

# SENATE BILL NO. 518

103RD GENERAL ASSEMBLY

INTRODUCED BY SENATOR TRENT.

1513S.01H

KRISTINA MARTIN, Secretary

## AN ACT

To amend chapter 195, RSMo, by adding thereto eighteen new sections relating to hemp-derived consumable products, with penalty provisions.

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Chapter 195, RSMo, is amended by adding thereto  
2 eighteen new sections, to be known as sections 195.2550,  
3 195.2555, 195.2560, 195.2563, 195.2565, 195.2570, 195.2575,  
4 195.2580, 195.2585, 195.2590, 195.2595, 195.2600, 195.2605,  
5 195.2607, 195.2610, 195.2615, 195.2630, and 195.2635, to read  
6 as follows:

195.2550. 1. Sections 195.2550 to 195.2635 shall be  
2 known and may be cited as the "Missouri Hemp Consumer  
3 Protection Act".

4 2. As used in sections 195.2550 to 195.2635, unless  
5 the context otherwise requires, the following terms mean:

6 (1) "Batch":

7 (a) A specific quantity of hemp plants that are  
8 cultivated from the same seed or plant stock, that are  
9 cultivated together, that are intended to be harvested  
10 together, and that receive identical propagation and  
11 cultivation treatment; or

12 (b) A specific quantity of hemp-derived consumable  
13 product, as defined by the manufacturer, that is  
14 manufactured at the same time and using the same methods,  
15 equipment, and ingredients; that is uniform and intended to

16 meet specifications for identity, strength, purity, and  
17 composition; and that is manufactured, packaged, and labeled  
18 according to a single batch production record executed and  
19 documented;

20 (2) "Business", any of the following licensed under  
21 sections 195.2550 to 195.2635:

22 (a) A hemp-derived consumable product distributor;

23 (b) A hemp-derived consumable product retailer; or

24 (c) A hemp-derived consumable product manufacturer;

25 (3) "Certificate of analysis", a document from an  
26 independent testing laboratory that provides detailed  
27 results of hemp and hemp product testing, including batch  
28 number, date received, and method of analysis, ensuring that  
29 the product and the hemp used to manufacture the product  
30 comply with the state's safety and potency standards;

31 (4) "Counter", the point of purchase at a retail  
32 establishment;

33 (5) "Department", the department of health and senior  
34 services;

35 (6) "Distributor", a person or entity that purchases  
36 hemp-derived consumable products from manufacturers and  
37 sells them to retailers;

38 (7) "Division", the division of alcohol and tobacco  
39 control of the department of public safety;

40 (8) "Food service establishment", an establishment  
41 where food is prepared and served on the premises;

42 (9) "Hemp", the plant *Cannabis sativa L.* and any part  
43 of that plant, including the seeds thereof and all  
44 derivatives, extracts, cannabinoids, isomers, acids, salts,  
45 and salts of isomers, whether growing or not, with a delta-9  
46 tetrahydrocannabinol concentration of not more than three-  
47 tenths of one percent on a dry-weight basis;

48           (10) "Hemp-derived cannabinoid", any naturally  
49 occurring cannabinoid derived from a compound found in hemp  
50 including, but not limited to, delta-9 tetrahydrocannabinol  
51 (delta-9 THC), tetrahydrocannabinolic acid (THCA),  
52 cannabidiol (CBD), cannabidiolic acid (CBDA), cannabinol  
53 (CBN), cannabigerol (CBG), cannabichromene (CBC),  
54 cannabicyclol (CBL), cannabivarin (CBV),  
55 tetrahydrocannabivarin (THCV), cannabidivarin (CBDV),  
56 cannabicitran (CBT), delta-7 tetrahydrocannabinol (delta-7  
57 THC), delta-8 tetrahydrocannabinol (delta-8 THC), delta-10  
58 tetrahydrocannabinol (delta-10 THC), or hexahydrocannabinol  
59 (HHC);

60           (11) "Hemp-derived consumable beverage product", a  
61 hemp-derived consumable product that is a liquid intended  
62 for ingestion and that is not a tincture;

63           (12) "Hemp-derived consumable product", a finished  
64 good that is intended for human ingestion or inhalation,  
65 that contains at least one hemp-derived cannabinoid, and  
66 that does not contain a delta-9 THC concentration of more  
67 than three-tenths of one percent on a dry-weight basis but  
68 may contain concentrations of other hemp-derived  
69 cannabinoids in excess of such amount. The term "hemp-  
70 derived consumable product" shall not include any hemp  
71 product intended for topical application or any hemp seeds  
72 or hemp-seed-derived ingredients that are generally  
73 recognized as safe by the United States Food and Drug  
74 Administration;

75           (13) "Independent testing laboratory", a laboratory  
76 that meets all of the following conditions:

77           (a) Holds an International Organization for  
78 Standardization (ISO) 17025 accreditation or is registered

