**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Office of State Courts Administrator, Department of Corrections, and Department of Mental Health** assume the proposal will have no fiscal impact on their organizations.

Officials from the **Office of Prosecution Services** assume the proposal will not have a significant direct fiscal impact on county prosecutors.

Officials from the **Office of Attorney General (AGO)** assume that, to the extent this proposal requires separation from the general population of those individuals who may ultimately be determined to be sexually violent predators, there would be no additional fiscal impact on the AGO in handling those cases on behalf of the state.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
