8. The fees described in subsection 1 of this section shall not be collected from any person who qualifies as a homeless child or homeless youth, as defined in subsection 1 of section 167.020, or as an unaccompanied youth as defined in 42 U.S.C. Section 11434a(6). Such person's status as a homeless child or youth or unaccompanied youth shall be verified by a letter signed by one of the following persons:

(6) Have no nonalcoholic traffic convictions for which points are assessed pursuant to section 302.302, within the preceding six months.

2. An intermediate driver's license grants the licensee the same privileges to operate that classification of motor vehicle as a license issued pursuant to section 302.177, except that no person shall operate a motor vehicle on the highways of this state under such an intermediate driver's license between the hours of 1:00 a.m. and 5:00 a.m. unless accompanied by a person described in subsection 1 of section 302.130; except the licensee may operate a motor vehicle without being accompanied if the travel is to or from a school or educational program or activity, a regular place of employment or in emergency situations as defined by the director by regulation.

3. Each intermediate driver's license shall be restricted by requiring that the driver and all passengers in the licensee's vehicle wear safety belts at all times. This safety belt restriction shall not apply to a person operating a motorcycle. For the first six months after issuance of the intermediate driver's license, the holder of the license shall not operate a motor vehicle with more than one passenger who is under the age of nineteen who is not a member of the holder's immediate family. As used in this subsection, an intermediate driver's license holder's immediate family shall include brothers, sisters, stepbrothers or stepsisters of the driver, including adopted or foster children residing in the same household of the intermediate driver's license holder. 4. Notwithstanding the provisions of section 302.177 to the contrary, the fee for an intermediate driver's license shall be five dollars and such license shall be valid for a period of two years. Such fee shall be waived for any person qualifying as an emancipated minor under subdivision (4) of subsection 1 of this section.

5. Any intermediate driver's licensee accumulating six or more points in a twelve-month period may be required to participate in and successfully complete a driver-improvement program approved by the state highways and transportation commission. The driver-improvement program ordered by the director of revenue shall not be used in lieu of point assessment.

6. (1) An intermediate driver's licensee who has, for the preceding twelve-month period, had no alcohol-related enforcement contacts, as defined in section 302.525 and no traffic convictions for which points are assessed, upon reaching the age of eighteen years or within the thirty days immediately preceding their eighteenth birthday may apply for and receive without further examination, other than a vision test as prescribed by section 302.173, a license issued pursuant to this chapter granting full driving privileges. Such person shall pay the required fee for such license as prescribed in section 302.177.

(2) If an intermediate driver's license expires on a Saturday, Sunday, or legal holiday, such license shall

remain valid for the five business days immediately following the expiration date. In no case shall a licensee whose intermediate driver's license expires on a Saturday, Sunday, or legal holiday be guilty of an offense of driving with an expired or invalid driver's license if such offense occurred within five business days immediately following an expiration date that occurs on a Saturday, Sunday, or legal holiday.

(3) The director of revenue shall deny an application for a full driver's license until the person has had no traffic convictions for which points are assessed for a period of twelve months prior to the date of application for license or until the person is eligible to apply for a six-year driver's license as provided for in section 302.177, provided the applicant is otherwise eligible for full driving privileges. An intermediate driver's license shall expire when the licensee is eligible and receives a full driver's license as prescribed in subdivision (1) of this section.

7. No person upon reaching the age of eighteen years whose intermediate driver's license and driving privilege is denied, suspended, cancelled or revoked in this state or any other state for any reason may apply for a full driver's license until such license or driving privilege is fully reinstated. Any such person whose intermediate driver's license has been revoked pursuant to the provisions of sections 302.010 to 302.540 shall, upon receipt of reinstatement of the revocation from the director, pass the complete driver examination, apply for a new license, and pay the proper fee before again operating a motor vehicle upon the highways of this state.

8. A person shall be exempt from the intermediate licensing requirements if the person has reached the age of eighteen years and meets all other licensing requirements.

9. Any person who violates any of the provisions of this section relating to intermediate drivers' licenses or the provisions of section 302.130 relating to temporary instruction permits is guilty of an infraction, and no points shall be assessed to his or her driving record for any such violation.

10. A person's status as a homeless child or youth or unaccompanied youth under paragraph (f) of subdivision (4) of subsection 1 of this section shall be verified by a letter signed by one of the following persons:

(1) A director or designee of a governmental or nonprofit agency that receives public or private funding to provide services to homeless persons;

(2) A local education agency liaison for homeless children and youth designated under 42 U.S.C. Section 11432(g) (1) (J) (ii), or a school social worker or counselor;
or

(3) A licensed attorney representing the minor in any legal matter.

11. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and

any rule proposed or adopted after August 28, 2000, shall be invalid and void.