79 with the Drug Enforcement Administration in accordance with  
80 21 CFR 1301.13;

81 (b) Does not have a direct or indirect interest in the  
82 entity whose product or material is being tested;

83 (c) Does not have a direct or indirect interest in a  
84 facility that cultivates, processes, distributes, dispenses,  
85 or sells hemp-derived consumable products in this state or  
86 any other jurisdiction; and

87 (d) Performs tetrahydrocannabinol concentration  
88 sampling and testing using the high-performance liquid  
89 chromatography (HPLC) method or the gas chromatography-mass  
90 spectrometry (GC-MS) method, as appropriate for the material  
91 being tested, in a manner that ensures that the testing does  
92 not alter the chemical composition of the cannabinoids;

93 (14) "Ingestion", the process of consuming a hemp-  
94 derived consumable product through the mouth by swallowing  
95 into the gastrointestinal system;

96 (15) "Inhalation", the process of consuming a hemp-  
97 derived consumable product through the respiratory system  
98 via the mouth or nasal passageway;

99 (16) "License", a license issued in accordance with  
100 sections 195.2550 to 195.2635;

101 (17) "Manufacture", to compound, blend, extract,  
102 infuse, cook, or otherwise make or prepare products  
103 containing a hemp-derived cannabinoid, including the  
104 processes of extraction, infusion, packaging, repackaging,  
105 labeling, and relabeling of products containing a hemp-  
106 derived cannabinoid;

107 (18) "Manufacturer", any person who engages in the  
108 process of manufacturing, preparing, or packaging hemp-  
109 derived consumable products;

110           (19) "Proof of age", a valid driver's license or other  
111 government-issued identification card that contains a  
112 photograph of the person and confirms the person's age as  
113 twenty-one years of age or older;

114           (20) "Retail establishment", a place of business open  
115 to the general public for the sale of goods or services;

116           (21) "Retailer", a person or entity that sells hemp-  
117 derived consumable products for consumption and not for  
118 resale;

119           (22) "Safe harbor hemp product", a hemp-derived  
120 compound or hemp-derived cannabinoid, whether a finished  
121 product or in the process of being produced, that is  
122 manufactured for distribution, produced for distribution,  
123 packaged for distribution, processed for distribution,  
124 treated for distribution, transported for distribution, or  
125 held for distribution in this state for export from this  
126 state but that is not sold at retail in this state;

127           (23) "Safe harbor manufacturer or storage facility", a  
128 facility that manufactures for distribution, produces for  
129 distribution, packages for distribution, processes for  
130 distribution, prepares for distribution, treats for  
131 distribution, transports for distribution, or holds for  
132 distribution a safe harbor hemp product;

133           (24) "Serving", a quantity of a hemp-derived  
134 consumable product recommended for consumption at a single  
135 time as indicated on the packaging as a single piece, that  
136 is easily identified as breakable by indent, or that is  
137 measurable by fluid ounce;

138           (25) "Tincture", a hemp-derived consumable product  
139 that is in the form of liquid, that is not a beverage or  
140 intended for drinking but that is intended for human

141 consumption, and that contains hemp suspended in a  
142 consumable base liquid.

195.2555. 1. A person shall not knowingly:

2 (1) Sell or distribute a hemp-derived consumable  
3 product to a person who is under twenty-one years of age;

4 (2) Purchase a hemp-derived consumable product on  
5 behalf of a person who is under twenty-one years of age;

6 (3) Persuade, entice, send, or assist a person who is  
7 under twenty-one years of age to purchase, acquire, receive,  
8 or attempt to purchase a hemp-derived consumable product;

9 (4) Distribute hemp-derived consumable products in or  
10 on a public street, sidewalk, or park without obtaining a  
11 temporary event permit from the division; or

12 (5) Sell or distribute a hemp-derived consumable  
13 product without having first obtained proof of age from the  
14 prospective purchaser or recipient unless an ordinary person  
15 would conclude on the basis of appearance that the  
16 prospective purchaser or recipient is not under twenty-one  
17 years of age.

18 2. (1) A person under twenty-one years of age shall  
19 not knowingly:

20 (a) Purchase or accept receipt of a hemp-derived  
21 consumable product; or

22 (b) Present purported proof of age that is false or  
23 fraudulent or that does not actually identify the person for  
24 the purpose of purchasing or receiving a hemp-derived  
25 consumable product.

26 (2) Notwithstanding the provisions of subdivision (1)  
27 of this subsection to the contrary, it shall be lawful, and  
28 shall not constitute a violation of sections 195.2550 to  
29 195.2635, for a person under twenty-one years of age to:

30 (a) Consume hemp-derived consumable products under the  
31 supervision of the person's parent or legal guardian or in  
32 accordance with the provisions of section 195.2635; or

33 (b) Purchase, accept receipt of, possess, consume, or  
34 use a hemp-derived consumable product if the person is  
35 eighteen years of age or older and a veteran, as defined in  
36 section 42.002. Any activity prohibited under sections  
37 195.2550 to 195.2635 based on age shall be lawful if the  
38 person under twenty-one years of age meets the criteria set  
39 forth in this paragraph and the seller or distributor of the  
40 hemp-derived consumable product obtains proof of the  
41 person's veteran status.

