

SENATE COMMITTEE SUBSTITUTE

FOR

SENATE BILL NO. 204

AN ACT

To amend chapter 37, RSMo, by adding thereto three new sections relating to the Missouri geospatial advisory council.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 37, RSMo, is amended by adding thereto three new sections, to be known as sections 37.1300, 37.1310, and 37.1320, to read as follows:

37.1300. For the purposes of sections 37.1300 to 37.1330, the following terms mean:

(1) "Council", the Missouri geospatial advisory council established in section 37.1310;

(2) "Geographic information system (GIS)", a computer system for capturing, storing, checking, and displaying data related to positions on the Earth's surface that enables easily seeing, analyzing, and understanding patterns and relationships;

(3) "Geospatial", relating to or denoting data that is associated with a particular location;

(4) "Missouri Spatial Data Information Service" or "MSDIS", Missouri's primary spatial data clearinghouse responsible for collecting and distributing vector data, aerial photography, and light detection and ranging elevation data that are generated, updated, and funded by state, local, and regional agencies and governments.

37.1310. There is hereby established within the office of administration the "Missouri Geospatial Advisory Council", which is charged with assisting and advising the state in ensuring the availability, implementation, and

enhancement of a statewide geospatial data infrastructure
common to all jurisdictions. The council shall be
established within the information technology services
division of the office of administration. The council shall
serve to support the existing geospatial infrastructure
within the state of Missouri, including oversight of MSDIS
and strive toward immediate access to statewide geospatial
data for all citizens of this state, especially life-safety
entities including NG9-1-1.

37.1320. 1. The council shall consist of members that
represent a cross-section of subject matter experts striking
a geographic balance from all regions across the state.
Representation should at a minimum include:

(1) The commissioner of administration, or the
commissioner's designee;

(2) The director of the department of conservation, or
the director's designee;

(3) The director of the department of economic
development, or the director's designee;

(4) The director of the department of health and
senior services, or the director's designee;

(5) The director of the department of natural
resources, or the director's designee;

(6) The adjutant general of the department of the
national guard, or the adjutant general's designee;

(7) The director of the department of public safety,
or the director's designee;

(8) The director of the department of transportation,
or the director's designee;

(9) The director of the United States Geological
Survey, or the director's designee;

(10) The director of the United States Department of Agriculture - Natural Resource Conservation Service, or the director's designee;

(11) The director of the Missouri 911 service board, or the director's designee;

(12) The director of the Missouri Spatial Data Information Service, or the director's designee;

(13) The director of the state land surveyor program, or the director's designee; and

(14) No less than fourteen citizens of Missouri, appointed by the commissioner of administration or the commissioner's designee. Such individuals shall represent federal, city, county, and local government; the private sector; public safety; and academia.

2. By invitation of the council, additional subject matter experts may participate in activities as non-council members and do not require an appointment by the commissioner of administration.

3. Appointed members of the council shall serve two-year terms and shall serve until their successors are appointed. Vacancies on the council shall be filled in the same manner as the original appointment and such member appointed shall serve the remainder of the unexpired term.

4. The council shall convene, at a minimum, quarterly and as otherwise required by the commissioner of administration or the office of geospatial information.

5. The council shall designate from its members a chair and chair-elect for one-year terms and shall adopt written guidelines to govern the management of the council.

6. Each appointed member of the council shall serve without compensation but may be reimbursed for the actual and necessary expenses incurred in the performance of their

duties as members of the council, subject to appropriations for the council.

7. The council shall designate from its members an executive secretary for the council, who shall maintain the records and decisions of the council's activities in accordance with state statute and shall be responsible for correspondence between the council and other agencies.

8. The council shall not collect any personally identifiable information of any individual person. For purposes of this subsection, the term "personally identifiable information" means information that can be used to distinguish or trace an individual's identity, such as name, social security number, or biometric data records, either alone or when combined with other personal or identifying information that is linked or linkable to a specific individual.
