**FISCAL IMPACT - Small Business**

No direct fiscal impact to small businesses would be expected as a result of this proposal.

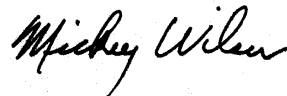

DESCRIPTION

This proposed legislation requires any school district that levies an operating levy for school purposes that is less than the median operating levy for school purposes for the current school year of every performance district to provide written notice to the Department of Elementary & Secondary Education asserting whether or not such district is providing an adequate education to the students of the district. If a district asserts that it is not providing an adequate education, such inadequacy shall be deemed to be a result of insufficient local effort.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
