FISCAL ANALYSIS

ASSUMPTION

Officials with the **Office of Administration – Division of Budget and Planning (BAP)** assume this proposal exempts modular home from sales tax by classifying a portion of the sales price and freight charges as a service. BAP further assumes that it classifies manufacturers of modular homes as contractors. BAP assumes this legislation would have a unknown negative impact on General Revenue from the exemption of sales tax monies, but that it would have no fiscal impact on their agency.

Officials with the **Department of Revenue (DOR)** assume this legislation would create a slight decrease in state revenues, but that the act would have no fiscal impact on DOR.

Officials with **Jasper County and the City of Columbia** assume their governments would see a decrease in sales tax revenues as a result of this proposal.

Officials with the **City on Independence and the City of Springfield** assume this legislation would have no significant fiscal impact on their governmental bodies.

ASSUMPTION (continued)

Oversight does not have sufficient data related to sales of new modular housing units in Missouri as defined in Section 700.010, RSMo, therefore **Oversight** assumes an unknown loss of states revenues (expected to exceed \$100,000) and an unknown loss of local revenues as a result of this act.

FISCAL IMPACT - Small Business

Small businesses that construct or sell modular units could possibly see an increase in consumer demand for the product as a result of this tax exemption.

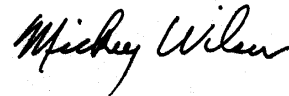

DESCRIPTION

This legislation classifies 40% of a modular unit manufacturer's invoice plus any carrier charge and freight charges as the sale of a service and not the sale of tangible personal property. The manufacturer of modular units shall be considered a contractor, and the tax rate shall be computed on the use tax rate at the location where the modular unit is being placed.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
