

Journal of the Senate

SECOND REGULAR SESSION

FIFTY-FOURTH DAY - WEDNESDAY, APRIL 22, 2026

The Senate met pursuant to adjournment.

President Wasinger in the Chair.

Senator Hudson offered the following prayer:

Psalm 24:1, "The earth is the LORD's, and the fulness thereof; The world, and they that dwell therein."

Dear Lord,

Thank You for blessing us with the opportunity to live and work in this great state. In this time, we turn to You, the creator of everything and the one to whom everything belongs, and we ask that You would help us to be good and to do good. Left to ourselves we, each one, are incapable of doing anything of any lasting value. Our very best efforts fall short and are even contemptible. Instead of trusting in ourselves may we trust in You. Instead of leaning on our own understanding may we seek Your righteousness. You are our help, our hope, and our salvation. In the words of the Apostle Paul, "Now unto God and our Father be glory for ever and ever. Amen."

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

3. When the court has, after a hearing for any full order of protection, issued an order of protection, it may, in addition:

(1) Award custody of any minor child born to or adopted by the parties when the court has jurisdiction over such child and no prior order regarding custody is pending or has been made, and the best interests of the child require such order be issued;

 5. In making an award of custody, the court shall consider all relevant factors including the presumption that the best interests of the child will be served by placing the child in the custody and care of the nonabusive parent, unless there is evidence that both parents have engaged in abusive behavior, in which case the court shall not consider this presumption but may appoint a guardian ad litem or a court-appointed special advocate to represent the children in accordance with chapter 452 and shall consider all other factors in accordance with chapter 452.

The court may appoint a guardian ad litem or court-appointed special advocate to represent the minor child in accordance with chapter 452 whenever the custodial parent alleges that visitation with the noncustodial parent will damage the minor child.

7. The court shall make an order requiring the noncustodial party to pay an amount reasonable and necessary for the support of any child to whom the party owes a duty of support when no prior order of support is outstanding and after all relevant factors have been considered, in accordance with Missouri supreme court rule 88.01 and chapter 452.

8. The court may grant a maintenance order to a party for a period of time, not to exceed one hundred eighty days. Any maintenance ordered by the court shall be in accordance with chapter 452.

The court shall ensure that the contact information of the petitioner is not provided to the accountholder in proceedings held under this chapter.

(b) Upon issuance, a copy of the full order of protection shall be transmitted, either electronically or by certified mail, to the wireless service provider's registered agent listed with the secretary of state, or electronically to the email address provided by the wireless service provider. Such transmittal shall constitute adequate notice for the wireless service provider acting under this section and section 455.523.

(c) If the wireless service provider cannot operationally or technically effectuate the order due to certain circumstances, the wireless service provider shall notify the petitioner within three business days. Such circumstances shall include, but not be limited to, the following:

The protection order shall be effective immediately and shall be served on the defendant at the time of sentencing. An order issued pursuant to this section shall not expire and is valid for the defendant's lifetime unless:

(1) The defendant makes a showing to the court that the victim has died or the conviction has been dismissed, expunged, or overturned or the defendant has been pardoned; or

(2) The victim submits a written request to the court for an early expiration upon which the court may hold a hearing to terminate the order.

2. A copy of any order of protection granted pursuant to this section shall be issued to the victim and to the local law enforcement agency in the jurisdiction where the victim resides. Upon receiving the order under this subsection, the sheriff shall make the entry into MULES within twenty-four hours. MULES shall forward the order information to NCIC, which will in turn make the order viewable within the National Instant Criminal Background Check System (NICS). The sheriff shall enter information contained in the order, including, but not limited to, any orders regarding child custody or visitation and all specifics as to times and dates of custody or visitation that are provided in the order. A notice of termination of any order of protection or any change in child custody or visitation within that order shall be issued to the local law enforcement agency for entry into MULES or any other comparable law enforcement system. The information contained in an order of protection may be entered into MULES or any other comparable law enforcement system using a direct automated data transfer from the court automated system to the law enforcement system.”; and

7. At the conclusion of the hearing, if the court or jury finds, based upon clear and convincing evidence, that the respondent meets the criteria for assisted outpatient treatment in section 632.590, and the court finds that a mental health program appropriate to handle the respondent's condition has agreed to accept the respondent, the court shall issue an order requiring the respondent to participate in assisted outpatient treatment with the mental health program for a period not to exceed two years.

8. At the conclusion of the hearing, if the court or jury does not find by clear and convincing evidence that the respondent meets the criteria for assisted outpatient treatment in section 632.590, the court shall dismiss the petition.