42 3. With the exception of any hemp-derived consumable  
43 beverage product that does not contain more than ten  
44 milligrams per single serving of delta-8 THC, delta-9 THC,  
45 or delta-10 THC, or any combination thereof, a retailer or  
46 retail establishment shall maintain any hemp-derived  
47 consumable product on or behind the counter, in a locked  
48 cabinet, or in an area or retail establishment restricted to  
49 adults twenty-one years of age or older. Any hemp-derived  
50 consumable beverage product, including those in cases or  
51 boxes, offered for retail sale shall be merchandised in a  
52 manner that clearly indicates to consumers, by way of  
53 signage, shelf-talkers, stickers, or other comparable means,  
54 that the product contains hemp-derived cannabinoids and is  
55 for sale only to persons twenty-one years of age or older.

56 4. Any person who violates any provision of this  
57 section shall be subject to a fine not to exceed two hundred  
58 fifty dollars for a first violation, to be paid into the  
59 state school moneys fund established under section 166.051  
60 as provided by law for other fines and penalties. The

61 penalty for any second or subsequent violation shall be a  
62 class D misdemeanor.

63 5. The division shall enforce sections 195.2550 to  
64 195.2635 in a manner that may reasonably be expected to  
65 reduce the extent to which hemp-derived consumable products  
66 are sold or distributed to persons under twenty-one years of  
67 age and shall conduct inspections at locations where such  
68 products are sold or distributed to ensure compliance with  
69 sections 195.2550 to 195.2635.

70 6. Notwithstanding the provisions of this chapter or  
71 chapter 579 or any other provision of law to the contrary,  
72 any purchase, possession, consumption, use, manufacture,  
73 transportation, or distribution of any hemp-derived  
74 consumable product that complies with the provisions of  
75 sections 195.2550 to 195.2635 shall be lawful.

195.2560. 1. The division shall issue licenses for  
2 the manufacture and sale of hemp-derived consumable products  
3 in this state.

4 2. Any person or entity that is in the business of  
5 hemp-derived consumable products in this state, including  
6 any manufacturer, distributor, or retailer, shall obtain a  
7 license from the division authorizing the person or entity  
8 to engage in that business prior to the commencement of the  
9 business or, for a business operating before the effective  
10 date of the rules promulgated under sections 195.2550 to  
11 195.2635, within a time period specified by the division by  
12 rule.

13 3. Any person or entity engaging in the business of  
14 manufacturing or selling hemp-derived consumable products in  
15 this state without a valid license required under sections  
16 195.2550 to 195.2635 shall be subject to a fine not to  
17 exceed two hundred fifty dollars.

18           4. To obtain and maintain a manufacturer, distributor,  
19 or retailer license under this section, a person or entity  
20 shall:

21           (1) Submit to the division an application that  
22 includes:

23           (a) The name and address of the applicant; and

24           (b) If the applicant is a retailer, the legal  
25 description of the location to be used for sales;

26           (2) Pay to the division a fee determined by the  
27 division but not to exceed:

28           (a) For manufacturers and distributors, two hundred  
29 fifty dollars; and

30           (b) For retailers, one hundred dollars; and

31           (3) Consent to reasonable inspection and sampling by  
32 the division of the applicant's inventory of hemp-derived  
33 consumable products.

34           5. A license issued under this section shall be valid  
35 for a period of one year and may be renewed annually. The  
36 division shall charge an annual renewal fee equal to the  
37 initial licensing fee.

38           6. The division shall establish guidelines for small-  
39 scale producers to promote the development of local hemp  
40 manufacturers focused on the production of edibles,  
41 inhalables, and beverages.

42           7. Notwithstanding any other provision of this section  
43 to the contrary, any applicant that meets the requirements  
44 set forth in sections 195.2550 to 195.2635 shall be issued a  
45 license by the division. A license application shall be  
46 automatically deemed approved, and a license shall be  
47 issued, if the division fails to approve or deny the  
48 application within ninety days of the date of the submission  
49 of the application.

50           8. All fees payable under this section shall be  
51 collected by the division and transmitted to the department  
52 of revenue for deposit in the state treasury to the credit  
53 of the hemp business fund established under section 195.2563.

54           9. (1) Beginning August 28, 2025, and continuing  
55 thereafter, no new retail establishments offering hemp-  
56 derived consumable products shall be located within one  
57 hundred feet of any educational institution, public or  
58 private, providing elementary or secondary education to  
59 children at any level from kindergarten through grade twelve  
60 or at any equivalent level if the institution does not use  
61 grade divisions.

