### FISCAL ANALYSIS

#### ASSUMPTION

Officials from the **Office of the State Courts Administrator** state while there would be some additional work for the courts if they supervised the offender, the number of littering cases is not great enough to cause a significant workload impact.

Officials from the **Department of Revenue** state the proposal would not fiscally impact their agency.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

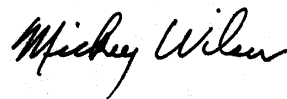

DESCRIPTION

This proposal expands Missouri's littering law by requiring offenders to perform four hours of picking up litter along a highway or other form of community service for the first offense, and eight hours for a second or subsequent offense. The act also assesses two points against the driver's license for littering from a motor vehicle.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
