FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of State Courts Administrator** assume the proposed legislation would have no fiscal impact on the courts.

	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2006 (10 Mo.)	FY 2007	FY 2008

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

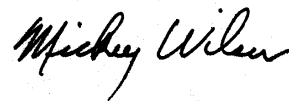

DESCRIPTION

The proposed legislation would provide that when a prospective juror seeks an excuse from jury duty based on a hardship, the person would submit such documentation regarding the hardship as may be required by the judge. When a prospective juror seeks a postponement of jury duty, the proposal would provide that the court, rather than the prospective juror, would select the new date for jury duty.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