62           (2) Notwithstanding the provisions of subdivision (1)  
63 of this subsection, a retail establishment that was  
64 operating within one hundred feet of any educational  
65 institution described in subdivision (1) of this subsection  
66 before August 28, 2025, that changes ownership on or after  
67 August 28, 2025, shall be permitted to operate in the same  
68 location.

195.2563. 1. There is hereby created in the state  
2 treasury the "Hemp Business Fund". All fees authorized to  
3 be charged by the division under section 195.2560 shall be  
4 collected by the director of the division and shall be  
5 transmitted to the department of revenue for deposit in the  
6 state treasury for credit to this fund. The state treasurer  
7 shall be custodian of the fund. In accordance with sections  
8 30.170 and 30.180, the state treasurer may approve  
9 disbursements. The fund shall be a dedicated fund and, upon  
10 appropriation, moneys in this fund shall be used solely for  
11 the administration of sections 195.2550 to 195.2635.

12           2. Notwithstanding the provisions of section 33.080 to  
13 the contrary, any moneys remaining in the fund at the end of

14 the biennium shall not revert to the credit of the general  
15 revenue fund.

16 3. The state treasurer shall invest moneys in the fund  
17 in the same manner as other funds are invested. Any  
18 interest and moneys earned on such investments shall be  
19 credited to the fund.

195.2565. 1. Before April 1, 2026, the division shall  
2 promulgate rules on the licensure of hemp-derived consumable  
3 product businesses to implement the provisions of sections  
4 195.2550 to 195.2635. The rules shall, at a minimum:

5 (1) Set forth application forms and guidelines for  
6 obtaining a license as a hemp-derived consumable product  
7 business;

8 (2) Specify the date by which hemp-derived consumable  
9 product businesses operating before the effective date of  
10 the rules promulgated under this section shall obtain a  
11 license to continue operating;

12 (3) Set forth requirements for business operations in  
13 accordance with sections 195.2550 to 195.2635; and

14 (4) Specify the procedures for the denial or  
15 revocation of licenses based on violations of sections  
16 195.2550 to 195.2635, including administrative appeals of  
17 such decisions.

18 2. Any rule or portion of a rule, as that term is  
19 defined in section 536.010, that is created under the  
20 authority delegated in this section shall become effective  
21 only if it complies with and is subject to all of the  
22 provisions of chapter 536 and, if applicable, section  
23 536.028. This section and chapter 536 are nonseverable and  
24 if any of the powers vested with the general assembly  
25 pursuant to chapter 536 to review, to delay the effective  
26 date, or to disapprove and annul a rule are subsequently

27 held unconstitutional, then the grant of rulemaking  
28 authority and any rule proposed or adopted after August 28,  
29 2025, shall be invalid and void.

195.2570. 1. Hemp-derived consumable products and any  
2 hemp used to manufacture hemp-derived consumable products  
3 shall be tested in accordance with the requirements of this  
4 section. The department of health and senior services shall  
5 oversee all testing required under this section.

6 2. (1) The department shall maintain and post on its  
7 website a registry of independent testing laboratories,  
8 located both in this state and outside this state, that are  
9 qualified to test intermediate manufactured material and  
10 finished products containing a hemp-derived cannabinoid.

11 (2) The department shall develop an application and  
12 process by which qualifying laboratories, located both in  
13 this state and outside this state, are listed on its  
14 website. An application submitted by a potentially  
15 qualifying laboratory shall include a sample certificate of  
16 analysis issued by the applying laboratory and provide proof  
17 of the laboratory's International Organization for  
18 Standardization (ISO) 17025 accreditation or registration  
19 with the Drug Enforcement Administration in accordance with  
20 21 CFR 1301.13.

21 (3) An application submitted under subdivision (2) of  
22 this subsection shall be automatically deemed approved if  
23 the department fails to take any action on the application  
24 within ninety days of the date of the submission of the  
25 application.

26 (4) Notwithstanding the provisions of subdivisions (1)  
27 to (3) of this subsection to the contrary, independent  
28 testing laboratories wishing to test hemp and hemp-derived  
29 consumable products subject to the requirements of sections

30 195.2550 to 195.2635 shall register immediately with the  
31 department.

32 3. A manufacturer shall ensure that the hemp used in  
33 the manufacturing of hemp-derived consumable products  
34 undergoes full-panel testing under subsection 5 of this  
35 section. If the hemp used in the manufacturing of a hemp-  
36 derived consumable product has valid full-panel test  
37 results, the hemp-derived consumable product shall be  
38 required to undergo only potency testing. Any hemp that  
39 contains more than the maximum amount indicated for any  
40 substance in subsection 5 of this section shall not be used  
41 to manufacture hemp-derived consumable products to be  
42 offered for sale or distribution in this state.

43 4. A distributor shall ensure its hemp-derived  
44 consumable product is tested for potency prior to  
45 distribution to a retailer. The test results for potency  
46 shall be documented and maintained by the distributor.

