

# Journal of the Senate

SECOND REGULAR SESSION

---

**THIRTY-SECOND DAY - MONDAY, MARCH 9, 2026**

---

The Senate met pursuant to adjournment.

President Wasinger in the Chair.

Senator Nicola offered the following prayer:

Father, we are so grateful for You. Thank You for this day which You have made. Thank You for the breath in our lungs, the opportunity to serve You, and to serve the great people of this state. Lord, I ask that You give us wisdom, insight, and strategy. May everything we do in this chamber and in our lives bring glory to Your Holy Name. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

Senator Luetkemeyer moved that further reading of the Journal for the Thirty-First Day, Thursday, March 5, 2026, be dispensed with and the same be approved as though having been fully read.

Senator Roberts offered SA 1, which was read:

## SENATE AMENDMENT NO. 1

Amend Senate Journal, Second Regular Session, Thirty-First Day, Thursday, March 5, 2026, Page 536, Line 27, by inserting after all of said line the following:

“SS No. 3 for SB 888 was read the 3rd time seven hours after the bill was perfected at approximately 3:30 a.m. The bill was perfected even though when the Senate Substitute for SB 888 was placed on the Informal Calendar on February 10, 2026, Senate amendment #2, offered by Senator Roberts, that makes it illegal for minors to possess handguns, was pending. Removing minors' ability to possess handguns is central to ensuring the public safety of this state, is a policy charge championed by law enforcement, and is germane to the underlying public safety legislation. By the time the Senate substitute for SB 888 was brought back before the body on March 4, 2026, Senator Roberts had been called to active duty to serve his country and was therefore absent with leave. Even though Senator Roberts was due to return on Monday, March 9th, Senate leadership denied requests from Senator Roberts and his colleagues to postpone consideration of SB 888 until Monday so Senator Roberts could receive a vote on his pending amendment and participate in the long and complicated negotiations on SB 888. Instead, when the Senate substitute for SB 888 was brought back before the body, the bill sponsor withdrew the Senate substitute, and with it, withdrew Senator Roberts' amendment from consideration, thereby silencing the Senator while he was serving our nation. Senate leadership further denied Senator Roberts the opportunity to participate in negotiations, insisting the Senate would not adjourn until a new substitute for SB 888 was perfected, which the Senate did after 3:30 a.m. on Thursday, March 5th, after the bill sponsor inaccurately claimed, during an inquiry with Senator Hough, that Senator Roberts' interests were indeed reflected in SS No. 3 for SB 888, a patently false claim.”.

Senator Roberts moved that the above amendment be adopted and requested that a roll call vote be taken. He was joined in his request by Senators Beck, Lewis, May, and McCreery.

**SA 1** failed of adoption by the following vote:
