The department or agency shall certify in the transmittal letter to the secretary of state that a takings analysis has occurred. **Any rule that does not comply with this section shall be invalid and the secretary of state shall not publish the rule.** A takings analysis shall not be necessary where the rule or regulation is being promulgated on an emergency basis, where the rule or regulation is federally mandated, or where the rule or regulation substantially codifies existing federal or state law.

536.024. 1. When the general assembly authorizes any state agency to adopt administrative rules or regulations [pursuant to this section], the granting of such rulemaking authority and the validity of such rules and regulations is contingent upon the agency complying