47 5. (1) The department shall promulgate regulations  
48 specifying pass or fail action levels for safety and  
49 toxicity for hemp used to manufacture hemp-derived  
50 consumable products. Any hemp to be used in the manufacture  
51 of hemp-derived consumable products offered for sale or  
52 distribution in this state shall be tested for the presence  
53 of and amounts of the following substances:

- 54 (a) Heavy metals;
- 55 (b) Pesticides;
- 56 (c) Mycotoxins;
- 57 (d) Solvents; and
- 58 (e) Microbials.

59 (2) Any rule or portion of a rule, as that term is  
60 defined in section 536.010, that is created under the  
61 authority delegated in this section shall become effective

62 only if it complies with and is subject to all of the  
63 provisions of chapter 536 and, if applicable, section  
64 536.028. This section and chapter 536 are nonseverable and  
65 if any of the powers vested with the general assembly  
66 pursuant to chapter 536 to review, to delay the effective  
67 date, or to disapprove and annul a rule are subsequently  
68 held unconstitutional, then the grant of rulemaking  
69 authority and any rule proposed or adopted after August 28,  
70 2025, shall be invalid and void.

71 6. Manufacturers and distributors shall contract with  
72 an independent testing laboratory to provide the testing  
73 required under this section.

74 7. An independent testing laboratory providing full-  
75 panel or potency testing required under this section shall  
76 use the high-performance liquid chromatography (HPLC) method  
77 or gas chromatography-mass spectrometry (GC-MS) method, as  
78 appropriate for the material being tested, in a manner that  
79 ensures that the testing does not alter the chemical  
80 composition of the cannabinoids.

81 8. Each batch of hemp used to manufacture hemp-derived  
82 consumable products shall be accompanied by a validly issued  
83 certificate of analysis from an independent testing  
84 laboratory that demonstrates:

- 85 (1) The batch number;
- 86 (2) The date received;
- 87 (3) The date of completion;
- 88 (4) The method of analysis for each test conducted on  
89 the hemp under subsection 5 of this section; and
- 90 (5) Proof that the certificate of analysis is  
91 connected to the batch of hemp.

92 9. Each hemp-derived consumable product shall be  
93 accompanied by the certificate of analysis for the hemp used

94 to manufacture the hemp-derived consumable product as well  
95 as a validly issued certificate of analysis from an  
96 independent testing laboratory on the hemp-derived  
97 consumable product that demonstrates:

- 98 (1) The batch number for the product;
- 99 (2) The date received;
- 100 (3) The date of completion;
- 101 (4) The method of analysis for the potency test  
102 conducted on the product; and
- 103 (5) Proof that the certificate of analysis is  
104 connected to the product.

105 10. A manufacturer shall provide certificates of  
106 analysis to inspectors upon request. A retailer shall  
107 maintain certificates of analysis for each batch of hemp-  
108 derived consumable product that the retailer sells and  
109 provide the certificates of analysis to inspectors, upon  
110 request, at any time during the three-year period following  
111 the date on which the hemp-derived consumable product was  
112 manufactured.

113 11. If a hemp-derived consumable product does not have  
114 a certificate of analysis demonstrating that full-panel  
115 testing was conducted under subsection 5 of this section on  
116 the hemp used to manufacture the hemp-derived consumable  
117 product, a certificate of analysis demonstrating that full-  
118 panel testing was conducted under subsection 5 of this  
119 section on the hemp-derived consumable product shall be  
120 sufficient.

121 12. A hemp flower or any product containing only the  
122 flower of hemp shall be required under this section to be  
123 accompanied only by a certificate of analysis issued within  
124 the previous twelve-month period demonstrating that the hemp  
125 flower or the product containing hemp flower does not

126 contain a delta-9 THC concentration of more than three-  
127 tenths of one percent on a dry-weight basis.

128 13. A hemp-derived consumable product shall have a  
129 best-by date on the label that conforms with any applicable  
130 federal law and that shall be not more than two years from  
131 the date of publication of the product's laboratory testing  
132 report for potency required by subsection 4 of this section.

195.2575. 1. The label of a hemp-derived consumable  
2 product offered for distribution or sale in this state shall  
3 contain the following information, in not less than three-  
4 point font:

5 (1) Product name or common name, on the front of the  
6 label;

7 (2) Brand name, on the front of the label;

8 (3) A clear indication on the front of the label that  
9 the package contains hemp-derived cannabinoids;

10 (4) Net weight or volume or net count of individual  
11 items, on the front of the label;

12 (5) Suggested product use, including serving sizes;

13 (6) List of ingredients, including:

14 (a) Milligrams of any cannabinoid over one milligram  
15 per serving; and

16 (b) Milligrams of any measurable amount of THC per  
17 serving;

18 (7) List of allergens if any of the major allergens  
19 identified by the United States Food and Drug Administration  
20 (FDA) could be present or if the product is manufactured in  
21 a lab that uses any of those major allergens identified by  
22 the FDA in the Food Allergen Labeling and Consumer  
23 Protection Act of 2004;

