FISCAL IMPACT - Small Business

The proposal may impact small business physician and medical offices.

DESCRIPTION

This proposal provides the directors of the Medical Malpractice Joint Underwriting Association may provide medical malpractice insurance coverage as determined by the directors. The policies may provide coverage on a claims-made, an occurrence, or a prior-acts basis. The proposal also modifies the law with respect to the surcharge paid by association members during their first year of medical malpractice coverage. This proposal provides that the directors of the association may determine what methods of payment are acceptable for paying the surcharge and that the directors may refund surcharges where appropriate.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
