FISCAL ANALYSIS

ASSUMPTION

Officials from the **Boone County Sheriff's Department** state their department presently has its sex offender registry online. A one-time labor expenditure would be realized for them to add photos to the web page. Boone County estimates approximately 16 hours of labor at \$20 per hour would be involved to add the approximately 180 photographs to the web page. The estimated cost would be a one-time expenditure of \$320.

Oversight assumes the proposal is permissive and would have no fiscal impact. However, if the chief law enforcement officer of the county elects to establish a searchable registered sexual offender web page on the Internet, the county may experience a fiscal impact. Since the language is permissive, Oversight assumes no impact.

Officials from the **Greene County Sheriff's Office, Jackson County Sheriff's Office, and St. Louis County Police Department** did not respond to Oversight's request for fiscal impact.

<u>FISCAL IMPACT - State Government</u>	FY 2006 (10 Mo.)	FY 2007	FY 2008

<u>FISCAL IMPACT - Local Government</u>	FY 2006 (10 Mo.)	FY 2007	FY 2008
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

The proposal would allow the chief law enforcement officer of a county to maintain a searchable sexual offender registry website on the Internet.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