24 (8) The name and physical address or website address  
25 of the manufacturer or distributor;

26 (9) Batch numbers for both the hemp-derived consumable  
27 product and the hemp used to manufacture the hemp-derived  
28 consumable product;

29 (10) A best-by date that conforms with any applicable  
30 federal law and that shall be not more than two years from  
31 the date of publication of the product's certificate of  
32 analysis testing report required under section 195.2570;

33 (11) A statement that use while pregnant or breast-  
34 feeding may be harmful;

35 (12) A statement that the product contains hemp-  
36 derived cannabinoids and that consumption of certain  
37 cannabinoids may impair the consumer's ability to drive or  
38 operate heavy machinery;

39 (13) A statement to keep out of the reach of children;

40 (14) A statement that the product is only for persons  
41 twenty-one years of age or older; and

42 (15) A statement to consult a physician before use.

43 2. The label of each hemp-derived consumable product  
44 shall include the following text: "This product has not  
45 been evaluated by the Food and Drug Administration. This  
46 product is not intended to diagnose, treat, cure, mitigate,  
47 or prevent any disease."

48 3. Hemp-derived consumable product labels shall not:

49 (1) Have any likeness or bear any reasonable  
50 resemblance to a human, animal, cartoon character, or  
51 fictional character; or

52 (2) Infringe upon any trademarks protected by the  
53 United States Patent and Trademark Office or the Missouri  
54 office of the secretary of state.

195.2580. 1. A hemp-derived consumable product that  
2 is sold in this state shall be labeled in accordance with  
3 section 195.2575 and include a quick response code that

4 directs consumers to all label information required by  
5 section 195.2575 and all information required by section  
6 195.2570.

7 2. A hemp-derived consumable product that is sold in  
8 this state shall be manufactured in the United States under  
9 all applicable laws governing the manufacture of hemp-  
10 derived consumable products in its jurisdiction of origin.

11 3. Any hemp-derived consumable product that is sold in  
12 this state and that is intended for ingestion but that is  
13 not intended for inhalation, other than a hemp-derived  
14 consumable beverage product, shall not:

15 (1) Be sold in a container in which a single serving  
16 contains more than one hundred milligrams of one or more of  
17 the following hemp-derived cannabinoids:

- 18 (a) Delta-8 THC;
- 19 (b) Delta-9 THC; or
- 20 (c) Delta-10 THC;

21 (2) Be formed in the shape of an animal or cartoon  
22 character;

23 (3) Be sold in such a manner that a single serving is  
24 less than one piece unless serving sizes are clearly marked  
25 and easily divided without the use of a knife or tool; or

26 (4) Be sold in packaging that is not child-resistant  
27 in accordance with accepted federal standards.

28 4. Any hemp-derived consumable beverage product or  
29 tincture intended for ingestion that is sold in this state  
30 shall not be sold in a container in which a single serving  
31 contains more than one hundred milligrams of one or more of  
32 the following hemp-derived cannabinoids:

- 33 (1) Delta-8 THC;
- 34 (2) Delta-9 THC; or
- 35 (3) Delta-10 THC.

36           5. Any hemp-derived consumable product intended for  
37 inhalation that is sold in this state shall not:

38           (1) Be sold in a container that contains more than six  
39 milliliters or six grams, in the aggregate, of one or more  
40 of the following hemp-derived cannabinoids:

41           (a) Delta-8 THC;

42           (b) Delta-9 THC; or

43           (c) Delta-10 THC;

44           (2) Be sold without a validly issued certificate of  
45 analysis issued by an independent testing laboratory within  
46 the previous twenty-four months; or

47           (3) Contain any amount of vitamin E oil or vitamin E  
48 acetate oil in any quantity.

49           6. A hemp-derived consumable product that is sold or  
50 offered for sale in violation of sections 195.2550 to  
51 195.2635 shall be subject to seizure and forfeiture.

195.2585. 1. A retailer or manufacturer of a hemp-  
2 derived consumable product shall not advertise, market, or  
3 offer for sale a hemp-derived consumable product by using  
4 any trade dress, trademark, branding, or related imagery or  
5 scenery that is prohibited under this section in the  
6 labeling or design of the product or product packaging or in  
7 advertising or marketing materials for the product.

8           2. Any trade dress, trademark, branding, or related  
9 imagery or scenery used for any activity described in this  
10 section shall not:

11           (1) Depict or signify characters or symbols known to  
12 appeal primarily to minors; or

13           (2) Infringe upon any trademarks protected by the  
14 United States Patent and Trademark Office or the Missouri  
15 office of the secretary of state.

16           3. Nothing in this section prohibits the use of  
17 drawings, illustrations, or artwork depicting nonmythical  
18 creatures, inanimate objects, scenery, humanoid characters,  
19 fruit- or flavor-focused images, or any other items not  
20 known to appeal primarily to minors.

