**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Office of Attorney General (AGO)** assume this proposed legislation would have no fiscal impact on the AGO.

Having reviewed the proposed legislation and having sought the conclusion of the appropriate board(s), officials from the **Department of Economic Development - Division of Professional Registration** assume this proposal will have no fiscal impact to their division.

Officials from the **Department of Health and Senior Services (DOHSS)** state this proposal would not be expected to fiscal impact the operations of DOHSS. If a fiscal impact were to result, funds to support the program would be sought through the appropriations process.

FISCAL IMPACT - Small Business

Health clubs would have increased costs for purchasing automated external defibrillators and related training.

DESCRIPTION

This proposal requires every health club to have at least one automated external defibrillator on the premises. The proposal requires the defibrillator to at all times be deployed in a manner consistent with the requirements prescribed under Section 190.092 and to have at least one employee trained on the use of the defibrillator per shift and on duty during hours of operation.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
