DESCRIPTION

Under current law, the Missouri Board for the Healing Arts must prepare and conduct examinations for applicants for licensure as athletic trainers. This proposal relieves the board of this duty and requires prospective trainers to pass the National Trainers Association Board of Certification examination. This proposal also repeals a provision that requires the applicant to meet certain academic and experience requirements as a prerequisite to licensure.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
