FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Higher Education** (DHE) assume this proposal would have no direct fiscal impact on DHE. However, it may have an impact on the higher education institution specified due to costs incurred if the institutional mission changes. Further, unknown costs would also be incurred by the institution for changes in signage, stationary, and other related changes.

Officials from **Harris-Stowe State College** assume this proposal would have no fiscal impact on their organization.

Oversight assumes that signage, stationery, and other transition costs would be minimal and that private donations would fund any costs associated with this change. Oversight has not included the donations or the costs in this fiscal note.
