DESCRIPTION

This joint resolution modifies the constitution, upon voter approval, by resubmitting the parks and soils tax to the voters every 10 years, beginning in 2006. The tax is currently set to expire in 2008 without an option for voter approval. This amendment to the constitution would require that it be submitted to the voters every ten years for re-approval.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space. This proposal would not affect Total State Revenue.