          195.2590. 1. A person shall not undertake any task  
2 while impaired by the use of a hemp-derived consumable  
3 product if doing so would constitute negligence or  
4 professional malpractice.

5           2. A person shall not operate, navigate, or be in  
6 actual physical control of a motor vehicle, aircraft,  
7 motorized watercraft, or any other vehicle while impaired by  
8 the use of a hemp-derived consumable product.

9           3. An employer shall not be required to accommodate  
10 the use of a hemp-derived consumable product in the  
11 workplace or an employee working while under the influence  
12 of a hemp-derived consumable product.

13           4. Sections 195.2550 to 195.2635 shall not exempt a  
14 person from prosecution for a criminal offense related to  
15 impairment or intoxication resulting from the use of a hemp-  
16 derived consumable product or relieve a person from any  
17 requirement under the law to submit to a breath, blood,  
18 urine, or other test to detect the presence of a controlled  
19 substance.

20           5. Any state agency that regulates activities  
21 described in this section may promulgate rules to implement  
22 the provisions of this section relevant to its regulatory  
23 jurisdiction. Any rule or portion of a rule, as that term  
24 is defined in section 536.010, that is created under the  
25 authority delegated in this section shall become effective  
26 only if it complies with and is subject to all of the  
27 provisions of chapter 536 and, if applicable, section

28 536.028. This section and chapter 536 are nonseverable and  
29 if any of the powers vested with the general assembly  
30 pursuant to chapter 536 to review, to delay the effective  
31 date, or to disapprove and annul a rule are subsequently  
32 held unconstitutional, then the grant of rulemaking  
33 authority and any rule proposed or adopted after August 28,  
34 2025, shall be invalid and void.

195.2595. Nothing in sections 195.2550 to 195.2635  
2 shall prohibit hemp-derived consumable beverage product  
3 manufacturers from assigning exclusive territories for  
4 distribution of hemp-derived consumable beverage products.

195.2600. 1. Each manufacturer shall officially  
2 register its hemp-derived consumable products distributed or  
3 available for distribution in this state with the division  
4 and shall comply with the requirements of this section.

2. Application for registration shall be made to the  
5 division on a form provided by the division and shall  
6 include the following information:  
7

8 (1) The name and address of the applicant;

9 (2) The name and address of the person whose name will  
10 appear on the product labels if such person is not the  
11 applicant;

12 (3) The ingredients used in the products to be  
13 distributed; and

14 (4) The types and uses of the products to be  
15 distributed.

16 3. The division may conduct random audits to ensure  
17 that the registrant is complying with the division's  
18 registration requirements.

19 4. A new or updated product registration is required  
20 for any of the following:

21 (1) Any change in a hemp-derived consumable product's  
22 ingredients;

23 (2) Any change of name for the product; and

24 (3) Any change to the directions for use.

25 5. For any change that does not require a new  
26 registration, the registrant shall submit copies of each  
27 label change to the division as soon as the change is  
28 effective.

29 6. The registrant is responsible for the accuracy and  
30 completeness of the information submitted.

31 7. A hemp-derived consumable product that has been  
32 discontinued shall continue to be registered in the state  
33 until the product is no longer available for distribution.

195.2605. 1. Potency testing of any hemp-derived  
2 consumable product for purposes of sections 195.2550 to  
3 195.2635 shall be conducted on the hemp-derived consumable  
4 product in its final form in accordance with the  
5 requirements set forth in section 195.2570.

6 2. The certificates of analysis for a hemp-derived  
7 consumable product shall report the test results required in  
8 section 195.2570 in specified units of measure and in  
9 accordance with the requirements for a hemp-derived  
10 consumable product in section 195.2580.

195.2607. 1. Testing under this section shall be  
2 limited to hemp-derived consumable products distributed or  
3 available for distribution in the state to ensure compliance  
4 with sections 195.2550 to 195.2635.

5 2. The division shall periodically sample, analyze,  
6 and test hemp-derived consumable products distributed within  
7 this state for compliance with registration and labeling  
8 requirements and the certificates of analysis.

9           3. The division shall conduct randomized full-panel  
10 and potency testing using the high-performance liquid  
11 chromatography (HPLC) method or the gas chromatography-mass  
12 spectrometry (GC-MS) method, as appropriate for the product  
13 being tested, in a manner that ensures that the testing does  
14 not alter the chemical composition of the cannabinoids.

15           4. The division or the department shall be responsible  
16 for procuring the hemp-derived consumable products to be  
17 sampled. Licensees shall not be required to release goods  
18 for testing without appropriate compensation.

19           5. The division may conduct HPLC testing of hemp-  
20 derived consumable products distributed or available for  
21 distribution for any reason the division deems necessary.

195.2610. 1. All retail establishments and food  
2 service establishments offering hemp-derived consumable  
3 products shall be licensed by the division in accordance  
4 with sections 195.2550 to 195.2635.