302.181. 1. The license issued pursuant to the provisions of sections 302.010 to 302.340 shall be in such form as the director shall prescribe, but the license shall be a card made of plastic or other comparable material. All licenses shall be manufactured of materials and processes that will prohibit, as nearly as possible, the ability to reproduce, alter, counterfeit, forge, or duplicate any license without ready detection. The license shall also bear the expiration date of the license, the classification of the license, the name, date of birth, residence address including the county of residence or a code number corresponding to such county established by the department, and brief description and colored digitized image of the licensee, and a facsimile of the signature of the licensee. The director shall provide by administrative rule the procedure and format for a licensee to indicate on the back of the license together with the designation for an anatomical gift as provided in section 194.240 the name and address of the person designated pursuant to sections 404.800 to 404.865 as the licensee's attorney in fact for the purposes of a durable power of attorney for health care decisions. No license shall be valid until it has been so signed by the licensee. If any portion of the license is prepared by a private firm, any contract with such firm shall be made in accordance with the competitive purchasing procedures as established by the state director of the division of purchasing.

2. All digital images produced for licenses shall become the property of the department of revenue.

3. The license issued shall be carried at all times by the holder thereof while driving a motor vehicle, and shall

be displayed upon demand of any officer of the highway patrol, or any police officer or peace officer, or any other duly authorized person, for inspection when demand is made therefor. Failure of any operator of a motor vehicle to exhibit his or her license to any duly authorized officer shall be presumptive evidence that such person is not a duly licensed operator.

4. The director of revenue shall not issue a license without a facial digital image of the license applicant, except as provided pursuant to subsection 7 of this section. A digital image of the applicant's full facial features shall be taken in a manner prescribed by the director. No digital image shall be taken wearing anything which cloaks the facial features of the individual.

5. The department of revenue may issue a temporary license or a full license without the photograph or with the last photograph or digital image in the department's records to members of the Armed Forces, except that where such temporary license is issued it shall be valid only until the applicant shall have had time to appear and have his or her picture taken and a license with his or her photograph issued.

6. The department of revenue shall issue upon request a nondriver's license card containing essentially the same information and photograph or digital image, except as provided pursuant to subsection 7 of this section, as the driver's license upon payment of six dollars. All nondriver's licenses shall expire on the applicant's birthday in the sixth year after issuance. A person who has passed his or her seventieth birthday shall upon application be issued a nonexpiring nondriver's license card. Notwithstanding any other provision of this chapter, a nondriver's license containing a concealed carry endorsement

shall expire three years from the date the certificate of qualification was issued pursuant to section 571.101, as section 571.101 existed prior to August 28, 2013. The fee for nondriver's licenses issued for a period exceeding three years is six dollars or three dollars for nondriver's licenses issued for a period of three years or less. The nondriver's license card shall be used for identification purposes only and shall not be valid as a license. No fee shall be required or collected from a homeless child or homeless youth, as defined in subsection 1 of section 167.020, or unaccompanied youth, as defined in 42 U.S.C. Section 11434a(6), for a first nondriver's license card issued under this subsection. Such person's status as a homeless child or youth or unaccompanied youth shall be verified by a letter signed by one of the following persons:

(1) A director or designee of a governmental or nonprofit agency that receives public or private funding to provide services to homeless persons;

(2) A local education agency liaison for homeless children and youth designated under 42 U.S.C. Section 11432(g)(1)(J)(ii), or a school social worker or counselor;
or

(3) A licensed attorney representing the minor in any legal matter.

7. If otherwise eligible, an applicant may receive a driver's license or nondriver's license without a photograph or digital image of the applicant's full facial features except that such applicant's photograph or digital image shall be taken and maintained by the director and not printed on such license. In order to qualify for a license without a photograph or digital image pursuant to this section the applicant must:

(1) Present a form provided by the department of revenue requesting the applicant's photograph be omitted from the license or nondriver's license due to religious affiliations. The form shall be signed by the applicant and another member of the religious tenant verifying the photograph or digital image exemption on the license or nondriver's license is required as part of their religious affiliation. The required signatures on the prescribed form shall be properly notarized;

(2) Provide satisfactory proof to the director that the applicant has been a United States citizen for at least five years and a resident of this state for at least one year, except that an applicant moving to this state possessing a valid driver's license from another state without a photograph shall be exempt from the one-year state residency requirement. The director may establish rules necessary to determine satisfactory proof of citizenship and residency pursuant to this section;

(3) Applications for a driver's license or nondriver's license without a photograph or digital image must be made in person at a license office determined by the director. The director is authorized to limit the number of offices that may issue a driver's or nondriver's license without a photograph or digital image pursuant to this section.

