DESCRIPTION

This proposal provides that drugs donated under the Prescription Drug Repository Program that are not used or accepted by any pharmacies, hospitals, or nonprofit clinics may be distributed to out-of-state charitable repositories for use outside of the state. Out-of-state charitable repositories include any bona fide charitable, religious, or nonprofit organization licensed as out-of-state wholesale drug distributors or any foreign medical aid mission groups that distribute pharmaceuticals and healthcare supplies to needy persons abroad.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