5           2. A hemp-derived consumable product or class of  
6 products may be sold in retail and food service  
7 establishments if the hemp-derived consumable product or  
8 class of products has been registered in accordance with  
9 section 195.2600. Any other hemp-derived consumable product  
10 or class of products shall not be sold in retail and food  
11 service establishments.

12           3. A retail establishment or food service  
13 establishment shall not offer hemp-derived consumable  
14 products at a temporary event unless the retail  
15 establishment or food service establishment is licensed by  
16 the division in accordance with sections 195.2550 to  
17 195.2635 and obtains a temporary event permit from the  
18 division. Temporary event permits may be obtained for

19 street or neighborhood festivals, concerts, markets, or  
20 other similar events.

21 4. A business that distributes, sells, or serves hemp-  
22 derived consumable products shall not permit any person who  
23 is under twenty-one years of age to serve or handle hemp-  
24 derived consumable products unless the person is an employee  
25 of the business who is eighteen years of age or older and  
26 under the direct supervision of a person twenty-one years of  
27 age or older.

28 5. Persons under eighteen years of age may work in  
29 hemp fields or participate in the processing of raw hemp  
30 flower as part of agricultural operations, provided that  
31 such persons are supervised by a person twenty-one years of  
32 age or older.

33 6. A hemp-derived consumable product shall not be sold  
34 for on-site consumption unless the prospective purchaser or  
35 recipient has presented proof of age or an ordinary person  
36 would conclude on the basis of appearance that the  
37 prospective purchaser or recipient is not under twenty-one  
38 years of age.

39 7. Except as set forth in this section, only  
40 prepackaged registered hemp-derived consumable products may  
41 be offered as ready to consume or for direct consumption at  
42 food service establishments.

43 8. Hemp-derived consumable products shall not be added  
44 to an ingestible food product at a food service  
45 establishment.

46 9. Hemp-derived consumable beverage products may be  
47 added to a nonalcoholic ingestible beverage product at a  
48 food service establishment, provided that the food service  
49 establishment is able to provide the consumer, upon request,  
50 with a copy of the hemp-derived consumable beverage

51 product's registration issued by the division at the time  
52 the food service establishment incorporates the hemp-derived  
53 consumable beverage product into the nonalcoholic ingestible  
54 beverage product.

55 10. A food service establishment offering hemp-derived  
56 consumable products shall obtain a copy of the division's  
57 registration for each hemp-derived consumable product and  
58 provide a copy upon inspection.

59 11. A food service establishment offering any hemp-  
60 derived consumable product shall provide to consumers upon  
61 request:

- 62 (1) The common name of the product;
- 63 (2) The distributor or manufacturer of the product; and
- 64 (3) A copy of the division's registration for the hemp-  
65 derived consumable product.

66 12. A food service establishment shall notify the  
67 division within twenty-four hours of becoming aware, or  
68 within twenty-four hours of when the food service  
69 establishment should have been aware, of any serious adverse  
70 event associated with a hemp-derived consumable product sold  
71 by the food service establishment.

72 13. On-site sampling of hemp-derived consumable  
73 products provided by a manufacturer at the manufacturer's  
74 place of business is permitted provided that the persons  
75 sampling are twenty-one years of age or older.

195.2615. The division may regulate the advertising  
2 and promotion of hemp-derived consumable product sales, but  
3 any such regulation shall be no more stringent than  
4 comparable state regulations on the advertising and  
5 promotion of alcohol sales.

195.2630. 1. Sections 195.2550 to 195.2635 shall not  
2 apply to any:

- 3 (1) Safe harbor hemp product; or
- 4 (2) Safe harbor manufacturer or storage facility.

5 2. Hemp-derived consumable products intended for  
6 distribution or resale outside this state are exempt from  
7 any registration requirements or other requirements of the  
8 department of health and senior services. Such products are  
9 subject only to the regulations of the destination state or  
10 country.

195.2635. 1. Notwithstanding the provisions of this  
2 chapter or chapter 579 or any other provision of law to the  
3 contrary, a registered nurse, as defined in section 335.016,  
4 may administer a hemp-derived consumable product to a  
5 student at a school under the following conditions:

6 (1) The parent or legal guardian of the student has  
7 submitted a written letter specifying the reason for the  
8 administration and the amount to be administered to the  
9 student;

10 (2) For each hemp-derived consumable product to be  
11 administered, no more than a three months' supply of the  
12 product is provided to the school at any given time; and

13 (3) Any hemp-derived consumable product provided to a  
14 school under this subsection is kept in an area that is  
15 inaccessible to other students, teachers, staff, and  
16 administrators.

17 2. Hemp-derived consumable products may be sold or  
18 consumed at any festival or event held on school grounds  
19 where alcohol is otherwise permitted as long as the festival  
20 or event complies with the requirements for festivals or  
21 events that apply generally regardless of whether the  
22 festival or event is held on school grounds.
