FISCAL ANALYSIS

ASSUMPTION

Officials from the **Missouri Gaming Commission** and the **Missouri Highway Patrol** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Office of Prosecution Services** assume the proposal would not have a significant fiscal impact on county prosecutors.

Officials from the **Office of the Attorney General (AGO)** assumes costs can be absorbed. However, in the event the AGO was asked to initiate a prosecution under this provision, there could be significant costs in handling that prosecution. Such costs would likely be less than \$100,000.

DESCRIPTION

This proposal permits the Missouri Gaming Commission to request the Highway Patrol to investigate or participate in such matters as it deems necessary in order to oversee licensed excursion gambling activities and personnel. The Highway Patrol is granted authority to investigate and report suspected violations of state and federal law by the Missouri Gaming Commission with regard to licensed excursion gambling. The act also provides the Attorney General of Missouri the power to prosecute alleged violations of laws relating to licensed excursion gambling if such violations have been reported to the proper prosecuting authority and no prosecution is commenced within thirty days.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
