DESCRIPTION

This act pertains to private applicator licenses.

The act maintains the prohibition on the issuance of a licensing fee but allows for the collection of a fee by the University of Missouri Extension Service for the actual cost of the materials necessary to complete the course of instruction required for a certified private applicator's license. Such costs shall be reviewed on an annual basis by the directors of both the Department of Agriculture and the Extension service.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
