DESCRIPTION

This proposal makes a couple of technical changes to the professional engineers license plate statute. Under this proposal, the \$25 emblem-use contribution shall go to the Missouri Society of Professional Engineers rather than the Missouri Society of Professional Engineers Educational Foundation. The proposal also provides that the license plate shall bear the words "PROFESSIONAL ENGINEERS". This proposal also adds a corrected provision dealing with volunteer firefighter and fire district firefighter special license plates. This provision was erroneously omitted last session by the General Assembly.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
