FISCAL IMPACT - Small Business

The proposal may have an insignificant administrative impact on small business physician offices and pharmacies.

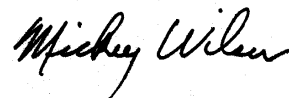

DESCRIPTION

This proposal requires licensed practitioners who are authorized to prescribe controlled substances to issue all written prescriptions. The prescriptions shall be legibly printed or typed, dated with the month written in textual letters, signed by the prescribing practitioner on the day issued. The prescriptions shall also contain the name of the prescribing practitioner, the name, strength, and quantity of the prescribed drug and directions for using the drug.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
