FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Health and Senior Services (DOH)** state by removing the language related to the Committee on Radiation Control from Chapter 192, DOH can formulate and promulgate new rules. DOH needs to formulate and promulgate new rules to keep up with the many changes in the field of radiation and radiation sources.

This proposal would not be expected to fiscally impact the operations of the DOH. If a fiscal impact were to result, funds to support the program would be sought through the appropriations process.
