**FISCAL ANALYSIS**

ASSUMPTION

Officials from the **Department of Revenue** state this proposal would not fiscally impact their agency.

**Oversight** assumes that broadening the definition of ‘state agency’ to include housing authorities could indirectly result in a reduction in refunds by the Department of Revenue and an increase in collections by housing authorities. However, Oversight assumes the proposal would not result in a direct fiscal impact to the state.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
