the tax year for which  
47 the credit is claimed.

48 (3) A freight line company may apply for the credit by  
49 submitting to the commission an application in the form  
50 prescribed by the state tax commission.

51 (4) Subject to appropriation, the state shall  
52 reimburse, on an annual basis, any political subdivision of  
53 this state for any decrease in revenue due to the provisions  
54 of this subsection.

55 [5. Pursuant to section 23.253 of the Missouri sunset  
56 act:

57 (1) The program authorized under subsection 4 of this  
58 section shall expire on August 28, 2028; and

59 (2) Subsection 4 of this section shall terminate on  
60 September 1, 2029.]

348.491. 1. This section shall be known and may be  
2 cited as the "Specialty Agricultural Crops Act".

3 2. As used in this section, the following terms mean:

4 (1) "Authority", the Missouri agricultural and small  
5 business development authority created in section 348.020;

6 (2) "Family farmer", a farmer who is a Missouri  
7 resident and who has less than one hundred thousand dollars  
8 in agricultural sales per year;

9 (3) "Lender", the same definition as in section  
10 348.015;

11 (4) "Specialty crop", fruits and vegetables, tree  
12 nuts, dried fruits, and horticulture and nursery crops

including, but not limited to, floriculture. Specialty crop shall not include medical marijuana or industrial hemp.

3. The authority shall establish a specialty agricultural crops loan program for family farmers for the purchase of specialty crop seeds, seedlings, or trees; soil amendments including compost; irrigation equipment; fencing; row covers; trellising; season extension equipment; refrigeration equipment; and equipment for planting and harvesting.

4. To participate in the loan program, a family farmer shall first obtain approval for a specialty agricultural crops loan from a lender. Each family farmer shall be eligible for only one specialty agricultural crops loan per family.

5. The maximum amount of the specialty agricultural crops loan for specialty crop producers shall be thirty-five thousand dollars.

6. Eligible borrowers under the program:

(1) Shall use the proceeds of the specialty agricultural crops loan to acquire the farming resources described in subsection 3 of this section;

(2) Shall not finance more than ninety percent of the anticipated cost of the purchase of such farming resources through the specialty agricultural crops loan; and

(3) Shall not be charged interest by the lender for the first year of the qualified specialty agricultural crops loan.

7. Upon approval of the specialty agricultural crops loan by a lender under subsection 4 of this section, the loan shall be submitted for approval by the authority. The authority shall promulgate rules establishing eligibility under this section, taking into consideration:

- 45           (1) The eligible borrower's ability to repay the  
46 specialty agricultural crops loan;
- 47           (2) The general economic conditions of the area in  
48 which the farm is located;

50 farmer for the type of farming resource for which the  
51 specialty agricultural crops loan is sought; and
- 52           (4) Such other factors as the authority may establish.

53           8. For eligible borrowers participating in the  
54 program, the authority shall be responsible for reviewing  
55 the purchase price of any farming resources to be purchased  
56 by an eligible borrower under the program to determine  
57 whether the price to be paid is appropriate for the type of  
58 farming resources purchased. The authority may impose a one-  
59 time loan review fee of one percent, which shall be  
60 collected by the lender at the time of the loan and paid to  
61 the authority.

62           9. Nothing in this section shall be construed to  
63 preclude a family farmer from participating in any other  
64 agricultural program.

65           10. Any rule or portion of a rule, as that term is  
66 defined in section 536.010, that is created under the  
67 authority delegated in this section shall become effective  
68 only if it complies with and is subject to all of the  
69 provisions of chapter 536 and, if applicable, section  
70 536.028. This section and chapter 536 are nonseverable and  
71 if any of the powers vested with the general assembly  
72 pursuant to chapter 536 to review, to delay the effective  
73 date, or to disapprove and annul a rule are subsequently  
74 held unconstitutional, then the grant of rulemaking  
75 authority and any rule proposed or adopted after January 2,  
76 2023, shall be invalid and void.

77           [11. Under section 23.253 of the Missouri sunset act:

78 (1) The provisions of the new program authorized under  
79 this section shall automatically sunset on December 31,  
80 2028, unless reauthorized by an act of the general assembly;  
81 and

82 (2) If such program is reauthorized, the program  
83 authorized under this section shall automatically sunset  
84 twelve years after the effective date of the reauthorization  
85 of this section; and

86 (3) This section shall terminate on September first of  
87 the calendar year immediately following the calendar year in  
88 which the program authorized under this section is sunset.]

