FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

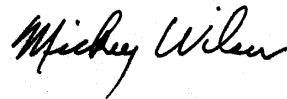

DESCRIPTION

The proposed legislation would provide that judgments entered by an associate division of the circuit court which are entitled to a trial de novo under Section 512.180, RSMo, would be a lien upon final judgment if an application is not filed or, alternatively, upon final judgment of the trial de novo if an application is filed. Such judgments and decrees entered by small claims and municipal divisions of the circuit court do not constitute liens.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