9. An order requiring the respondent to participate in assisted outpatient treatment based on satisfaction of the provisions of subparagraph a. of paragraph (b) of subdivision (2) of section 632.590 shall not be issued unless the court has considered, or the jury has been instructed to consider, at least the following factors:

- (1) The respondent's ability to access finances in order to obtain food or medicine;**
- (2) The respondent's ability to obtain treatment for the respondent's medical condition;**
- (3) The respondent's ability to access necessary resources in the community without assistance;**
- (4) The degree to which there are risks to the respondent's safety;**
- (5) The likelihood that the respondent will decompensate without immediate care or treatment;**
- (6) The respondent's previous attempts to inflict physical injury on self or others;**
- (7) The respondent's history of behavioral health treatment in the community;**
- (8) The respondent's patterns of decompensation in the past;**
- (9) The respondent's risk of being victimized or harmed by others; and**
- (10) The respondent's access to the means to inflict harm on self or others.**

10. Nothing in this section shall prevent the court or jury from considering any other factor not described in this section.

11. If requested by the respondent, the court shall appoint an available licensed physician or licensed psychologist to examine the respondent and testify at the respondent's request. If the respondent or the respondent's attorney so requests, the court shall not appoint a licensed physician or licensed psychologist who is an employee of any entity in which the respondent is hospitalized or receiving services or who is an employee of any entity that filed the petition. The appointment procedures in section 632.420 shall apply to any appointment under this subsection.

12. The physician-patient privilege recognized by section 491.060 and the psychologist-patient privilege recognized by section 337.055 shall be deemed waived in proceedings under sections 632.580 to 632.610. The fact that such privileges have been waived in accordance with this section shall not by itself waive the privileges in any other proceeding, civil or criminal. The waiver of the privileges shall extend only to that evidence that is directly material and relevant to the proceedings under sections 632.580 to 632.610.

13. Appeals from court orders under this section may be made as described in section 632.430.

14. Assisted outpatient treatment shall not be deemed outpatient detention for purposes of this chapter, and no provision of this chapter relating to the requirements for inpatient or outpatient detention proceedings shall apply to assisted outpatient treatment under sections 632.580 to 632.610 unless such provision has been specifically incorporated into sections 632.580 to 632.610 by reference or otherwise.

15. The provisions of section 632.440 shall apply to assisted outpatient treatment under sections 632.580 to 632.610.

632.595. 1. The court shall assign a case manager from a certified community behavioral health clinic to each respondent ordered to participate in assisted outpatient treatment.

2. The case manager and the respondent shall report to the court at least once every ninety days. The court may, at its discretion, request more frequent appearances. The case manager shall immediately report to the court a substantial failure of the respondent or the mental health program providing the assisted outpatient treatment to comply with the conditions of the assisted outpatient treatment.

632.600. 1. The court order for assisted outpatient treatment shall expire at the end of the period specified in the order unless a petition for an extension has been filed. If any person or entity authorized to file a petition under section 632.585 determines that a respondent requires further involuntary assisted outpatient treatment, the person or entity shall file a petition for continued assisted outpatient treatment before the expiration of the involuntary assisted outpatient treatment ordered by the court.

2. The procedure for obtaining an extension shall be the same as for obtaining the original order, except that the thirty-six-month time period provided in paragraph (b) of subdivision (2) of section 632.590 shall not be applicable in determining the appropriateness of an extension.

632.605. 1. During the period of an order for assisted outpatient treatment, if the mental health program or mental health professional who is providing the respondent's assisted outpatient treatment determines that the respondent is not complying with the court order, the mental health program or mental health professional shall notify the court immediately.

2. If it comes to the attention of the court that a respondent subject to an order of assisted outpatient treatment is not complying with the order, the court may require one or more of the following, without a hearing:

(1) That the respondent be taken for evaluation to a community mental health center providing comprehensive mental health services to individuals residing in the service area in which the respondent resides;

(2) That the respondent be hospitalized in a psychiatric hospital for a period of not more than ten days; and

(3) Upon recommendation by the community mental health center providing comprehensive mental health services to individuals residing in the service area in which the respondent resides, that the individual be hospitalized for a period of more than ten days, but not longer than the duration of the order for assisted outpatient treatment, or not longer than ninety days, whichever is less.

3. The court may direct peace officers to transport the respondent to a designated facility or a community mental health center, as applicable, and the court may specify conditions under which the respondent may return to assisted outpatient treatment before the order expires. Reimbursement for transportation costs shall be allowed as provided under section 632.312.

4. A respondent hospitalized without a hearing as provided in subsection 2 of this section may object to the hospitalization. Upon transfer of the respondent to the hospital, the hospital shall notify the respondent of his or her right to object under this section. Upon receipt of an objection to the hospitalization, the court shall schedule a hearing for a determination that the individual requires hospitalization. The respondent shall have all rights specified in section 632.593 at the hearing. The court shall order the respondent discharged from hospitalization unless the court or jury finds, based upon clear and convincing evidence, that the respondent requires hospitalization as a result of the respondent's failure to comply with the order for assisted outpatient treatment.

632.610. Beginning December 1, 2028, the office of state courts administrator shall submit an annual report to the general assembly summarizing:

- (1) The number of individuals subject to orders for assisted outpatient treatment;**
