DESCRIPTION

This act modifies the information that must be provided to the secretary of state when a group wishes to form a new political party. The act repeals the requirement that the petition to form the new party must contain, if presidential electors are to be nominated by petition, the name of at least one qualified resident in each congressional district to be a nominee for presidential elector.

The number of candidates to be nominated must equal the number of electors to which the state is entitled.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