348.493. 1. As used in this section, "state tax  
2 liability" means any state tax liability incurred by a  
3 taxpayer under the provisions of chapter 143, 147, or 148,  
4 exclusive of the provisions relating to the withholding of  
5 tax as provided for in sections 143.191 to 143.265 and  
6 related provisions.

7 2. Any eligible lender under the specialty  
8 agricultural crops loan program under section 348.491 shall  
9 be entitled to receive a tax credit equal to one hundred  
10 percent of the amount of interest waived by the lender under  
11 section 348.491 on a qualifying loan for the first year of  
12 the loan only. The tax credit shall be evidenced by a  
13 certificate of tax credit issued by the Missouri  
14 agricultural and small business development authority and  
15 may be used to satisfy the state tax liability of the owner  
16 of such certificate that becomes due in the tax year in  
17 which the interest on a qualified loan is waived by the  
18 lender under section 348.491. No lender shall receive a tax  
19 credit under this section unless such lender presents a  
20 certificate of tax credit to the department of revenue for  
21 payment of such state tax liability. The amount of the tax  
22 credits that may be issued to all eligible lenders claiming

23 tax credits authorized in this section in a fiscal year  
24 shall not exceed three hundred thousand dollars.

25 3. The Missouri agricultural and small business  
26 development authority shall be responsible for the  
27 administration and issuance of the certificate of tax  
28 credits authorized by this section. The authority shall  
29 issue a certificate of tax credit at the request of any  
30 lender. Each request shall include a true copy of the loan  
31 documents, the name of the lender who is to receive a  
32 certificate of tax credit, the type of state tax liability  
33 against which the tax credit is to be used, and the amount  
34 of the certificate of tax credit to be issued to the lender  
35 based on the interest waived by the lender under section  
36 348.491 on the loan for the first year.

37 4. The department of revenue shall accept a  
38 certificate of tax credit in lieu of other payment in such  
39 amount as is equal to the lesser of the amount of the tax or  
40 the remaining unused amount of the credit as indicated on  
41 the certificate of tax credit and shall indicate on the  
42 certificate of tax credit the amount of tax thereby paid and  
43 the date of such payment.

44 5. The following provisions shall apply to tax credits  
45 authorized under this section:

46 (1) Tax credits claimed in a tax year may be claimed  
47 on a quarterly basis and applied to the estimated quarterly  
48 tax of the lender;

49 (2) Any amount of tax credit that exceeds the tax due,  
50 including any estimated quarterly taxes paid by the lender  
51 under subdivision (1) of this subsection that result in an  
52 overpayment of taxes for a tax year, shall not be refunded  
53 but may be carried over to any subsequent tax year, not to  
54 exceed a total of three years for which a tax credit may be  
55 taken for a qualified specialty agricultural crops loan;

56           (3) Notwithstanding any provision of law to the  
57 contrary, a lender may assign, transfer, sell, or otherwise  
58 convey tax credits authorized under this section, with the  
59 new owner of the tax credit receiving the same rights in the  
60 tax credit as the lender. For any tax credits assigned,  
61 transferred, sold, or otherwise conveyed, a notarized  
62 endorsement shall be filed by the lender with the authority  
63 specifying the name and address of the new owner of the tax  
64 credit and the value of such tax credit; and

65           (4) Notwithstanding any other provision of this  
66 section to the contrary, any commercial bank may use tax  
67 credits created under this section as provided in section  
68 148.064 and receive a net tax credit against taxes actually  
69 paid in the amount of the first year's interest on loans  
70 made under this section. If such first year tax credits  
71 reduce taxes due as provided in section 148.064 to zero, the  
72 remaining tax credits may be carried over as otherwise  
73 provided in this section and used as provided in section  
74 148.064 in subsequent years.

75           [6. Under section 23.253 of the Missouri sunset act:

76           (1) The provisions of the new program authorized under  
77 this section shall automatically sunset on December 31,  
78 2028, unless reauthorized by an act of the general assembly;  
79 and

80           (2) If such program is reauthorized, the program  
81 authorized under this section shall automatically sunset  
82 twelve years after the effective date of the reauthorization  
83 of this section; and

84           (3) This section shall terminate on September first of  
85 the calendar year immediately following the calendar year in  
86 which the program authorized under this section is sunset.]

          [348.436. The provisions of sections  
2           348.430 to 348.436 shall expire December 31,  
3           2028.]
