FISCAL ANALYSIS

ASSUMPTION

Officials with the **Department of Insurance, Department of Public Safety – Missouri State Highway Patrol, Department of Transportation, and Office of State Courts Administrator** assume this proposal would have no fiscal impact on their agencies.

Officials with the **Department of Revenue (DOR)** assume this proposal would require procedural changes, various computer system modifications, notification to the motor carrier and the Missouri Highways and Transportation Commission of all actions taken and maintain a system for such notifications. DOR indicates it would use existing resources to implement this proposal.

FISCAL IMPACT - Small Business

Business opportunities for small motor carriers could increase if competition from non-compliant or unsafe motor carriers is reduced as a result of this proposal.

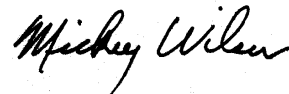

DESCRIPTION

This act allows the Missouri Highways and Transportation Commission to suspend, revoke or cancel the registration, license, permit or other credential issued to a motor carrier if a federal agency or the Commission has issued an out-of-service order against the motor carrier. The law is applicable to out-of-service orders placing a motor carrier's entire operation out of service but does not apply to out-of-service orders placing an individual driver or vehicle out of service.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