8. The department of revenue shall make available, at one or more locations within the state, an opportunity for individuals to have their full facial photograph taken by an employee of the department of revenue, or their designee, who is of the same sex as the individual being photographed, in a segregated location.

9. Beginning July 1, 2005, the director shall not issue a driver's license or a nondriver's license for a period that exceeds an applicant's lawful presence in the

United States. The director may, by rule or regulation, establish procedures to verify the lawful presence of the applicant and establish the duration of any driver's license or nondriver's license issued under this section.

10. (1) Notwithstanding any biometric data restrictions contained in section 302.170, the department of revenue is hereby authorized to design and implement a secure digital driver's license program that allows applicants applying for a driver's license in accordance with this chapter to obtain a secure digital driver's license in addition to the physical card-based license specified in this section.

(2) A digital driver's license as described in this subsection shall be accepted for all purposes for which a license, as defined in section 302.010, is used.

(3) The department may contract with one or more entities to develop the secure digital driver's license system. The department or entity may develop a mobile software application capable of being utilized through a person's electronic device to access the person's secure digital driver's license.

(4) The department shall suspend, disable, or terminate a person's participation in the secure digital driver's license program if:

(a) The person's driving privilege is suspended, revoked, denied, withdrawn, or cancelled as provided in this chapter; or

(b) The person reports that the person's electronic device has been lost, stolen, or compromised.

11. The director of the department of revenue may promulgate rules as necessary for the implementation of this section. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the

authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void.

491.075. 1. A statement made by a child under the age of ~~fourteen~~ eighteen, or a vulnerable person, relating to an offense under chapter 565, 566, 568 or 573, performed by another, not otherwise admissible by statute or court rule, is admissible in evidence in criminal proceedings in the courts of this state as substantive evidence to prove the truth of the matter asserted if:

(1) The court finds, in a hearing conducted outside the presence of the jury that the time, content and circumstances of the statement provide sufficient indicia of reliability; and

(2) (a) The child or vulnerable person testifies at the proceedings; or

(b) The child or vulnerable person is unavailable as a witness; or

(c) The child or vulnerable person is otherwise physically available as a witness but the court finds that the significant emotional or psychological trauma which would result from testifying in the personal presence of the defendant makes the child or vulnerable person unavailable as a witness at the time of the criminal proceeding.

2. Notwithstanding subsection 1 of this section or any provision of law or rule of evidence requiring corroboration

of statements, admissions or confessions of the defendant, and notwithstanding any prohibition of hearsay evidence, a statement by a child when under the age of [fourteen] eighteen, or a vulnerable person, who is alleged to be victim of an offense under chapter 565, 566, 568 or 573 is sufficient corroboration of a statement, admission or confession regardless of whether or not the child or vulnerable person is available to testify regarding the offense.

3. A statement may not be admitted under this section unless the prosecuting attorney makes known to the accused or the accused's counsel his or her intention to offer the statement and the particulars of the statement sufficiently in advance of the proceedings to provide the accused or the accused's counsel with a fair opportunity to prepare to meet the statement.

4. Nothing in this section shall be construed to limit the admissibility of statements, admissions or confessions otherwise admissible by law.

5. For the purposes of this section, "vulnerable person" shall mean a person who, as a result of an inadequately developed or impaired intelligence or a psychiatric disorder that materially affects ability to function, lacks the mental capacity to consent, or whose developmental level does not exceed that of an ordinary child of fourteen years of age.

492.304. 1. In addition to the admissibility of a statement under the provisions of section 492.303, the visual and aural recording of a verbal or nonverbal statement of a child when under the age of [fourteen who is alleged to be a victim of] eighteen, relating to an offense under the provisions of chapter 565, 566 [or], 568, or 573, if performed by another, is admissible into evidence if:

(1) No attorney for either party was present when the statement was made; except that, for any statement taken at a state-funded child assessment center as provided for in subsection 2 of section 210.001, an attorney representing the state of Missouri in a criminal investigation may, as a member of a multidisciplinary investigation team, observe the taking of such statement, but such attorney shall not be present in the room where the interview is being conducted;

(2) The recording is both visual and aural and is recorded on film or videotape or by other electronic means;

(3) The recording equipment was capable of making an accurate recording, the operator of the equipment was competent, and the recording is accurate and has not been altered;

(4) The statement was not made in response to questioning calculated to lead the child to make a particular statement or to act in a particular way;

(5) Every voice on the recording is identified;

(6) The person conducting the interview of the child in the recording is present at the proceeding and available to testify or be cross-examined by either party; and

(7) The defendant or the attorney for the defendant is afforded an opportunity to view the recording before it is offered into evidence.

2. If the child does not testify at the proceeding, the visual and aural recording of a verbal or nonverbal statement of the child shall not be admissible under this section unless the recording qualifies for admission under section 491.075.
